

From the Principal High Talent

Congratulations to Rowan Tam (8M) who competed in the NSW All Schools

championships last weekend at SOPAC, and placed 1st in 13yrs triple jump (12.44m), 2nd in 13yrs 400m, and 3rd in 13yrs Long Jump (5.69m). He will now be going to the Australian All Schools in Adelaide

in December to compete in the triple jump and 400m. Great results, Rowan! In the recent NSW Segment of the 2017 CPA Australia Pan Your Own Enterprise Competition Division 2 (Group Entries) a High team was judged best team out of 89 entries. CPA partners with Business Educators Australasia to support the competition. Students were required to present (c3000 words) a creative idea for a small business as a business plan. Well done to Liam Heng (10R), William Kuang (10R), David Tsai (10S) and Leo Wang (10E). The boys won a \$200 gift voucher. In the individual section (Division 1) Marcus Borszcz (10T) was a NSW finalist in the competition. Congratulations to our participants and to Mr Dolan for supporting our contestants. A great ICAS result was earned by Nicholas Ma (10R) who won a medal in the English Competition for Year 10 students. Good job, Nicholas! Sydney East School Sports Association has endorsed Sydney East Blues for 2017 to: Benjamin Coan 12E (Volleyball), Jerry Chang 11F (Volleyball), David Chen 12T (Athletics) and Eric Holmstrom 10T (Cross Country). Congratulations on this prestigious sporting award, boys!

Boggabilla Exchange Support

I would like to thank the parents of Year 9 boys who supported their boys by allowing them to experience the Boggabilla cultural exchange visit this week, despite the fact that Year 9 exams commence next Monday. Our participation was affected by the proximity to exams but enough boys went along to preserve our

traditional visit. Four days away from study and exam preparation is a big sacrifice, but a worthwhile one in my view. Academic endeavour is central to our ethos, but so also is experiencing the world broadly. It is a salutary experience to visit a school so different to ours and with a completely different set of challenges. Personal development is important in the Junior School. We have been interacting with Boggabilla Central School (established 1879) since late in 2003. Con Barris has been the point of contact between the two schools ever since.

We have two artworks from Boggabilla in our Na Ngara collection. We refurbished an old classroom as a Community Centre at Boggabilla for use by the community. The project took five years to complete, with funding raised by Year 9 students at mufti days and barbecues. We funded raised vegetable beds in the school grounds to assist in growing vegetables for the breakfast program. We refurbished a greenhouse on the site for plant generation. We financed a native bushes walk at the front of the school entrance. We subsidise student visitations to Sydney for State -of -Origin games. Despite an extensive replacement of key leadership at Boggabilla and the untimely death of community elders like Uncle Dave, our relationship continues. We need to ensure each cohort of our Year 9 students becomes aware of why the project nominated for their year is important. Our corporate history of offering hope for a brighter future, one student at a time, needs to be preserved. Thank you to Matthew Cotton, Con Barris and Emily Stephens, who gave so much time to the project this week.

Harassment Or Bullying

Students and their parents should be aware that the school has a 'zero tolerance' policy on homophobic harassment, sexist or racist slurs, bullying or teasing. At High we are proudly anti-discriminatory. No individual should be discriminated against by virtue of his sexual

identity, race, religion, philosophical or political views or cultural custom. We promote ourselves as a band of academic brothers and must put our actions where our words are. Students who discriminate against others, verbally, physically, in writing, on social media, or online, can expect strong negative consequences. Any defence based on the idea that teenage discourse customarily encompasses the use of homophobic language to the extent that it has lost its original meaning, will be disregarded. The essence of the problem is in repetition of discriminatory words or phrases and multiple perpetrators repeating them. Reasoned argument, measured discourse and healthy debate are good for organisations. Let's all be more respectful towards one another!

Unauthorised Parking On School Grounds

We have recently had a number of vehicles parked without permission on our school grounds, in some cases for multiple days. We all need to be vigilant – staff, parents and students – when driving, parking or walking through our car parks. Please report to the school office or inform a Deputy Principal if you see someone getting out of a car and then exiting the site. Commuters can save a considerable amount of money by avoiding paying for a car space in the city. Sometimes people working in our immediate vicinity try to use our grounds as their car space. Car spaces for staff and visiting parents are already at a premium without the burden of freeloading commuters making things worse. Let's be alert together to report strange vehicles on our site!

