

From the Principal High Talent

At the Year 9 Latin Reading and Art

Competition organised by the Classical Languages Teachers' Association of New South Wales, held at Cranbrook School in Bellevue Hill, **Yu Ming Lee (9T)** earned the People's Choice Award

in the **Rosemary Davies Art and Design** division for his clever creation of a version of Monopoly with a Classical World theme. He received a Gold medal, a Certificate and a perpetual Trophy. **Dean Nguyen (9S)** achieved third place in the **Solo Verse Reading** for his rendition of the verse from Virgil's Aeneid. The **Year 9 group** was awarded a special prize, the "**Orpheus Award**" for their excellent presentation in **Choral Reading**. Congratulations to all the boys concerned!

At the first GPS Invitational athletics Carnival last Saturday, our most successful athletes were: Justin Lee Nonis (1st in 100m U15, 2nd 200m U15); Raghav Ramanathan (1st in U17 high jump); Joshua Suto (1st in U14 high jump); Kane Shields (2nd in 3000m); Pico Dos Santos-Lee (2nd in 110m hurdles); Rhys Shariff (2nd in U16 800m); Ashwin Barrett (2nd in 800m U14); Jonathan Tran (3rd in 1500m) and Caden Ma (3rd in U15 100m hurdles). Congratulations to our place winners and all our competitors.

Athletics Importance

At High we believe in athletics because there ability is fundamental to capacity in other sports. For many years we have run speed and agility sessions on Monday afternoons and more

recently a Friday morning Runners Club. We provide these services at no cost because we want to encourage improved health and fitness in our students. Our official GPS athletics season is short (4-5 weeks) and free. Once again, our policy is to provide venues, coaching, training and supervision free of charge, to encourage participation. I am gratified that in recent years so many boys are participating in athletics during the athletics season. Our seasonal investment for these services exceeds \$50k.

It is an honour to represent your school at any sport but particularly athletics, because anyone can run and jump. Hence, the competition in this sport is truly state wide. High competes in both the CHS carnivals midweek and the GPS carnivals on Saturdays. The best thing is that our representatives get to compete as teams, not just as individuals. At CHS boys compete for points as a team for the Kippax Cup and at GPS for the Junior, Intermediate and Senior trophies. I expect all boys who are successful at our school athletics carnival to offer themselves for selection in CHS and GPS representative teams. I call upon all students to develop the athletic gifts they inherited and turn them into talented performances.

Keeping Offseason Fitness

At various forums, I have written and spoken of the need for our boys to maintain their offseason strength and fitness. Some boys pursue a high level of performance in one sport but then do not compete with the same intensity during the next season. Many of our boys become 'detrained', that is to say, their level of strength and fitness falls below their in-season capacities. This means that summer season coaches inherit detrained boys from winter sports. Our performances overall are limited by fitness levels at the beginning of a season. The rationale for having only full year memberships for the weights room included the idea that boys would train all year because it was paid for already. There are three remedies. First, the school should enforce the

Sports Policy so that all sports do two intense, meaningful training sessions each week. The top two teams in each sport should have three organised sessions. Second, boys should do off season sessions of their own e.g. rowers could do an erg session each week in the off season in their own time. Third, boys should want to compete for the school at the highest level that they can during each season, for their own pride in performance and to help their teammates.

As the winter season ends and the athletics season commences, there is a six-week gap where those not in GPS Athletics or a first/second grade team, are in danger of losing whatever level of physical fitness they have acquired during the winter season. Every year we give up a fitness advantage to other GPS schools at the beginning of the summer sports season. The coaches are forced to concentrate on fitness and strength before they can get on with the job of fashioning their teams into skilled units. I urge all boys to maintain a regular routine of physical fitness if they are among this large group of boys that I have described.

Each day, we require at least 2-3 volunteers. If you have a few hours to spare each month, please call Canteen managers Karen & Tracey on 962 9350. We still have a number of vacancies. Full training will be provided and language or prior experience is no barrier. Working in the canteen offers an excellent window into the world of High. It is a long standing tradition and one that we hope will continue.

The P&C subcommittee which manages the High Canteen is also looking for new members. We meet once a month on the second Friday. Much of the work is also conducted electronically. If you are interested in joining the committee, please speak to canteen managers. Prior canteen volunteering experience will give you an insight to way canteen operates. Positions that need to be filled include: President, Vice President, Secretary & Treasurer (Accounting/Book keeping background would be advantageous).

Dear Principal

Re: 26 – 30 August 2019 Celebration of SAS Staff Recognition Week

Like you, the Public Service Association values the contribution to the school community of the work done by School Administrative and Support Staff.

Each year the Association organises SAS Staff Recognition Week to acknowledge the contribution of these staff, whether they work in the office, the library, in the school grounds, in a classroom setting, or in other roles.

We know that you are aware of the valuable work SAS Staff do every day of the school year. Recognition Week is an opportunity for you, and the school community, to show your appreciation to these dedicated staff members.

We have included a list of suggested activities you may wish to undertake. We have also written a letter to the P & C inviting them to also celebrate the SAS Staff. It would be appreciated if you could pass this letter on to them.

We will send, by post, a Recognition Week package to the school including poster, bunting and other materials. This package will arrive in time for the 26 August start.

Thank you in advance for your support and participation in this special week for SAS Staff.

Yours sincerely

Captain of Boats Start of Season Report

"Real athlete's row. Everyone else just plays games."

The 2020 senior rowing squad are excited for another long yet rewarding season of racing as we head into our first couple of training sessions. 'A' group appears to be extremely keen and competitive, currently exceeding its final maximum capacity of 18 boys, due to plenty of rowers seeking a spot in the 1st and 2nd VIII. All ten year 11 boys from the previous 1st and 2nd VIII have returned, bringing invaluable experience to the squad. 'B' group remains enthusiastic and high-spirited as ever, some members from last year even trying for spots in 'A' group now.

The winter season has provided the boys with the opportunity to clock in plenty of good kilometres on the ergs, helping them maintain both fitness and technique. The weights room has also been open, some boys taking full advantage of this and training up to 3 times a week. Lifting heavy has proven to be very productive for gaining mass and strength, with some boys also pursuing medals in Olympic weightlifting. Two of the boys from the squad will be attending Youth Weightlifting Nationals in the September holidays, thanks to their hard work and dedication in the weights room.

The end of the athletics season in 4 weeks will mark the completion of the squad, with full training commencing soon afterwards. We look forward to the many weeks of tough training and racing ahead, as we build up towards the culmination of the season, the Head of the River, in March 2020.
