

From the Principal High Talent

Congratulations to Guy Suttner (12T) for his first place in the National Economics Competition. For the highest score in Australia he receives a \$400 prize! Matthew Le (11R) earned the highest score in NSW for the Australian Business Studies Competition and a \$100 prize. Henry Thi (12F) was confirmed

Economics and Business Educators NSW as the National Senior Winner (Business Studies) with a \$400 prize, with Aland Goran (12F) as NSW Senior Winner (Business Studies) with \$100 prize. Twelve other entrants from High won \$50 prizes in the competitions this year. Great work, boys! In the Australian Geography Competition, High was ranked second in Australia. Equal first in Australia were: Felix Yi (7F), Rayan Haque (8S) and Mitchell Liu (10R). Wonderful results! Eric Holmstrom (11T) and Kane Shields (8R) qualified to run in the National Cross Country Championships – a terrific achievement! Eoin Fitzgerald (10R) represented NSW in the U16s National Basketball Championships. Well done, Eoin!

Caught Doing The Right Thing

A Swans fan who attended the Swans game on Saturday and parked here at SBHS, spoke very highly about the boys attending to the parking – they were happy, polite, helpful and courteous. It is gratifying to know that our boys behave so well even when no one is watching. You are a credit to yourselves and your families, boys!

Illuminate

Our important annual exhibition of student achievement opens next Monday at 6:30pm in the Great Hall. I invite our wider school community to support our students on the evening as they show how they articulate,

create and innovate. It's that time of year when HSC major projects have to be submitted for

marking. The evening consists of projects and performances from our Year 12 students in design and technology, software design, visual arts, drama and music. The exhibition opens at 5:30pm ahead of the performances later in the evening. The P & C is providing refreshments. It is a worthwhile experience for parents to see what standard of work is expected if they have a son interested in studying these courses in stage 6. It is beneficial for students in stage 5 to be exposed to the products of our stage 6 students. Express your interest by logging on to <https://www.trybooking.com/WSEC>. I hope to see many of you there!

Athletics Importance

At High we believe in athletics because ability there is fundamental to capacity in other sports. For many years we have run speed and

agility sessions on Monday afternoons and more recently a Friday morning Runners Club. We provide these services at no cost because we want to encourage improved health and fitness in our students. Our official GPS athletics season is short (4-5 weeks) and free. Once again, our policy is to provide venues, coaching, training and supervision free of charge, to encourage participation. Our seasonal investment for these services exceeds \$50k.

It is an honour to represent your school at any sport but particularly athletics, because anyone can run and jump. Hence, the competition in this sport is truly state wide. High competes in both the CHS carnivals midweek and the GPS carnivals on Saturdays. The best thing is that our representatives get

to compete as teams, not just as individuals. At CHS boys compete for points as a team for the Kippax Cup and at GPS for the Junior, Intermediate and Senior trophies. I expect all boys who are successful at our school athletics carnival to offer themselves for selection in CHS and GPS representative teams. I call upon all students to develop the athletic gifts they inherited and turn them into talented performances.

I am encouraged to see the great turnout of boys for athletics this year. There were scores of boys at Monday sprints this week. Keep up the great work

Winter Sports Reports

It is that time again when captains of teams write up reports for their season. It is important that this tradition is maintained and that as many reports as possible appear in *The Record*. Ms May, our editor, works exceptionally hard to produce a high quality compendium of the great things that occur during the year here at High. She cannot do her job unless you do yours. For the sake of your teammates and for your own slice of history, complete and submit your report on winter sport. If you have access to any good action shots of your team send them in also. Parents are asked to remind their sons to submit their reports if they captained a team in winter sport.

Secretary For A Day

Arriving on Sunday evening at the Park Royal in Parramatta, I was greeted by a group of 33 other metropolitan and rural students from around NSW. Some students travelled as close as 20 minutes, while the furthest students travelled nearly 5 hours by train to

participate in the Department of Education (DoE) Secretary for a Day executive shadowing program. At the DoE's newest office, I shadowed the Chief Financial Officer (CFO) Gerard Gieseckam of the Schools Finance portfolio area. Listening in three of the CFO's meetings throughout the morning, I met various senior officers involved in the management of the government's \$1.6 billion budget assigned for primary and secondary education.

