

## From the Principal High Talent

Aryan Jani (11F) was selected to participate in the New South Wales Schools Constitutional Convention at Parliament House, Macquarie St, Sydney. Quite an honour, Aryan!

## Printers and Photocopiers

Our printers and photocopiers are being upgraded. Our lease on our school wide printing and copying equipment expired, consequently, all our machines are being replaced with new ones. The functionality of the machines at every location is to be enhanced. Teachers will have a wide range of formats in which to publish material or create resources for our students.

## Harassment or Bullying

Students and their parents should be aware that the school has a 'zero tolerance' policy on homophobic harassment, sexist or racist slurs, bullying or teasing. At High we are proudly anti-discriminatory. This year, our Anti-Bullying team have developed a solid policy on what victims, 'upstanders' and teachers can do to combat bullying and reduce bullying behaviours in our school. There is a quick reference guide - 'Responding to bullying at Sydney Boys High' - posted in every classroom. No individual should be discriminated against by virtue of his sexual identity, race, religion, philosophical or political

views or cultural custom. We promote ourselves as a band of academic brothers and

must put our actions where our words are. Students who discriminate against others, verbally, physically, in writing, on social media, or online, can expect strong negative consequences. Any defence based on the idea that teenage discourse customarily encompasses the use of homophobic language to the extent that it has lost its original meaning, will be disregarded. The essence of the problem is in repetition of discriminatory words or phrases and multiple perpetrators repeating them. Perpetrators and victims will engage in a restorative mediation process called, 'The Method of Shared Concern'. 'Upstanders' will be acknowledged by the Deputy Principal, Junior School. Reasoned argument, measured discourse and healthy debate are good for organisations. However, there is no place for harassment, discriminatory comments or racial or religious denigration or taunts. It starts with the way we speak – our tone and choice of words. Let's all be more respectful towards one another!

## Interpreting Year 11 Reports – Semester 2

Teacher record individual marks for courses and these are run against an ATAR predictor program. All the raw marks

are converted into scaled marks per unit. In the iterative scaling process, students' marks in one course are compared against all the other students who completed the same course and against their performances in their other courses. The data we use are last year's HSC results for High. The essential comparative assumption is that boys will perform at the same standard this year as they did last year. A scaled score out of 50 is calculated for each course on a one-unit basis. We use all 12 Preliminary Units to calculate our ATAR estimate for two reasons. First, we would like students to receive a realistic appraisal of their progress in state terms as well as relative to their peers at High. Second, we want them to know their relative performance in each of their courses. This year the ATAR estimates for physics and chemistry are elevated due to the outstanding results in those two courses at the 2017 HSC. These results may not be replicated

by this year's cohort. In April, the estimate process will be moderated against the 2018 HCC results.

At this stage of the year, every Year 11 student faces a choice, some have more choices than others. Will I do 12 units, 11 or ten or less? For those students who have a guaranteed entrance into Extension 2 mathematics because they sat the 2-unit HSC Mathematics, they can drop two courses immediately (Extension English and a 2-unit course) and still have ten to present at the HSC. Students who really want to exit a course and are likely to make the rank 164 cut –off for extension 1 mathematics, can keep their Extension English and drop a course. Most accelerants remain doing ten units until their HSC results in the acceleration course are published. Some students commit to three units each of English and mathematics and discontinue their weakest course. Students choosing to do four units of English can drop one course. High performing students tend to use acceleration results as insurance and do ten units for the HSC anyway. Generally speaking, students I speak to when discussing reports are thoughtful about their strengths and weaknesses and mindful of their preferred tertiary options. Pragmatism often informs their decisions. I hope all Year 11 students choose sagely.

### Meet the Prefect-Intern

Walking into Room 205, on the day the 2019 Prefects were announced, there was no denying the wide spectrum of personality that surrounded me. We had rowers and rifle shooters, scientists and artists, academics and musicians, social justice pioneers and school committee leaders, introverts and extroverts; all, however, united by the one startling fact that we had just become Prefects. We sat down without speaking a word, glaring at the other anxious faces around us. Will we be successful? Will we match the endearing yet bold efforts of the 2018 Prefects?

