

From the Principal High Talent

Commiserations to our first XI cricketers who were unsuccessful in the final of the Davidson Shield cricket competition in Bathurst. The boys lost to Warners Bay High in the final. It was High's first appearance in the final since 1980, so just making it that far in the competition was a highly commendable effort. The team is young and should come back even stronger next season. Congratulations to: Bilal Abbasi (9S), Saarangan Arvind (10E), Menuja Goonaratne (10S), Anish Joseph (10F), Nicolas Leong (11M), Vivek Mahajan (10R), Harris Memon (10E), Arvin Niranjan (11S), Cameron Pereira (11T), Aditya Shiva Rudraiah (12F), Abhijot Singh (12M) and Hunar Verma (11T). Thank you to coach, Darius Visser and MIC David Smith for the time and effort they devoted to the campaign on behalf of the boys.

The School Plan 2018-2020 – Part 1

"Sydney Boys High School has autonomous learning, more sophistication in reading and writing and promoting excellent teaching as its major priorities. We intend to intercept entropy and refresh teaching and learning and administrative practices at High". For the next triennium we will focus on: engagement and meaning, lighting up literacy and skills for life.

The rationale at High is to ensure there is a holistic approach to student growth, incorporating the four intelligences: IQ, PQ, EQ and CQ. We operationalise our goals through well researched and acclaimed models of organisation and pedagogy. Martin Seligman's contribution to positive psychology is very significant. His PERMA model has been pursued at High for a number of years. It takes time to change a culture from a primary focus on what is being taught to one where what is being learned is the priority. Our focus is on teaching students rather than subjects – a significant shift.

Positive emotions are strengthened when students enjoy going to school. An important aim of ours is to make school an interesting and rewarding place to be and belong to. Positive relationships are enhanced through increasing student choice, voice and autonomy in learning. Self-determination in learning builds engagement with the process and the place where it occurs. Our three electives structure, Year 10 camp and end of year activities, give students completing Year 10 a greater sense of agency. Our student wellbeing program encourages participation in a wide range of peer to peer activities through school and community service and school committees established to further causes. Engagement is also fostered through participation in co-curricular activities and team sports. Connection to school through interactions with people and being immersed in activities grows stronger and with it a broader scope to the meaning of schooling. Learning becomes a personal, group and community endeavour. Student voice is encouraged through TTFM and Year 12 exit surveys. We analyse the results of these surveys closely and the insights gained inform school planning. The point of all our efforts is to enable students to feel a sense of achievement – preferably every day they come to school.

High's Monthly Giving Scheme

For new and existing parents – there is a really painless way to help the school reach its development objectives – the *Monthly Giving Scheme*. Our school's highest priority is to commence construction of the Governors Centre during Q4 2018. The Centre will greatly increase the school's capacity to hold lectures, drama productions, musical recitals, examinations and receptions. In a Joint Project with SGHS, we have to raise the \$12 million necessary for completion of the building. The funds are being raised entirely by the two school communities. The *Monthly Giving Scheme*

allows you to make a deduction each month from your nominated credit card account. Deductions occur around the 15th of each month. In June, the *Development Office* sends you a statement for taxation purposes including the total of your donations for the year. I urge you to **do as I do** and make a regular financial investment in public education. **The effect of philanthropy in a public cause is bidirectional - it benefits the donor and the recipient.**

Tell Them From Me Survey

The online survey of student opinions about school life closes this week. I encourage parents to talk to their sons about the importance of using an opportunity to express their views and influence possible change. The survey gives students a voice in our development of policies and processes. It is very simple to access and easy to complete. This year there are several questions designed specifically for our school. We are always grateful for feedback about our policies, programs or processes. You can email me any time – principal@sbhs.nsw.edu.au

Meet The Prefect Intern

"Books are a uniquely portable magic" – Stephen King. Since preschool, reading had always been something close to my heart. Nothing made me happier than the prospect of curling up underneath my blanket and reading till the sun came up. It was an honour then, to be appointed as Library Prefect.

School can sometimes make us forget how enjoyable reading can be and how it can open doors to worlds we can only imagine. High is lucky to have such dedicated library staff that ensures we have thousands of books and ebooks at our disposal, so why not come down, relax and enjoy a good read?

These past five and a half years at High, in the library, on the field or in the boat have been unforgettable and with only half a year to go it's safe to say that the decision to come to High was the best decision I've ever made.

From the Canteen

Tried our Mexican Wrap yet?

