

## From the Principal

### High Talent

Congratulations to our Open Table Tennis Team for their fourth consecutive victory in the

CHS Table Tennis Competition. Well done to Joshua Lam, Roy Lin, Dickson Mai, Adam Masen and Alex Yeung, all from Year 10. The run of victories at CHS level by the table tennis program at High is very impressive. Thank you to Mr Cipolla for his management of the team.

### End of Term 2

Term two is always very busy and stressful on staff who have to make deadlines for setting, marking and reporting on assessment tasks and examinations. I value this process highly and acknowledge the heavy demands that it places on busy people. I thank all staff for their efforts. Once again their timely submission of marks and comments has enabled us to issue reports on time for each Year group. Thank you also to Rachel Powell for relieving me as Principal for nearly all of June and managing reports for Years 8 and 10. The feedback I have had was uniformly positive. Thank you also to Peter Loizou who filled in again as Deputy Principal while Rachel was in my chair. As always, he handled the added responsibility well. I wish all staff a restful break.

### Straggler Reports

Some students have not yet made an appointment to discuss their progress and pick up their semester report. Sheets will laid out several times during the first week of next term on the Waterhouse desk to accommodate students who are ready to make appointments.

## Valé Keith Kent (SHS-1939)

Keith Kent passed away last Thursday, aged 94. I first met Keith when he walked into my office in 2003. 'G'day Boss' was his opening line. He had long since retired after 43 years working as a train driver for State Rail. He started out in 1940 sweeping the platform and finished his career as a respected Southern Aurora driver on the overnight express to Melbourne. He said that following his wife's death in 2002 after 57 years of marriage, he had begun to think more about his past and what experiences had shaped him. He remembered fondly the holiday camps that he was taken on to Jervis Bay with other students from High and a dedicated teacher. He felt that he gained a sense of self-worth and belonging from those experiences that he carried with him throughout his life. He said they left him with the desire 'to be a good man'. He passed me an envelope with \$1000 wrapped in an elastic band. He said that I would know what to do with it. He didn't ask for a receipt and wanted to remain anonymous.

Keith was born in Waverley and died in Waverley. Over the years, Keith came many times to see me with his envelope of cash. He called from time to time to tell me to bet on a particular horse at the races, even though he knew I was not a punter. He was a very astute gambler. He gave more than \$15,000 to the school over the years, some of which he won more recently backing Winx. He had lived in a rented Housing Commission flat in Ramsgate Avenue Bondi since 1952. He did not have a telephone or TV before 2003. He lived a life of extreme frugality. I gave him copies of The Record from his school years. He told me stories of the personalities he played sport with. I invited him to presentation nights and other school functions. He came occasionally, dressed in a sweater and said he felt out of place. He lived independently until the last couple of years of his life.

Keith Kent was a great supporter of Sydney High. He was one of our 'Living Legends'. He was interviewed by students at a luncheon a few years ago in Bondi Junction at the RSL Club - his favourite social venue. He has left an

oral legacy of what life was like for High students living through the Great Depression. His cheery good humour, stoicism, wonderful philanthropy and down to earth perspective on life will be missed – not to mention his highly reliable betting tips! He is remembered with his picture hung next to the front office counter and his name engraved in stone on Anzac Parade as one of the major donors to the construction of the Sir Roden Cutler Gates. He was indeed a good, kind-hearted man.

### Dangers Surrounding The Online Game 'Fortnite'

Many concerns have been raised about this game millions of young people use. This game is available on Xbox One, PS4, PC, Mac, iOS, Nintendo Switch and Android. The National Crime Agency in the UK

has intervened to make adults aware of the dangers. *Fortnite* features a text chat which cannot be turned off, so it is important that parents understand the broader risks associated with the game and enable safe playing. *Fortnite* has been described as featuring 'violence' in a 'very cartoonish' way and has grown immensely in popularity with users as it is highly addictive. Parents are advised to turn off the voice chat system in the game through the settings menu to ensure children avoid inappropriate contact.