Over the course of just two months, that all changed. Our doubts and differences faded away, and in its place,

bonds were forged. Confidence in ourselves grew according to the increasing faith we placed in each other. Last week, we all attended a leadership workshop. We laughed and we learnt, we shared and we discussed. And when the time came to finalise our brand as a Prefect body, a simple revelation came to me: we had become, in a sense, brothers. After uploading this idea to the group, significant discussion followed while many more contributions were shared; we eventually settled on the "Brothers in Brown & Blue". That alone can speak for the progress we have made and what we are willing to do.

Already, we are on-track to revitalise our social media presence through multiple platforms. We have set the goal of producing around two short videos per term, promoting Prefect presence and advertising school events, all in an effort to rally High Spirit. Our "Meet-the-Prefects" and "Year 7 Introduction to High" videos are already in the works. We plan to work more closely with all year groups, particularly juniors, who have little contact with seniors.

Society is in dire need of empathetic, young men who understand the needs of others and aren't afraid to stand up to injustice. There is nothing more critical than the students of Sydney Boys High learning to exhibit their true colours and having more empathy for their fellow peers. Along with my Captains, I am humbled to be leading an intelligent group of boys, already fantastic role models to many, who will grow to become just that.

### Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school  
from being absent he is required  
to provide a letter of explanation  
signed by a parent or guardian.  
If your son is going to be late for

school a note is also required. Alternatively, you may  
contact the school by phone on 9662 9300 and dial "1" for  
the absentee line.

If your son has an early leave note he is required to have  
his note signed by either Mr Dowdell, Ms Powell or Mr  
Prorrellis **before 9:00 am** and handed in to the Main Office  
immediately after. Each letter should be signed by a  
parent or guardian with the **name, date and roll class** of  
your son **printed clearly**. Your son needs to pick up a  
leave pass from the Main Office before he leaves the  
school.

Sydney Boys High would like to  
remind all students participating  
in GPS sports that we have an  
onsite physiotherapist every  
Monday morning from 7am –  
9am. The School has covered  
this cost so it is free for your child.

Our physiotherapist Mr Mark Beaven has quite extensive  
experience in physiotherapy and we are very lucky to  
have him here at Sydney Boys High School. Mark is from  
South Sydney Sports Medicine and is a physiotherapist  
with expertise in hand therapy, musculoskeletal  
physiotherapy, occupational health, orthopaedics and  
sports physiotherapy. Mark's experience includes being a  
club physiotherapist for South Sydney Rabbitohs Rugby  
League club for 15 years as well as spending 5 years as  
the physiotherapist for the Australian Kangaroos Rugby  
League team. He was also the touring physio with the  
Australian Fijian and Maori Rugby League teams, and  
has been three times to Europe with the A.I.S. U/18  
Rugby League team.

If you would like an appointment to see the physio please

# DEBATING

## Debating Report

At the Debating Dinner I was extremely honoured when the seniors presented me with a trophy entitled the 'Rachel Powell Award for contribution to Debating'. The name inscribed for the 2018 recipient was Lincoln Hui. As this was a genuine surprise and I was quite overwhelmed with the generosity of the students, I probably didn't do the best job of presenting the award to Lincoln so I wanted to formally explain why he is a worthy recipient of this award and acknowledge his contributions to debating at High.

Anyone who knows Lincoln, knows that he has an energy and enthusiasm for life which is contagious. This extends to debating where, as a Junior, he was a delight to watch as part of 7B2 and 8C GPS teams.

In Years 9 and 10, Lincoln did not make a team, but he continued to attend debating coaching every week and became the Friday evening helper coordinator. All debaters know that the set up and pack up on Friday nights is extraordinarily time consuming and tiring. Each room has to be arranged for a debate and afterwards put back for class at the end of the night (very often at around 9 pm or later). Chair people and timekeepers have to be instructed and equipped for each debate. Programs have to be distributed, signs have to be displayed and visiting students and parents have to be shown where to go and have all their questions answered. In 2015 and 2016, Lincoln was an invaluable support to me in undertaking

these tasks. He showed great leadership skills in working with younger students and this was noted particularly in 2016 when I was in England during a night when we were hosting two competitions which meant arranging 16 debates. Lincoln took the lead in assisting the teachers that covered for me and Ms Jollie remarked to me "I have no idea how you would run the debating program without Lincoln."

