

## From the Principal High Talent

Congratulations to our successful GPS chess team that retained the GPS Invitational Chess Cup for team chess competition. The winning team was: Henry Chen (12S), Peter Boylan (12R), Jack Keating (9R), Toby Huey (7S), Justin Wayne-Lowe (11S), Kerwin Ma (10M), Jason Pan (7R), Ryan Lee (10E) and Matthew Ko (10R). High took out the Terrey Shaw Shield for the NSW Junior chess League competition for senior teams. This is the first time we have won the shield since 1996. Well done to Peter Boylan (12R), Jack Keating (9R) and Kerwin Ma (10M), who comprised the winning team. Congratulations to the winners of events in the GPS athletics carnival four. Anthony Vlatko (Open 800m), Joshua Johnson (U17 long jump and 400 metres), Jonathan Tran (U17 800 metres), Justin Lee-Nonis U15 100 metres), Peter Zhao (U14 high jump), and Allan Tan (U13 200 metres).

## Athletics Assembly 2019

Our special guest, Marina Carrier, described her punishing training schedule in her HSC year and showed how she achieved great success in both sport and in her studies. After graduating

she joined Sydney University Athletics Club which she toured to Europe with the team. She recounted the highs and lows of international competition from podium finishes to the crushing inaction of recovery from injury on crutches. Her message was to stay involved in sport while studying and emphasised that she could not have achieved what she has academically were it not for the training discipline and self-regulation she learned as an athlete. My speech to the assembly is reprinted below:

"Special guest, Olympic pentathlon competitor Ms Marina Carrier, staff, parents, students, coaches and aspiring GPS athletics representatives, good morning and welcome to our annual athletics assembly. I acknowledge this morning the Gadigal people of the Eora nation as the custodians of the land on which we meet and pay my respects to elders past and present and extend that respect to any Aboriginal people here today. We gather this week to celebrate our short athletics season, which culminates in the GPS Carnival on next Saturday. I appreciate the effort that every one of our students in the program has made to prepare himself for his event or multiple events. We need to remind each other to cheer on every competitor because each extra point earned matters on a day when the total team performance is what counts. Sometimes the margins between schools are very small at the end of the day. Every result in every race matters to every athlete.

On behalf of the staff and students, I want to thank Kurt Rich again for his very professional leadership of our program as MIC of Athletics. His team of Old Boy coaches relate well to the boys and inspire them with their passion for athletics. I was very gratified to see that there were large numbers of boys participating in athletics and competing on Saturdays. Your efforts will make you fitter and connect you more to the endeavours of the school. Thank you to Natalie Luu who has helped manage the athletes on Saturdays.

I am pleased that we have so many dedicated coaches to look after a large and enthusiastic group. Thanks again to Head Coach, Joshua Tassell (SHS 2010) who is still leading our program. For sprints, we have Neil Song (SHS-2015), Bovan Lin (SHS-2016), and Desmond Cai (SHS-2016). For 400 metres Elias Hall (SHS-2016), Archie Fox (SHS-2018) and Ryan Ho-Shon (SHS-2018). Thank you to the long distance team of James Tinker (SHS-2015), Kenneth Liu (SHS-2015), Luke and Hayden Schofield (SHS-2016) and Daniel Ma (SHS-2018).

Christian Lozada manages our hurdles program, supported by Rick Saha (SHS-2015), Brandon Nguyen (SHS-2018) and Jason Huo (SHS-2017). Thank you also to Davina Strauss, our long-term coach for long jump and Ray Gu (SHS-2017) who assists. Myles Cole-Clark trains our high jumpers. Jerry Gek (SHS-2016), Nigel Zhang (SHS-2017) and Eli Montuno (SHS-2018) guide our shot put squad. Thank you to everybody in the athletics program for working so hard to raise the standard of athletics performance at High.

Australia has been waiting a very long time for a genuine male track and field star. Our last gold medallist was in 2008 with pole-vaulter Steven Hooker OAM. His personal best of 6.06m was the third best vault of all time. At this year's national championships, another hope for a medal was uncovered. Sixteen-year-old Western Australian, Sasha Zhoya has performed as a world-class athlete this year. He started his record-breaking run on day one of the national championships when he set a new benchmark in the Under-18 pole vault, clearing 5.56m. He outclassed the field in the Under-18 110m hurdles in a national and world U-16 record time of 13.05. Zhoya then backed up to win gold in the Under-20 200m. He finished in 21.18, just 0.3 seconds off the national record. Sasha has a French mother and is also eligible to compete for France. Let us hope that we can keep him competing for Australia. Another rising star is middle distance runner Joseph Deng who, at age 20, broke the Australian 800m record in a time of 1.44.21.

