

From the Principal High Talent

Congratulations to David Goh (SHS-2019) on his UNSW Co-op Scholarship in Commerce Information Systems. At the GPS Swimming Carnival 2, High competitors had some success. Jasun Xu (8E) won the 4 years 50 metres backstroke in 34.78. Jaden Yi (9T) won the 15 years 50 metres breaststroke in 33.93. Jin Shim (7F) won the 13 years 50 metres freestyle (Division) as did Peter Zhao (9T) in the 14 years (Division). Other notable performances included Brian Ahn (8M) who claimed second place in the 50 metres and 200 metres breaststroke 14 years; Ike Matsuoka (11M) placed 2nd in the 17 + 200 metres butterfly; and Benjamin Marcellino (8R) was third in the 12-14 years 50 metres butterfly. Well done, lads!

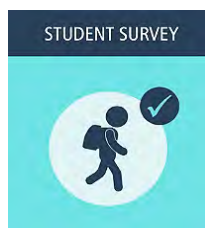

2019 Budget Summary

The total income from DoE was \$11,589,903. Total income from school and community sources was \$10,410,844, including grants and contributions (\$10,308,179), sale of goods and services (\$75,954) and investment income (\$26,771). Income from all sources was \$22,000,807. Within those totals, donations to the SHS Building Fund and to the P & C were \$6,505,722. Total payments were \$21,930,212, predominantly salaries and wages for staff (\$12,534,319) and operating expenses (9,395,893), which included the Governors Centre payment of \$6.2m. Key Learning Area expenditure was \$268,330. Utilities costs were \$94,695. Other operating expenses were (\$833,561). Property Maintenance costs were \$371,272. Furniture and equipment (\$262,407). Overall, payments as a percentage of funds available was 93.79%. Payments as a percentage of funds received was 99.68%, meaning we do not build up reserves. **At High, the very strong reliability of our income flows from parents through donations and contributions has allowed this very high**

expenditure percentage to be maintained for 20 years.

Tell Them From Me Survey

The Learning Bar works with the Department of Education in NSW to provide the TTFM survey, platform, training and helpdesk support to members in government schools across NSW who are taking part in the survey. Sydney Boys High School has signed up again for the upcoming first snapshot of the *Tell Them From Me* (TTFM) student survey, **Monday 12 March – Friday 6 April. We are surveying Year 7 – 11 students.** Year 12 students have their own exit survey later in the year.

We ask for your participation in the TTFM survey. Parents and students are reminded that this a voluntary survey and that logging on by students implies parental consent to engage in the survey. Information given is confidential and will not be used in any way that identifies a person or the school. The data from the TTFM reports have been useful for the school executive as sources of student and community voice on matters affecting experiences at or with SBHS. It will help us considerably during our next external validation. Additional information for parents, including translated consent forms and parent FAQs, can also be found on the CESE website at:

<http://surveys.cese.nsw.gov.au/information-for-parents>. The permission note for parents is on

the parent's portal. If you **DO NOT** want your son to be involved, please download and complete the form and send it to school with your son.

Students who participate will be rewarded with Student Award Scheme points. For students, the process is the same as for previous surveys

1. Log into the Student Portal
2. Click the "Student Survey 2020: Tell Them From Me" link in the Portal Services menu
3. Click the "Access the Survey" button to start the survey

Invoices for Summer Activities Co-Payments

Families in Year 7, and those later year enrolments, have had statements posted for **Term 1 activities**. Despite these charges, most activities are also heavily subsidised from school funds, particularly in direct grants from school funds (voluntary contributions), provision of MICs, teacher supervision, WHS compliance costs and first aid costs (co-curricular supervision levy) and parking allocation support. **Co-payments are used primarily for the provision of coaching.** In basketball alone, a team of over 50 people delivers the program! We have staff, students, Old Boys, parents and volunteers working to make your son's school experiences more enjoyable. It would be appreciated if you could make your co-payments promptly for your son's summer sport and co-curricular activities. Thank you.

Meet the 2020 Prefect Intern

What are some of your goals as a Welfare Prefect?

My goals as Welfare Prefect are to promote both mental and physical wellbeing to all. Most students suffer from stress and anxiety towards exam periods, which results in

them being sleep deprived and tired. I hope to help these students through Stud Help Group, where prefects and talented individuals would sit down and help anyone who needs, regardless of what year or subject, they will always find knowledge! Furthermore, I hope to organise a mufti day where we would raise awareness of inappropriate slurs in order to improve the general environment in the playground.