The step by step guide to disabling the voice chat function can be viewed here:

<https://www.pwrdown.com/gaming/fortnite/disable-voice-chat-fortnite-battle-royale/>

**Dr K A Jaggar**  
Principal

### Meet The Prefect

Receiving an acceptance letter to High due to the sport I played was an honour, but came with a skeptical feeling that I would not fit in due to the academic reputation of the school. Accepting the offer, my first term at High was filled with confusion, diary club, not understanding the functionality of the school and the academic expectations. As I continued through the senior years I not only began to understand the extent of opportunities at High, but I realised how lucky I was to become part of the High culture. Since this, I have been able to improve academically and participate in a wide range of activities outside the classroom.

After being elected prefect, I was lucky enough to create a new role supporting the transition of kids coming in from years other than 7. As my first year at High was filled with uncertainty, I hope to ease the change for new students and allow them to embrace the aspects of Sydney High just as I have.

**Sam Merrick**  
Induction Prefect

### Sydney High School Cadet Unit

Contrary to the stigma that Tuesday afternoons consist of 2 hours of marching, one of the skills that cadets learn and practise is field engineering.

This week, 1 Platoon cadets conducted an activity in the flats using planks and rope provided to them in order to construct a shelter. Despite the lack of other materials in the surrounding area, using both knots and lashings skills learnt late last year and innovative thinking, the cadets managed to create a stable and reasonably comfortable dwelling.

Activities such as these are not uncommon in cadets and are only a small fraction of some of the skills we learn. Although it isn't likely that you would find yourself stuck in the bush with a few planks and some rope to make a shelter for the night, it is important to remember that these type of exercises promote the value of teamwork and develop critical thinking; essential skills both in cadets and in the studying environment.

**Shengkang (Andy) Li**  
CDTSGT (SHSCU)

## Evatt Report

This past weekend, three pairs of students, (Aman Mohammed (11F), Ryan Jepson (11F), Alex De Araujo (12R), Guy Suttner (12T), Justin Lai (12S) and myself) took part in the State Semi-Final round of the Evatt Competition. Evatt is a Model UN competition, where students have the opportunity to act as delegates of a country on the United Nations Security Council and debate global issues in pairs. It's a great way to step into the world of diplomacy and peacekeeping, and put those debating skills into action, with plenty of back and forth discussions. There are two resolutions that delegates can prepare for prior to the day, and one unseen resolution that is revealed only half an hour before discussion, making for a stressful yet highly engaging and interesting time. Justin and I were assigned China, where we had to debate three questions, on Corporate Espionage, Targeted Killings, and the Arctic Circle, no doubt making for some very exciting discussions. The Evatt Competition is a great way to make friends (I myself have reconnected with old connections at each of the three that I have competed in) and hone debating skills, as well as an exciting experience for anyone interested in diplomacy! There is no need for any prior debating experience, and I implore any student in Years 8-11 to consider entering with a friend next year! If you love making peace, making new friends, and speaking on the spot, then this is the extracurricular for you! The UN Youth community is of a very warm and inviting nature, and welcomes newcomers and experienced speakers alike!

Lincoln Hui 12M

## Technology Free Monday Trial

This term we have been trialling technology free Mondays. This has meant that junior school students have not been allowed to use their laptops or phones during recess and lunch times. Now that we are at the end of the trial, we need to discuss whether we continue with it and we would value parental feedback. Please

