

From the Principal High Talent

Samuel Zheng (12R) has been nominated for consideration for inclusion in ARTEXPRESS 2018 for his body of work, *Speak no Evil*. This is a significant achievement. Congratulations, Samuel. Congratulations to our Year 9 French students who gained 3rd (aeq) place in the Alliance Française Option Chanson schools competition: Sam Colgan, Khobi Deep, Gautama Desaraju, Ikko Ehode Arimoto and Xavier Klee. Well done boys.

Interpreting Year 9 Reports

All Year 9 boys should now have their reports. Parents should be aware that large fluctuations in points earned and rankings in the cohort can be caused by a few marks more or less at the cut-off scores for HDs, Ds or credits. Sometimes boys underperform in subjects that they have decided that they will not continue (such as history or geography) or an elective that they didn't enjoy. Such actions can also result in movements in the rank order. Encourage your son to maintain a high standard in the core subjects, English, mathematics and science, as these are compulsory in Year 10.

Electives Process for Year 9 Boys Going into Year 10

Students make an initial free choice with their electives. They are also asked to rank their choices so that if they do not get one, they will be considered for the next ranked choice. Many boys have shown interest in robotics, code-based game development and the online learning elective. Many others have aspired to

accelerate in a particular subject. For those attracted to acceleration, a process is in place to apply and have your application assessed. For robotics and game development, Ms Dam culls applicants based on their demonstrated mathematics proficiency and previous interest in IA subjects. Usually, a D in mathematics is a minimum requirement for entry into robotics or game design. Boys who applied for both will only be allowed to do one of these subjects. Mr Cipolla has been asked to choose the 30 best autonomous learners with advanced computer skills for his OLE. Boys needed to have an interest in autonomous learning and rank inside the top 100 students on the raw scores submitted by HTs and used by Mr Dowdell to calculate the dux of the Year group. I cull the accelerant applicants. The criteria are academic in nature. Students have to be above average across their subjects at the Year 9 yearly examinations. They have to have a HD or D in the subject area in which they wish to accelerate. They have to be in the top 100 in the rank order. On rare occasions, highly talented students in just one subject area may be considered if they fall within a few places of the cut-off rank. Year 10 electives are designed for students to branch out and test their interests before settling into stage 6 study. Students need to choose carefully and follow their interests in a low stakes learning environment.

Student Awards Scheme

The Student Award Scheme for points to be earned for this calendar year will close on Friday 30 November. All students will have their points calculated as of this date. Check your points' status on 'r' drive to see how close to an award you are so that you can make up the difference. If you see something missing, contact the MIC for the activity to make sure a text file is created and sent to Mr Dowdell. Year 11 Prefect Interns will have their final points calculated and must have qualified to continue as Interns by earning an award this year. Even if they have carry over points, they must earn 100 this year to stay as a Prefect. The 2018 Scheme commences on December 1, 2017. Boys who are close to getting an award should fire up now. Look for service areas in parking, school working bees or volunteering to reach the threshold required.

Scholarships Offered at High

SBHS offers only two scholarships/bursaries – the Phillip Day Memorial Scholarship and the Sir Roden and Lady Cutler Foundation Scholarship. All **enrolled or enrolling** students are eligible to apply for the

Phillip Day Memorial Scholarship. It is a *one-year credit* on the school account for \$1,500. The Selection Criteria covers talented boys in an academic area or a co-curricular endeavour. Good all-rounders qualify as do students with special needs – financial or otherwise. There are many boys in the school who would make good candidates for this award. I urge them to take the trouble to download and complete the application form. The **Sir Roden and Lady Cutler Foundation Inc Scholarship** is a *two-year award with a credit at the school account* for \$1,500 for each Year – 11 and 12. Only boys **enrolled or enrolling** in Year 11 are eligible to apply. The criteria for this scholarship are different. It has an emphasis on a prior record of service to others, to the school and / or the community. Boys with initiative, compassion, a record of school or community service and leadership skills, are invited to apply.

Look for the details on the website www.sydneyboyshigh.com/scholarships. Do not assume that you are not worthy or eligible. Applications close on November 30.