What sports and extracurriculars are you apart of?

What I love about Sydney High is the amount of opportunities it provides you with, and I encourage everyone to cherish every minute of it. I have been an active participant in both winter and summer GPS sports, as well as being a part of the Athletics team for two seasons. In my junior years, I have chosen Rowing and Football as my two sports, which has fundamentally changed me as a person. I now do Cricket and Football as my two sports, which has acquired me friendships that will last years to come. I have also taken advantage of the High Music program, being in both Intermediate and Senior Concert Bands. I strongly recommend taking every opportunity you are given, because if there is one thing that I regret, is that I didn't do enough!

What's your favourite aspect of High?

My favourite aspect about High is not only the friendships and bonds you build throughout these years, but the opportunity the school provides you with. Attending High for 6 years has undoubtedly changed my personality and perspective, and for the better. High has taught me that no matter who you are, no matter what background you , you will always find a group of mates to laugh about. No matter when you fall, there will always be a pair of hands reaching to help you up. High isn't defined by the 100-year old buildings, or the cityscape view from MPW, but is defined by the students who race within the corridors, the loud classrooms and the booming chants. High isn't just 4 letters, it's a culture, a unique culture that I am so fortunate to be a part of.

Where do you see yourself in 5 years?

In 5 years, I would see myself hopefully graduating University, or perhaps entering my career. I would hope to utilise all the things that I've learnt from High in my everyday living, and not just from the textbook. High has taught me so much and made me see so much more that I need to learn about. Perhaps I could be overseas or working in rural areas helping people in need. No matter where I go, I'm excited for my future, because if any school were to best prepare me for my life onwards, it would be Sydney High for sure!

Terry Zhai
Mckay House Captain 2020
Welfare Prefect 2020

Meet the 2020 Prefect Intern

Can you give us an introduction about yourself?

I'm Ben Bao, one of the 2020 prefects. I've unregrettably spent the past 5 years of my life at one of the best schools in Sydney, maybe even Australia. I spend a lot of my time on my bike and curled up on my bed with a book. My subjects are quite standard, 4 units of maths, advanced English, physics, chemistry and surprise, economics. One of the youngest in the year, I was born in May of 2003. As a prefect I serve as a house captain and a welfare prefect. I work closely with the other Welfare prefect, Terry Zhai to accentuate the importance of a positive mindset and seek to help anyone who has any issues regarding their academics, co-curricular or things outside of school. As a house captain, I also participate in many of the house events Year 7s participate in such as Try Rugby day and House Basketball.

Where can students go to seek help?

Students have many avenues when it comes to seeking help. Your first port of call is certainly those around you, your friends or people in your grade. They tend to know you the best as you spend much of your time surrounded by these people. Seniors at the school especially the prefects all are extremely open to talk to. We can provide valuable input and experience that some of the junior kids may not. All the teachers are always there to help, whether it be a certain subject, certain sport or co-curricular activity, there's always someone who has the answers. Your year advisors are also extremely valuable,

as they can deal with most things and provide you with help and information relevant to your year group. Sydney Boys also has a team of qualified counsellors easily accessible for all students. There is always someone to talk to if you have any issues, you just have to ask.

How has High changed you as a person?

High has changed me as a person. Both physically and mentally. The High Spirit at the school is truly amazing, with the boys all supporting each other whether it be on the sporting field or in the maths class. This has inspired me to consider what it means to think collectively, learning to think about the effect I have on others. I think this has changed me as a person, definitely for the better. The sporting culture at High also pushed me to participate. Entering Year 7, I didn't have much experience playing a sport in a team based environment. Through my 6 years of playing sport at high, I have certainly developed this skill which is essential to all walks of life.

What is your favourite food and why?

A spot on medium-rare steak. But what does it mean to have a favourite food? If I was stuck on a desert island for the next half decade, would I want to have a medium-rare steak every day? Probably not. Then, potato chips come into my mind, but even that has so many varieties and regrettably a high sodium level. Sometimes I do think about what kind of food I could persist eating for the rest of my life - I don't know - pasta, or sandwich, maybe a salad? People say breakfast is the most important meal of the day. Maybe I wouldn't mind having a full English Breakfast for three meals a day. But looking at it from a broader perspective, we all like food, some people more than others. We often can't narrow it down to one thing, but luckily, we don't have to.

Student Absences for Private Instrumental Lessons and Music Ensembles

Students and/or Parents and Guardians are responsible to notify their absences directly to their Private Instrumental Tutor and/or Music Ensemble Conductor.

