

## From the Principal High Talent

Well done to our U15A fencing team – foil.

They earned a bronze medal last Saturday. Congratulations to Roy Wu (10S) and Sanishka

Balasooriya (11E) for their performances in the finals of the Latin and Greek Reading Competition held at the University of Sydney this week.

## Re-cover-e Helps Fix Our Bus

A local upholstery repair business, *Re-cover-e*, run by Robbie and Caroline, has fixed some upholstery problems on one of our school buses. Kevin Eadie reports that the proprietors declined to charge for their service because we are a public school and they wanted to help out. I want to thank them for their generosity and support of public education. If you have a need to upgrade or recover cushions, curtains, lampshades or furniture, I recommend that you try [quotes@re-cover-e.com](mailto:quotes@re-cover-e.com) to see what they can offer. *Re-cover-e* has premises at 363 Cleveland Street.

## New BYOD Charging Station

As another indication of the seriousness with which the school takes integrating technology into learning, the ICT staff has shown initiative in providing a charging station for BYOD devices. We don't want

students charging up their devices during class or by randomly accessing power sources around the school, sometimes dangerously. The charger is situated in McDonald Wing near the McDonald Wing Office and is a self-service machine. Up to 15 devices can be charged simultaneously in a secure environment just by following a few simple instructions based around a personal 4-digit PIN. We hope that students take up this service and ensure their devices are charged during breaks or before or after school. Naturally, we cannot afford to maintain the service, which comes at a considerable cost to the school, unless it is well

utilised. Parents are urged to promote the use of this free service to their sons.

## Tuesday Afternoon Library – Extended Hours

In response to SRC requests, Mr Dowdell has volunteered to supervise an extended study time after school on Tuesdays in the Senior Library. The survey which occasioned this requested service indicated strong demand for access to an after school study space. Nevertheless, in the few afternoons of our trial service, there was a maximum of 14 students on one occasion. The trial is planned to last for another two weeks before a more permanent arrangement is made or the experiment is abandoned due to lack of demand. It is up to parents and students to indicate to us that they value the gesture being offered by the school. The service will terminate after August if student attendance does not improve. As an incentive, one mathematics question per person may be asked of Mr Dowdell for the next two weeks only!

## School Opal Card

As from 1 July, School Student Transport Scheme (SSTS) students have been able to use the Light Rail for travel between their home and their school, so long as they apply to do so and are approved. Apply online to get approved to use Light Rail on your School Opal Card. Use the 'update your details' function. From Monday, 18 July, students have been able to use School Opal Card for Light Rail travel. For updates or new applications, go to [www.transportnsw.info/school-students](http://www.transportnsw.info/school-students). Students 16 years and over must complete and sign the application form themselves. Applications are processed in around three business days. For more detailed information, go to the website or call 131500.

## The Record

Captains of summer and winter sports teams have a responsibility to prepare a short report about the season their team had. A focus on the positives is appreciated and also highlighting any good individual performances. Reports should be submitted electronically to Ms May. One enduring feature about *The Record* is the pleasure gained by Old Boys returning after 30 or 50 years who relive

moments of their teenage years through the photographs, names and summaries preserved in *The Record*. Co-curricular activities need to submit reports also. Supporters with good action photographs are asked to email them as attachments to Ms May who might be able to use any interesting ones in *The Record*.

### Prefect Elections Process

The Executive has considered the list of potential candidates for the Prefect Internship. Students who have been nominated may be vetoed for a number of reasons. An important prerequisite for School Prefect is acceptable academic progress. That means estimated ATAR 90 for students who started in Year 7 (calculated on 12 units) and 86 for those who joined the school later. Strong, ongoing participation in the Student Award Scheme is the next benchmark to be met. We expect Prefects to be role models for participation. By the time the ballot nominations close all students should have earned 70 points this year towards an award. Boys who already have Platinum Awards, have until the closing date of the Award Scheme for the year to complete their 100 points requirement. Nominees can be vetoed for recent acts of misbehaviour at the discretion of the executive or because of attendance and punctuality or school uniform issues. Ms Rigby is the Manager in charge of the process.

#### 2016 SBHS Amateur Chess Competition

83 boys took part in this marathon competition. Seniors and juniors were completely mixed up through the heats. Four junior boys lasted the

knockout right up to the round just before the semis. The event ran over three days using every recess and lunch break. As it was we have had to overrun the event. Nineteen "supporters" literally held their breath with every move as the finals were played last Tuesday between Tony Li and Flidon Wang - both in Year 11. The winner of the SBHS Amateur Chess Competition was Tony Li. Chess Club members who were not allowed to compete very generously volunteered to adjudicate and organise. They gave up a lot of time. It was a very exhilarating event. Richard Ding, our dedicated Junior Library prefect, was essential to the success of the event as he organised and recorded diligently. Thanks to Ms Barr for loaning out her chess club clocks and chess sets. Our boys certainly love to play chess. Thank you to all the competitors; you

were such fun! A really big thanks to the volunteers and the library staff for their much needed assistance.

