

From the Principal High Talent

Well done to the Opens CHS Basketball Team who won the Grand Final against Narara Valley High School at Terrigal and thus ensured that High are the undefeated NSW CHS Basketball Champions in 2018.

World Refugee Day

Congratulations to Tim Hanna, Matthew Awad, Mihir Marathe, Andrew Smallbone, William Winter, Joshua Lam, Nicolas Palmer, Shuyuan Zheng, William Choi, Louie Flint, Akif Kazi, Aman Mohamed who went to support the World Refugee Day Breakfast. They were spotted by one of the parents who said she was incredibly proud of how well the boys represented High.

Caught Doing the Right Thing

Additionally I had an email from a passenger who told me about one of our students who "graciously gave up his seat for myself. I am 8 and half months pregnant and am very used to people not giving up their seat. Not that I would expect it but a small gesture from himself to give up his seat shows what a great young man he is becoming and something that I feel shouldn't go unnoticed." It was so nice to hear

a positive message about our boys on public transport because we are generally only contacted about the poor behaviour of the minority who spoil the reputation of the majority of our students who always do the right thing.

Year 8 Reports

Last weekend I read and commented on all the Year 8 reports and have been giving them back to the students this week. Most of the students I see ask me for their rank. I am reminding all the students, and would like to remind parents, that their academic performance is much more than a number within the cohort. It is of utmost importance that students consider aiming for a personal best. They should be putting their full effort into each subject (whether it is a strength or not) and so I believe the first question that should be asked about the report is "Have I got Very Good or Excellent Effort awards in each of my subject and if not, why?"

In terms of the cut-off scores for Distinctions or High Distinctions can make a big difference in their sons' points' totals. When moving from Year 7 into Year 8 students get their first choice process – one language or two? As a consequence, some boys do ten subjects as in Year 7 and others, nine. To calculate the boys' scores, their best 9 subject outcomes are counted. So, boys doing more subjects may have an advantage. Language choice can affect ranking outcomes. For example, some boys chose Chinese Advanced. Some chose Latin, other chose Latin and Classical Greek. These are demanding subjects. Getting Distinctions in these subjects is harder – fewer students do them, too. Boys not doing two languages have to have their PE results counted. Sometimes boys in Year 8 start to think about what electives they might do in Year 9 and what the compulsory subjects there are. These future choices might affect their motivation to succeed in some of the compulsory subjects that they are doing currently. Because of semesterisation of history and geography, students who perform much better in one of these disciplines more than the other can produce big swings in points earned at the half yearly or yearly report. Quite a few boys who have done well in their Yearly Report take their foot off the accelerator and coast through semester one, with effects on their ranking. Often, they get back on track by the time of the Yearly Report again. In short, there are many reasons for big swings in rank. I think that +/-35 positions means something has altered. Usually, big positive or negative fluctuations are due to learning dispositions: boys listening in class, taking notes, doing

homework, accessing past papers and revising before assessment periods. Many of our students have already undergone a process of self-reflection before they come for their report interview and I admire their ability to understand where they may have gone wrong and what targets they can set themselves for next semester. However, it is crucial that students and parents read each of the teacher comments carefully to see the individual feedback that is given to them. Most of our teachers have written very specific comments with targets for improvements and this should be very helpful to students.

For those students who have underachieved (relative to their peers at SBHS) or for those who appear to have underachieved considerably compared to their previous report, we provide support through the Year Adviser and Learning Support Team.

It is important that parents play an active part at report time by reading the teachers comments and speaking to their sons about their progress. If you have any questions about your son's report please contact us at school and make sure that you make an appointment to see your son's teachers at the Parent- Teacher evening on 2nd July.

Interpreting Year 7 and 8 Reports Semester 2

Check your son's progress in future oriented learning skills – problem solving, evaluating, working with others, communicating ideas, creating and innovating. They are reported twice each year in their own text box on the school reports. Every Faculty has an opportunity to report at least twice on each of the five 'future focussed skills' during the six reporting periods during Years 7-9. You can understand more deeply

about how your son is building his capacity in the discrete dispositions that we have targeted for development as a school. The idea is that you can track your son's growth over his three years in the Junior School. These PEWCC skills are very contextual. Hypothetically, your son might be really good at working with others in English where he is confident and comfortable but not so effective in mathematics where he is weaker, is reticent and defers to the strong mathematician in the work group. Consequently, skill growth might not be a simple progression from 1 in Year 7 to 3, 4, or 5 in Year 9 (depending on the scale in the rubric for each subject). Your son's progress might be uniform neither across the subjects, nor across the dispositions. I look forward to an informed dialogue between parents and teachers on the individual student's development of these important life skills. Find out more about PEWCC reporting on our website www.sbhs.nsw.edu.au/curriculum

Student Leave Requests – Reminder

Too many parents are ignoring or pleading ignorance about the school policy on **Student Leave of Absence – Extended Leave Travel** requests. This applies to leave that is five school days or more in duration. Parents are reminded that as a matter of policy leave will not be processed or approved unless **four weeks** notice has been given. Also, cogent reasons for travelling during school term need to be supplied. The effect of this decision is that all leave requests that involve that last four weeks of term must be lodged with me for approval by the end of week 6, each term. If you are planning to travel during the school term you need to download, complete and submit the form for my approval by the closing date. As it is now week 8, I am going to apply the rule quite strictly.