In Year 11, Lincoln focussed his efforts on Legal Debating where he was solicitor as part of the very successful Mock Trial team which won the Dr Joseph Suttie Award for Excellence in Teamwork.

Lincoln was a keen UN Debater in his senior years, competing in the UN Youth Australia, Dr Evatt Competition from 2016-2018. He progressed from the Preliminary Round in Year 10 to the NSW Semi Finals in Year 11 and in his final year he reached the NSW final.

In 2018 Lincoln was selected to represent High as a member of the GPS Third Grade debating team which finished the GPS season as undefeated winners.

Congratulations to Lincoln for being the first recipient of this trophy and thank you very much to the senior students for this most special of gifts.

# SHOOTIN' HOOPS

---

Welcome everyone once again to this week's edition of Shootin' Hoops! Another successful week of High basketball. 1st Grade were able to push through after a slow start, with Eoin Fitzgerald and Julian Markworth-Scott leading the charge with 36 and 24 points respectively, snatching the win in overtime by 3 points. 2nd Grade once again breezed through their game, with Ratchaphak Prekpanarut scoring 17 points (and some nice dribble moves on his defender) and Vasco Santos-Dwyer 8 points of his own in a 29 point victory. And the rest of Opens didn't look bad either, with 6 out of 8 teams getting the W; and both 15s and 16s showing great team spirit with some great wins across the board.

Long day on the scorer's bench...

This week High will play Riverview. They won't be easy to beat, but as long as we match their size and physicality, our hard work and talent will prevail. Make sure to Play Hard, Play Smart, Play Together, and the wins will come. Let's go out there and show them what we're made of.

## First XI Match Report

For our final trial match of the 2018/19 season, the 1st XI side headed into the match with high hopes after a big win against Caringbah. We played Newington at home and were looking forward to defeating them, giving ourselves a mental edge over them as we look to defend the Joseph Coates Trophy later this season.

After losing a crucial toss, we were forced to bowl on a surprisingly flat deck, and a quick outfield to match. A quiet start from the Newington openers and tidy bowling from Cameron Pereira (Year 11), Hunar Verma (Year 11) and Nicolas Leong (Year 11) kept them at 0/47 at first drinks. However, a few drop catches and sloppy fielding gave Newington the momentum for the rest of their innings. Despite a tidy late spell from our quicks Newington were able to amass 258 in their 50 overs.

With a large total in our sights, we got off to a near-perfect start getting to drinks with 55 runs on the board for the loss of one wicket. Arvin Niranjana (Year 11) and Saarangan Arvind (Year 10) continued ticking the runs along before Arvind was dismissed for 30. Bilal Abbasi (Year 9) continued his form with a brisk knock before he and Arvin Niranjana fell in quick succession, Arvin being dismissed for 70.

A lower order surge, including cameos from Hunar Verma (Year 11) and Cameron Pereira (Year 11) gave our side a slim chance of winning before a few late wickets limited us to just 192 in our 50 overs, giving Newington a 66-run win. A great batting performance for our boys, and our highest one-day total for 2 seasons.

Despite the loss, our impressive batting effort gives us lots of momentum heading into the first game GPS 1st XI of the season next week against St Ignatius at home.

**Cameron Pereira and Arvin Niranjana**  
**First XI Co-Captains**

## Second XI Match Report

After a tough loss, the previous week to Joeys, we headed into our final trial match against Newington with a determination to achieve a better batting result. With sunny conditions and the pitch being in favour for the batsmen, we were sent in to bowl.

Knowing that we had to take early wickets with the new ball, we capitalised with Soneeshun Selvarajah (Year 11) taking the first in the 2nd over. A 49-run partnership for Newington helped consolidate their innings until a bold tactic to bowl off spinner Sudaraka Pieris (Year 11) played dividends with Newington 2 wickets down for 70 runs by drinks (17th over).

Some inconsistent bowling from the start of the second session gave Newington the upper hand, carrying the momentum from their first session by rotating the strike and keeping the run rate at a high. However, a sharp catch from Harris Memon (Year 10) off Rohan Vashisht (Year 11) at the end of the second session provided us with the motivation to continue to take wickets.

