

## From the Principal High Talent

Congratulations to the second VIII for their 7<sup>th</sup> place in the Head of the River in a time of 6.36. The last time the second VIII from High came seventh at the Head of the River was in 2010. They become the 28<sup>th</sup> crew at High since 1999 to row inside 7.5% longer than the winner's time. Congratulations to: Albertus Herijanto, Leo Ye, David Wu, Widhiwipati Widyatamaka, Jonathan Meng, Lenny Han, Kevin Jin, Rongxuan Chong and Dimas Sanjoyo. The first VIII rowed valiantly but couldn't hold on against SGS in the last 500m. They improved 25 seconds since their first regatta, the most of any GPS first eight crew. Despite their disappointment, theirs was the equal 3<sup>rd</sup> best row since 2008. Like us, they should be proud of their efforts.

## Allianz Stadium Redevelopment

[NB The following are the views of Michael Waterhouse, Convenor, Saving Moore Park Inc. as of 20th March 2018. They should not be construed or interpreted as the views of the Principal. The letter to the community is included in this newsletter in the public interest, because of the vital importance Moore Park West has for sport and recreation for our students.]

"The Government's *final* decision appears imminent. Infrastructure NSW is believed to be assessing whether the stadium can be redeveloped for the estimated \$705 million cost and whether there's a sound business case to do so. In November [\[Link\]](#), we expressed surprise that the Government would commit to such a massive investment without a business case. However, we welcomed the SCG Trust's commitment that the redevelopment would take place entirely on SCG Trust land.

Since then, our focus has continued to be on trying to secure the best outcome for the

community and Moore Park if the redevelopment proceeds. A week ago, the Premier said that "*Wherever we build new projects we take the necessary action to make sure the community is front and centre.*" We are working to encourage the Government to put substance to these words. Specifically, we're looking to ensure that there is full and free disclosure of information concerning the impacts on Moore Park and on the community, and that these are clearly identified and addressed through a proper DA and EIS process.

Infrastructure NSW has a page on its website [\[Link\]](#) where it reports that the project has been designated as a State Significant Development. Further, that it "is committed to extensive community engagement throughout the planning process." Just what this means remains to be seen. The page makes provision for people to register their interest "in upcoming engagement events". We encourage as many people as possible to do so.

In December, we met with Matt Crocker, Policy Director in the Premier's office, and have since written to him [\[Link\]](#) seeking an assurance that, in an effort to accelerate the planning approval process, Infrastructure NSW will not use the exemptions the SCG Trust has under its own Act from the requirements of the *Environmental Planning and Assessment Act*

1979 and the *Local Government Act 1993*. We've also asked that a Community Consultative Committee be appointed for the Allianz Stadium redevelopment as soon as practicable, as is proposed (but still not in place) for the Western Sydney Stadium. We've sought another meeting with Matt Crocker, but in case the issue comes before Cabinet before this happens, we've also provided briefing notes to certain Ministers.

Finally, we've sought assurances twice from the SCG Trust [\[Link 1\]](#) and [\[Link 2\]](#) that it will promote full and free disclosure of information

relating to the impact of the redevelopment on Moore Park and on the local community. We've received no response.

#### *Funding for Moore Park*

In April 2017 we had an encouraging meeting with Gabrielle Upton, the Minister for the Environment, at which we discussed the challenges facing Moore Park. At the conclusion of that meeting, the Minister encouraged us to provide her with a short summary of our key concerns, which we subsequently did. However, since then she's declined to engage with us and no special funding has been provided for the Moore Park Master Plan. Frustrated with our inability to make progress behind the scenes, we finally challenged her publicly to address this issue [\[Link\]](#). She hasn't responded and unfortunately there's no evidence that she's interested in, much less concerned about the Park's future. We raised the funding issue with the Premier in August 2017, and with Matt Crocker in December. We've now written to him [\[Link\]](#) asking that the Government:

- allocate significant funds for the integration of Moore Park and the surrounding area with Allianz Stadium and the SCG; and
- provide at least 3% of the projected cost of the redevelopment to the Centennial Park & Moore Park Trust, towards the cost of implementing its 2040 Master Plan, and other agencies responsible for integrating the Stadium with the surrounding area.

Our letter explores the need for funding and the level of funding that is appropriate. We simply note here that Moore Park has become extremely degraded over the years, with fences everywhere limiting access and car parking destroying the Park's surface.