Parent Volunteers Needed

Sydney Boys High School Orientation Day

Tuesday 21 November 2017

12:30 to 3:30 pm

Please come and help the **P & C** to welcome prospective parents to the School.

We need volunteer parents to help serve afternoon tea and welcoming our new parents and students.

It will be an enjoyable afternoon and all you need to bring is your friendly smile.

Please contact Stephanie Fung

via email funstep@gmail.com

or

0430 091 116

or

wechat (id: funstep)

if you can help

☺ Thank you ☺

From the Canteen

Did you know that all profit from daily sales is returned to school community for projects that directly benefit our boys? High Canteen encourages students to continue to support us as we endeavour to serve fresh and healthy items. Karen & Tracey constantly add new foods to an already extensive menu. Make sure you pre-order to reduce waiting times during recess and lunch.

We would like to acknowledge the following helpers for the last two weeks:

MON: Anita Bu, Xia Zhou, Razni Nazar, Usha Arvind.

TUE: Carrie Waring, Katherine Ng, Yu liu Frank, Vivian Huang, Becky Ralph,

WED: Ria Lam, Lillie Ivanovski,

THUR: Arti Shah,

FRI: San San Myint, Sam Guo, Hailing Chen,

The canteen committee will be holding its AGM in the board room at 2.30pm on Friday 17 November. All are welcome. Please consider joining the committee.

We would also like to invite cricket families to help prepare daily lunches during Barberis Cup (Nov 20-22) & Five Highs Cricket Carnival (Dec 4-8). SBHS will play host to visiting teams from Perth, Adelaide, Melbourne & Brisbane. If you have a few hours to spare from 8.30 – 11.30am, please speak to Karen or Tracey on 9662 9350. We need a minimum of 3 volunteers each day. Many hands make light work!!

Thank you to the volunteers who have already done so. We appreciate your help.

Usha Arvind

President Canteen Committee

Opal Card – Address Change Reminder

Please remember to inform the school of your new address when you have moved. A new Opal card to your new address will not be issued if the address on our records differ from that used on your Opal Card application.

Address must be changed on a *Change of Address Form* obtained online or from the school office.

MUSIC NOTES

End of Year Concert

Save the date!

Our End of Year Concert will be held on Sunday 3 December, 12.30pm in the Great Hall. There will be no jazz workshop this year but will definitely return next year!

In addition, there will be a raffle prize draw at the concert. All funds will go towards the SBHS Music Performance Program. If you would like to donate item(s), please drop them off at the music staffroom with your son's name and class. Please ensure donated item(s) are in good

condition [and not expired]. Please drop off your donations by Friday 24 November.

Marching Band

There will be no rehearsal on Tuesday 21 November, due to Orientation Day. Rehearsals will resume back on Tuesday 28 November, 3.30pm – 4.30pm in the Great Hall.

Music Tour 2020

Details & expression of interest forms will be handed out at our End Of Year Concert [Sunday 3 December].

Weights Room

Two Saturday's ago I had the pleasure of meeting Old Boy Geoffrey Lewis (SHS 1965). He was pleased to see what had been done in the weights room and was a "real gym". Below is a small blurb about his life including his time at High – he was encouraged to believe the school is still a great environment to support students to reach their academic and sporting potential.

Kurt Rich

Head Strength & Conditioning Coach

Geoffrey Lewis

I was at Sydney High from 1961 to 1965. The school provided a great environment for boys to achieve their academic and sporting potential. The school and its teachers gave wonderful guidance to the students. This was amplified by the support and healthy competition and encouragement from fellow students. I was very successful academically, becoming Dux of the School, and in the 1965 Leaving Certificate (equivalent to the HSC) I came first in the state in Mathematics, and second in the state on overall marks. I was only average in sporting ability but I very much enjoyed participation in sport, competing at rugby, cricket, tennis and athletics.

At University of NSW I majored in Pure Mathematics winning the University Medal, and then a PhD degree. I became a Lecturer in the Department of Economics at Sydney University. In 1978 I again changed careers to computing, which let me make better use of my mathematical problem-solving ability. Since 1983 I have

worked from home in my own business, specialising in payroll software for medium and small businesses.