Meet The Prefect Intern

Sydney High is unique in that it gives students a great platform to pursue their goals in both the classroom as well as on the sports field. High Spirit is the embodiment of the 135 years of Sydney High culture. High Spirit is more than just your won achievements. High Spirit is also about waking up early every morning just so you don't let your crew down. It's about heading out to SOPAC or SIRC, amongst the masses of other school kids to cheer on your fellow school mates who train so hard for one last race. It's about showing up to class every day so you don't let your class mates down, and allow them to perform to the best of their abilities. High spirit is about more than just you, more than just right now. It spans long before we entered the school and will continue to exist long after we have left it.

PARENT TEACHER INTERVIEWS

Years 7 and 11 will take place on
Tuesday 26 June 2018

Years 8 and 10 will take place on
Monday 2 July 2018

Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. Edval have changed their Parent Teacher Interviews process. I will have more accurate information about the new process after Thursday 14 June. These arrangements will be advised via the school website Upcoming Events link. At this stage I expect the arrangements for the Years 7 and 11 Parent Teacher Interviews –

- On Tuesday 19 June all parents of boys in Years 7 and 11 will be sent by email details of the scheduling system and a unique code to be entered at the Edval website.
- This email will be sent to the address currently held by the school. If you have not received this email or, if your email address has changed from what had been previously advised to the school, you should notify the school at ptnight@sbhs.nsw.edu.au advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm.
- The overall schedule will be generated by the school on the evening of Thursday 21 June and your individual schedule should be available for you to download and print from Friday 22 June.
- Periods will be shortened on the days of the interviews. Boys from all Years will be dismissed from class at 2:35pm each day. School Special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

Similar arrangements will be used for the Years 8 and 10 Parent Teacher Interviews.

The High Book Swap

Come and drop off a book in the Junior or Senior Library any time in Week 9 to swap a book in Week 10. The book swap will be held in the Junior Library on Monday 2 July (Week 10). You can bring and swap fiction, nonfiction and comic books. You just need \$2 to participate in this book swap!

The funds raised will help remote Indigenous communities buy new and relevant books to increase their literacy levels, instilling a lifelong love of reading.

Children in remote Indigenous communities across Australia need your help to reduce their disadvantaged experiences.

If you have any question, please ask any Community Service Committee member.

Combined Rehearsal Day # 1 at Music Camp

Left to Right [Year 12]: Archibald Fox [2018 School Captain], Kai Huang, Nathan Sheng & Nathan Trinh [2018 Music Prefect]. Thank you to our Year 12s for their 6 years of support, participation and leadership in the Music Performance Program.

We are thrilled to announce a special excursion for Year 9 this year: we have managed to book seats in early November for a live matinee performance of Shakespeare's *Macbeth* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. *Macbeth* is a haunting and timeless tragedy that explores the darkest corners of the human mind set in a world where the supernatural is real and the quickest way to the top is by murder. *Macbeth*, presented by Pop-up Globe's mixed Southampton's Company sees darkness, chaos and conflict unfold. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. The boys will experience what

theatre was like for 'groundlings', and see *Macbeth* as it was originally intended to be enjoyed: this is a raucous, immersive live-theatre experience not to be missed.

MIC Report

This week we played round 2 of the GPS versus St Josephs. Mixed results but some very competitive games. Added on the day was the screening of Australia v France in the Great Hall. All in all a long but eventful day of football. Our XI played at Riverglade Reserve. As the name suggests there was a river at the bottom of the reserve, which Abijot found out when searching for one of our footballs, he fell in. At least he saw the funny side.

UNSW Yunus Social Business Health Hub Work experience placement for high school students

The Work Experience Placement (WEP) is an initiative of the UNSW Yunus Social Business Health Hub (YSBHH), School of Public Health and Community Medicine. It aims to provide workplace opportunities to high school students to learn practical skills related to Nobel Laureate in Peace, Professor Muhammad Yunus's Social Business model.

Social Business is a social cause driven business model where investors only withdraw their capital not the dividend/profit. Prof Yunus's vision is to eradicate poverty from the world by unlocking the potentiality in poor and deprived people. According to him, *"Poor people are bonsai people. There is nothing wrong with their seeds. Only society never gave them a base to grow on."*

The placement explores concepts and principles related to solving global social, economical, health and environmental problems.
