

From the Principal High Talent

Results from the NSWFL Epee Teams Premiership were very encouraging. U19-SBHS won gold; U16 SBHS earned silver; and U14- SBHS won gold. A great effort from our Epee teams!

Caught Doing the Right Thing

I was pleased to receive this email from a commuter last Friday complimenting our boys on their behaviour while travelling on public transport. *'I am a regular commuter on Sydney trains (particularly Macarthur-City line). I have noticed recently six boys from your school on my morning train, whose behaviour is worth commending to you. I am impressed that these teenage boys can sit quietly & respectfully, not disturbing the peak time commuters. They do not swear or carry on. They are credit to themselves, their parents & their school. 'Keep up the great standard of behaviour, boys!'*

Results from the Tell Them from Me Survey

From a healthy sample of our students (n=766), there were some heartening positives in student perceptions of their educational experience at High. Positive behaviours and a sense of belonging were both up 2% to 98% and 86%,

respectively. Having high expectations for success was marginally higher at 8.4 (up from 7.9). Self-reporting a growth orientation improved by 6% to 76%. Perseverance rated at 92% with school pride at 82%. In classrooms well organised instruction improved to 7.2 (from 6.4) as did a positive learning climate 7.0 (up from 5.6). In the wellbeing area, 91% of students affirmed that they knew where to get help if they were being bullied. We are still messaging students to be upstanders and not bystanders when they encounter any incidents of bullying or attempted intimidation. Students feeling that they had someone to be an advocate for them improved from 6.0 to 7. We are working on getting students to feel confident about approaching teaching or non-teaching staff for help when they are not ok. Our advice is to reach out to peers, teachers, or our school counsellors if you are not feeling OK. Everyone learns better and operates more effectively when they feel safe. It our collective responsibility to make this a feeling for everyone.

Annual Tax Time Appeal

More and more Australians are thinking about philanthropy, about giving something back to society to help others. Universities and schools are benefitting more than ever before from this growing social conscience. High is a state school trying to provide all the opportunities of an independent school. We succeed because of the goodwill and financial support of our staff, our parents and our alumni. This year at tax time, please make a donation to a SBHS project – preferably to the **Sydney High School Foundation Building Fund**. Our priority project this year is **The Governors Centre – Finishing Touches**. There are still seats left in the **Grab A Seat Campaign**. Buy a theatre seat in the new theatre to commemorate your son's time at High. To make a donation and secure your seat go to: <https://shsfoundation.org.au>

If you would prefer to give to the next project, the **Demountable Science Laboratory**, which is in progress after a grant of \$200k matched by the school, we need \$50k to complete the project and integrate the building with Killip Wing. Make your donation to **Sydney Boys High School Building Fund**.

If you would like to support your son's sport directly, you can do so through the Australian Sports Foundation. To fast track a sports donation, go to <http://asf.org.au/projects/>. You will be prompted to select the type of organisation you want. Pick 'clubs and organisations'. You will then be prompted 'type to find a project'. Type in Sydney Boys High School. Scroll down to select from any one of the 18 projects High has on the site.' You will have options to pay by credit card or electronic funds transfer. The account name is *Australian Sports Foundation Donations*. BSB: 032-776 Ac No 1310159. Your Reference will be in the form of DON+ a unique number. **Giving to public causes makes you feel good at tax time, too. Giving has a bi-directional benefit. Please do as I do and support a sport at tax time.**

P & C Meeting Presentation by Consent Labs

Several parents in the Great Hall and 100 parents on zoom, witnessed the *Consent Lab* presentation this week. The presenters ran through the various stages of the workshops that are going to be delivered to our boys in Years 8-12 later in the year. The four modules will be staged, with all students receiving the 'foundation module' to begin with and later years engaging with the other age-appropriate modules. It is our intention to share with parents when these presentations occur so that, particularly for parents who saw the presentation, they can start a conversation with their sons about how they felt about the experience.

DEBATING

All competitions have finished for this term, however, debating coaching continues on the Fridays in Weeks 8 and 9 (11 and 18 June). There will be no coaching on the last day of term.

For your information, the GPS calendar follows. For the GPS competition, junior prep starts at 5.30pm and debates at 6.30pm. Seniors prep at 6.30pm and debate at 7.30pm.

Parents are welcome to watch the GPS debates but there are no suppers provided this season and there is a limit of TWO supporters per student.