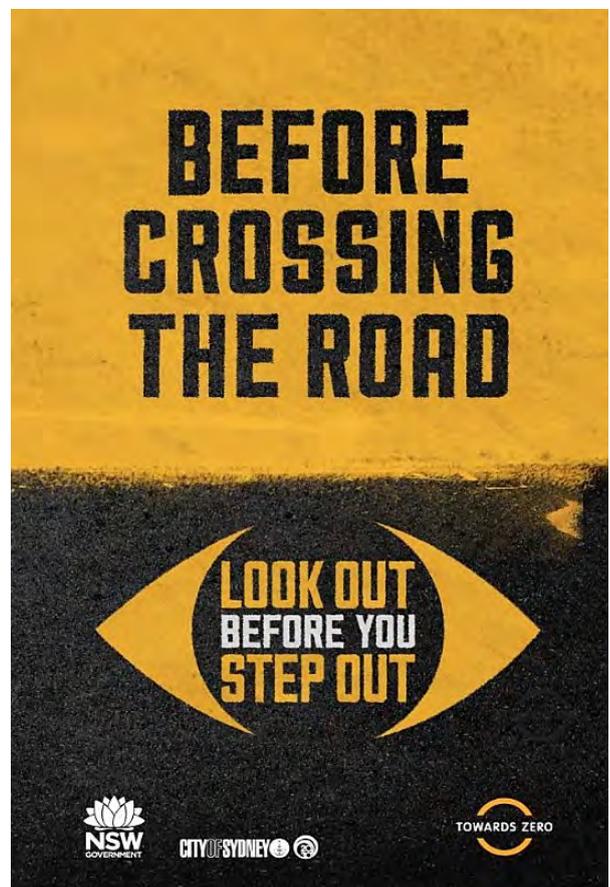

complete this very short survey which will take less than one minute. The survey will close on 22 July.

<https://www.surveymonkey.com/r/LH8TV5F>

## MUSIC NOTES

### Term 2 [Wrap Up] -Term 3 Music Performance Program

Students are to ensure they take their instruments home from the music storage room over the term break.

Term 3 private lessons and ensembles commence from week 1 i.e. from Tuesday 24 July, unless the tutor and/or the conductor has arranged an alternate starting date.

Thank you to all music staff and students for all their hard work and efforts this term. Hope you all have a fantastic break. See you fresh in Term 3 =)

### Year 7 Taikoz Drumming Workshop

Year 7 students learnt how to play the fascinating and inspiring Taiko [Japanese Drums] in the Great Hall on Friday 29 June. The workshop began with warm ups, which lead into learning rhythmic patterns, followed by a short piece of music to play together by memory!

### Music Performance Program

If students would like to join an ensemble and/or wanting private instrumental lesson[s] at school, please do not hesitate to speak with the Music Department and/or email: [music@sbhs.nsw.edu.au](mailto:music@sbhs.nsw.edu.au)

### Parent/Guardian Music Contact List

Please send the following details to: [music@sbhs.nsw.edu.au](mailto:music@sbhs.nsw.edu.au) if you would like to receive emails regarding the Music Performance Program only [i.e. Music Events e.g. Music Camp / Concerts / Workshops, Music Committee Meetings etc.].

- Email Subject Line: Music Contact List
- Student Name
- Student Year
- 1 x Parent/Guardian Name
- 1 x Contact Email Address

### Music Events Calendar

Tuesday 24 July [Term 3]	Private Lessons & Ensembles resume from Week 1 in Term 3	Music Performance Program Students

Music Events are continually added and are subject to change.

## Taikoz Drumming Workshop

## Taiko Drums

We are thrilled to announce a special excursion for Year 9 this year: we have managed to book seats in early November for a live matinee performance of Shakespeare's *Macbeth* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. *Macbeth* is a haunting and timeless tragedy that explores the darkest corners of the human mind set in a world where the supernatural is real and the quickest way to the top is by murder. *Macbeth*, presented by Pop-up Globe's mixed Southampton's Company sees darkness, chaos and conflict unfold. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. The boys will experience what

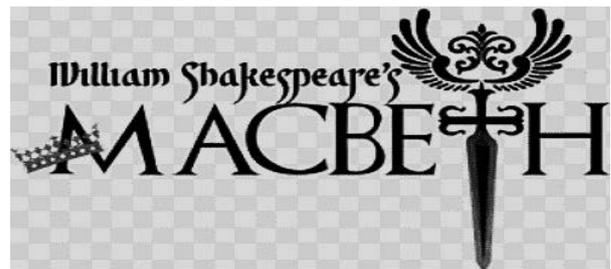

theatre was like for 'groundlings', and see *Macbeth* as it was originally intended to be enjoyed: this is a raucous, immersive live-theatre experience not to be missed.