Leading into the third session, we started off strong with wickets from Adi Srivatsan (Year 10), Rohan Vashisht (Year 11) & Soneeshun Selvarajah (Year 11) to halt any momentum from Newington. By the end of their innings, with Rohan Vashisht (Year 11) & Soneeshun Selvarajah (Year 11) taking 2 wickets apiece.

Going into the second innings, knowing that we had to keep wickets in hand and the run rate to a high, we started with both of our opening batsmen falling within the first 2 overs.

With Sudaraka Pieris (Year 11) and Harris Memon (Year 10) coming in respectively, we knew we had to dig in in order to consolidate and then, capitalise.

As a result, a solid partnership of 66 runs between myself and Sudaraka meant we finished 2 wickets down for 71 runs by drinks, a near identical position Newington were in.

Unfortunately, Sudaraka Pieris' (Year 11) dismissal for 21 put us under pressure right from the start of the second session. A slight collapse of the middle order meant that it came down to myself and Mukund Rangarajan (Year 10) to save the innings. Stoic in our efforts, we built a 40-run partnership helping to stabilise and provide High with a glimmer of hope, the second session ending 5 wickets down for 110 runs.

Needing 134 runs for victory with 5 wickets in hand and 17 overs to play, we were placed in a situation where we were unlikely to win. After Mukund's dismissal for 13, and my dismissal for 69, it was all over with High being bowled out for 146 runs.

Several lessons were learnt and together as a team we believe that we are improving and will find success very soon.

**CHS Alan Davidson Round 3-4 Knockout Tournament**  
Congratulations to the 1<sup>st</sup> XI who were successful in moving to the next round of the competition after achieving victory in their match against Caringbah High School last Friday.

## Match Report

The First XI head into their first match of the CHS knockout eager to defend our title as Sydney East Champions, and make it all the way to the finals at Bathurst for the second year running. Our first hurdle was Caringbah High School, with the match played at MPW, on the synthetic wicket. Despite losing the toss, we still had the opportunity to bat first in perfect batting conditions.

*Vivek Mahajan (Year 10) batting for the 1<sup>st</sup> XI vs. Caringbah High.*

A solid opening stand between the Saarangan Arvind (Year 10) and Menuja Goonaratne (Year 10) saw us in a stable position of 32/0 after 10 overs. After the openers fell in quick succession, Arvin Niranjana (Year 11) (co-captain) and Vivek Mahajan (Year 10) put up a strong partnership ticking along at over a run a ball to see us at 95/2 at drinks after 20 overs.

The fall of both of their wickets saw young guns Bilal and Josh enter the crease, with a big job ahead for the year 9s. Both batted beautifully scoring extremely quickly with Bilal and Josh sending the opposition's spinners to all parts of the ground. Bilal's wicket signalled the end of the mammoth stand, with Bilal ending up on 69 of just 38 balls. Caringbah fought back well at the back end of the innings, cleaning up the tail off the last delivery with our side posting a fierce 244 of 40 overs.

The second innings began with a great showing from our school during the lunch break. Hunar and Cameron kept it tight early in the innings, with the run rate rarely exceeding 3 an over. Hunar, fresh of his great showing at the national champs, bowled a fiery spell full of unplayable bouncers and good length deliveries. The end of his opening spell brought Nick into the attack. Nick made light work of the Caringbah opener and number three, leaving Caringbah in all sorts at drinks. Adhi then provided a masterclass in slower balls and Yorkers, running through the middle and lower order to finish up with figures of 5-13, our first five wicket haul of the

season. Caringbah folded for 75 all out, giving our side a huge victory margin of 169 runs.

This was a great start to our CHS season, and a great chance for our batsmen to get a valuable hit out before our GPS season begins in week 3.

*Adhirath Senthil took an astonishing 5-11 against Caringbah High School! Congratulations!*

This Friday, the First XI will be playing the next round against Menai High School for a spot in the final as the Sydney East Regional Champions! Check them out in action again at MPW!