Thanks to Shauna Wolifson for hosting the Debating Supports Group meeting on Monday night. It was great to see some new parents there. If you would like to be involved, please email Mrs Rigby at RigbyM@sbhs.nsw.edu.au.

PARENT TEACHER INTERVIEWS

Years 7 and 11 will take place on

Monday 21 June 2021

3.00pm – 7.00pm

Years 8 and 10 will take place on

Tuesday 20 July 2021

3.00pm – 7.00pm

Booking interviews with your son's teachers

We use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows:

- By **6pm Friday 11 June**, all parents of boys in **Years 7 and 11** will be sent details of the scheduling system and a unique code to be entered via email (N.B. Parents of boys in Years 8 and 10 will receive their codes via email at the very start of Term 3).
- This scheduling email will be sent to the address currently held by the school. If you have not received this email by the morning of Tuesday 15 June or if your email address has changed from what had been previously advised to the school, you should notify the school at office@sbhs.nsw.edu.au. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview (if you hover over a teacher's name, the subject involved will be shown). At the same time, you can indicate your availability between 3:00 pm and 7:00 pm. You should provide this information **by 6pm on Thursday 17 June**.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to **download and print from 6pm on Friday 18 June**.
- Periods will be shortened on the days of the interviews. Boys from all years will be dismissed from class at 2:35pm each day. The light rail will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these services.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date or communication by telephone arranged.

Similar arrangements will be in place for **Years 8 and 10 interviews on Tuesday 20 July**.

Mr J Kay
Deputy Principal

Sydney Boys High School

Sydney Girls High School

The 2021 Judy Cassab Art Prize

Students presently enrolled at Sydney Girls and Sydney Boys are eligible to enter one drawing or painting for consideration in the
Judy Cassab Art Prize 2021.

Thirty artworks will be short-listed by Visual Arts teachers for final judging, by a guest artist at the *Illuminate Festival* in the Governors Centre on 23 August, 2021.

One prize of two thousand dollars will be awarded to the successful entrant.
Deliver entries to your school's Visual Arts Department, on Monday 9 August.

Conditions:

Only one artwork per entrant
No HSC artworks

Entries are flat works, being paintings or drawings.
Size should not exceed A1

Works should be representations of the theme "*Here and Now*"
The winning work will be exhibited at SBHS for one year and then returned to the student
The shortlist process and judging is final.

Special thanks to Mr Peter Kamphler, son of Judy and former student of SBHS, for making this prize available until 2023.

Salvation Army Red Shield Appeal.

On the last Sunday of May, eighteen of our boys headed out across various parks and venues in our first morning collection of the year. This time we were helping to collect donations for the Salvation Army through their annual "Red Shield Appeal" – a fundraising drive that helps fund local community service programs. It was a very successful day with us being given the opportunity to engage with our local community and discuss with Salvo's volunteers on the critical impact that their services had over the past year within the homeless community at Surry Hills.

Adrian Wong (12M)

(Ms K Ibbott CSC Coordinator)

Boggabilla Cultural Exchange 2021 – Billets Needed

students will also be involved in some out of school activities held with them during school hours. A free ticket to Stadium Australia to see the third and final State of Origin 2021 rugby league football match with your billets during the evening of Wednesday 14th is also offered.

This exchange is a great opportunity for our boys' to experience another culture and for them to experience our culture. We are very fortunate to have this opportunity.

Matt Cotton

In Term 3 Week 1, students from Boggabilla Central School will be coming to Sydney for their annual exchange and we need a number of billets for these students. If anybody would like to be involved with the Boggabilla visit and is able to billet two students please let Mr Cotton know as soon as possible. The dates would be Tuesday 13th and Wednesday 14th of July.

Boys offering billeting for these

Music NOTES

Term 2 & Term 3 Music Performance Program

After Music Camp in Week 9 this term, there will be no music ensemble rehearsals in Week 10 unless the ensemble conductor advises otherwise.

In Term 3, all Ensembles and Private Instrumental Lessons will resume in Week 1 i.e. from Tuesday 13 July. Please make sure students take their instrument(s) home over the holidays - Please do not leave in the Music Storage Room.

Annual Music Camp - UPDATE

*All students **MUST** bring a **Portable Music Stand**. School music stands will NOT be taken (Chamber Choir will not be required to bring music stands)

*Student Meeting Point: Tuesday 15 June, 7.45am at Drivers Avenue between Gates B-E

*Due to Covid, The Tops Conference Centre (camp site) will not be supplying any bedding. Students **MUST BRING** their own linen sheet, pillow, pillow case, sleeping bag - **IT WILL BE COLD**

*All students must bring their own instrument (including case and all other associated items e.g. strings/oil/reeds, amp etc.) Percussionists must bring their sticks/mallets etc.

