

From the Principal High Talent

The NSW State Schools debating squad is a highly talented group of the best debaters in NSW schools. This year Max Koslowski, Thomas Shortridge and Hugh Bartley were selected in the squad. Congratulations, boys! Congratulations to Luke Schofield (2nd) and Jayden Schofield (3rd) who competed so well last week at the All Schools Senior Triathlon at SIRC. Our Junior Team (Lachlan Ho, Jarrod Khaw and Alan Ji) and Intermediate Team (Luke Posumah, Connor Fisher and Allen Guo) competed strongly also. The senior teams event was cancelled due to the extreme weather. Well done, boys! A great swim by the senior relay team who set a new Sydney East record of 1.43.05. Well done to Christian Haddo, Andrew McNaughton, Luke Schofield and Kalem Best!

Head of the River Results

Both Year 10 Vllls rowed into 7th place in their races. The last time this feat was achieved by Year 10 was in 2003 (placed 6th, 2nd and 3rd). In terms of margins, the Year 10 Second VIII was the closest to the winner since 2004. The first Year 10 VIII could not quite match the 2014 crew but rowed the second best margin since 2010. The First IV put in the best margin performance since 2010. The First VIII rowed powerfully to complete the course in 6. 17 .28 – the best margin (6.05%) since the 2005 crew – a fine result. They also beat the target I set for them of 6.18 Thank you to all the coaches who mentored the boys on the day; the staff who accompanied the boys on buses; the parents who supplied food and refreshments; and to the students and Old Boys who cheered on our crews and clapped them back ashore.

The Technology Levy

At High, the annual budget for technology in teaching and learning exceeds \$475,000. To support technology, the Department of Education makes a direct annual grant of

\$53,674. In 2015, parents contributed \$254,085 by way of their contributions to the *Technology Levy*. The wages bill for our three staff members and teacher relief is \$350,000. Consequently, the *Technology Levy* and the DoE don't even cover the recurrent costs of the wages to support our network. Recurring maintenance costs for data projectors, printers, software and consumables is \$30,000. We need to upgrade ageing equipment in Music Room 101 and replace data projectors at the end of their useful life (c. 8 years). We have high priority projects to be implemented at a cost of \$60,000. In order to support our BYOD policy and maximise learning opportunities for your sons, these works need to be done. The budget shortfall is made up from *General Service Contributions* and *Building Fund donations* for refurbishment works.

In the 21st century, there is nothing more important than acquiring sophisticated ICT skills for everybody wanting to find employment in the new economy. We make technology a major priority in our development plans each year. We have pushed for and received 100Mb bandwidth from the DoE. The minimum benchmark set by President Obama's technology think tank 'ConnectED Initiative', was 100Mb per 1000 users but the target should grow to 1Gb per thousand users as learning becomes even more connected. Our enduring motto is 'opportunity for excellence' – we want to deliver that in all aspects of education. If every family paid their Technology Levy in 2016, it would raise \$345,000. It would be really beneficial if as many parents as possible supported our technology in teaching and learning program by paying their levy.

The Rowing Assembly

Special guest, Professor Emeritus John Argue AO (SHS 1950) spoke to the assembly about the importance in his life rowing has played. At 82 he is still a competitive rower even though he did not row at a high level at school. He learnt commitment and endurance through participation in rowing – two valuable dispositions that served him well during a long and distinguished career as a stormwater

engineer. My speech to the assembly is reprinted below:

Mr Argue (SHS 1950), distinguished guests, parents, coaches, staff and Head of the River competitors, it is a privilege to be able to welcome you to this annual occasion celebrating the unique place of rowing in the sporting life of High.

I want to thank Kurt Rich for his efforts for High as MIC rowing, particularly as he had to work around his own competitive rowing commitments on top of learning what had to be done in the MIC role. Thank you again to Beryl Crockford for her oversight of the rowing program as Head Coach and First VIII Coach, thank you to Steve Comminos (SHS 2014) who stepped up to train the First IV. Well done to Alan Low (SHS 2010) for his effort with the Year 10 First VIII. Thank you to Ashley Chan (SHS 2013) and Koren Fang (SHS 2011) who assisted with the Year 10 crews. Ken Ambler returned again this year to coordinate the Year 9 quads. Thank you Ken.