The bustling meetings were followed by a boardroom-style discussion with Mark Scott, the Secretary of DoE. Mr Scott introduced numerous topic areas which were contended among students in a highly organised manner. These areas included the controversial issue on whether aspects of HSC should be altered due to the notion that it has not changed in its style since its conception in 1967. Other topic areas involved a highly passionate debate over whether Mathematics should be made compulsory in the HSC and whether the number of subjects should be reduced to allow students to study deeper into specific subjects.

The next day was spent entirely on a forum to discuss the DoE's strategic goal: *Every student is known, valued and cared for in our schools*. Examining the data produced from Tell Them From Me surveys from NSW students, we conceived a crucial need to ensure that each student feels involved in any aspect in their community, particularly students in senior grades and female students. After learning different steps and methods to promote this strategic goal, we split into groups of five students placed randomly to examine ways to fulfil the goal. By the end of the forum, six unique ideas had been developed to be presented to a panel of three school principals and three senior DoE officers. This was truly an exceptional experience which turned out much more exciting than what I had initially expected.

We are thrilled to announce a special excursion for Year 9 this year: we have managed to book seats in early November for a live matinee performance of Shakespeare's *Macbeth* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. *Macbeth* is a haunting and timeless tragedy that explores the darkest corners of the human mind set in a world where the supernatural is real and the quickest way to the top is by murder. *Macbeth*, presented by Pop-up Globe's mixed Southampton's Company sees darkness, chaos and conflict unfold. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. The boys will experience what theatre was like for 'groundlings', and see *Macbeth* as it was originally intended to be enjoyed: this is a raucous, immersive live-theatre experience not to be missed.

The English Faculty are thrilled to announce a very special excursion for Year 7 this year: we have managed to secure seats in late September for a live matinee performance of Shakespeare's *A Midsummer Night's Dream* at the Pop-Up Globe Theatre. The Pop-up Globe is finally bringing its critically acclaimed productions and unique venue to Sydney, and will be walking distance from Sydney Boys at The Entertainment Quarter at Fox Studios. Justly regarded as Shakespeare's comic masterpiece, *A Midsummer Night's Dream* enchants audiences with a brilliant mix of hilarious comedy and beautiful poetry. Students will be entertained by Pop-up Globe's all-male Buckingham's Company in a production which fuses spectacular Jacobean costumes and the lyrical poetry of Shakespeare with Māori folklore and language in the magical setting of an ancient forest. The Pop-Up Globe is a unique open air theatre, and is a replica of the original theatre which presented many of Shakespeare's plays to Elizabethan and Jacobean audiences. The boys will experience what theatre was like for 'groundlings', and see *A Midsummer Night's Dream* as it was originally intended to be enjoyed: this is a raucous, immersive live-theatre experience not to be missed.

SHS Cross Country

Congratulations go to our GPS Cross Country U16 team for taking out this year's premiership and trophy. It was a hotly contested race, with Grammar school breathing down our throats in second place. With outstanding runs from Matthew Moloney, Rhys Shariff, Kane Shields, and the surprise packet of the year, Vitaly Kovalevskiy, who mowed down the competition to secure a strong fourth position and the trophy, we were able to hold on to first position and take home the Under 16 trophy for the second time

in three years. This is the first time Sydney High has achieved such success in Cross Country. Notable mention goes to Kelvin Meng, Steven Meng and Jonathan Tran, who also had a very strong season. We now look forward to challenging for the Open Premiership next year. Happy off-season training, boys! ☺

GPS Athletics 1st Invitational Meet

The GPS season has well and truly commenced, we had 250 boys sign up for the 2018 season. In 2017 High boasted the largest squad in the GPS with 158, given the high number of participants I was so happy when Ms Luu came on board to help out on Saturdays. High, along with

Grammar hosted the Track events and Cranbrook from the CAS schools hosted the field events at ES Marks on Saturday 25 August. Our boys trained at least 3 times during the week to prepare for Saturday and participated well. Below are the top 3 results. AAGPS schools involved were High, Grammar, Shore, Kings & Newington. CAS schools were Cranbrook & Waverley.