For a few years after leaving school, I continued to be active in sport by being a rugby referee, which required me to do a lot of running. As family and career responsibilities grew, I did virtually no sport. When my children became keen on tennis, I resumed playing tennis again. In 2006 at age 57, disaster almost struck as four of my arteries were 90% to 95% blocked. Stents were inserted in a successful operation but the doctors told me to watch my diet, and to do regular exercise. I began by doing a lot of walking every day. After a year, my son advised me to work on my upper body strength by going to see his personal trainer. Ten years later I still go to this trainer every week.

From my school-days I still had that determination to do training and to continue through discomfort. All my previous sporting activities were in "running sports". At age 61, I started to lift weights for the first time in my life. I have been competing at powerlifting events since 2012, and late in life I have had the honour of being selected to represent Australia in this sport. I have won Gold medals at the Australian, Asian, Oceanic and British Commonwealth Championships for my age (60 to 69 years) and weight class (up to 74 kg). I am still improving and getting stronger – this year I have achieved or equalled my Personal Best at all lifts. My best event is the Deadlift, where I have lifted 165 kg.

Geoffrey Lewis

SHS Old Boy 1965

Geoff at the Commonwealth and Oceania Championships where he won gold

SHOOTIN' HOOPS

222

Hey all! Welcome to another edition of Shootin' Hoops. Congratulations to everyone for Hammering Grammar; the majority of teams managed to get a win. Opens had a very dominant run, and First Grade saw **Oscar Dumas notching up the 6th highest PER in the the history of High School. Congrats Oscar!** Seconds have kept their winning streak going, with all players chipping in to bring the team over the line on top once again, especially Kristian Lisica, who scored 16 points. Kristian has now top scored in multiple games this season, a big well done, especially as a Year 9! 16s had a solid effort once more, with 4 out of 6 teams getting the W. And congratulations to 15s for a clean sweep in all grades; and to As for getting their first win of the season! Well done boys! 14s had a tough week without a win, but based off the amount of discipline and perseverance evident in training sessions, things are looking up in future.

AAGPS

Athletic Association of
Great Public Schools of NSW

This weekend sees First and Second Grade competing in the Raschke Cup, a full day of competition. All the best to the teams, and may all players play to the best of their ability, we'll have the results of the tournament in the next edition!

The NBL sees the Sydney Kings still at the bottom of the ladder. Can they pull an Adelaide 36ers and turn their season around and sneak into the playoffs? Stay tuned to find out.

The NBA's standings are a real shake-up from last season. The East sees Detroit and Orlando just under Boston, who are on a 12 game win-streak. But will an injury to both Gordon Hayward and Kyrie Irving cost them? The Cavs are out of the top 8; is LeBron going to

engage beast mode and bring the team some form again? The West has Houston and Golden State rising to the top off a long win-streak, with Denver of all teams taking out the third seed over the Spurs. Strangely, the Thunder seem to be stuck in no-man's land. Can they too turn their season around?

That's all for this week. Next up, High will face off against Riverview. Make sure you're there to support Firsts at Gartlan Centre, Riverview at 11:15am and Seconds at Newington Gym at 10:00, and bring your loudest cheers from the supporter's stands! Make sure to bring your A-game. *Many thanks to Mr Hayman and everyone in the High Basketball community for making this week possible! And remember: Play Hard, Play Smart, Play Together.*

See the following page for the results table

Boston Celtics' Jayson Tatum (0) blocks a shot by Brooklyn Nets' Trevor Booker (35) during the first half of the game played in New York on Tuesday.
(AP Photo/Frank Franklin II)

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible

Brought to you by Adam Gordon and Alex Zhou

Rowing Report

Saturday 11 November marked the start of the racing season for most crews. With the speed of racing unsettling some crews in their first race of the day, all crews performed much better in the second race of the day. There were some very tight races, with the 1st Quad narrowly losing to a couple of schools and the 1st VIII going down by a boat length in their second race of the day. Well done to the 2nd VIII, who improved by over 10 seconds on the rest of the field to beat Grammar in their second race of the day.

The Year 8 quads were able to enjoy their first row in good conditions on the Parramatta river over the weekend. They took the time to hone in on their boating skills as seen in the photos below.

Good luck to all crews racing on Saturday 18 November at the St Josephs College Regatta.