I commend as always the great efforts of the Rowing Committee, particularly President Tracy Whittaker, Tevita Katafano as Vice-President and parking co-ordinator, Frances Liu as Treasurer, Ron Trent as Secretary, Zixiu Gao as camp coordinator and Sharon Wang as camp caterer. Thank you to Michael Schanzer, Sylvia Peng, Pauline Katafano and Andrew Borscz for your help.

Rowing has a long tradition at this school and a culture of devoted service and striving. In 1965 the 'senior eight' had prepared themselves by working with weights at school. The boys went into camp at the beginning of February 1966, at Abbotsford. The resulting atmosphere and morale were described as 'excellent'. There had been a 'rowing appeal' at the end of 1965 and parents raised enough money to buy a new VIII and a set of rowing oars as well as a chase boat.

Dr Eric Longley was the coach of the First VIII. He had rowed for Sydney University and in the Empire Games in 1950 and coached the Australian VIII at the 1958 Commonwealth Games in Cardiff where the crew won a silver medal as did Old Boy Mervyn Woods in the double scull. He worked the boys hard in January and February then gave them a 2-week rest in March to freshen up for the Head of the River. A few weeks out from the race, three members of the First IV were promoted to the First VIII. The 'Colonel Des Duffy' was the new VIII. The crew qualified for the final of the Riverview Gold Cup. Their form was strong going into the last regatta. Regrettably, at the Head of the River, despite their really promising lead up form, the crew misunderstood the coach's tactics and rowed poorly into fifth place.

In 1967, High was kept out of racing by Dr. Longley for psychological reasons – 'boys are more easily discouraged' than men, he thought. He decided to train the crew in isolation but pace it against others. They rowed four mornings and evenings, doing 120 kms each week. They 'raced' 30 times over 2,400m, often in competition against the state VIII at Iron Cove. Their best time was 7m 25s [equivalent to 6m 18.4 over 2000]. The crew rowed strongly into 3rd place behind Kings at the Gold Cup on April, 1. At the Head of the River, pushing into

a stiff headwind, the stroke must have 'caught a crab' 400m from the finish because he was launched out of the boat and the seven remaining oarsmen were left to complete the course in seventh place. Rowing has its intense highs and devastating lows.

I recount the experience of rowing 50 years ago at High to share with you the dedication, exhilaration and disappointment felt by the participants and to emphasise three enduring features of our rowing program. First, rowers must prepare their bodies well in the pre-season. It is as true today as it was then. Second, the relationship between coach and crew is paramount. In the 1966 example boys were dropped at a late stage but the First IV coach, Mr Cheers, gave up three of his best to help the eight succeed and accepted the demoted boys "with the fine spirit for which he is well known" as The Record affirms. Boys were taught to row for the school, not for themselves. Sticking to the coach's game plan is essential. Finally, parental support has always been an integral part of the rowing program. Parents support our boys financially, but also serve as camp supervisors, cooks, chauffeurs, counsellors and psychologists too.

The atmosphere of the shed is generated by the First VIII and their commitment to the cause, their collective desire to do what it takes to maximise their performance, and by their relationship with the coaching staff. This is symbolised by focus, respect, self-discipline and a sense of mutual responsibility. To our boys in the First VIII I set this challenge - connect with our history and set a goal to beat the 1967 crew's time and row 6m18 on Saturday.

To all rowers competing at the Head of the River, and particularly those doing so for the final time, I wish you a crew best performance at the time when it counts most – under extreme pressure. Congratulations to all of our representatives who will row for us and for our long tradition of passion and perseverance in the face of intense competition.

Dr K A Jaggar
Principal

Meet The Prefect-Intern

The American Entrepreneur Jim Rohn once said, 'Our life does not get better by chance. It gets better by change.' This statement, in and of itself, is something which has stuck with me for a very long time. When I was first initiated into High culture in Year 9, after leaving Fort Street High School, I noticed a completely different atmosphere from the get go. Not only were the students, teachers and facilities a lot more accommodating, what I found to be absolutely exclusive and unmatched by any

other public school was the 'High Spirit'. In my mind, it's a sanctuary. A spiritual presence which unites every single boy at High and allows each and every one of us to take a step away from the numbers and letters which so often occupy our thoughts, and helps us contemplate upon the rich culture and community here at Sydney Boys.

