From the Principal

High Talent

Congratulations to Nigel Zhang (Year 10) on his performance in gaining 2nd place in the NSW Weightlifting Championships, U17 Division. As a 15 year old competitor it was a great effort by him. Congratulations to our MUNA team (Ashish Nagesh and William Sexton) who were runners up

Student Leave of Absence

Parents are reminded that DEC policy is that students ought not to be granted leave of absence during term time unless for sporting or co-curricular representation. Urgent family circumstances are considered also. Families are asked not to plan family holidays during the school term. For any extended 'Leave of Absence', parents must download the appropriate form from the parent portal, fill in the details and submit the form digitally or otherwise, at least four weeks before the commencement date of the leave. It is my intention to enforce the policy more strictly in term 3. Automatic approval of leave of absence applications can no longer be expected. Students who take leave anyway, without approval of the Principal, will have their student attendance record noted as 'unexplained absence'.

Reports update

Year 12 students should all have their reports. Any reports uncollected as of Friday, May 22, will be held. I will proceed to take boys out of class from Monday, May 25 and then contact their

parents about any outstanding items on their Clearance Forms. Year 9 boys have been issued their reports. Any uncollected reports as of Friday, May 29 will be held. I will proceed to take boys out of class as from Monday, June 1 and then contact their parents about any items on their Clearance Forms.

Co-curricular activities – season, semester or term payments

Parents have been invoiced for activities undertaken by their sons in term 1. These co-payments should be made promptly so that the minimum number of *Clearance Forms* needs to be issued prior to the half-yearly reporting cycle. The DEC has imposed the 17.8% on-costs charge to all billable codes. This has the effect of adding nearly 18% to the costs of every coach employed by the School. We always try to keep our co-payments down to the bare minimum to cover the costs of coaching but this impost by DEC will have made the cost of delivering sport significantly higher. Some co-payments, such as for football, have been increased substantially in order for us to deliver quality coaching at all levels of sports participation.

Families are reminded that the **Sports Levy** is fully allocated to the payment of MICs to administer sport. The levy raises c \$90,000 but the cost to the school budget to provide supervision, duty of care, first aid support, administrative monitoring, results gathering and publicising, and organising teams and venues, is \$168,000 and growing. Co-payments are levied **solely** to meet the cost of coaching for your boys.

SRC Interschool Conference

The SBHS SRC headed up by Arthur Chao, organised and staged a successful interschool SRC Conference this week. The SRCs from several high schools gathered to exchange ideas about how to be effective leaders. They listened to a keynote speaker and had round table break out discussions with representatives from each school sharing ideas. The objectives of the day appeared to be achieved as evidenced by the positive feedback of participants.

Community Services Committee

The SHS Community Services Committee executive has led a reorganisation of the popular co-curricular group. It has reworked its Constitution and established a calendar of events. The Award Scheme points system for participation has been tightened up to improve the equity of time spent in activities across the range of co-curricular activities. The capping of points to 5 per term for an afternoon's community service each week seems fair. The CSC would welcome more engagement in its outreach programs, especially in *Kirra Kids*, by students in the Junior School. Helping others is not just for Senior School boys.

From the Canteen

We realise our canteen volunteers are priceless and we could not possibly afford to pay them all. However to show our appreciation for their help, we offer 3 x \$10 canteen vouchers to a volunteer each month. When you attend on your rostered day,

don't forget to sign the duty book and you will be included in the draw for the voucher. Remember if you can't make your shift, just call a fellow parent on the roster and arrange a swap.

Congratulations to the following volunteers for March and April:-

Congratulations

March: Sarah Wang, Jenny Beer, Kitty Chan,

April: Jenny Chiu, Pit Trent, Kim Ngan Do

Your sons have all won \$10 to spend in the canteen.

Thank you to our volunteers last week:-

MON: Olivia Li, Wendy Yao, Binita Gosh, Olivia Yinzhu

TUES: Farrah Chew, June Wang, Tina Zeng,

WED: Kunyi Ye, Hong P Nguyen

THUR: Rita Wu, Penny Chan, Jian Ping Li,

FRI: Lien Tran, Jenny Beer, Edwina Hemingham,

Debating

I am looking forward to seeing many of you on Friday 22nd May at Newington for the Friday Evening Debating Competition Grand Final. I think it would be fantastic for as many debaters as possible to be there to support our teams. Topic distribution will be at 6.30pm in the Prescott Hall. Debates will be in N Block and parking is at the front gates which are on Stanmore Road. ALL the debates will start at 7.30pm.

Our very strong representation in this final is a credit to the depth of the debating program at High and it just goes to show that even boys who don't make teams have got talent which is continued to be nurtured by our amazing coaches. A huge thanks to our wonderful coaches at High.

Rachel Powell
Debating MIC

Last Friday was an exciting day for debating with 4 of our teams (9-12) making it to Semi-finals at Sydney Girls High School. Unfortunately, only our Year 12 team made it through to the Finals next Friday. To the boys who didn't make it to the finals; don't get disheartened. Last year my team made it to the Semis and lost to SCEGGs, so I can understand how you feel. Just remember that making it this far is truly an accomplishment, considering the high quality of talented teams in the competition, and often debating particularly

challenging topics. The most important thing is to have enjoyed the experience of the competition and debating in the Semis, hopefully polishing your debating techniques for an even more successful GPS season. To all the boys who have debated in both Eastside and FED, you have done the school proud, and I hope you continue to grow and develop into accomplished debaters.