*Please ensure all personal property are clearly labelled with students name/year/contact details

*Dress Code for all 3 days including the concert - MUFTI

Music Camp Concert

*Thursday 17 June, 6.30pm Great Hall. All are welcome! **GOLD COIN ENTRY**

*Parents/Guardians/Guests will need to scan the NSW Covid Safe Check-In prior to entering the Great Hall

*Hand Sanitizers will be available

*Masks are not mandatory, but parents/guardians are encouraged to wear one

*Please make sure to bring a thick/warm jacket. Doors will be open during the concert for airflow.

Music Camp Notices:

Students will be receiving Music Camp updates/notices via the Music Performance Program (MPP) Canvas page. If they are not enrolled on the MPP canvas page, please email the Music Department: music@sbhs.nsw.edu.au

Parents will be notified of any updates/changes via **SZapp**

Music Camp Details:

Date(s): Tuesday 15 June – Thursday 17 June

Venue: The Tops Conference Centre

Address: 51 Bendena Gardens, Stanwell Tops NSW 2508

Further details can be found on Pages 1 & 2 of the Music Camp Letter.

Parent/Guardian/Student Communication

Parents and Guardians: Please download **SZapp** from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au Please note: Students will also be notified of any music related events during ensemble rehearsals.

Music Storage Room

Students in the Music Performance Program (i.e. music ensembles and/or private instrumental lessons) are only allowed to leave their music instruments in the Music Storage Room. Please ensure students have a clear name tag on their music instrumental case.

Please note: SBHS does not provide instrument insurance and/or cover and will not take responsibility for loss or damage whether on or off school property.

2021 Music Ensemble Schedule

Stan Jones Cup

Well done to Stepan Sytnyk Y11, Jo Kawahashi Y11, Angus Khu Y9 & Isaac Wang Y8 and Head Coach David Deep who represented Sydney Boys High in the Team Tennis Knockout Competition known as the Stan Jones Cup. These boys competed in the Regional stage of the competition over two days at

Illawarra Tennis Courts. The boys put in good performances to advance to the final. Unfortunately, despite some big efforts they went down to Endeavour Sports High School.

15s Report

After losing to Shore in the trial games, the boys were eager for a second chance. As Shore kicked to start, it was clear that their team was fit, fast and hungry for the ball. As we advanced upfield with the ball, they showed no mercy in their tackles and no hesitation in the ruck. Their relentless defence and powerful offense led to an early try. Disappointed with letting a man slip through the defence, the boys rallied together to push back the

opposition. Off the kick, we chased hard, pushed them back with our quick defensive line and put our all into the ruck. Timely support tackles and big hits by Ethan Hybler lead our defence.

On the offensive, our forward pods made big hits and the backs spread the ball wide. Thanks to great forward hit-ups by Daniel Bian and Michael Chen, and great ball movement by Joo-Young Kim, we were able to creep up to their try line. The backs spread the ball with practiced ease and off a great assist by Leon Shen, Godfrey Jiang was able to score a try! A skilful convert by Ethan Hybler flattened the score line. Throughout the half we continued to display a relentless and fast paced offense. This led to powerful try by Michael Chen, our top try scorer for the season so far. As the second half came along, we kept up the momentum.

However, Shore's stamina outlasted ours. Gaps in our defensive line and hesitation in the ruck led to more try's by Shore. Overall, I am proud of the effort and skill showed in the first half. Over the week, we will work on our fitness and ruck speed as we eagerly prepare for the Armidale exchange in two weeks!

Aidan Wong (9M)

SBHS FOOTBALL RECAP GPS ROUND 3 vs SHORE

Saturday 5 June

Last weekend was the final GPS round for this term. Some very competitive fixtures saw a range of draws, close games and some great wins. Well done to the 15s age group for going undefeated across all teams. Other performances included a fantastic win in 4th Grade thanks to a last minute winner from Roshan Hossain (12F), 5 goals from Clinton Chau (8F) in the 14E's and a hat-trick for Abraham Joseph (9S) in the 15E's.

A disappointing result in 1st Grade, especially considering they were 1-0 up and in control of the game thanks to a great finish from Thomas Brcic (12F).