It's unlikely we'll get a better chance to win significant funding for Moore Park than we have now. The Government needs to make a significant investment in remediating the Park, and we believe it's in its political interests as much as the community's interests that it do so".

#### **DEC on costs passed on to schools**

In the past, associated employment on costs were paid for by DEC. The policy is now that they will be charged to schools. On costs are charges to employers arising out of employing workers. On costs include: Annual Leave Loading, payroll tax, payroll tax on LSL, superannuation, payroll tax on superannuation, superannuation on long service leave, accrued leave while on long service leave, LSL on costs. The practical effect is that the notional

school budget for permanent teachers has increased by the amount of the on costs (18.3%). As a consequence, any staff employed by the school (in our case >100) have the on costs charged to the school each month in the CEPS statement, even though they are casual employees. For most schools employing just permanent, temporary or part time teachers, the change in policy amounted to an accounting shift from the centre to the school without a significant increase in cost to deliver school programs. For High, running many activities mornings, afternoons, on Friday nights and each Saturday, the impact has been very significant. High has had an increase of >\$200k in its annual employment costs. As a school community we have had to respond to this challenge to maintain the range, quality and frequency of our co-curricular activities. That is why co-payments for sports and co-curricular activities have increased in recent years.

#### **Meet The Prefect Intern**

From the cricket nets to the football pitch, from the classroom to the Great Hall, seeing High strive in all facets of school life has inspired me to fulfil my potential during my time at Sydney High. It is the High Spirit that has impelled me, as well as countless past and present High Boys, to put my best foot forward as I pursue academic, sporting and other co-curricular achievements.

The Student Achievement role, in its second year, builds on the notion of High Spirit with a mission to foster a collaborative environment with various support networks to assist students in striving for excellence. The Achievement Prefects for 2018 intend on developing initiatives which inspire and educate students entering Year 7 right through to those in Year 12, enduring the HSC.

The Student Achievement role thus allows me to pass on my experiences and knowledge to fellow students and assist them on their endeavours for academic and co-curricular achievements. I urge fellow High Boys to put their best foot forward, as they too embrace life at Sydney High.

**Letters Re Student  
Absence/Late Arrival/Early  
Leave**

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian. If your son is going to be late for school a note is also required. Alternatively, you may contact the school by phone on 9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date** and **roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

#### Absences

Absences – Sport: [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au)

#### Leave

If you require **extended leave** for your son **exceeding four days** please, apply in writing, on the departmental application leave form which is available on the parent portal or front office. Your son must then present this application to Dr Jaggar for permission for extended leave. Please note that leave applications need to be submitted **four weeks prior** to your son's leave of absence.

#### CASH REGISTER RECEIPTS

**Cash register receipts** for all items (with the exception of General Contributions and Tax deductible receipts) **are not delivered to students in classrooms**. Receipts for

payments made via telephone, the online payment system or left with the office for processing will need to be **collected by the student** before the end of each term.

Receipts will be available for collection from the **McDonald Wing Office** during the following times:

**Monday to Friday**

Lunch 2

Uncollected receipts will be destroyed at the end of each term and copies will not be reissued.

Receipts will still be issued directly when paying in person at the register.

#### Community Services Committee – Term 1 Report

Wow! What a great start to the year. First, I'd like to congratulate the new CSC Executive who were voted in at the start of the term.

Dinan Pingamage - Chairperson,

Gagan Aradhya - Treasurer

Andy Li - Secretary

Jack Vorgias - Events Coordinator,

Lisong Ding and Sajid Rashed - Publicity Officers

#### Bandage Bear Day Collection 2018

As part of the annual Bandage Bear Day on the 2/3/18, 30 boys gave up their Friday morning to raise vital funds for the sick kids at Westmead Children's hospital. Westmead Children's Hospital is relying on the

community to lend a helping hand for sick kids so that the hospital can continue purchasing the most advanced medical equipment and fund vital research that are crucial for the health of their patients. The early morning collection was the first event this year for the CSC and we conducted it with high spirit, with many members of the community applauding us for the time and effort we put for such a great cause. This successful event gave us all the opportunity to give back to the community and overall was a great experience for all of us. We wish for all the

patients at Westmead Children's Hospital a speedy recovery.