This Friday, we have the Year 7, Year 10 and the Senior B teams through to the finals. I wish you the best of luck and look forward to hearing about some wins. This is an amazing achievement for High because we have more teams in the final than any other school, but we fielded as many debaters as we could through the competition unlike the other schools who had set teams throughout. This Friday, remember to enjoy yourselves and give it 100%. If you do that regardless of the way the result goes, you have every right to be proud and pleased with yourselves.

Onto the debating tip of the week; humour. Humour in speeches is great, it lightens the mood and makes the speech enjoyable for both the audience and the adjudicator. It also makes it more comfortable to deliver your speech and fun when you hear a few laughs. But often a lot of debaters try extremely hard to have a bit of humour in their speech to the detriment of their matter. While humour can be great, the focus of debating is more on the matter you present, rather than your manner or how funny you are. It is never a good idea to have humour for the sake of humour, as it wastes precious time and can detract from what you are trying to say. Having said that, there are a few tips to make your speech more entertaining. Your introduction is one of the easiest ways to capture the interest of your audience and bring them to your side early on in your speech. Often it's a good idea to find a particularly compromising aspect of the opposition's case or a few contradictions in the previous speakers' arguments, and present it in an amusing way. This is often useful against particularly strong speakers, as it can reduce the impact of their speech. Finding contradictions or flimsy arguments and presenting it in a comical manner is the easiest way to lighten your speech. But ensure you are not forcing that humour into your speech or being rude to your opposition. You don't want to come off as forced and arrogant. Having said that, a little light-hearted jest can make the debate enjoyable for all.

MIC of Football Report

Last Saturday saw our first hit out for the season against Shore. I just want to say a huge thank you to all the coaches, staff, referees, students and parents for making my life easy by turning up on time, wearing the correct uniform and playing with a lot of intent. Already I am seeing huge improvements compared to this time last year. I hope we can continue this trend.

Shore is a good match up against us as usually we are both on a level playing field. The results and score lines may not resemble this but I was very impressed by the skill level and ability of all our age groups. Our 1st XI played well with our coach, Jason Conroy, continually rotating his players and giving them all a fair chance to justify their spot in the team. Liam Jepson was outstanding saving many one on one shots. The 2nd XI started very strongly dominating the majority of the match. As is the case with soccer though, if you cannot convert you will usually see the other team counter-attack and score against the run of play. When our boys get some more match fitness they will be able to eradicate these basic errors.

The U16s age group had a very successful day. Our 16As were leading and dominating for the majority of the match, but unfortunately Shore managed to score a goal in the dying seconds to equalise the match. This was also the same the case for the 15As, but this time the roles were reversed. Again a match where we had the majority of possession but were unable to capitalise, Shore took the lead. Nathan Labrakis then stepped up under pressure and smashed a left footer into the top corner to finish 1-1. The U15s age group also had a successful weekend. The U14s age group may not have been as successful but they should be proud of how much they have improved. Special mention must be made of the 14Es who won their very first match since arriving at the school. Last season they were strongly defeated in most matches so to come away with a win was very exciting for the boys. Hopefully they can notch up a win during the GPS season.

The U13s played their first match for the school and they all turned up very eager to run onto the pitch. Again they too should be pleased with their performance showing a lot of potential. With more hard work and determination to improve they will be a very good Year group coming through for the future.

With the numbers in football being very high, creating an overflow of players we have now decided that we will have an U15Fs, U14Fs, and an U13Fs team to accommodate all the students who want to play. I am very excited by this as it creates more depth and more boys being able to play their choice of sport.

This Saturday we have another trial match against Grammar. They have improved their program enormously and will be very tough competition. If we go out with a positive frame of mind who knows what we can achieve?

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighFootball>

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS tack suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Team Of the Week

14As

Defeated St.Pius 24-0 (John You 4 tries, Francis Nguyen 2 goals)

The match turned out to be a torrid start to the rugby season with many of the players arriving straight from Athletics and given one session to adjust. So, understandably the early exchanges were dominated by lost ball, poor options and injuries to key players as the lack of match practice started to show. However, we were very patient and defended well before a slashing run from breakaway John You resulted in the first five pointer of the season.

Towards halftime with William Choi, Marcus Borscz and Adam Steele beginning to dominate the breakdown and win some quality ball the little dynamo John You went over to score a second try. After the break half Matty Ng and fly-half Vasco Santos-Dwyer took advantage of clean ruck ball to create open space for Marcel Chew to burst clear before passing back to John You for his third. With the score at 17-0 our coach Cheyne Whitelaw demanded that we 'keep the slate clean' and not allow a St. Pius try. We stood firm and repelled many attacking raids with last ditch tackles from Tim Trent and J K Somander saving the day more than once.

John You scored his fourth with 5 minutes remaining.

Photo shows Sydney Boys bravely running the ball from within their own 22m...

14Bs

Defeated Newington 58-0 (Noah Casaclang 3, Stephen Li 3, Zewei Liao 3, Anderson Chan 1 tries. Oliver Xu 4 goals)

The 14Bs had prepared well for this match and credit goes to captain Ashley Ow for creating a very positive 'esprit de corp' in this squad during the offseason. The intensity of the early exchanges took Newington by surprise and High had scored 5 quick tries before the opposition knew what was happening. Zewei, Noah and Stephen were running with a lot of purpose and the service from Ashley and Oliver Xu was paying dividends. The halftime score of 29-0 indicated the level of dominance.

After the break, Eddie Qi – playing his best ever match – found himself in space before offloading for Anderson Chan to score his first ever try in his debut match for the school, halfback Ashley Ow created another with a blindside snipe and possession flowed with Oscar Chen totally dominating the ruck. A further 4 tries followed in what turned out to be an excellent start to the season.
