

From the Principal High Talent

Congratulations to first grade volleyball for their 3-1 victory over Sydney Grammar to regain their GPS title. Watched by an enthusiastic crowd, our boys overcame a fast start by the host school, rallied, settled into their rhythm and went on to win comfortably. Congratulations to Harjas Ahuja, Chi-Chun (Jerry) Chang, Kevin Court, Yirong Shen, Alec Liu, Nathan Trinh, Eli Montuno and Jonathan Zeng (Year 12) and Samuel Yu, Ryan Chan Si-Yu Han (Year 11). Well done also to Billy Nguyen, Joshua Reid and Blair Zhong (Year 9) and Oliver Yang (Year 10) on their selection in the NSW U16 volleyball team to ply at the National Schools Tournament. Our first grade tennis team braved the bushfires in the south coast to record a comfortable defence of their NSW CHS Stan Jones Cup tennis title. Antonio Li and Hikaru Ikegami (Year 10), Andre Putilin and Sammy Yu (Year 11), played consistent tennis to outclass their opponents over the week. Great work, boys! Last Saturday our U16s cross-country team were declared champions of the intermediate division of the GPS cross-country competition. A big contribution to the team's overall success was made by: Kane Shields, Matthew Moloney, Rhys Shariff, Vitaly Kovalevsky, Jonathan Tran, Kelvin Meng and Steven Meng. Great season, boys!

Prefect Elections

I would like to apologise to staff, students and parents for not updating the 'Prefects - Policy and Practice' section of the school website. It is quite out of date and does not reflect the significant changes that have occurred in our Prefect system since 2008. As

happens in every election process, many qualified and worthy people are not elected. My commiserations go out to them. It is hard to accept such an outcome after contributing a lot to your school.

The Executive introduced a 'Prefect Internship' system in 2008 and the system has evolved and been modified since then. The Internship was designed to make Prefects earn their final badge. The office was no longer a reward for services past but a sign of ongoing commitment to maintain involvement and academic standard in the final year of school. The weighting of votes in electoral colleges has also been modified. The current weightings are Year 10, 1, Year 11 and current School Prefects, 2, and staff, 4. In 2016-17 and 2017-18 there were 35 School Prefects confirmed in their appointments. This year, in consultation with Ms Rigby I appointed only 30 Prefect Interns. This is how Ms Rigby and I understood the policy in its current form.

The Prefects at High are expected to set the highest example in dress, attendance, conduct and involvement in school affairs. Their duties include assistance in the canteen, representation at school functions of all kinds and participation in the conduct of assemblies. They are also assigned responsibilities connected with particular activities, including sports, music, debating and community service.

Prefects are appointed by the Principal. Nominations are invited from interested Year 11 boys early in Term 3 each year. Nominees are required to demonstrate their involvement in school life by having attained (or being on track to receive) Platinum Award status in the School's Award scheme. (Students who have not had the opportunity to receive a Platinum Award, such as later enrolling students, will be considered if they will have achieved the appropriate level by the end of Year 11). Candidates are also expected to have an exemplary record of behaviour over the previous 12 months and to be making satisfactory academic progress. 'Satisfactory progress' is benchmarked at 90 ATAR on 12 units for students commencing at High in Year 7 and 86 ATAR for later enrolling students. The School Executive meets to vet the list before

the plebiscite takes place. Students may be vetoed by members of the Executive if they have evidence of wrongdoing by a nominee. Vetoed nominees can appeal to the Principal in writing. The Principal may allow Probationary Interns – students who are close to the academic benchmark and have supplied improvement references from three teachers. If elected Probationary Interns have until the Preliminary Examination to reach the academic standard or be removed from their Internship.

The Principal has the discretion to appoint up to 36 Prefect Interns. The Principal may decide that in a particular year a minimum number of votes should be gained by a candidate to qualify as an elected representative of the school community. Such a number may be used to inform the Principal's decision as to how many Prefect Interns to appoint.

The voting patterns each year are not made public to protect the privacy of the candidates. The electoral college comprises: current Prefects, Year 11 and Year 10. Voters cast up to twenty-five votes each online. The results are collated, calculated and furnished to the Principal after analysis by the MIC Prefects. The Principal then appoints up to 36 candidates as Prefect Interns.

The Captain and Vice Captain are elected from amongst the Prefect Interns, by the Prefects alone, using a preferential voting system. The timing of the vote for Prefects and their leaders needs to be taken prior to the final rugby and soccer games of the season, usually against Sydney Grammar. Prefect Interns have their first official duties at that fixture. The MIC Prefects announces the names of the captain and vice-captain. The results of the ballot should be kept secret to protect the privacy of candidates. The Captain and Vice-Captain, with the assistance of the Prefects MIC, then select a suitable Prefect to be appointed as Senior Prefect. The induction ceremony for Interns is held at the beginning of term four, in conjunction with the celebration of the founding of the school. The official ceremony, involving presenting of badges and signing the Prefects Book, is held in term 2, after winter sports selections.