In saying all of this, there is no point in simply pondering about its existence, each member of the High family should be looking to further this spirit but nurturing individual talent. This doesn't mean pestering your teacher to get that extra mark in order to get that D to become a HD or training morning and afternoon at that one sport without a clear goal. What boys at High need is a combination of drive and ambition academically and on the sporting field. I believe that we can exceed this title of 'The Scholar Sportsman'. As a community, I urge you all to attend every future Head of the River to show our hardworking rowers your support, jump into the stands at tonight's AAGPS swimming carnival and chant at the top of your lungs for the exceptional athletes in the upcoming AAGPS athletics carnival. Moreover, as the Public Speaking Prefect, I strongly encourage all of you, especially those budding entrepreneurs, businessmen and lawyers, to join public speaking, debating and other extra-curricular activities such as volunteering in our community and discovering your inner musician by joining the school bands. This will provide you with some of the most important transferable skills necessary for when you venture into the real world.

We were born to be real, not to be perfect! So let's keep working on ourselves, individually and collectively in the hope that we become the generation which will bring about the ideal changes in this world, because in the end we're in control.

"Our life does not get better by chance. It gets better by change."

English Extension 1 and 2 in Year 12 2017

Information Evening

The English staff at Sydney High would like to invite parents of Year 11 students to an English information evening on Tuesday 29 March at 6:30 pm in the Drama Studio (Room 204). The focus for the evening will be on providing an overview of the study of English Extension 1 and English Extension 2 in Year 12 2017.

Julie Eggleton
Relieving Head Teacher English

Letters Re Absence/Lateness/ Early Leave

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian. If your son is going to be late for school a note is also required. Alternatively, you may contact the school by phone on 9662

9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date and roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

Leave

If you require leave for your son please, apply in writing and address your application to the Principal, Dr Jaggar, stating the reason and length of time of the leave. Your son must then present this application to Dr Jaggar for permission for the leave. **Please remember to apply before the leave and not after.**

The Principal must approve all leave applications.

Swimming News for Carnival 3 at SOPAC, Carnival 4 at Riverview and Opens Relay at the Regionals.

As the competition intensifies and given the disappointment of our DQ (Opens Relay) the team did well to maintain a positive attitude and perform well at the following carnivals. Well done swimmers.

1st place finish for the following participants.

Carnival 3 at SOPAC

| Event | Student | Time |
|----------------------------------|-----------------------------------------|---------|
| 17 years 100 m freestyle | Kalem Best | 57.30 |
| 12-14 years 200 m IM | James Luo | 2.39.51 |
| 17 years and over 200 m IM | Jayden Schofield | 2.40.27 |
| 12 years 50 m freestyle | Nathan Wang | 32.82 |
| 17 years 50 m freestyle | Kalem Best | 25.84 |
| 18 years 50 m freestyle | Christian Haddo | 25.32 |
| 14 years 50 m breaststroke | William Lee | 34.05 |
| 17 years 50 m breaststroke | Kevin Guo | 32.39 |
| 12 – 14 years 100 m breaststroke | William Lee | 1.16.15 |
| 12 years 50 m butterfly | Nathan Wang | 39.48 |
| 14 years 4 x 50 m medley relay | J Luo, W Lee, D Sae Song, J Xu | 2.15.60 |
| 17 years 17 x 50 m medley relay | L Schofield, I Haddo, K Guo, J Rowlands | 2.02.75 |

Carnival 4 at Riverview

| Event | Student | Time |
|-----------------------------------|--------------------------------|---------|
| 14 years 50 m breaststroke | William Lee | 33.80 |
| 12 years 50 m breaststroke | Xuecheng Liu | 49.12 |
| 14 years 50 m breaststroke | James Luo | 36.32 |
| 12 years 50 m butterfly | Nathan Wang | 38.66 |
| 14 years 50 m butterfly | William Lee | 29.97 |
| 14 years 4 x 50 m freestyle relay | J Luo, W Lee, D Sae Song, J Xu | 1.56.96 |

Congratulations to the Opens 4 x 50 m freestyle relay team of Christian Haddo, Andrew McNaughton, Luke Schofield and Kalem Best for their record at the regional swimming carnival with a time of: 1:43:05.