**Entertainment Quarter Fox Studios**

**Performance:** 5 November

**Tickets:** \$25

**Payment Due:** 10 August

Sydney High

## The 2018 Judy Cassab Art Prize

Students from Sydney Girls and Sydney Boys are eligible to enter one drawing or painting for consideration in the Judy Cassab Art Prize.

Ten artworks will shortlisted by Visual Arts teachers for final judging by a guest artist at the Illuminate Festival on 3 September.

One prize of a thousand dollars awarded to the successful entrant.

Deliver entries to the Sydney Boys High School Visual Arts Department on Monday 20 August.

*Special thanks to Mr Peter Kampfer, son of Judy and former student of SBHS, for making this prize available until 2023.*

Conditions:

Only one artwork per entrant

No HSC artworks

The winning work will be exhibited at SBHS for one year and then returned to the student

The shortlist process and judging is final

Size should not exceed one metre square

**TAS** THE ARMIDALE SCHOOL

Sydney Boys High School

### The Armidale School Trip Tennis, Open Football and Athletics Report

On Friday 22 June 150 plus students, 5 teachers and 3 coaches travelled on 4 buses to Armidale to contest The Armidale School in Basketball, Tennis, Football, Rugby and Athletics. I was fortunate enough to look after the Tennis, Opens Football & Relay (Athletics).

The **Tennis** program consisted of 8 boys. They played 8 singles and 4 doubles winning 10 out of 12 matches.

1. Hikaru Ikegami 6-2
2. Dean Casarotto 6-1
3. Julian Zheng 6-1
4. Brandon Nguyen 6-2
5. Daniel Zilberman 6-2
6. Kris Parekh 4-6
7. Felix Zhang 2-6
8. Nathan Tran 6-1

- 1-2 Doubles 6-3
- 3-4 Doubles 6-1
- 5-6 Doubles 6-1
- 7-8 Doubles 6-2

The **Opens Football** team consisted of players from 3<sup>rd</sup>-10<sup>th</sup> Grade, 16's & Basketball. The boys put on a spirited performance. They were competitive for the majority of the match through maintaining a decent structure and game plan. Unfortunately two major lapses in focus let in consecutive goals. The final score being 6-1.

Congratulations to the boys for putting their hands up and trying their best against a strong 1<sup>st</sup> grade Armidale side.

Before the 1<sup>st</sup> Grade Rugby side match there is a 5-a-side mini relay race. A boy from each age group (13's Jia Herr Lim, 14's Justin Lee Nonis, 15's Riley So, 16's Sudaraka Pieris & Opens Brandon Nguyen (Athletics Captain) runs with a rugby ball from one end of the field to the other distributing the ball to his team mate on the other side. Sydney Boys High won despite Brandon's 360 juggling display.

**Our Relay Team**

Well done to all staff, students and parents involved making it a very memorable trip

## SBHS vs MHS

Last week saw Sydney Boys High host Melbourne High School in our annual exchange. In total, we played two games, our 2nd grade hosting the first game at McKay 4 on Wednesday afternoon in-front of a formidable crowd of seniors. This was followed the next day with our 1st grade hosting the second match at the Moore Park synthetic fields.

In the 2nd grade game, a slow start saw Melbourne High grab an early goal from a set piece. That goal seemed to be a turning point in the game, as the players stepped up and challenged for the equaliser. The momentum carried on into the second half, where Adam Simic stepped up to score 2 cracking goals to establish a lead, as the team created many opportunities from the free flowing football they played. The game ended with 2nds consolidating their lead with a clinical shot from Max Wiles, the first of hopefully many stunning goals for 2nd grade.