### Clean Up Australia Day 2018

On Friday 2<sup>nd</sup> March, a collection of boys headed out to Moore Park West and the Bat and Ball Oval at 6:30am to clear the land of rubbish for Clean Up Australia Day. We split into smaller groups and patrolled different areas of the grounds near our school with bags, plastic gloves and the odd broken rubbish grabber that we found. Together we collected a hefty amount of garbage that was lying on the fields we covered, cleaning up the area and helping the environment to become healthier and more attractive. It was great to see the number of boys that were willing to participate in such a great cause, and not just for the

Award Scheme Points. Once we had finished going around the fields, we proudly carried our findings back to the flats where we deposited large bags full of rubbish into the dumpsters, seeing off our handiwork from the morning, after which we departed before heading to class.

### Aboriginal Literacy Foundation – Great Book

#### Swap

Andy Li, Jack Vorgias and Dinan Pingamage had the pleasure of attending the launch party of the Great Book Swap at Bourke Street Public School. The boys took along lots of books to contribute to the book swap. Students in primary schools will be participating in the book swap by giving a gold coin donation to swap a book. The Aboriginal Literacy Foundation is aiming to raise \$300,000 to buy 30,000 books for Aboriginal literacy support. If you would like to find out more, or to donate, check out the website: [www.greatbookswap.org.au](http://www.greatbookswap.org.au)

### Lak Saviya Foundation – Year 10 BBQ & Mufti Day

What a great first BBQ and mufti day. The new BBQ's were amazing and greatly increased the speed at which the sausages were cooked. This enabled us to sell out

before the end of lunch and finish the BBQ on a high. With the BBQ and mufti combined we were able to raise \$2,255.50 to send to the Lak Saviya Foundation in Sri Lanka to help disadvantaged children attend school.

### World's Greatest Shave 2018

On Friday 16<sup>th</sup> March, the amphitheatre at SBHS came alive with the sound of hair clippers and cheering. Well done to all the boys who shaved or coloured their hair to raise money for the Leukaemia Foundation. Just in one lunchtime over \$100 was raised for this wonderful cause!

### **From the Canteen**

Did you know that all profit from daily sales at High Canteen is returned to school community for projects that directly benefit our boys?

Run by the P&C, the canteen is open daily from 8.30 am and serves an extensive range of healthy hot and cold food items that are reasonably priced. A number of these are made fresh daily on the premises. This is only possible due to the generosity of our parent volunteers, who readily give up their time to help canteen managers Karen & Tracey prepare food and serve at canteen windows. Volunteering is a long standing High tradition and one that we hope will continue in the future. In 2018, we have been particularly lucky to have parent volunteers sign up to be part of the canteen roster. Many hands certainly make light work and the canteen is a great place to learn more about our High culture & ethos.

We would like to acknowledge the following helpers for last two weeks:

**MON:** Hui Cheng, Penny Chan, Lisa Fackender, Binita Ghosh,

**TUE:** Kannas Pang, Jin Song, Candy Liu,

**WED:** Janet lam, Linda Ji, Anastasia Jovanovic, Stephanie Fung,

**THUR:** Stella Tsui, Arti Shah, Shannon Li,

**FRI:** Hailing Chen, Penny Chan, Sam Guo,

**MON:** SU Hyeon Kim, Anita Bu, Rasni Nazar, Belinda Whitfield, Susan Mitchell,

**TUE:** Stephanie Fung, Hong (Holly Zheng), Leslie Wait, Yu Liu (Frank), Karthika Viknarasah,

**WED:** Mark Y Zhu, Fan Chen, Yasmin Khan, Tina Zeng,

**THUR:** Likang Wang, Thuy Lam, Indra,

**FRI:** Fiona Yang, Kath Cook, Kim Nguyen, Lien Tran,

Our canteen managers are constantly adding new options to the menu and always welcome suggestions and feedback. Tried our "homemade" sushi yet? Thanks Stephanie & Letty, they have been very popular!!

To avoid missing out on popular items, always remember to pre-order before bell time. This greatly reduces waiting times at recess & lunch.

### Athletics Update

Just giving a heads up in regards to High Athletics. Our school carnival Athletics Carnival is fast approaching (Monday 26 March at ES Marks).

The school offers free running training all year. During the winter season, starting 12<sup>th</sup> March –

<u>Day</u>	<u>Time</u>	<u>Type</u>	<u>Location</u>
Monday	3:15-5pm	Sprints	MPW
Tuesday	3:15-5pm	Sprints	MPW
Wednesday	7:30-8:30am	Hurdles	MPW
Thursday	7:15-8:45am	Middle Distance	MPW

All sessions will be working on running technique but will differ in the style of training. Sprints is mainly for acceleration, speed and agility. Hurdles is for anyone interested in the activity. We run hurdles at the school carnival so I strongly advise year 7's to learn before the school carnival. The middle distance session will be aimed to improve speed endurance and fitness.