George Barris
MIC Rowing

Term 4 Regattas:

Date	Regatta	Crews
18 November	St Josephs College Regatta	Year 9 Quads, Year 10 Vllls, Seniors
25 November	Newington College Regatta	Year 8 Quads, Year 9 Quads, Seniors
25 November	Head of the Yarra/Melbourne High Exchange	Year 10 Vllls

Year 8 1st Quad posing

Year 8 2nd Quad posing

2nd VIII finishing strongly to beat Grammar

1st VIII during race 2 of the weekend

HIGH SAILING

Following a week of testing conditions in high winds, High entered eight boats on a day of incredibly light conditions, which proved to be far more challenging. With more than twenty sailors entered once again, the Fleet Racing competition continues to be a valuable learning experience for juniors in particular. The morning races saw conditions of no more than seven knots, testing the finesse and concentration of High's contingent. Despite numerous boat repairs off the water, Max Wharton-Jones had an excellent first race which saw him spend the majority of the race in first and ultimately finish third. As the day progressed, High achieved a wide spectrum of results which revealed the difficulty of low-wind sailing, even for the Firsts. Kai Huang and Brian Nguyen were the most consistent of the seniors, but the day truly belonged

to the juniors who used their light weight to their advantage and displayed their constantly evolving skill to gain numerous top ten positions. Julian Alcorn regularly had amazing starts despite having three people in his boat rather than two, and Justin Wayne-Lowe's stellar boat speed and ability to find the wind held him in good stead.

After racing, the Firsts team enjoyed a solid hour of training as the wind picked up in preparation for the upcoming Teams Sailing competition. As time progresses, our sailors are sure to have a far greater impact on races.

Jarrod Khaw
Junior Captain.

Cricket Report

For 1st and 2nd XI GPS points ladder please go to:

<http://aagps.nsw.edu.au/summer-sports/cricket/>

The two-day match against Grammar came to a conclusion this week, with many teams who were washed out playing a one-day match instead.

2nd XI Report:

The 2nd XI were unable to get on last week, which meant both teams were looking to get a result. Grammar started off batting and put on a respectable total of 199 but were restricted due to tight bowling from Anish and Adi. We began our 40 over chase positively by reaching 1-50 rapidly after 12 overs however slowed down after the loss of a few wickets. Nearing the end of the day, Raghav and Yatin had a crucial 50 run partnership in 8 overs to bring us close but eventually giving us a draw. With our first points on the board, we'll be looking to go one better against Newington!

Vivek Mahajan
Captain

1st XI Report:

After only playing 26 overs the previous week and managing to score 4-81 on a wet surface, we looked to consolidate our innings over an extended day two with 120 overs. Losing our in-form opener Jay Patel early meant we were on the back foot immediately and needed to play time. A mixture of poor shot selection led us to be all out for 127, with around 90 overs of the day still to go. Our bowling attack started off well but Grammar held on, sticking to their shots and leaving well. The second session saw wickets fall and smarter bowling. Unfortunately Grammar took the win with some tough batting and sent us in after tea. We held on and prevented outright. Obviously hugely disappointed but we can take a small positive in our improved chat on the field which got to the batsmen several times.

Aditya Shiva
Captain

Team of the Week: 14As

Congratulations to the 14As on going 2 from 2 and smashing Grammar this past match! Despite Grammar holding out for over 50 overs, the boys showed determination and discipline in the field and with the ball to hold them to a low total. Keep it up boys!

This week, we will be playing another two-dayer against Newington, with the 1st XI competing for the Joseph Coates Trophy. Be sure to support the opens teams. Good luck to all and remember to play hard!

To all parents and players, don't forget to go through the points below:

- If the weather is inclement on a Saturday, you can find any changes to the fixtures on the SBHS website on the home page. No changes = game is definitely on.

- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- For training sessions (outside of school hours) and Saturdays, parents are to email through the specific details of absence (**Student number, name, sport, team, reason and date of absence** to absences.sport@sbhs.nsw.edu.au). All absences will be noted.
- Remember all cricket games are important to attend to each Saturday, otherwise you are letting your team down. A **100% attendance record** equates to **5 Award Scheme** points for juniors.