The 1sts game started lively as the boys creating chance after chance, with Varun scoring an early goal. Melbourne High quickly responded with a well placed set piece and looked threatening for long stretches after their goal, with our lapses of concentration almost cost us. However, as the game wore on, our boys dictated the tempo. Our fitness levels were shown through our relentless high press, forcing Melbourne to play long. This created more opportunities for us as Varun scored another. At this point the game looked done and dusted, however a spirited Luke scored 2 late goals further extending our lead as the game ended 4-1.

Overall, the exchange was a wonderful experience for all. Both schools involved bonded after both games, as they were shown around the city by the players. This was an opportunity for our High football squads to not only end our term on a high, but also to continue to strengthen our relationship with Melbourne High as we look forward to many competitive encounters in the future.

**Jonathan Meng 12M**

## Hello All

A reminder of the holiday camp in the school holidays for those wanting to improve their technical skills. 18, 19, and 20 July at MPW from 10:30am – 1:30pm each day. The cost is \$90 for the three day camp. To register please send an email with your full names and contact details to hayhurstj@sbhs.nsw.edu.au

**Jason Hayhurst**  
**MIC Football**

## Melbourne Exchange

Hosting Melbourne High last week was intense to say the least. Although we bested them on the football pitch, they seemed to get over that very quickly with the constant party that travelled with them. The message was clear; there would be a 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and many more halves we'd have to play on well into the night and early mornings. Food. Drink (non-alcoholic). Party. Repeat. When we finally all trundled home, it was only to watch an early morning World Cup match. We ended their stay with a massive Korean BBQ frenzy. We prime athletes gathered together for a fat team dinner at an all-you-can-eat Korean restaurant. These boys clearly weren't sad about being thrashed by High, as they all stuffed themselves with a variety of Korean food, juicy tender bulgogi to the fat chunky beef tenderloin. When the bill arrived and we realised the restaurant didn't accept split payments, a Melbourne lad began rounding up cash from everyone. Although some boys did a runner to avoid payment, enough greens were finally rounded up but we realised that a considerably larger sum of the money was pulled from the pockets of the Melbourne boys (shame Sydney!). A huge thanks to all the High hosts and their families for opening their homes to our guests, especially Khobi who hosted what seemed like more than half the football team (sorry Khobi no extra award points). All in all, thank you Melbourne High for coming down to Sydney and playing good football against us. Although High lacked adequate social skills, we really appreciate the time and effort they put in to make it such a great exchange. We look forward to being hosted by them next year. (Note of thanks also to the High Store for stocking extra ties now that new ones are needed after the traditional tie swap with the Melbourne lads.)