Congratulations Team.

Junior Cricketer of the Year Award (Includes GPS and Tour matches):

**Players must be from the U13, U14, U15 age group

Points:

- 1 run = 1 point
- 1 wicket = 20 points
- 1 run out = 10 points
- 1 catch = 10 points
- 1 stumping = 20 points

After Round 7:

| Position | Name | Team | Points |
|----------|-------------------|-----------|--------|
| 1 | Gurman Ichhponani | 14A & 14B | 446 |
| 2 | Henry Nguyen | 14B | 414 |
| 3 | Cameron Pereira | 2nd XI | 281 |
| | Mukund Rangarajan | 14A | 281 |
| 5 | Adi Senthil | 14A | 278 |

MIC of Cricket Report

After the final round of the Cricket Season 2015-16 we hosted our annual End of Season Cricket dinner in The Great Hall. We had a fantastic turnout of around 250 people that included students, parents, coaches and staff. Congratulations to the U14As for winning the David Smith

Award (Team of the Season), Gurman Ichhponani winning Junior Cricketer of the Year Award and Tully Moffat taking out the main award, The Chris Kourtesis medal (Senior Player of the Year Award) for his all-round efforts and selection in the combined GPS team.

250 people turned out to a very successful End of Season Cricket Dinner

The season has finally come to an end and I am very proud of everyone's hard work, attitude and most importantly improvement over the season. I would like to thank all the players, coaches and parents for their great support.

Our final round was up against the powerhouse Scots College. The 1st XI were sent in on tough conditions with a pitch being over watered and the ball seaming everywhere. They put up a gallant effort but were unable to capitalise on their start. Congratulations to Riverview for winning the 1st GPS Premiership.

Special mention must be made to the 4th XI. For three quarters of the season they were unable to get over 50 runs as a team. In their final match they managed to post a respectable total of 91 with Raiyan Yousef scoring a personal best of 43.

Both the 15As and 15Bs had a point to prove with the drastic team changes and both teams did not let us down. The boys moved to the B team showed leadership, team work and discipline and went out and won the game for them. The A team fought gallantly and produced a very good team effort.

The U13s had their best all-round performance. Each team have shown significant improvements in such a short time. Well done to Pulkit Balhra who played beautifully for his 43 scoring many boundaries.

Again our U14s capped the season off on a HIGH. The U14Bs were down and out being 8-80. But thanks to

Hirosh Manoharan smashing 19 runs coming in at number 11 helped the team post a respectable 112. They came out determined to get the victory. The boys bowled well but Scots remained in the game. Thanks to a great catch by from Tejas Chaudry fielding at cover turned things around. Vincent Dorahy then came on to bowl and cleaned up the tail order to win their game and have a season record of five wins and three losses.

The U14As played a very mature and well played out match that even the 1st XI would be proud of. Losing their opener and first drop batsman for one and zero we did not start our innings off well. Come in Varun Rana who has shown potential all season but hasn't scored runs; things finally came together for him and played a vital role with his batting partner, Matthew Pellen who carried his bat for the entire innings, posting a 147 run partnership. This completely changed the tide of events and had Scots players, parents and coaches in shock. Our turn to bowl and the boys were in control all the way rattling them for 100 causing another memorable victory and taking their record to five wins, one loss and one wash out. One of the best age group stats the school has had in over 20 years. They boys should be very proud and the coach, Glenn Holdstock should be very proud of bringing the boys to a winning team.

Varun Rana from the U14As raising his bat for his half century against Scots at McKay 2

During last week we had Tully Moffat represent the school in the Combined GPS team for the NSW Schoolboy Championship. The GPS side did extremely well coming in second place only to lose the one game by one wicket against the eventual winners, Combined Catholic Colleges. Tully played in two matches and played an integral role in both taking 2-13 and 3-15. GPS had three players selected for the NSW Cricket Association Schoolboys Team proving GPS cricket is becoming very strong in the schoolboy arena.

Once again I would like to thank everyone for a great season. Enjoy the time off and we will start building for the 2016-17 season.
