At the final of the Latin and Greek Reading Competition held last Friday, Nathaniel Jones (10F) won the Classical Greek competition. Congratulations!

## Careers and Industry Afternoon

Last Friday, 12 Old boys and 150 students from Years 11 and 12 gathered in the Great Hall for a Careers and Industry afternoon. Organised by Marcus Borszcz, Vice-Captain and Eric Wong (SHS-2000), the Old Boys shared stories of their careers and then answered a series of questions from students. Students gained great insights into how career paths change over time and how interests develop and are pursued across academic disciplines and industries. The Old Boys then networked with the students over afternoon tea. Thank you to all concerned. The event shows how relevant the Old boys Union is in providing a link between school and the world of work for our students.

## Prefect Interns Elections Process

The Executive has considered the list of potential candidates for the Prefect Internship. Students who have been nominated may be vetoed for a number of reasons. An important prerequisite for School Prefect is acceptable academic progress. That means estimated ATAR of 92 for students who started in Year 7 (calculated on 12 units) and 88 for those who joined the school later. Strong, ongoing participation in the Student Award Scheme is the next benchmark to be met. We expect School Prefects to be role models for participation. Each year they should earn at least 100 points (even if they are carrying over points). By the time the ballot nominations close all students nominated should have demonstrated to Mr Dowdell how they will earn their 100 points this year towards an award.

Boys who already have Platinum Awards, have until the closing date of the Award Scheme for the year to complete their 100 points requirement. In addition, nominees can be vetoed for recent acts of misbehaviour at the discretion of the executive or because of attendance and punctuality or school uniform issues. Boys who have not maintained the academic standard, but have been close to it, (ie one ATAR point below 92 or 88, depending on year of enrolment), have a right of appeal in writing to the Principal. They need to supply testimonials from at least three teachers, supporting their claims to have improved their academic standing since their first report, and assuring the Principal that the benchmark will be reached by April of their HSC year. Nominees successful in their appeals are automatically on probation until their Year 11 Preliminary reports. A further investigation of academic standings occurs at the beginning of term 4. Probationary Interns may lose their internship at this review. Prefect Interns who have slipped in their academic standings, will be placed on probation and given until their first Year 12 report to meet the standard required. I have heard multiple appeals. The ballot nominations have been closed. Ms Rigby is the Manager in Charge of School Prefects and is in charge of the nomination and voting process.

## Collection of Reports

All boys should have collected their reports. Regrettably, there are still many boys who have not fulfilled their commitments, completed their *Clearance Forms* and booked an appointment time to see me to discuss their progress at school. This is an important step in our feedback loop and I insist on speaking to boys **personally**. Boys can come and get their reports before or after school and at lunch or recess on most days, unless I have appointments or have already set aside a time to chat with boys about their reports. There are also sheets provided for '*Stragglers' Reports*' for an hour or so on selected days on the Waterhouse desk in the corridor outside my office. Boys just need to make an effort to comply with policy and come and see me.

Once I have had a short feedback session with each boy, his report is loaded online against his personal file on *Find a Student*. Appointments can be made in the new school year by filling in one of the sheets on the Waterhouse desk in the corridor or just drop by before school, recess and at lunch (except Tuesdays). The benefits of my interactions with boys lessen if the discussion is too far removed from the assessment events being discussed.

### Winter Sports Reports

It is that time again when captains of teams write up reports for their season. It is important that this tradition is maintained and that as many reports as possible appear in *The Record*. Ms May, our editor, works exceptionally

hard to produce a high quality compendium of the great things that occur during the year here at High. She cannot do her job unless you do yours. For the sake of your teammates and for your own slice of

history, complete and submit your report on winter sport in the week after the final match of your season. If you have access to any good action shots of your team send them in also. Parents are asked to remind their sons to submit their reports if they captained a team in winter sport.

Open daily from 8.30am, High Canteen serves an extensive range of hot and cold foods. Our raison d'être is to provide our hungry sportsmen scholars with nutritious meal options that are very reasonably priced. Freshly cut sandwiches, wraps, burgers, rolls, sushi, rice box, pasta, soups, salads and focaccia are just some of them. We also stock a number of pre-purchased items as well as drinks. Our canteen managers are constantly adding new items to reflect the culinary diversity of our school community. Check out weekly and daily specials. Much of this is prepared fresh on site.

