

## From the Principal High Talent

Congratulations to James Siu (9M) on his selection in the Australian Junior and Cadet Fencing team to compete in the Commonwealth Championships in South Africa later this month. Our SBHS Epee A team (John Tian, Lut Ming Chan, David Huang, Arthur Chao) earned the silver medal at the National Schools Fencing Championships last weekend in Brisbane. The SBHS Sabre team (Garry Huang, Chi Mao, Chen Yu Wang, Simon Nguyen) went one better to win gold convincingly over Brisbane Grammar School to make it back-to-back national sabre titles for High. Congratulations to all the boys for their skill and team spirit and to MIC Dat Huynh for his organisation and team management. Well done to the 14A and 15A rugby teams who had narrow but convincing wins against TAS A teams last Saturday. A great result from the Trinity Invitational – a GPS Carnival - our U16s cross country team of Luke & Jayden Schofield, Nicholas Katsilis and Eric Holstrom broke the record by over one minute in their team run. Terrific effort boys! At the Regional Cross Country championships High was very successful: Ehode Ikko Arimimoto placed 2nd in the U12, Eric Holmstrom 2nd Nicholas Katsillis 3rd and in the U15, Luke Schofield placed 1st and Jayden Schofield placed 2nd in the U16. Great achievements, boys!

## High Spirit

You know you have moved someone when they write to your Principal as a visitor to our country, praising your impressive charitable actions. So it was with Mr Walter King, a US citizen, who took time out at the airport en route to Chicago to write to me about the kindness to strangers shown by a boy unknown to him but known to us - Adam Gordon (7T). He praised Adam for

"kindly talking to a homeless man while parting with the remains of his lunch box....or sharing a piece of cake he had purchased...helping people with suitcases...The main thing I can't quantify was not pity but equality and I wish I could capture this moment. It was truly his demeanour and humanity with incredible kindness..." Congratulations to Adam for his selfless and caring attitude. He brings credit to his school.

## Etiquette on trains

# *Etiquette*

Students and parents are reminded that while standing on trains so that adults may sit is appropriate behaviour, it is not acceptable for students' bags and equipment to block passenger access to or egress from train carriages or compartments. Please be aware when fellow commuters are being negatively affected by your actions and respond accordingly. It is gratifying to note how few complaints we receive in comparison to the number of journeys made each day by High boys.

## End of Financial Year Opportunity

All the High Family will have received communication from Chris Brown, our Development Director, explaining our Governors Centre joint project with Sydney Girls High. This multipurpose building will represent the sort of generational advance in High's facilities that happened in the 1930s at McKay, the 1950s with the Fairland Pavilion, the 1980s with the Outterside Centre and the 1990s with the UTS Gym development and the McDonald Wing additional floor. Since 2000 we have developed a second library and greatly expanded on site facilities with the COLA for cricket and the Great Hall Kitchen for functions and the refurbished tennis courts.

The development of all these highly utilised properties was made possible solely by the willingness of generations of parents, Old Boys, staff and friends of High to commit to the vision of High's pursuit of excellence in a wide range of endeavours.

I urge readers of High Notes to support our campaign and give generously before June 30 to our tax deductible programs: the Sydney High School Building Fund, the sport of your choice through Australian Sports Foundation online giving or to our Phil Day Memorial Scholarship Fund to help one of our students each year. It's as easy as two clicks on our website.