Meet the Prefect

One of my favourite qualities of Sydney High is the multitude of different people that you meet during your time as a student. And that's a testament to the breathtaking range of opportunities that we're gifted with, opportunities that make the school experience of every boy lucky enough to attend this school so unique from the person next to him. But if there's one certainty that brings everyone together, it's that the boy at the end of the journey is going to be a very different person to the one who began it.

I began this journey as a twelve year old with a perfectly spherical bowl cut and a bag twice as big as he was, unable to comprehend why room 103 was so far away from room 104, why all those girls were at our canteen at lunch, or why we called a bumpy patch of grass with a huge bush in the middle "The Flats". But looking back on

my five years at High, I can safely say that the boy who finishes my journey will be nothing like that. That twelve year old now plays rugby and sails for the school. He enjoys debating, mock trial, and philosophy. But most importantly, he's since removed his bowl cut.

I am incredibly grateful for the way High has changed my life, and I'm honoured to be elected as your Vice Captain. Together with the Prefect Body of 2018, my dream is to make the school as accepting of the multitude of different people within it as possible, and ensure that everybody's school experience is one that changes them for the better. It's sad that the final year of my journey has already begun, but there's nowhere I'd rather end it, and I cannot wait for the year ahead.

Vice Captain

From the Canteen

As we approach warmer months, the canteen menu has some exciting additions, in addition to all the regulars. The "Hot J Roll" dedicated to our GA Jim (very spicy with little chicken balls lettuce a bit of cheese and tomato) as well as a cold chicken wrap with red & green cabbage, lettuce, tomato and coleslaw dressing. Please pre-order to avoid long queues.

PRE-ORDER NOW!

High Canteen is very privileged to have committed volunteers who not only ensure smooth daily operations but also readily fill in gaps as required. As a result, High Canteen is able to return all profits to the school community.

We would like to acknowledge the following helpers for last week:

Mon: Pam Jepson, Wei Li, Lisa Fackender
Tue: Tara Yi, Vicki Roberto, Annie Yu, Thuey Lam
Wed: Carrie Waring, Canwen Liang
Thur: Su Ren, Arti Shah
Fri: Hailing Chen, Sam Guo, Penny Chan

The canteen committee will be holding its AGM at 2.30 pm on 10 November. All are welcome.

Tennis Trials Week 1 Update

Week 1 of the trials saw Sydney Boys High take on The Kings School. Our winning percentage was down on our meeting with Kings in last season's final fixture. This should provide plenty of drive for our boys to work hard throughout the final stages of trials to push for their best performances and position in the tennis team.

Although missing three of our top six first grade players they still managed to win their fixture, however the reshuffle had a negative effect on the rest of the grades. Despite that, it was a great experience for all involved

to have played up several grades.

Congratulations to the U16's who won the majority of their matches, this is a big improvement on their performances last year. They have always been a well-behaved and hard working group so it is pleasing to see some great results there. Keep it up.

This week's trials are against Shore. Please refer to the school website for fixtures and updates.

PDHPE – FITNESS ASSESSMENT September 2017

The final fitness assessment of our Year 7 – 10 students occurred during September. In 2017, personal goal times were again set to encourage each student to improve and maintain a higher level of aerobic fitness. It was very

pleasing to see 187 students achieve their personal goals. Congratulations to the goal achievers listed below, as well as all the students who “had a go”.

Year 7 (35 students)

Personal goals have been set since 2011. The boys highlighted in bold have achieved their personal goals on two consecutive occasions. The following boys have achieved their personal goal in three consecutive years.

Year 9: **Ozan Akarsu**, **Cullan Ariyawanse**, **Vikas Bolisetty**, **Felix Cao**, **Lachlan Ho**, **James Huang**, **Braveen Murugathas**, **Mridul Pant**, **Jonathan Tran** and **Alex Zhou**; Year 10: **Andrew Chang**, **Arshad Mohamed** and **Thomas Schanzer**. Special congratulations to Year 10 students, **Eric Holmstrom** and **Adam Simic**, who achieved their personal goals in four consecutive years, which has been a sustained effort of high achievement over an extended period.