Private Instrumental Lessons: Please contact the tutor directly, 24 hours prior if student is unable to attend their lesson. Students will be charged for the full lesson if notified less than 24 hours.

Music Ensembles: Please contact the ensemble conductor directly (via email or if conductor has another method of communication) if you are unable to attend the ensemble rehearsal. 80% attendance is required across a semester (i.e. students can only miss 2 rehearsals each semester and must supply a medical certificate and/or a written letter from parent/guardian). Years 7-9 are NOT excused during examination periods during the year.

Chamber Choir

Due to the choral conductor's schedule and student commitments before school, Chamber Choir will not be running till further notice. Students, parents and guardians will be notified via the Student Daily Notices/High Notes/SZapp/Parent Guardian Music Contact List Email, when Chamber Choir is back up and running.

Apologies for the last-minute notice and any inconvenience caused.

European Music Tour Concert

The concert for the European Music Tour will still go ahead on Sunday 29 March, at 1.30pm in the school's Great Hall

All 50 touring students have put SO MUCH time, effort, energy and they have worked tirelessly for the last year and a half, attending all tour rehearsals; workshops; camps, and their efforts should definitely not go unnoticed.

PLEASE, come and support the students and invite your friends and family! More the Merrier =)

The duration of the concert will be approximately 1 hour

and 30 minutes. You will hear a fantastic range of ensembles and students' soloists. See you on Sunday 29 March, at 1.30pm in the school's Great Hall.

2020-2021 Parent/Guardian Music News and Future Notifications

In addition to the weekly High Notes, there are currently TWO communication methods the Music Department is notifying parents and guardians regarding upcoming Music Events e.g. Music Camp/Music Workshops/Music Committee Meetings.

PLEASE NOTE: All future music news and notifications will be transitioned to **SZapp** at the start of **2021**.

For now, there are two communication methods for parents and guardians, please see the two options below.

Option #1: Please download **SZapp** from the Apple App Store or Google Play and subscribe to **MUSIC**. Installation guide is in High Notes

Option #2: Please send the following details to music@sbhs.nsw.edu.au if you would like to receive emails regarding the Music Performance Program only [i.e. Music Events e.g. Music Camp/Concerts/Workshops, Music Committee Meetings etc.].

- Email Subject Line: Music Contact List

Riverview Gold Cup - 2nd IV Report

The row to Riverview was long but enjoyable; the waters were calm and the river was picturesque. We were given a long time to rest before our first race, but we lost by a fairly narrow margin. We determined to do better for the second one. The number of rowers at the event was staggering - an assortment of schools and unis from all around Sydney that formed a continuous stream of boats and people. After lunch, we prepared ourselves for the

finals. The second race was a blur, but we held off Newington and Kings in the last stretch to claim victory. We were in such high spirits that we barely noticed the steep climb from the pontoon to our tents that was so arduous after the first race. After a speedy derigging (disassembly) of our boat and loading it onto the trailer to take back to the sheds, we each went our own way home from Riverview.

SHOOTIN' 262 HOOPS

Welcome back to Shootin' Hoops, this weekend was one of the most anticipated match ups of the AAGPS Basketball competition; our First's and Second's against our rival, Sydney Grammar. With many more wins than losses, I can confidently say SBHS in summary, took the win this weekend. Our First's had a thrilling close game that had the whole crowd on their toes. With strong chants from both schools going on and on throughout the game the atmosphere was amazing, every point scored causing an outbreak of noise from the crowd and bench. The game was amazing especially with Eoin Fitz-Gerald and Alec Ryan's clutch performance in the end of the game to grab the win over Grammar and Kwabena Brefo Jr.'s astounding 17 points on an injured knee. Second's came in to their game against Grammar with revenge on their mind, previously falling to the same team in the Newington Classic Tournament earlier in preseason. Everyone knew it was going to be a tight game even after our Second's went through gruelling training. After the first half, everyone thought Grammar had got the win and High wasn't in the game anymore, except for the team and the coach, Sam Higgins who with a composed mindset confidently led the team to victory.