In recognition of our efforts, High Canteen was recently awarded the Healthy Canteen tick of approval. Launched in 2017, the NSW Healthy School Canteen Strategy is a key initiative to support the Premier's Priority of embedding healthy eating habits and tackling childhood obesity. Healthy eating is a lifelong habit with far reaching socio-economic impacts. Embracing fresh and wholesome foods, reducing portion sizes and knocking back sugary treats are the pillars on which the strategy is founded. Visit: <https://www.nsw.gov.au/improving-nsw/premierspriorities/>.

We urge the entire school community to continue to support the school canteen. Remember every dollar spent at canteen goes back to our boys. Our canteen is one of very few high school canteens that is managed by P&C through the canteen subcommittee. We are indeed

privileged to have ongoing support of parent volunteers who willingly take time out of their busy schedules to help prepare foods and serve at canteen windows during recess and lunch. We would also like to acknowledge the prefect body and SRC for their inputs and feedback. Your help during recess and lunch is much appreciated.

### Student TAG

We hope to see more students embrace the cashless payment and online ordering options currently available through the school portal. Thank you, David Isaacs, for delivering this initiative. It reduces cash handling but more importantly waiting times. Boys can also place orders before bell time and thus avoid missing out on popular items.

**STEP 1: Register for Flexischools**

\*Add your student, their year level and link an ID card to get started.

**STEP 2: Top-Up your Account**

\*Choose from Visa, Mastercard, PayPal or direct deposit. Auto top-ups ensure available funds.

**STEP 3: Add Daily Spend Limit**

\*Limit access to your Flexischools funds by adding a daily spend limit per student.

**STEP 4: Student Pays with ID Card**

\*Funds are debited from your Flexischools balance to make on-campus purchases. There is no need to transfer funds to the card.

### Volunteer Recruitment Drive

Thank you to all those who responded to the recent P&C volunteer recruitment drive. We are still looking for more volunteers to join the roster in 2019. Our parent volunteers form the backbone of school canteen. Each day, 2-3 parent volunteers are required.

If you have a few hours to spare each month, please ring 9662 9350. Many hands make light work. Full training will be provided and language is no barrier. Canteen is a welcoming workplace and offers a great opportunity to network and learn about High values & ethos.

# DEBATING

## DEBATING

The GPS Debating competition kicked off last week with a home round against The Kings School. All went well, with High winning in the 7A, 8A, 8B, 9A, 10A, 10B, Thirds and Seconds debates.

Thanks to Edwina Henningham and Pamela Shi and their helpers for the fabulous supper (again)! Unfortunately, there were quite a number of students who failed to contribute to supper – if it is a home debate you must either bring food to contribute to supper or \$5 which you must give to the coordinators on the night. If you are able to help out with preparing supper or cleaning up please contact Edwina at [ejhenno@gmail.com](mailto:ejhenno@gmail.com).

This week's round is at home against Joey's. Unfortunately they are not able to send any extra teams for our many keen debaters who have not made the GPS teams. Remember – if you are debating, chairing or spectating you must bring a contribution to supper.

Best of luck against Joey's tonight. Next week we are away against Newington.

## GPS Athletics Standards

- High Athletes must attend 3 sessions per week including their sport time session. Any training exemptions must be approved by MIC of Athletics - Kurt Rich
- High Athletes must compete in events they are training for or told to by the coach/MIC at each invitational meet. Exemptions to this, need to be made by Sydney Boys High Athletics coach/MIC
- High Athletes must strive to represent their school with their utmost effort, respect and pride at every session and meet. Failure to do this can result in ban from High Athletics.
- Attendance at the AAGPS Carnival on Saturday 21 September and the ceremony after is compulsory for athletes regardless if in the competition squad or not
- All registered athletes will be given the same level of respect and attention by the
- Coaches & MIC regardless of talent. High has boasted the largest number of athletes in the GPS for several years and we intend to keep it that way
- If all of these standards are kept, all athletes can expect to improve their fitness
- Throughout the program. A final competitive team will be selected for the final competition, however, everyone is a valued member of the squad.

## Selection Policy

- Consistent training attendance and effort
- Performances in CHS & GPS competition(s)
- Tactical team selection

# MY STORY

**GET TO SLEEP EASY, KNOWING  
YOUR LOVED ONES ARE SAFE.**

My name is Nikhil Autar. I was diagnosed with leukemia at 17, and given a 10-20% chance of surviving. I am now studying medicine and am a cancer researcher!

I started up this project after losing one too many friends to preventable issues like falls and infections.

Our devices, and our app, could save lives, by sending alerts when loved ones need you most, and by providing evidence based wellness advice tailored to YOU! I'd love it if you could help get us to the next level with some much needed funding.