Prefect are entitled to wear a badge and a navy blue plain tie and should have the Prefect Pocket added to their blazers.

Tell Them From Me Survey

The School and *The Learning Bar* support team are looking forward to working with our school community this semester, to maximise the opportunity to collect feedback from our stakeholders using the TTFM

surveys. The upcoming survey window is open from **27 August and will remain accessible until 26 October**. You can complete a survey at any time during this window. Over recent years, we have built up a data base of staff and parent opinions about various aspects of school life. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website at: <http://surveys.cese.nsw.gov.au/information-for-parents>. I urge as many parents to participate as possible. Parent voice is very important to us at High.

Meet The Prefect

Looking back on my time at Sydney High, I can confidently say I've been privileged to experience a truly special culture. Whether it be on the cricket or football pitch, in the classroom or at the AAGPS carnivals, the memories we have formed over these last six years will remain for a lifetime.

Yet, whilst we students dedicate ourselves to numerous academic and co-curricular programs, we must also make sure to look after the mental health of ourselves and

others. For this year's Prefect body, one of our main goals has been to develop a community where everyone looks out for each other's welfare, embodied in our motto of "A High Mentality." For anyone in need, remember that there's always be someone around this school, whether it be a teacher, a counsellor or a fellow student who you can reach out and talk to; please don't ever feel alone. The recent Welfare week was a step towards de-stigmatising the issue of mental health, as the teachers/students basketball game, intra-school welfare cards, Headspace stall, Year 12 meditation session and the motivational talk from Motion Impact were all hugely successful. So, as I approach the end of my six years at High, I remain extremely grateful for all the opportunities I've been offered, and the role of Prefect over the past year has been a great opportunity to give back to the school that has given me so much.

From the Canteen

Run by P&C, High Canteen offers an extensive range of healthy hot and cold foods that are not only reasonably priced but also made fresh on the premises.

Did you know that all profit from daily sales is returned to school community for projects that directly benefit our boys? This is only possible due to the generosity of our parent volunteers, who readily give up their time to help canteen managers Karen & Tracey prepare food and serve at canteen windows. Volunteering is a long standing High tradition and one that we hope will continue in the future. In 2018, we have been particularly lucky to have several parent volunteers sign up to be part of the canteen roster. Many hands certainly make light work and the canteen is a great place to learn more about our High culture & ethos. Thank you Penny, Letty, Sam & Stephanie for the ongoing recruitment drives. Please speak to canteen managers (Tel: 96629350) if you are able to join the roster. Full training is provided and language or prior experience is never a barrier.

We are thrilled to announce a special excursion for Year 9 this year: we have managed to book seats in early November for a live matinee performance of Shakespeare's *Macbeth* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. *Macbeth* is a haunting and timeless tragedy that explores the darkest corners of the human mind set in a world where the supernatural is real and the quickest way to the top is by murder. *Macbeth*, presented by Pop-up Globe's mixed Southampton's Company sees darkness, chaos and conflict unfold. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. The boys will experience what theatre was like for 'groundlings', and see *Macbeth* as it was originally intended to be enjoyed: this is a raucous, immersive live-theatre experience not to be missed.

The English Faculty are thrilled to announce a very special excursion for Year 7 this year: we have managed to secure seats in late September for a live matinee performance of Shakespeare's *A Midsummer Night's Dream* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. Justly regarded as Shakespeare's comic masterpiece, *A Midsummer Night's Dream* enchants audiences with a brilliant mix of hilarious comedy and beautiful poetry. Students will be entertained by Pop-up Globe's all-male Buckingham's Company in a production which fuses spectacular Jacobean costumes and the lyrical poetry of Shakespeare with Māori folklore and language in the magical setting of an ancient forest. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. 1st XV Report

The First XV showed grit and determination in our final match of the season, however it was not enough to overcome an impressive Grammar side, losing the match 7-17. As the team showed up one-by-one to Weigall oval on Saturday, we were enjoying the day and soaking up as much of the earlier matches as possible. We came switched on, and ready to give it our all, and despite the unfortunate loss, enjoyed the experience of running out onto the field surrounded by excited friends and family for the last time of the season. To all who showed up and

grew hoarse from the chants, thank you for your unwavering support.

Archie Fox

2nd Grade Match Report

Coming up to the final game of the season the boys were pumped for an intense match. As we lined up next to Grammar, it was easy to tell which side had the size advantage but this did not faze us. The game came down to the last play of the match, every boy was determined to win and did their job on the field but in the end Grammar held us out and unfortunately we were unable to tie the game up. I would like to thank Mr Aldous and Mr Scrivener for coaching us and congratulate all the boys that played in the 2nd XV this year for a tremendous season.