## PARENT TEACHER INTERVIEWS

Years 8 and 10 will take place on

Tuesday 23 June 2015

3.00pm – 7.00pm

### Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Tuesday 16 June all parents of boys in Years 8 and 10 were sent by email details of the scheduling system and a unique code to be entered at [www.edval.com.au/book](http://www.edval.com.au/book).
- This email was sent to the address currently held by the school. If you have not received this email you should notify the school at [ptnight@sbhs.nsw.edu.au](mailto:ptnight@sbhs.nsw.edu.au) advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to download and print from two days before the interviews.
- Periods will be shortened on the day of the interviews. Boys from all Years will be dismissed from class at 2:40pm on that day. School special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

Deputy Principals

## High Wins the Harris-Hannon Cup 2015 in Armidale for the first time

On Friday 12 June, 195 students, eight staff and four coaches travelled up to Armidale for the annual sporting exchange with The Armidale School (TAS). This year's trip was the most successful trip in recent times with High bringing home the Cup for the first time since its inception in 2012. Originally it was a rugby exchange only; now the trip includes tennis, basketball, rifle shooting and football as part of the program. The Cup acknowledges the dedication over an extended period of time to both schools of Mr Hannon from SBHS and Mr Harris from TAS. In 2015, High was successful in winning the cup with an overall points score of 9 wins to 6.

The weekend's sporting fixture kicked off on Friday night with our junior tennis team taking to the court. We couldn't have asked for a better start to the exchange with High winning the juniors 3.5 to 2.5. However the senior players struggled in the wet and windy conditions and their limited training over the winter season also impacted on their performance. The end result was a 3-all draw. Thank you to Mr Paul Wright for organising and overseeing the teams on Friday night.

In the TAS gymnasium, the junior basketball team showed off their sublime talent with a convincing 59-21 win. Year nine student Oscar Dumas produced a standout performance notching up a triple-double! It was great to see the depth in the school basketball program, particularly with the combinations working from the CHS 15s knockout team. The senior team failed to find momentum in their opening three quarters as the side was made up of 1st-4th grade basketball players. In a neck and neck contest High eventually put some successful plays together in the last quarter, piling on a number of points to win 51 to 36. A big thank you to Mr Sam Higgins and Mr Samson Lou for coaching the teams.

Saturday sport started early with the rifle shooters setting off at 8.00 am. With a balance between experienced and new younger rifle shooters, High won the shoot by 17 points overall. Considering how close both teams have been over a number of years this leaves High full of confidence heading into the AAGPS shoot early in Term 3. A big thank you to Mr Daniel Comben, Mr Brendan Leo and Mrs Cathy Meaney for their considerable efforts with organising the day.

Due to AAGPS commitments, High has not taken its top football teams to TAS since 2012. However, with a gap in the fixtures for the matches against Newington College over the weekend in Sydney, High took its 3rd XI football team to play against TAS 2nd XI. The winter conditions made it difficult for our boys to play their normal style, however they managed to lead for the majority of the match. Unfortunately for our boys TAS were able to strike late in the game to finish with a 2 all draw. Thank you to Mr Sam Higgins for coaching the boys.

The focus of Saturday was for our rugby teams to show just how much they have improved over recent years. With the majority of players making the trip up to Armidale, confidence was high heading into the matches. Despite Armidale winning the majority of matches, the contests were mostly competitive and the score lines closer than in previous years with a number of significant wins in the junior teams. A great effort and improvement from our boys.

The official rugby results were:

13B – win 15-5, 13A – Win7-0, 14B Loss 19-22, 14A Win 22 – 12, 15B – Loss 36-46, 15A Win 12-10, 16B – Loss 5-30, 16A – Loss 5-50, 2nd XV – Loss 5-70 and 1st XV loss 10 – 36.

Thank you to Mr Matthew Cotton, Mr George Barris, Mr Con Barris, Mr Dean Taylor, Mr Andrew Walters, Mr Samson Lou, Mr David Knox and Mr Sam Gribble who made the trip up to Armidale and helped out with coaching and supervising all weekend.

Before the 1st XV match, the crowd was treated to the 4 x 100m athletics relays running end to end of the main rugby oval with a gauntlet of boys from both schools, cheering the boys on. High ended up winning the 13s, 14s and 15s year's relays with the 16s years being called a draw as both runners tripped in the last stages.

Lastly, a big thank you to all the Armidale staff, coaches and parents for their hospitality and smooth operation of events over the weekend.