Excellence in athletics is so hard to achieve at international level. It should be very inspirational for young athletes to have such great role models of excellent performance. I hope that everyone chosen to represent the school in the GPS athletics team feels a sense of pride and accomplishment to clear the first hurdle in any career – school representation. Congratulations to you all. I exhort students in the assembly to support their peers and their school on next Saturday at Homebush for the AAGPS carnival.

### NAPLAN Results

Year 7 and 9 students' NAPLAN test results were delivered to the school this week in pre-sealed envelopes for each student. These packages have now been issued to all boys for them to share with their parents, so please follow up with your son if you have not received them.

Deputy Principal Junior School

### **Volunteer Recruitment Drive**

High Canteen is still looking for volunteers to fill gaps in the roster. Our parent volunteers form the backbone of school canteen. Each day, 2-3 parent volunteers are required to help prepare our extensive menu that includes soup, salad, hot and cold rolls, sushi, wraps, sandwiches, burger, rice and pasta. Parents also serve at canteen windows during recess & lunch. This greatly reduces our operating costs and allows canteen to raise substantial funds for the P&C. Our extensive menu and reasonable prices are only possible due to the valuable contributions of the parent volunteers who so generously give their time.

If you have a few hours to spare each month, please ring 9662 9350. Many hands make light work. Full training will be provided and language is no barrier. Canteen is a welcoming workplace and offers a great opportunity to network and learn about High values & ethos.

### **Seeking New Treasurer**

High Canteen is managed by a subcommittee of P&C. We are urgently looking for a parent with accounting/book keeping experience to take on role of canteen Treasurer. Full training will be provided by outgoing members. Bulk of role can be conducted remotely.

Additionally, we are also looking for new members to join the committee, which meets on the second Friday of the month. All members of current committee retire next year. Positions that need to be filled include president, vice president, treasurer & secretary.

### **High Canteen is a Healthy Canteen**

Please continue to support the school canteen as we expand on the healthy eating initiatives. Embracing fresh and wholesome foods, reducing portion sizes and knocking back sugary treats are the pillars on which the strategy is founded. Our already extensive menu is constantly updated with seasonal variations and daily specials. We also cater to special dietary needs. Check out the menu. Did you know that you can pre-order online and in person before morning bell. This will also help reduce food wastage and cut back waiting times.

### **Cashless Payments**

We encourage more students to use the tap n go payment option through Student TAG. Check student or parent portal for further details.

**Usha Arvind**  
President Canteen Committee

## CHES NEWS

We have had a hugely successful weekend of chess tournaments. On Saturday 14 September, we hosted our annual GPS Championships playing against Sydney Grammar, Newington, The Kings School, Shore and The Scots College. We are pleased to report that we out played all other schools and retained the cup ahead of our nearest rivals, Sydney Grammar School. Congratulations to our team players Jack Keating, Peter Boylan, Toby Huey, Henry Chen, Justin Wayne-Lowe, Kerwin Ma, Jason Pan, Ryan Lee and Matthew Ko.

We would also like to congratulate all the boys who played in the Terrey Shaw Shield tournament at North Sydney Boys High on Sunday 15. September. Our Open A team (Jack Keating, Peter Boylan and Kerwin Ma) won the shield for our school scoring 18.5/21 and narrowly defeating nearest rivals, North Sydney Boys High and James Ruse High by .5 and 1 point respectively. This is only the second time that we have had the shield in thirteen and we are enormously proud of our players. Our junior team (Toby Huey, Jason Pan and Austin Liu) won their division and our Junior B team (Kenton Liu and William Wibawa) played valiantly. Congratulations also to our open B team (Ryan Lee, Matthew Ko and Kalaish Stanley) who were placed fourth in the competition.

Our next big competition will be at The Scots College in early December.