### Australian Junior Athletics Championships 2018

Our school is lucky to have some fantastic athletes amongst its ranks. The following boys did themselves and the school proud last week at the Championships.

Congratulations to [Anthony Vlatko](#) for winning the Australian U18 800m Final! Secured a spot to Oceania champs to compete for that Youth Olympic Spot! Running a 1:50.02 for his 800m.

Kane Shields competed in the boys U15 (he is u14) 800m final, running a massive pb and school record of 2:03.40 to win bronze This smashes his pb coming into the championships by 5 whole seconds! Incredible stuff considering he started to train for athletics only late last year at the school! Expect many more great things to come from this kid.

Also in the U15s, Rowan Tan smashed the field by more than half a metre in the Triple Jump to win gold. Rowan jumped a massive 12.89m on his first jump, which was a 40cm pb, and a 14 years school record by more than a whole metre! Rowan Tan also placed 5<sup>th</sup> in the u15 400m final, running 54.10.

[Pico Dos Santos-Lee](#) ran in his first national hurdle event, having a really good start, only to be halted by smashing several hurdles near the end of his run, finishing 12th overall in his age group. Plenty more to come this upcoming year for Pico.

In the U20 Long Jump, Old boy [David Chen](#) had a magnificent 2nd jump of 7.52, only 3cm off the world juniors qualifier, finishing 3rd in the comp on countback.

Congratulations and well done all our athletes and coaches.

## SBHS SAILING

### SAILING- SCOTS REGATTA

This week provided great evidence towards High's improvement this season, especially through the 2018 TSC Secondary Schools Team Racing Regatta. On Saturday, we sent eight boys, to compete in the intense regatta featuring the fiercest teams in GPS Sailing. They included three teams from the hosts The Scots College, three teams from the Ascham School, two from Cranbrook, and one team each from St Aloysius, Wenona, Riverview and ourselves. After the initial Round Robin, which we sailed against all other teams, we placed in the middle four teams, after which we faced an ominous semi-finals sail off against Scots themselves. Unfortunately we were brutally beaten to a pulp, but not before we received a huge lesson in our sailing skills and an enlightening experience as to what is possible for us to achieve.

This regatta showed us how far we had come and how much we had improved our aggressive manoeuvres on the downwind to gain an advantage for our team. The

regatta also highlighted maneuvers that may be used to improve further, especially in defending our lead and avoiding the other teams' aggressive tactics such as mark traps and consistent attacking during the start sequence. Tactics in which Kai Huang and Jack Vorgias were subjected to in their race against Cranbrook 2. Fortunately for us in that race, they fought back against their opponents and eventually taking out the win.

At the completion of the days sailing we finishing equal 7<sup>th</sup> out of 12 teams. We departed the regatta, very much encouraged at how well we sailed especially towards the end of our races. During the debrief with our coach we discussed each race and everything we did right and wrong, and how best to prepare ourselves for the next round of competitive sailing.

Congratulations to all our sailors, our coaches and of course thank you to all our parents and supporters who come along each week to encourage us as we sail.

## FITNESS ASSESSMENT FEBRUARY 2018

The PDHPE Department has again assessed the physical fitness levels of our students, Years 7 – 10. The most important health-related test is the 1.6km run for cardiovascular endurance.

An assessment of 90% or better required a student to run the 1.6km in a time of 6 mins 30 secs, approximately, depending on the age of the student. An assessment of 50% or better, required a time of between 7 and 8 minutes, depending on age. A result of 10% or less means the 1.6km run was completed in a time greater than 9 mins 30 seconds. Each student in Years 7 – 9 should have a copy of their assessment schedule and results for February 2018 in their PDHPE theory books. Parents are encouraged to review their son's results with them.

The following table shows the benchmark times for each year group and the number of students able to reach that mark.

<b>Year 7 time &lt; 9 minutes</b> 75 students (45%)	<b>Year 8 time &lt; 8 minutes</b> 68 students (49%)	<b>Year 9 time &lt; 7m 15 s</b> 75 students (39%)	<b>Year 10 &lt; 7 minutes</b> 54 students (28%)

### Cricket Report

This week, the CHS team played their semi-final against Dubbo College in Dubbo.