## Teams of the Week

### 14As

The second game of our season was against Newington. During the weekly training sessions, we worked hard on our skills preparing for this game at Mackay #2. We lost the toss and Newington chose to bat but with 32 overs on another small ground we knew there were plenty of runs to be made. Our pace bowlers worked hard with line and length with figures of 2/21 for Taran Shah (Year 7) off 6 overs, and 0/16 off 6 overs for Varenja Taneja (Year 7) who bowled great spin. At the end of the innings Newington had scored an adequate total of 5/163. With just over 5 runs an over required to win, our openers did a great job facing the quicks and we were 0/44 after the

10th. In the next over two quick wickets fell and we had a game on our hands. Chris Roussos (Year 7) and Aayush Madan (Year 7) steadied the ship with an amazing 95 run partnership off the bat with the former scoring 53 not out and the latter scoring 42! They brought it home for the team with a final score of 4/166 in the 29th over and a win for High!

Captain

### 16Bs

After losing the toss, the 16Bs fielded first in good weather. We were successful in skittling the Kings batting line-up for a below-par score of 55 after 16 overs. This win was a team effort, with wickets being distributed evenly around almost all bowlers bowled. The methods of dismissal also varied, with one bowled, one caught at slips, one at midwicket and 7 at point and short cover.

In the second innings, the boys went in to chase it. Fortunately, we only lost 1 wicket from a top edge that went through to the keeper. The rest of the top order chased down the runs steadily and calmly in 13 overs.

### High Cricketer of the Week:

#### Arnav Bansal - 16Cs

Congratulations to Arnav Bansal (Captain of the 16C's) for his wonderful all-rounded effort against St. Aloysius last Saturday. Arnav scored a stunning **88 not out** playing an anchor role for his team when batting and took a notable 3/35 with the ball in an unfortunate losing cause for the school.

It is great to see such a young cricketer lead from the front with both facets of the game and we wish him the best of luck when the season begins this Saturday!

**Jamie Nguyen**  
Cricket Prefect

It has been great seeing some of the younger junior teams record more wins against the very strong Newington College – a renowned GPS school for their cricket program.

This weekend's matches are the first Round of the GPS Competition, beginning with matches against St. Ignatius College (Riverview).

To all parents and players, don't forget to go through the points below:

- If the weather is inclement on a Saturday, you can find any changes to the fixtures on the SBHS website on the home page. No changes = game is definitely on.
- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- For training sessions (outside of school hours) and Saturdays, parents are to email through the specific details of absence (**Student number, name, sport, team, reason and date of absence** to [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au))
- Remember all cricket games are important to attend to each Saturday, otherwise you are letting your team down.
- A **100% attendance record** equates to 5 extra **Award Scheme** points for juniors.
- Please notify their coach if they are unable to attend training or their fixture.

Play Hard, Play with Sportsmanship & High Spirit and most importantly have fun with your cricket!

Good Luck!

## Tennis Update

In what was a very testing Saturday our boys were pushed hard in every grade in tennis verses Kings. Our 1<sup>st</sup> & 2<sup>nd</sup> Grade had some outstanding performances with 4 of our top 7 players unable to play on Saturday. This allowed many young boys to make their grade debuts.

Unfortunately Kings sent their 3-4<sup>th</sup> grade to play our 5-6<sup>th</sup> and vice versa therefore those matches were uneven. I had the pleasure of looking after the 15's on Saturday and was impressed with their improvements since last season.

### 2<sup>nd</sup> Grade Water Polo Report – 27 October 2018

The 2<sup>nd</sup> grade water polo team took to the field today versing the team we faced the week prior. Stacked with strong players in all positions, our team put up a tough competition against the opposing SHORE side. We kicked off the game strong with Pico scoring two goals however, SHORE struck back scoring four. We didn't score in the 2<sup>nd</sup> quarter but only limited SHORE to one goal thanks to the excellent defense from Edison at centre back. After half time SHORE struck hard putting two in the net and luckily dodged bullets from our offence. We entered the 4<sup>th</sup> and final quarter down 2 to 7. We played our hearts out playing a strong quarter of water polo with Samuel scoring two and Jie scoring one. As the final buzzer went off marking the end of the game, we swam off with our heads high knowing we played a good game and improved from last week's loss of 7 to 0.

## Rowing BBQ report

Spring is in the air, and our Rowing BBQ is back on Saturday at the shed. Thank you to our parent helpers and new parents for their amazing support making the

BBQ a success. Our new item 'High Rice' was added to the menu. It was well received and sold out quickly as well as our usual High Burger last weekend.