**Alex Loke 11T**

## Manga SBHS FC

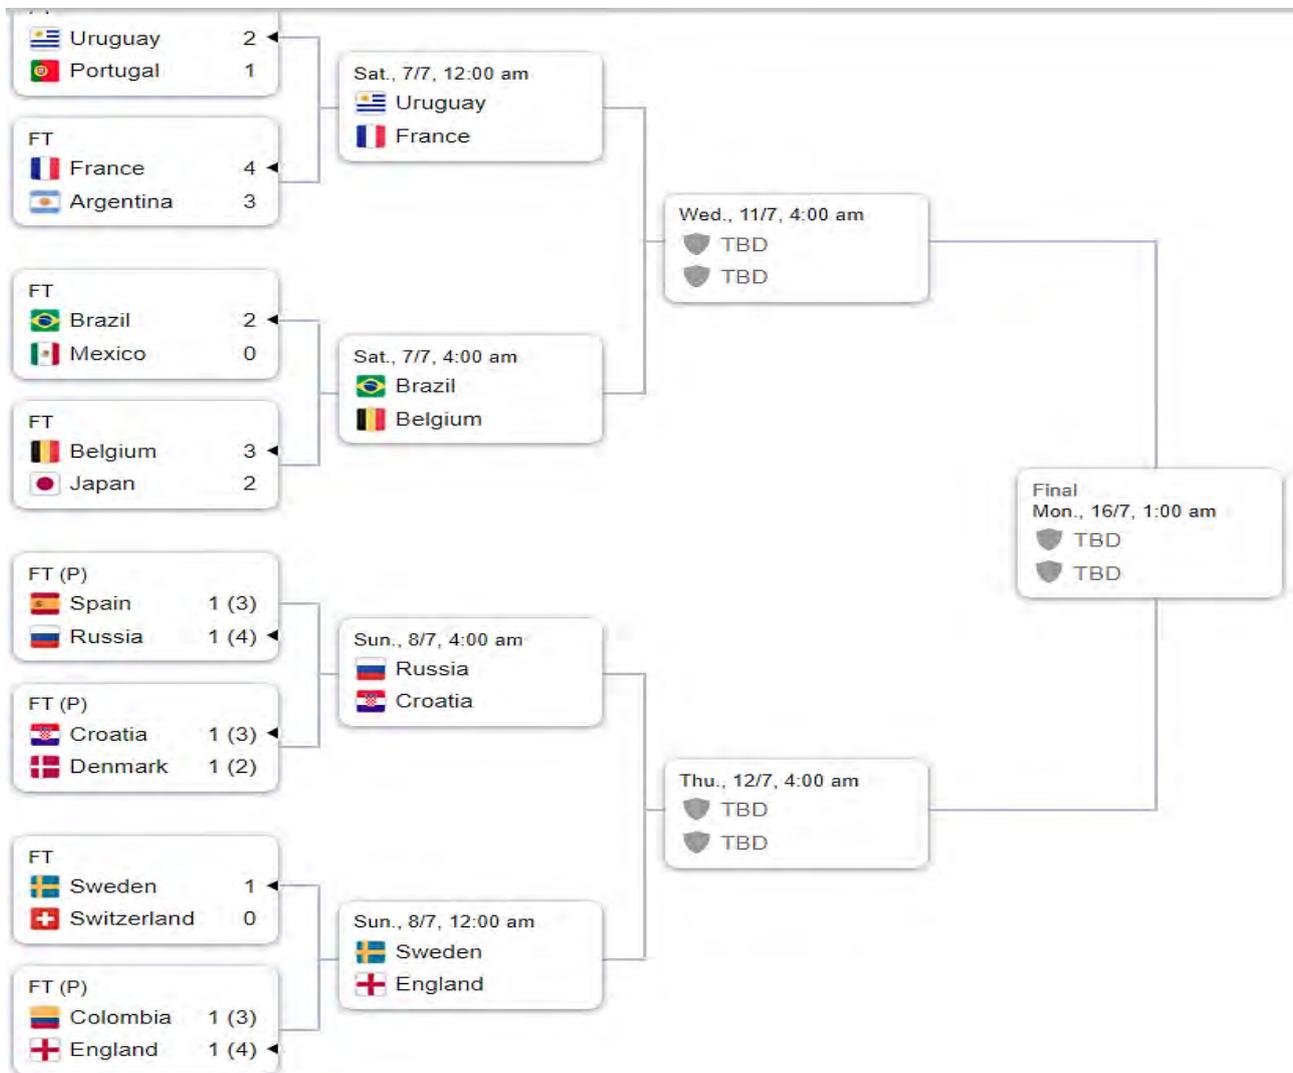

TO BE CONTINUED...

## The FIFA World Cup 2018

It feels like there has never been a better chance for a new, or surprise, winner of the World Cup. This tournament has already produced some remarkable storylines, and maybe there are more to come over the next 10 days.

In the past 40 years, there have only been two new engravings on the Jules Rimet trophy (France in 1998 and Spain in 2010) but maybe, just maybe, there could be another new champion on July 15. Croatia and Belgium both have the attacking weaponry to go far, while England (winners in 1966) and Uruguay (winners in 1930 and 1950) would be akin to new victors, since it has been so long since they lifted the trophy.