## Open Day Acknowledgements

A **BIG THANK YOU** to all our parent volunteers at last week's Open Day. Over 40 parents came in to prepare and serve morning tea to 650 guests on the day.

You have set a high standard to our prospective families with 5 star presentation of foods and many of you stayed from beginning to end.

Special thanks to:

Michael and Maria who have helped us for 6 consecutive years,

Alim, Derek, Fred and Isaac who have manned the task of cleaning dishes, enabling us to have a free flow of clean cups and glasses throughout the event, and

Kevin Eadie for his support every year.

We won't be able to make this event so successful without you so **THANK YOU!!!**

## The Governors Centre

### Project update

September 2019

#### Working together

The Governors Centre project is jointly funded by the Sydney Boys High and Sydney Girls High school communities. School Infrastructure NSW is managing the governance and delivery of the project.

School Infrastructure NSW is delivering 190 new and upgraded schools for New South Wales. Bringing this experience to the Governors Centre project will help ensure value for money and high quality facilities for these school communities.

#### The Governors Centre

This exciting project will deliver a new performance and examination centre for Sydney Girls and Sydney Boys High Schools.

This project will deliver a modern three storey building incorporating:

- a theatre/auditorium for approximately 400 people
- an adaptable multi-purpose examination hall to seat 210 students
- external works and landscaping linking the two schools.

#### Progress summary

School Infrastructure NSW has been working closely with school stakeholders through the design of The Governors Centre.

Construction tenders have been assessed and the contract has been awarded to Stephen Edwards Constructions.

#### Next steps

Construction works for The Governors Centre are expected to begin in the coming months.

SINSW will work with the school and the contractor to ensure that the safety of students, staff and the community remains of paramount importance.

#### Keeping you updated

We will host community information sessions in the coming months to give you the opportunity to meet the project team and ask questions. These will be advertised in project updates and on our website.

## Hello Cricket Parents

For your information; following is a snapshot of the cricket program being rolled out at Sydney Boys High for the 2019-20 season.

- We have a record number of cricketers vying to play for High this season. As a result we have lots of teams in place - seven open grades along with three teams (A, B, C) in each age group!
- Training starts Monday 16 September while the GPS competition starts Saturday 19 October. The draw will be shared once the committee receives it. Refer to the school events calendar at:
- <http://www.sydneyboyshigh.com/publications/calendar> to stay up to date with information about the teams playing, cancellations, location changes etc.
- **Coaching**
  - This season every team has a coach that will be with the team during the week for training as well as during the games on Saturdays. This continual availability of coaching will help work out strategies in progressively improving the skills and team work every week.
  - We have two specialist coaches; Luke Bartier (a St George 1st grade player) and Mitchel Winslade (Randwick Petersham 1st grade player). They will support the cricket program conducting specialist fielding as well as batting, bowling drills during training session.
  - A coaches twilight evening has been organized at the beginning of the season for all coaches to attend before the season starts. At this meeting the coaches will go through different activities and skills to engage our cricketers throughout the season.
  - All coaches will have the opportunity to gain a level 1 coaching certificate at Cricket NSW.
- **Equipment**
  - New equipment has been purchased for the season - new balls for each game, trolley to move covers to/from McKay 1 turf wicket, cricket kits for

players to use during training and for teams to use during Saturday games.

- **Communication**

- In the spirit of self-organization, the MIC communicates directly with the students/players as well as the coaches about the program, grounds, team changes etc. Any information received by the committee will be shared to the parents through this email address.
- The school is also encouraging the use of SZapp for push notifications to the parents. So apart from emailing the parents, the cricket committee is also going to share general cricket program information through this SZapp. Please see [High notes](#) for instructions on how to install and configure this app on your mobile devices.
- At a team level, consider setting up your own team groups for parents to connect with rest of the parents in that team. There are many apps that can help e.g. facebook messenger group, WhatsApp group, teamapp group, wechat group. Last season the 1st grade parents setup their own WhatsApp group to share information about upcoming matches, changes in venue, weather, events, trips, birthdays etc. - it was lot of fun and helped build a strong bond among the parents too, a bond that will continue to foster friendship well after the boys finish schooling.

If you have any questions; don't hesitate to ask the MIC of Cricket Mr David Smith, or any Cricket Committee members. (This email address is good) and most of all socialise and do share information amongst other parents in your sons' age group team.

Thank You!