The personal challenge will continue in 2018, in a slightly different format, to keep challenging our students and always think in terms of personal bests. I look forward to more students taking up the 1.6k challenge and achieving their personal best times next year. The complete 1.6k run results for 2017 follows.

An assessment of 70% or better, required a time of 7 minutes 30 seconds or better. An assessment of 40% or better required a time of 8 minutes or better.

It is interesting to compare a Year group over time against themselves, as well as against previous Year groups.

The Year 10 result for 2017 may be a sign of the times. The highest recorded Year 10 mean was 72% (2003). Since 2012, the PDHPE faculty has noticed a steady decline in the Year 10 results. To the extent that the Year 10 result for this year was the lowest recorded since we started in 2000. With mandatory minimum sports training sessions in place for GPS sport, the assumption would be

that our fitness levels would be increasing, if our students were trying to do their best. If the majority of Year 10 students are not trying to do their personal best, in what is a simple task, the obvious question is, why not? To quote Michael Jordan, "The only person that can stop you, is yourself." I wonder how many Year 10 students stopped themselves.

This season has seen a new face to the Sydney High Rowing Program, led by Mr. Barris (MIC) and Gareth Deacon (1st VIII Coach). Despite a slow start, with many rowers taking part in the athletics program, these few training sessions has revealed potential in our cohort, through impressive early results and high levels of motivation.

The focus for the beginning of this season has been technical proficiency and improved attitude towards training. We strive to be the most technically proficient squad in the GPS, and hope to see results from this in future races. The attitude that our sheds have now adopted relies on heightened focus and punctuality on and off the water.

Although this season sees a decrease in the number of training sessions, these sessions have been designed to be far more beneficial to the athletes in a shorter period of time, in order to allow them to maintain a good balance between sport and school.

The second week of the holidays kicked off with a three day training camp, looking to achieve technical gains and overall development as a squad. This camp has been an annual occurrence, and is looked forward to by all the senior boys as a bonding experience.

In the coming weeks, we look to further develop our technical proficiency, while also beginning to ramp up our overall fitness, allowing us to become better rowers and a better sheds.

Hello all! The GPS season is in full swing. Strong start for the Opens, winning 8/10 opens games, 16s have a lot of promise, and 15s and 14s have continued to work hard. 1sts had a very tough game against a tall opposition, and had to fight for every rebound, every loose ball. Despite the loss, it was clear that we could win that game if we consistently stick to the coaching plan. 2nds came away with a strong win, and did what they had to do in order to dominate like they did. Well done to Sebastian Diaz in the firsts for dropping 20 points, and to Kristian Lisica in the seconds for top scoring with 12 points in his first game representing 2nd grade! This year High basketball has some real promise.

Year 9 recently competed in the House Basketball tournament. The Final came down to McKay and Torrington. The end result: 12-18 to McKay. Well done to all boys who participated in the competition. Watching all the games, we really liked the vibe that both the players and supporters brought.

In other news, the Oklahoma City Thunder played sparring off against Australia's own Melbourne United, featuring Old Boy Craig Moller. To many people's surprise, the game came down to the wire, and OKC only just came away with the win, 85-86. Russell Westbrook had a quiet night, not even cracking double-digits in points, but still grabbing 9 rebounds; Paul George dropped 22 points and grabbed 7 boards of his own, and Steven Adams got a double-double (12 points, 10 rebounds). Moller played 13 minutes, with 4 points and 2 rebounds. Pretty solid effort against a team of some of the best players in the world. Use this as a reminder as what the High basketball program has to offer, and where it can lead you.

The NBL season is just kicking off, and the Sydney Kings lost their first two games, but bounced back against the Illawarra Hawks, winning 103-87, with Perry Ellis leading with 33 points and 73% shooting. Hopefully the team can break their playoffs drought this year and have a shot at the title.

That's all for this week. Next game is against Shore, so keep working and High is sure to succeed. Play Smart, Play Hard, Play Together.

See the following page for the results table.