# UNSW Yunus Social Business Health Hub Work experience placement for high school students

The Work Experience Placement (WEP) is an initiative of the UNSW Yunus Social Business Health Hub (YSBHH), School of Public Health and Community Medicine. It aims to provide workplace opportunities to high school students to learn practical skills related to Nobel Laureate in Peace, Professor Muhammad Yunus's Social Business model.

Social Business is a social cause driven business model where investors only withdraw their capital not the dividend/profit. Prof Yunus's vision is to eradicate poverty from the world by unlocking the potentiality in poor and deprived people. According to him, *"Poor people are bonsai people. There is nothing wrong with their seeds. Only society never gave them a base to grow on."*

The placement explores concepts and principles related to solving global social, economical, health and environmental problems.

## Contact & application

Dr Mahfuz Ashraf, Assistant Director  
School of Public Health and  
Community Medicine  
E: [md.ashraf@unsw.edu.au](mailto:md.ashraf@unsw.edu.au)  
T: +61 (2) 9385 8273

## Participants

Work experience placements are available at UNSW for high school students who wish to understand how public health and social equity are applied to make a difference. This placement would suit students interested in social development and alleviation of poverty and equity in health care. The placement will be at the YSBHH, School of Public Health and Community Medicine, UNSW Sydney campus. It is most suited to upper high school students.

## Activities

Under this WEP initiative, students conduct research in social business, write social business plans, participate in group discussions, engage with guest speakers and become familiar with the University environment.

## Duration

**9<sup>th</sup> -12<sup>th</sup> October 2018**  
(second week of the October school holiday period)

## Application process & timeline

**Step 1:** Students to send their CV and application form no later than **1<sup>st</sup> September 2018**.

**Step 2:** YSBHH to notify successful applicants by **20<sup>th</sup> September, 2018**.

**Step 3:** Schools to send Student Own Placement Requests to YSBHH by **27<sup>th</sup> September, 2018**.

**Step 4:** YSBHH to send placement confirmations to Schools by **2<sup>nd</sup> October, 2018**.

**Step 5:** Commencement of WEP.

The Principal  
Sydney Boys High School  
556 Cleveland Street  
SURRY HILLS NSW 2010

Dear Principal

Transit Systems will commence operation of bus route M10, currently operated by State Transit, from Sunday 1 July.

I'd like to take the opportunity to provide you with the following contact information for the benefit of your staff and students that may use the bus services mentioned above.

#### **Lost Property**

Personal items found on our buses are held at our Leichhardt Depot. For lost property enquiries, please call **(02) 8118 7101** or visit us at **230-240 Balmain Road, Leichhardt**.

To enquire about property left on trains, ferries, light rail and buses operated by other companies please visit **transportnsw.info** or call **131 500**.

#### **Trip planning and service information**

To plan a trip using Sydney's public transport, and to find details on service interruptions that may impact travel, visit **transportnsw.info** or call **131 500**.

Please note that routes and timetables will not change on Sunday 1 July when we commence operating Inner West bus services.

#### **We're here to help**

Transit Systems is one of Australia's most experienced public transport providers, operating buses in Sydney, Perth, Adelaide, Darwin, Singapore and London. We continually look at ways to improve our services, and if you have any feedback or require further information please do not hesitate to contact us on **(02) 8118 7102**.

Yours sincerely

A handwritten signature in black ink, appearing to read "Len Kidd".

# Safer Drivers Course

The Safer Drivers Course is an RMS approved course designed to give young people a relatable and supportive road safety program.

The course helps learners to:

- Recognise the links between driver behaviour and increased crash risk.
- Learn how to lower the risks they face by adopting time tested low-risk driving behaviours and minimising their on-road risk taking
- Have strategies to help them cope with typical lifestyle pressures (drugs, alcohol, late-night driving, fatigue, etc.) and be better prepared against these risk taking behaviours

Receive 20 hours of credit towards your logbook\*

Courses cost \$140.00 and are available one Saturday per month - **BOOK NOW** - spots are limited!