Thank you to all parents, players and staff for their hard work this term attending and supporting at all fixtures.

Mr S Higgins

E-Cigarettes

What you need to know as parents.

If you, or a parent you know, is concerned about the risks of electronic cigarette use in teenagers, the following information provides you with the facts.

WHAT ARE E-CIGARETTES?

Also known as cuvies, stigs and vapes an e-cigarette is in simple terms a device that heats a flavoured liquid (popular flavours include; strawberry, watermelon, peach and creme brulee) to an aerosol which can be inhaled. The device can be disposable (often allowing for up to 600 inhalations) or it can be reusable by refilling the device with e-liquid or a pod (containing e-liquid). Recent data shows an increase in use of e-cigarettes over the past three years, with one in five students aged 16–17, trying e-cigarettes.

HOW DO THEY WORK?

E-cigarettes produce an aerosol by using a battery to heat a liquid. This liquid is sometimes called “e-juice,” “e-liquid,” “vape juice,” or “vape liquid.” The liquid used in e-cigarettes is made up of flavours, chemicals and often contains nicotine.

Users inhale e-cigarette aerosol into their lungs. Bystanders can also breathe in this aerosol when the user exhales it into the air.

WHAT DO THEY LOOK LIKE?

E-cigarettes come in a variety of shapes and sizes. They can be as small as a USB and even look like one, they can also look like pens, highlighters or cigarettes.

WHY ARE THEY UNSAFE/RISKY/DANGEROUS?

E-cigarette liquid is made up of different chemicals. These chemicals can include:

- Nicotine (although illegal without a prescription in Australia, many disposable devices that youth are using contain nicotine.)
- Flavorings such as diacetyl, a chemical linked to a serious lung disease
- Volatile organic compounds
- Cancer-causing chemicals
- Heavy metals such as nickel, tin, and lead

Studies have also shown that kids who use e-cigarettes are more likely than their peers to go on to smoke cigarettes.

Effects of nicotine on youth:

- Nicotine can harm the developing teenage brain.¹ The brain keeps developing until about age 25.
- Using nicotine as a teenager can harm the parts of the brain that control attention, learning, mood, and impulse control.¹
- Each time a new memory is created or a new skill is learned, stronger connections – or synapses – are built between brain cells. Young people’s brains build synapses faster than adult brains. Nicotine changes the way these synapses are formed.
- Using nicotine as a teenager may also increase risk for future addiction to other drugs.¹

WHAT CAN I DO AS A PARENT?

The KEY is talking about e-cigarettes with your child, preparing yourself with the facts and role modelling with a smoke and e-cigarette free environment. KEY considerations for talking about e-cigarettes:

K: Know the facts or where to find them from a reputable source

E: Engage on the topic in a relaxed and easy way. Use the cues around you, a note home from the school, a person using a device, a story on the news as the way into the conversation and the way to keep talking about it ongoing.

Y: You know your child, communicate with them in ways that work for you and allow you to provide them with the right information to make healthy decisions.

Important note – if you are concerned that your child may be experiencing nicotine withdrawal please speak to your pediatrician or doctor.

For advice on existing evidence based methods to quit call the Quitline on 13 7848 or find online support here: www.cancercouncil.com.au/cancer-prevention/smoking/quitting-smoking/

More information on e-cigarettes can be found here:

Sydney Boys High School

Cooler Classrooms Program

Update for parents and guardians

May 2021

Investing in our schools

The Cooler Classrooms Program is a \$500 million, five-year investment by the NSW Government to improve learning environments in public schools across NSW.

We are committed to delivering a quality, sustainable and cost effective program to ensure our students enjoy the healthy and comfortable learning environments.

Scope of works

At your school, the program will deliver:

- Air conditioning and fresh air ventilation in 38 classroom spaces
- Remove unflued Gas heaters in 36 Classroom spaces

Progress summary

An air conditioning, heating and fresh air ventilation solution has been designed to meet the scope of works. Surelinc Services Pty Ltd has been awarded the installation contract.

Installation works to begin

Installation works will begin May 31, 2021

Work will take place between 6am and 6pm Monday - Friday, and 7:30am and 3:00pm Saturdays.

It is estimated construction works may take up to 22 weeks. An installation plan has been developed to minimise disruption of construction works on school operations.

We will continue to work with the contractor, Surelinc Services Pty Ltd, to ensure any disruption to our neighbours is kept to a minimum.

If you have any questions about this project please contact us on the details below.