Edison Dorahy

3rd Grade Match Report

Every single training session and Saturday game had led up to the final game of the season, the showdown against Grammar. In what was the last game for the year 12s, we started the game full of energy and applied this energy to our offensive and defensive efforts. We were able to score three converted tries in the first half, while shutting out Grammar. In the second half, we lost some energy and gave up an easy try down the side line and a try where they spent over a minute in our five metre zone. We answered with one more converted try, as we got our first win of the season and hammered Grammar 28-10. Thanks to the boys of the 3rds, especially the Year 12s,

for persisting throughout the season, coming to the training sessions, and the Saturdays and for making it a fun season. I hope this season was enjoyable for you all as it was for me. Thanks to Mr Aldous, Mr Marcos, Mr Cotton and Mr Scrivener for organising training sessions, our games, and supporting us on Saturdays. And lastly, a huge thanks to coaches Steve and Gareth for sticking with us throughout the season and through the tough times. Thanks for building a culture of High Spirit within us all.

Akif Kazi

16A's Match Report

This weekend we ventured down to Weigal for the final game of the 2018 GPS season where we unfortunately had a loss to Grammar. Coming off the back of two very successful weeks you could see that all the boys were disappointed to end the season on a loss. That aside, it has been a great pleasure to play alongside all of my teammates this season for what has definitely been one of the most enjoyable years of high rugby I've had to date. This season we really gelled as a team and everybody had trust and faith within each other on and off the field to get the job done. All in all although it wasn't the end to the season we were hoping for I am glad to say that it has been a successful year for the 16's and I'm certain that everyone is keen for next season.

Noah Robertson

15A's Match Report

Heading into the last game of the season we were in for a tough one. The first grade's crowds were roaring with passion and we tried to use it as our own. Sadly this was not the case where we suffered our most disappointing defeat of the season. This was because our line speed and communication was not on par as it usually was. I would like to thank the coaches and parents for sticking by us through the season and constantly giving us support. Hopefully we all come back next year and endure another great season for high.

Vincent Dorahy

A proud 14A's after their match

14A's Match Report

The last game of the season against Grammar is always one we all look forward to in the rugby season. The game started with 3 quick tries from our team and we went into half time leading 21-7. At this point the team's standards

and attitude dropped which allowed them to score 4 tries in a row and go into the lead 28-21. As a team we lacked the stamina to keep up with Grammar and struggled in both offence and defence. In the end, this was a game that we should have won, but let go.

Andy Xu

13A's Match Report

It was a tough day in the office against a strong Grammar A side. We started off slow, conceding 2 tries in the first 10 minutes. From then on in the first half it was a battle, neither team ready to concede a try. After some lazy defence by us, Grammar scored in the corner. However, our heads didn't go down and we bounced back with a try from Nelson Cheng before half time. We came back onto the field and it was a repeat of the start of the game with lazy defence allowing Grammar 4 tries in the second half. A gutsy effort from Oliver Sun, who scored the final try. The end score of 39 - 14 didn't really represent the game well. There was no man of the match as everyone in the team played well. I am very proud of the progress the boys made this year and I look forward to next season.

AAGPS Athletics Pre-Season Dinner

For the first time in AAGPS history, an athletics pre-season Athletics Dinner was held. It was a fantastic night created by Jim Penning (Armidale) who is the Convenor of AAGPS Athletics held at The Kings School, Parramatta. MIC's, Athletics Captains and Vice Captains from all AAGPS schools with the exception of Sydney Grammar School were present along with special guests including the nights speaker, Sydney radio broadcaster Mr Alan Jones.

It was a special night as we celebrated and looked forward to what is the highlight of the AAGPS sporting calendar. Although extremely competitive the AAGPS Athletics Sub-Committee share a professional bond where each school attempts to create a constantly improving atmosphere for all boys. I have had the pleasure of being Sydney Boys High Schools' MIC of Athletics for six seasons now, therefore the boys pictured were part of the Year 7 squad when I first took the position. I am proud of both boys and appreciate their commitment to the sport especially during the current Year 12 Trial Exam period and throughout their time at SBHS. Mr Jones spoke about the importance of sport in education and the many realities and life lessons to be learnt from participating. He also used his long serving quote, *'...it is not enough to create history, you must also know history'*.

Captain of Boats Report

"I'll always stay hungry during the off season" Mike Leclerc

Heading into the 2019 season, the senior rowing squad has already begun with an attitude believing races are won or lost in the offseason. With two members of the 1st VIII returning, and the remainder of the squad engaging in Strength and Conditioning sessions multiple times a week, this season promises to be a stellar one. In the holidays alone the squad completed its first sculling session followed by a gruelling Coogee stairs run, an early indicator of the fitness standards and mental resilience that will be required in the upcoming months. Most encouragingly however, the introduction of

social rowing has brought about unprecedented numbers into the squad, whereby they will bolster the reigniting of the fours. With veteran coaches Terry Fong and Steve Comminos returning alongside 2017 MIC George Barris and Head Coach Gareth Deacon, the stability and experience of the coaching structure is a further improvement upon recent years. Even though Head of the River may seem ages away the training has already begun this week with a squad of 29 rowers excited in looking towards upholding the proud tradition entrenched in this wonderful sport over the years at High.