The 1st Grade squad were well prepared for Grammar, with momentum after coming off a huge win last round. The game initiated in a shaky fashion, with High on the

tail of their rival during the majority of the first half. However, our boys all kept their heads up, stayed resilient, and pulled through all the way until the siren signified the end of the game. The electrified atmosphere and exchange of chants between High and Grammar made this day special, as well as the whole team putting in all of their heart to stay in the game. Big shout out to Eoin Fitzgerald who showed up big in crunch time, and 21 points in total, Adam Gordon, with a strong 26 points, and Kwabena Brefo Jr.'s heroic 17 point effort despite getting hit in the knee mid game. A truly motivating 40 minutes for First Grade this round, shocking Grammar with the 82-74 win, as they step into their final few games of the season, with hopes to secure the 2020 AAGPS Basketball Premiership.

2nd Grade were extraordinarily focused on their game this round against Grammar, falling to them during the Newington Classic Tournament earlier in preseason. Knowing exactly what to do, and how to execute their game plan, High lead after the first period by 3. This game was going to be tight, like it or not, for Second Grade. When the end of second quarter buzzer sounded. High seemed slightly out of it. Nevertheless, Coach Sam Higgins stayed composed and reminded our squad of their duties on both ends of the playing court, which helped High go off in the second half. Keeping Grammar under 40 points scored, taking care of the ball, and rebounding were successfully done and were the reasons for High's clutch win in regulation, with a 40-38 dub. A pleasant week for the mighty 2nd Grade Team.

The 15's again had an exciting round against Grammar, with the teams putting in solid work during training in preparation for their opponent. With three out of the six 15's teams staying tight or overcoming Grammar. The 15A's had an incredibly close one, only falling by 3, being led by Danil Vasiliev's 10 piece. The 15C's and 15E's also played out of their minds, with each of them snatching a win from Grammar, with the 15E's lead by Eugene Han's 14 points. Generally, a fun and competitive weekend for the 15's group.

16's had a very successful weekend against grammar after coming in with the anger from last week's unfortunate losses against Riverview, every team making their coach proud as they executed what they had practiced in training and had not repeated any of the mistakes made last week. However the A team sadly lost by a bare 2 points after losing their lead in the last few minutes of the game, after Grammar's side started to consistently hit deep range shots we began to lose our grip of the game. Yet we kept our head high, and eventually the momentum of the game came back to us in the end but time was not in our favour and with the ball in our hand the clock went to 0, losing 44-46. In a summary our players and coaches are happy with our teams performance on the weekend but are still looking to improve and not have a single team lose next week against Newington!

After our successful weekend, every team is looking to come back next week even stronger to lock the win against Newington rightfully in place. Newington is known for having some strong teams, so make sure to train hard and remember to get your shots up, play hard, play smart, and play together.

1st Grade Report

The High boys faced Grammar in round 5 of the GPS season. All the boys knew the importance of every match due to the close title race against Kings. Unfortunately, our number 5, Stepan broke his hand on Friday night. This provided another opportunity for Blair Zong to perform in first grade. Our doubles started off smoothly, with each team winning in straight sets. Hikaru and I were pushed to a tiebreak in the first set of doubles but stepped up to another gear in the second set. Singles was

dominated by the top 5 boys, with neither boy losing more than 5 games in their match. However, Blair was outplayed by a tough opponent, losing in 3 tight sets. Overall, the boys came out on top winning 8 matches to 1.

The next 2 weeks will be crucial as we face tough opponents Newington and Kings respectively. The results from those 2 fixtures will ultimately decide the premiership.

1st XI Report

As a result of winning the toss on a relatively flat Grammar wicket we chose to bat hoping to put on heaps of runs. A

new look batting lineup, we were keen to set up a big total for our bowlers to back up, leading us to a big win. Our openers went out and remained steady for most of the first session. However some good swing bowling and assistance from a couple demons in the pitch resulted in a minor collapse. Major credit to Aditya Nigul our new boy, stepping up and batting almost the whole day and finishing up on 75 facing 234 rocks. His patient, resilient innings derived a last fighting chance within our team as we managed to sneak a wicket in before stumps. Next week we look to come out fired up and take these last 9 wickets.

Vivek Mahajan

1st XI Captain

2nd XI Report

Up against our rivals Sydney Grammar, we sought out to regain momentum on a two-day match that hyped up to be an interesting game of cricket. High had the first piece of success after winning the toss and electing to bat on the evergreen McKay oval. However, this success was long forgotten as Grammar started off strong, placing the balls in the right areas and challenging our batsmen to shots that seemed uncomfortable to play. After losing three early wickets, Jackson and Chris attempted to rebuild the innings, manufacturing the wicket to their advantage and seeing off any bad balls. However, poor shot selection and a lack of resilience combined with a solid bowling display from Grammar saw us lose a staggering six wickets for 17 runs. In the end High, all out for a disheartening 57. With the match mainly set up for a Grammar victory, we went out with the intention to salvage a string of maidens and apply pressure to minimise Grammar's 1st innings total. Unfortunately, inconsistencies in the bowling and fielding department meant Grammar declared 5 wickets down for 174 runs. Sent back in with a deficit of 117 runs, we started off strong, with both openers ticking the run rate over at a steady pace. After ending the day at 1-49, and still trailing by 68 runs, we aim to restore pride amongst our performance by striving towards a reverse outright victory.