#### CHS Report: Tournament so far:

The Sydney High 1<sup>st</sup> XI Cricket team has reached the finals of the Alan Davidson CHS competition this year, beating Dubbo College in the semi-finals to advance through. On our route to the finals, we defeated strong opponents such as past winners Kirrawee High and Picnic Point, and have looked in good touch throughout the tournament. Our key to victory lies in the stand out batting performances in recent games, as we have posted over 180 multiple times in the 40 over game. In this last

game against Dubbo, we displayed a fine batting performance.

Leaving on Wednesday morning, we arrived in Dubbo after 7 long hours in the bus listening to Hunar's playlist and sighed in relief when we finally reached the hotel. That afternoon, we had a final training session before returning to the motel, and getting ready for dinner. Thanks to Nick's dad for helping out with the match.

The following day, the boys warmed up with intensity and eagerness only to find out that the turf pitch had a large puddle through the run-up and the game was relocated to

a synthetic wicket. From our warm-up, we had a hunger that we were here to win.

We got off to a flying start with our opening partnership forming 97 runs, before our middle order got the runs flowing again with some smart batting. Arvin's run scoring was kick-started by Bilal's quick singles, as they built a large partnership to put the game back into our hands. A bit of late hitting brought up a large and respectable total. Our bowlers entered Dubbo's innings with confidence and looked to hit them hard from the start. Hunar and Cameron managed to snap up quick wickets, managing to get their Australian batsman out for a golden. Nick continued his form with a few quick wickets. Leading into the break, Dubbo had put together a solid 50 run partnership, with their number 4 bat looking solid and putting away loose balls. We entered the final half with an attitude to put everything into it.

Abhijot managed to get the No.4 bat caught on the boundary and this opened the floodgate to the tail, as he took the final 5 wickets to end the game. A massive victory was followed by a similarly loud celebration as we made the 7 hour trip back in great spirits.

Consolidating before accelerating has been the difference between us and other teams this season. With these totals, the bowlers are given the freedom to try variations and maintain good lengths without much scoreboard pressure. As a unit, we work in tandem with another, often complimenting the opposite end with varying paces or movement. Furthermore, we are a tight-knit group who look to carry a positive winning mentality into each game, and we all back ourselves to get the job done and progress. We don't see ourselves relying on certain individuals and have seen runs and wickets shared amongst the team. For us, winning the Alan Davidson Shield would be the ultimate goal, and as the premier public school competition it features a lot of talent. Sydney High's last trip to the finals and ultimately last win was in 1980, with the current MIC Mr David Smith as captain of the team. His involvement and Darius Visser as coach has been crucial in motivating us to replicate the same results.

We travel to Bathurst next week to compete in the finals and we will be fighting for the top 4 finishing positions.

#### Cricket Dinner:

On Saturday evening, the annual cricket dinner was held in the Great Hall, and was attended by many juniors and the grade teams. A great turnout was matched by entertaining and informative speeches from Dr Jaggar, Mr Smith, Tushaar Garg, Mr Chris Kourtesis and the 1<sup>st</sup>/2<sup>nd</sup> XI captains. Mr Aldous ensured the night ran smoothly and according to plan. Many cricketers received awards and

we celebrated the achievements of individuals and

teams. The 15Cs received the David Smith Cup as the best team in the school in terms of GPS wins. The Junior Cricketer was awarded to Ilham Haque and the Senior Cricketer was Abhijot Singh. The raffle at the end of the

day had some interesting moments, with several dual winners taking away the prizes. To top it off, the food was one of the best reviewed (judging from the 1<sup>st</sup> XI), in recent years. Congratulations to the Year 12s who received their recognition medals and hopefully they continue to play outside of school. Overall, the night was memorable and once more, well done to everything who received awards.

# Sydney High Annual Basketball Dinner 2018

Celebrate another fantastic year of basketball at High by organising your team to attend the 13th Annual Basketball Dinner and finish the year in winning style!

Every team will receive trophies for the Most Valuable Player and Most Improved Player. Speeches will be made by staff members about their age groups and players will be able to show their thanks to them as well (buy your coach a present). There will be a big screen projection of the Annual Highlight video presentation and the best meal in the history of the dinner.

When: Friday 6 April 2018. Commences at 6:00pm, Concludes at 9:15pm

Where: Great Hall, Sydney Boys High School

Who: Players, parents, friends, supporters and coaches of all teams!

Why: 1. Because the friendships made through SBHS Basketball last a lifetime  
2. Because the program has improved significantly again this season and requires your support for this to continue

## STUDENTS TO ATTEND IN SCHOOL UNIFORM