### SBHS Junior Library and Maker Spaces – Does Your Class Need a Big Space to Spread Out?

Our Junior Library does not get used by senior students during spare periods or for senior classes without teachers so it is ideal for any faculty needing a Maker Space. Furniture can be moved to accommodate special needs. The three

distinct class sized spaces can be booked out if they are needed by any faculty. This year the Junior Library has been utilised for after school debating and for public speaking events much more than it used to be. Drama and Art classes are welcome. Group work is great when you can spread out and use PCs as needed. Please feel very welcome to use our Library. **Noise will not be an issue** if we are booked out completely.

### Text Book Distribution – Have You Considered Using the Junior Library to Distribute and Manage Your Textbooks?

We have managed science textbooks for 15 years. It takes our staff 3-5 minutes to loan out your textbooks and to keep track of them using our computer system. We can loan for short or long periods. Our overdues to boys can include reminders to return textbooks. We return responsibility to faculty head teachers at the beginning of each new year along with a list of boys owing books. Boys can be used to transport their own books up to the library for loaning out. You do not have to carry them. Either the office staff or a staff member from your faculty can be assigned responsibility for opening up your book room for book returning by our office boys. Using our computer system to run your book room should save you money and hassles.

### Bigger and Better Book System – \$5000+ Spent This Year

Our two libraries have just spent a little over \$5000 between them creating our first combined library eBook collection. Both libraries have displays of a small section of our collection of approximately 1300 eBooks. We encourage everyone

to try out eReading on their own devices. It is very easy to borrow an eBook on your personal Oliver. Have a go and ask us for help if you need it. Are our boys secret eBook readers? Keep reading High Notes and find out.

## Bourke Street Buddies

The Bourke Street Buddies is an initiative of the Community Services Committee. It is a fairly simple outreach program which involves going down to the far side of Moore Park West each recess or lunch depending on the day of the week. Two to three Sydney High students go each day and interact with the primary school kids, chatting to them and mostly teaching them to play sport and organising games with them. It is great fun to play with younger kids and extremely fulfilling when you are able to teach them a new game or two.

## Canteen

Welcome back to Tracey and Karen, who had a well-deserved holiday in Western Australia and Northern Territory. In their absence, Irini and Kylie did a fantastic job running the canteen. On behalf of both the canteen managers and committee, a huge thank you to the girls.

We are fortunate to have well-trained staff as well as a wonderful network of parent volunteers. The canteen is therefore able to generate substantial funds each year for valuable school projects.

We would also like to acknowledge the following parent volunteers for their help over the last three weeks:

## Sport Arrangements on Thursday Afternoons

On some occasions (for example Wet Weather), it is not possible to supply a suitable venue for some sport groups (for example the usual playing fields are closed) on sport afternoons. Our long-term practice for Years 10 to 12 groups affected on Wednesdays has been to

release those boys from school at 12:30pm. This arrangement will be extended to Years 7 to 9 groups if it is not possible to supply a suitable venue on Thursday afternoons, commencing on Thursday 18 August. If boys in Years 7 and 8 are released at 12:30pm an SMS will be sent to parents advising them of this arrangement. If parents of boys in Years 7 and 8 would prefer that their son remains at school on these occasions, please send an email to the school office before Thursday 18 August advising us of this request.

# SHS Cross Country

Seeing Double - Schofields lead the way with a double take – 1<sup>st</sup> and 2<sup>nd</sup> for CHS at State Championships!

Congratulations to all our Cross Country runners who competed with determination and guts at the recent State Championships. With a tough training schedule throughout the season, our boys finished very strongly in all age groups. Special mention goes to the Schofield twins, Jayden and Luke, who finished 1<sup>st</sup> and 2<sup>nd</sup>, respectively, and will now head to the National Championships in Canberra next month. This is Luke's third time making it to National Cross Country & Jayden's second. Another exceptional result is from Eric Holmstrom, coming 2<sup>nd</sup> in his CHS age group. We wish the boys good luck at Nationals!

## Parent Volunteers Needed

### Sydney Boys High School Open Day

Thursday 8 September 2016  
9.30am to 12.00pm

Please come and help **the P & C** to welcome prospective parents to the School.

We need volunteer parents to help serve morning tea and chat to visiting parents, answering their questions such as

*“How did your son settle in?”*

*“What sport does your son play?”*

*“Is your son involved in music?”*

It will be an enjoyable morning and all you need to bring is your friendly smile.

Please contact Ms Dora Shapiro  
via email [md171@optusnet.com.au](mailto:md171@optusnet.com.au)  
if you are able to help.

Thank you

## Basketball AGM

The Annual AGM for basketball is next Tuesday, August the 9<sup>th</sup> at 7pm in room 901, upstairs of the gymnasium.

I am writing to urge all parents who have a son participating for Sydney Boys High Basketball to attend the AGM for the SBHS Basketball Committee. I declare all Office Bearer positions vacant and will accept nominations via email to my school address [HaymanB@sbhs.nsw.edu.au](mailto:HaymanB@sbhs.nsw.edu.au)

We will not be able to function without an abundance of parental support. I look forward to meeting you at the meeting!

Enthusiastically yours in Basketball,