Made fresh daily, with chicken, onion, tomato, cheese and dash of spicy salsa, it's new on High Canteen menu. Not to forget the homemade sushi, that's been very popular with the boys.

Our canteen managers Karen & Tracey are constantly adding new items to our already extensive range of sandwiches, salads, rolls, pide, pasta and rice boxes. Remember all profit from daily sales is returned to the school community for projects that directly benefit the boys.

We are very privileged to have the support of parent volunteers, who help prepare the food and serve at canteen windows during recess & lunch. This greatly reduces operating costs. Our particular thanks also to school prefects.

The canteen volunteers for the last two weeks were:

MON: Rowena Dixon, Kristine Reyes, Derek Wang, Winne Chan,
TUE: Judy Zhu, Mook Koo Loo, Letty Chan, Anne Chen,
WED: Silvina Zapata, Kartini Tedjakusuma, Qing Chen, Stephanie Fung, Ria Lam,
THUR: Kim Ngan Do, Su L Lee, Jun Wang,
FRI: Vivian Yip, Anika Verma, Min Wei, Ru Zeng Rong

MON: Athletics Carnival
TUE: Yan Ge, Chika Mishima, Carol Huang, Kanas Pang, Simon Pang,
WED: Su Hyeon Kim, Dimi Barlas, Ria Lam, Polly Lee,
THUR: Sue Ren, Xuelian Xiang, Annie Yu

We would like to encourage boys to pre-order, so they don't miss out on popular items. Please speak to Karen or Tracey if there are allergies or special dietary requirements. High Canteen is an inclusive one.

1st XV Report

Firsts had a great first match together, winning their half against St Andrew's Firsts 12 – 5. Man of the Match went to Sam Merrick for a try under the posts off a scrum move, followed shortly after by the left-side winger Oliver Gao's almost untouched try, a good start on his Firsts Rugby debut. With only one session with the coaches in the week prior, the Firsts are excited for the upcoming season, looking to build on their individual skills and refine the teamwork that was starting to shine in their game on Saturday.

Team of the Week 16As

Following a sloppy warm-up that was riddled with drops and mental errors, we stepped onto the field uncertain of what was going to happen. From the blow of the whistle, the same mistakes that plagued us earlier re-emerged. It was evident through our sloppy playing style that the 7 months away from the game that had allowed for 'cobwebs' to develop. However, a terrorising run from Chris Ta that involved numerous missed tackles inspired a confidence that was lacking amongst the boys. Sharp defence and direct running took us into the break 2 points behind the opposition.

The second half brought about a strategic adjustment: instead of pounding it up the middle with our big forwards, we decided to shift it wide and beat a slow-footed team on the outside. As a result, we dominated the St Andrews side – scoring an impressive 5 unanswered tries. One of many highlights of the day was Jay's Houdini-like run, where he seemingly vanished before a sea of jerseys only to re-appear through the other side for a 50m try. Our performance against a much larger opposition was indicative, no doubt, of the potential heights we can reach for the rest of the 2018 season.

Matthew Le (11R)

13As Match Report

Sydney High U13s ran onto the field with more than half of the team having never played a single game of rugby in their lives. We started off well, with both teams struggling for field position. Finally Sean Lim made a break down the sideline shrugging off 3 tacklers to score the opening try for the U13s. From then on, we felt more

confident and we were getting to the breakdown. We ended up winning 22 -12 with tries from Nelson Cheng, Fraser Wait and Anthony Wang. We had especially great help from our man of the match Nelson Cheng who saved countless tries with his cover tackles. His speed allowed for him to be a threat in attack and he was rewarded with a try for his hard efforts. Sydney High U13 showed positive signs for the season to come and I look forward to the rest of the season with confidence that we will continue to improve.

14As Match Report

The first game of rugby for the year representing Sydney Boys High School is always something you look forward to, leading up to the Start of the GPS season. The 14s squad were still relatively new with the Year 8 and Year 9 boys still getting to know each other. The first game

against St Andrews college was a real tough one, many tired with hands on knees, realising how tough rugby is to play again. But the team got through that and had a fighting spirit throughout the game, even when our team got handed a yellow card in the second half. We ended up winning 27-18 with the man of the match going to Jack Smiles (8R), playing his first rugby match for SBHS with aggression and making some fantastic plays.

Andy Xu (9E)

15As Match Report

Returning to the season did not look too great. Our team had many casualties and could barely create a backline. But despite all this in a tough battle, the 15s only lost by one try. Joseph and Paul were the main standouts but I would like to congratulate the whole team on the incredible effort everyone put in.