Harris Memon

2nd XI Captain

5th XI – Team of the Week

On a warm Saturday morning, our team lost the toss and were sent out to bat by an eager Waverly College side. Early wickets fell and the team slumped to 4/7 early on in the innings. Haozhe Xu entered the crease batting at 6 and hit a match-saving knock of 63* to take our total to 7/122 after 20 overs. The boys went out to defend this total confidently. An early wicket fell, followed by a long period of tension with Nahiyen Mahmud bowling a spell of 0/6 from 4 overs. This pressure built up and led to a batting collapse forced by our strike bowlers, displaying some great death bowling. Ryan Pandit finished with figures of 3/12 from his 3.1 overs. The game went right

down to the wire but High managed to steal the win by getting Waverly all out for 115, **winning the game by a mere 7 runs**. A good show of composure and control from the boys.

Aryan Zaman

5th XI Captain

To All Parents And Players, Don't Forget To Go Through The Points Below:

- If the weather is inclement on a Saturday, you can find any changes to the fixtures on the SBHS website on the home page. No changes = game is definitely on.
- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- For training sessions (outside of school hours) and Saturdays, parents are to email through the specific details of absence (**Student number, name, sport, team, reason and date of absence** to absences.sport@sbhs.nsw.edu.au)
- Remember all cricket games are important to attend to each Saturday, otherwise you are letting your team down.
- A **100% attendance record** equates to **5 extra Award Scheme** points for juniors.
- Please notify their coach if they are unable to attend training or their fixture.

Play Hard, Play with Sportsmanship & High Spirit and most importantly have fun with your cricket!

Best of luck on your GPS match this Saturday!

HIGH SAILING

Last Saturday gave us some light winds for the 4th week straight which allowed us to continue to hone our skills where we needed to most. The morning saw some great teams racing, allowing many new skippers to take the step up. Myself and Arion Sclaventis came away with top three placings. The teams racing training in the afternoon showed us how much we've improved since the start of the year, but still lots more to do until the State Championships. The Sail GP series which was in Sydney that week gave some of us to see the fastest boats in the world race in our local harbour.

We're fundraising with

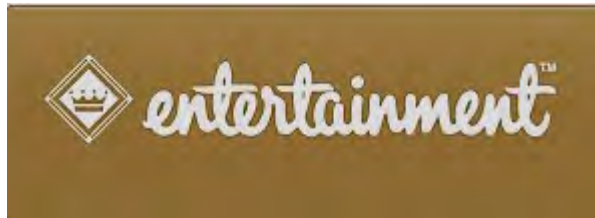

The Entertainment Book

The Entertainment Book is on sale at the school again this year, raising funds for the school. This is now available in digital format only.

For those of you who haven't experienced the benefits of the digital version of *The Entertainment Book* yet, those that have already made the switch have found it incredibly easy to use and use it substantially more than they otherwise would.

A few benefits of the digital version are:

- ✓ You don't need to carry around the book
- ✓ You get access to it almost immediately – just download *The Entertainment Book* app so no need to wait for the actual book
- ✓ You can easily see on a map all the eligible restaurants and activities (e.g. cinemas) around your current location or in a specific area
- ✓ You can easily look up if the restaurant you are currently eating in has a discount before paying the cheque
- ✓ You can share it amongst a few people with access on up to FIVE devices to use any time they're out
- ✓ Memberships are now valid for 12 months from date of activation
- ✓ You can monitor how much use you're getting out of it

There are three different options, with 20% of all sales going to the school while only a few nights out throughout the year will easily recoup the initial cost.

1. Single City for \$69.99
2. Multi-City for \$119.99
3. Multi-City for TWO YEARS for \$229.99

So if you're interested in helping the school out while making some big savings, use the following link to order your copy:

<https://www.entertainmentbook.com.au/orderbooks/2h19779>

There are currently bonus Early Bird Offers valued at over \$165 for those who purchase their new Entertainment Book while stocks last.