## GPS Cross Country

Brilliant results were achieved in last week's Invitational Trinity carnival, where the U16's team of Luke Schofield, Jayden Schofield, Nicholas Katsillis & Eric Holmstrom BLITZED the record for the fastest time. The record of 35: 58 minutes was held by Scots College until we took an incredible one minute and 15 seconds off the record, with a finishing time of 34: 43 minutes. Congratulations to all boys for a gritty performance and an enjoyable day.

### MIC of Football Report

Coming into this fixture we knew we were coming up against the number one Football program in GPS. They invest a lot of time, money and coaches to create a strong program. Last Saturday it was very evident how good they are. All the way down from the 1st XI to the 13Fs they were extremely strong. This can be a very daunting task for boys with a lesser ability, but what we can take out of it is the importance of showing commitment, determination and passion to play for our school. Never give up and play hard until the final whistle is blown. The 1st XI showed that with hard work on and off the field we can be competitive when we reach the top rank team. It was a tight contest for the majority of the match, but a couple of mishaps allowed for two easy goals to give Newington the win. Our team is coming along well and the boys believe they can be competitive against any team in the GPS.

The team of the week must go to the 15Es. I thought I would include an email sent to me by their coach Alvar Belsa expressing how proud he was of his boys:

Chris Lee defending for the 1st XI

Hi Mr Tes,

Just wanted to let you know how happy and proud I am of 15 E team. First of all, the sixteen players turned up and most of them on time (this is the way should be but comparing with the other teams is a huge difference). By far, they had the best attitude of the 3 games that I coached on Saturday. They ended up winning the game 2 – 1 with a last minute goal. If you have the opportunity, congratulate them, they deserve it.

Thanks, Alvar

It's moments like these why we do our job and the joy we get from it. Let's build from this and be a strong force in GPS Football.

Our 3rd XI team went up to Armidale to play against their 1st XI team. Well done on the boys for playing a hard fought match that ended up in a draw. Congratulations to Matthew O'Sullivan who is from the 15As and stepped up to play in the match and scoring both goals for the team.

With private schools going on holidays there are no more fixtures for the remainder of Term 2. We will go straight into training in the first week of Term 3. That first Saturday back will be the final trial match and then we play seven weeks straight for the GPS competition.

Over the holiday break we will be conducting a football camp for all players in all age groups. Please see below for further details.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighFootball>

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS track suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

# RIFLE SHOOTING

On 12 June the Sydney High School Rifle Club headed up to Armidale for the annual shoot for the tank shell, a prestigious shoot that is held between Sydney High, The Armidale School and New England Girls School. The team members who attended were Timothy Tran (12), Jack Zhou (12), Evan Han (12), Keller Huang (12), Gorden Huang (12), Desmond Chiang (12), John Huang (11), Ciaran Farrell (11), James Jiang (10), Wentao Ruan (10), Daniel Tian (10), Stanley Xu (8), Hugh Zhou (9), and Robert Hoang (9). On the Friday morning the team met up excited and braced for the 10 hour trip to Armidale. Arriving at Armidale, the team grabbed a bite to eat and unpacked for bed, eager for the shoot early the next morning.

The next morning the team was awake and brimming with confidence that they would be taking the shell for the 3rd year in a row. The match consisted of a deliberate 20 shot match and an 8 shot snap making the total score out of 280 with the top 8 scores from the deliberate and snap forming the team score out of 2240. A snap shoot consists of a target being exposed 9 times for 5 seconds to aim and shoot and 5 seconds to reload, the deliberate consists of 25 shots 5 for sighting then 20 shots split evenly across 4 targets. The competition with TAS was very close with Sydney High and TAS tying with only two shooters left. In the end Sydney High came out on top with a score of 1994 out of 2240 with TAS close behind with a score of 1977 out of 2240 with NEGS unfortunately not having enough shooters to compete, however their continued involvement in the competition is very much appreciated. At the end of the day Wentao Ruan was King of the Range with a deliberate score of 186 and a snap score of 71, a total score of 257 out of 280. Other mentionable scores came from John Huang with a score of 185 in deliberate and 70 in snap for a total of 255 out of 280. The trip acted as a training for the fullbore team as they head towards the GPS shoot, and for the new shooters, an experience for them to enjoy and gain new knowledge.

