From the Principal

High Talent

Congratulations to Jadon Yang (12T) who was awarded an Oxford Classical Dictionary from Mary Washington University for achieving four consecutive gold medals in the National Latin Exam. Well done, Jadon!

SGHS-SBHS Musical Production – Oklahoma

Come and support music and drama at our two schools on Thursday 30 May at 7pm at Sydney Girls Multi-Purpose Centre, on Saturday for the matinee 1 June at 12pm or evening performance at 7pm. Bring the family to enjoy a classic musical and show your appreciation for the efforts of the students, staff and production team.

NAPLAN

Students in Years 7 and 9 will have their NAPLAN tests next week and the week after. I urge all students to try their best during these tests to reach their personal bests. We expect that you will work carefully and methodically. Select your answers after weighing up all the options. Watch out for distractors – answers that have elements of truth or parts of the answer to the question but are incomplete. They are there in order to entice you to pick them because you have not thought the problem through fully. Use all of the available time. Check your answers for any careless errors or omissions. Remember that the purpose of the tests is entirely diagnostic. That is, the tests are used to show you and your family how far you have progressed on the national learning continuum since Year 5 or Year 7. Stay calm and focussed during the busy weeks ahead – good luck!

Full School Uniform Policy

High is proud of the fact that its boys wear their school uniform. We expect boys to be in their appropriate uniforms at all times. In winter, there can be extreme weather events but where adjustments need to be made in clothing, the High Store has responded to the requests from the SRC to supply approved supplementary items. Uniform items are approved by the school community through the P & C. The school beanie and school scarf can be worn at all times as part of the official school uniform. Students feeling the cold should not improvise with random items of clothing of various colours and designs. It is permissible to wear white skivvies underneath school shirts when it is really cold. Students are allowed to wear sports clothing on sports days (Wednesdays for Years 10-12 and Thursdays for Years 7-9) and can add the school tracksuit for warmth. When it is raining, umbrellas, disposable ponchos or the new school wet weather jacket are authorised.

Non-uniform anoraks, jackets, caps, beanies, scarfs and wet weather gear are not permitted under any circumstances. Teachers are reminded to ask students to remove items of clothing that are not school uniform and warn them about the need to comply with the school dress code. Explain the options they have available. Put students on detention if they re-offend. If the student still does not comply with school uniform, report the recidivist student to the relevant DP, for persistent disobedience in his failure to wear approved school attire.

The Sydney Boys High Student Research and Resources (Public Library) Fund

The Sydney Boys High School Student Research and Resources Fund is a fund to resource our two school libraries. Purchases of books, e-books, subscriptions to magazines,
databases and streaming services such as Clickview and minor equipment, are paid for from the Fund. In addition, the wages of 0.8FTE of a second Librarian and staff employed to extend library hours and run Library archives, are paid for from the Fund. As contributions to the Fund are tax deductible, it provides a very cost effective way for parents and Old Boys to help fund an important and growing area of school life – online learning. There are 40 boys in our Online Learning elective in Year 10 accessing these facilities. As well, 224 students can enjoy the library facilities simultaneously. The opening balance for the Fund in 2018 was $83,950. Total receipts during the year were $142,371. Expenditures included: wages for Library and archive staff; physical and electronic resources; furniture; ‘Clickview’ subscription and maintenance. Total payments were $150,788. Balance carried forward was $75,533. I commend the Student Research and Resources (Public Library) Fund to all parents and ask for your financial support in the form of tax-deductible donations before the end of the financial year.

Dr K A Jaggar
Principal

For those who haven’t used the digital version, once you go digital you’ll never look back! A few benefits are:

- You get access to it almost immediately – just download The Entertainment Book app so no need to wait for the actual book
- You don’t need to carry around the book
- You can easily see on a map all the eligible restaurants and activities (e.g. cinemas) around your current location or in a specific area
- You can easily look up if the restaurant you are currently eating in has a discount before paying the cheque
- You can share it amongst a few people to each have on their phones for any time they’re out
- You can monitor how much use you’re getting out of it

The link below shows you whether the book or digital would work best for you:

Either version costs $70, with 20% of all sales contributing to school fundraising, whilst only a few nights out throughout the year will easily recoup the initial cost.

So, if you’re interested in helping the school out while making some big savings use the following link to order your copy:

Sailing Report

Off the back of the Ascham regatta, fresh with new skills and a greater team-racing understanding, 1st grade dove into the end-of-season NSW Secondary Teams Racing Championships with eagerness for more experience. After a slow start to the competition with building winds, we managed to get a 7-win streak taking us to 3rd place overall. However, after some light winds at the back end of the weekend we unfortunately dropped places, finishing in the third bracket. Nonetheless, experience from past regattas was definitely displayed, with Jack Vorgias managing to single-handedly hold off three PLC boats, allowing myself and Jarrod Khaw to sail to the victory. With the competition marking the end of the season, it is a sad farewell to Jack Vorgias, the current captain of first grade. On behalf of the sailing program, I would like to thank Jack for enhancing the sailing program. Working tirelessly alongside MIC Matt Cotton, Jack pushed for a second-grade team, striving to get more people learning teams racing. Also bearing a woeful goodbye to our outstanding coach Manfred, it has been a sad yet very satisfying end to a long hard season.

The senior rugby camp was held in the second week of the holidays on the 23rd and 24th of April. It was an overnight experience filled with many learning experiences. Tuesday started off with a session at CSP Gym learning different squat and deadlift movements. This was followed by a talk with a professional physiotherapist about stretching and its importance. After this was a lesson with Terry at UFC Gym on grappling and making contact effectively. After a field session working on many different skills and a delicious dinner, the day came to an end. Wednesday began with three very important talks. The first was with Bronson about time management and scheduling. The second was a chat with Tolu Latu, a current Waratahs player, about commitment and dedication. The third was with a nutritionist about how to fuel your body right. The camp concluded after another field session working on skill development. A big thank you to Terry, Bronson, Mr Cotton and Mr Marcos without whom this amazing camp could not have been possible.
This year, the Cross Country event will involve the whole of Year 7, all NEW students to the school, 20 students from each competing age group and 7 staff members. The carnival will be held at Centennial Park, McKay Oval & fields. Students selection will be based on the top 10 places from the previous year’s cross country event and a further 10 competitive students who would like to register and compete in this year’s event.

Students interested in trialling for the CHS Cross Country representative team are to see Ms Dam in the IA Department, to register their interest. If your name is not on a registration list, you do NOT trial.

Parents: Your son will be dismissed earlier than usual on Monday 13 May 2019