After the shoot the team joined the rest of the school to cheer on the rugby teams. The team finally came back to the room and relaxed, knowing that they have defended the tank shell for the 3rd year in a row. The team is confident as we close in on the GPS shoot, where all our training will be defined.

## Fencing Report

On 13 June, High fencing once again travelled to Brisbane for the annual National School Teams Fencing Championships. The competition began on the morning of 14 June.

The two mens' epee teams fought hard to better last year's success, with SBHS Epee A (John Tian, Lut Ming Chan, David Huang, Arthur Chao) achieving convincing wins to place second with silver, defeating our arch-nemesis Brisbane Grammar School to avenge last season's loss. Despite the undying resolve of SBHS Epee B (Peter Lin, James Ye, Kentaro Takahata), they unfortunately fell just short of third place behind Cavendish Road High, whom they fenced in a tense match against some of Australia's top ranked epeeists. Special mention goes to new member Kentaro Takahata, who had never fenced at a national level but was unfazed. SBHS Epee B was able to put up good fights and placed fourth overall. Credit once again goes to John Tian for anchoring SBHS Epee A in spectacular fashion.

After supporting the epeeists for the last 5 hours, it was the sabreurs' turn to attempt to match last year's golden performance. SBHS Sabre team (Garry Huang, Chi Mao, Chen Yu Wang, Simon Nguyen) began with slight uncertainty, perhaps due to the significance of a National level competition. However, they quickly warmed up to the environment. Reminiscent of last year, the team ultimately faced off against Brisbane Grammar School for the National title. With many impressive displays and the two epee teams cheering them on, their determination produced a stellar performance and they emerged victorious 45-22 to claim gold. With such excellent results, SBHS Sabre A is proud to maintain High's 2nd year possessing the strongest school sabre team in the nation.

Captain and Vice-Captain of Blades

SBHS Sabre team won 1st place with Gold - (Garry Huang, Chi Mao, Chen Yu Wang, Simon Nguyen)

SBHS Epee A team won 2nd place with Silver (John Tian, Lut Ming Chan, David Huang, Arthur Chao)

### Team of the Week 13s XV

The 13Bs were short of players for this game unfortunately as not all of the boys were able to make what is always the most rewarding trip of the year. Luckily the Armidale opposition supported us and agreed that we could both play some 13As players for half a game. Angus, Khalil, Noah, Will, Jarrod, Josh and Dennis played 13Bs as well as backing up later in the day for the 13As, showing great team spirit. With this wealth of A team talent around them the rest of the side played above themselves and they won 20-5. A fantastic result. Arnav and Alex were our men of the match contributing greatly both in defence and attack. 13As followed the 1st grade match and enjoyed a huge number of supporters on the sideline. Khalil scored a 50m try where it seemed he palmed off every player in the opposition twice. We bombed another breakaway try by dropping the ball over the line after the hard work was done which was unfortunate but the boys stayed focussed and kept their structure solid for the remainder of the game. The game was very physical and high quality. Armidale moved the ball very smoothly across their backline and only Will's homing missile defence system saved them scoring. Matthew was the overall outstanding defender for the day with Josh ably assisting, showing great skills on the ball and asking questions of the Armidale defence. Derek came on in the last 10 minutes, much to the delight of the crowd. The final score was 7-0. The players selected Will and Khalil as players of the match.

Jacob Katafono, David Kim, Nigel Zhang and Sam Musgrove

Big congratulations to our CHS representatives, most of whom backed up straight from Armidale, who all represented the school in the combined high schools sides on Sunday. It is a great achievement and experience to be asked to play at this level. We are all very proud and wish you every success.
