

From the Principal High Talent

Congratulations to Kieran Guan (8R) who placed second in the Australian Short Track Ice Racing Championship (12-14 years' division). Well done to Ricky Pachon (12T) who won the Oceania Championship in Brazilian Jiu-jitsu.

Congratulations to our competitors in the Sydney Olympic U13 Cup Fencing - Kevin Fernando (7T) won gold in the U-13 Epée and Lachlan Ho (8T)

won silver in the U-13 foil. Great work, boys! Our U15 basketball team has qualified for the CHS finals in the Knockout Competition to be contested early next month. Congratulations to: Alexander Bassil (9T), Noah Casalang (9T), Campbell Green (9S), Carl-Joshua Gunther (9T), Steven Li (10T), Julian Markworth Scott (9E), Carter Opperman (10T), Brendan Purdon (9R), Kobe Shannon (10T) and Varun Narayanan (9F). Good luck boys!

Library After Hours Trial Discontinued

After many weeks of providing supervised after hours' library access for boys wishing to study, the program has been discontinued. Thanks to the generosity of Mr Dowdell giving up his time to be the supervisor during the two months' trial, the experiment was cost neutral to the school. I want to thank the SRC boys who followed up on student suggestions, created and administered the survey of students, collated and analysed the results and argued for the proposal at the SBHS School Council. The exercise was not a waste because it confirmed that while people are willing to say that they would like a service provided, they are not making any commitment to use it if it were provided.

External Validation Completed

An external evaluation panel comprising two serving Principals analysed and sought clarification of the evidence supplied in a very well annotated folder. They spent two hours reviewing and discussing the evidence with our team. The Principals agreed that the evidence presented by the School was

consistent with our self-assessment of our performance in each domain – learning, teaching and leading. In addition, they suggested that in several areas we had evidence which would have justified rating ourselves at the highest level even though we did not rate ourselves there. Our school is benchmarking very well against the School Excellence Framework. The two Principals were extremely impressed by the organisation and presentation of the evidence and were lavish in their praise of the work of George Barris, our Head Teacher, Teaching & Learning. George has put a mountain of work into preparing our evidence and liaising with the District Principal who has the responsibility for supporting the validation process. He has shouldered the burden of preparation so that staff can continue the job of teaching with minimal impact from this accountability process. He has had the focus and drive to keep the development of our responses to the School Excellence Framework building during the last twelve months. He made us all look good. My thanks are extended to all staff for their cooperation in making this process so professional and painless. Thank you particularly to Joanna Chan, HT Student Wellbeing, who joined us for the validation interview to provide a broad perspective on how our student support network functions and to extol the virtues of our community service and social justice programs.

We have also distilled our **next steps** down into a few key areas where we see potential for improvement. First among these is to develop a greater collective responsibility for school wide learning. Our development of PEWCC skills, increased use of dispositional teaching methods and visible thinking routines, and broadening of take-up of our literacy continuum, will help deliver this goal in the next couple of years. We will improve the provision of formative feedback across the school. We will also try to engage more closely with our local community as well as with our parents and Old Boys. I am very proud of the work of the staff and students at High and I believe that we can move from good to great in a few areas of our practice in the medium term.

Scholarships Offered at High

SBHS offers only two scholarships/bursaries – the Phillip Day Memorial Scholarship and the Sir Roden and Lady Cutler Foundation Scholarship. All enrolled or enrolling students are eligible to apply for the

Phillip Day Memorial Scholarship. It is a *one-year credit* on the school account for \$1,500. The Selection Criteria covers talented boys in an academic area or a co-curricular endeavour. Good all-rounders qualify as do students with special needs – financial or otherwise. There are many boys in the school who would make good candidates for this award. I urge them to take the trouble to download and complete the application form. The **Sir Roden and Lady Cutler Foundation Inc Scholarship** is a *two-year award* with a *credit at the school account* for \$1,500 for each Year – 11 and 12. Only boys enrolled or enrolling in Year 11 are eligible to apply. The criteria for this scholarship are different. It has an emphasis on a prior record of service to others, to the school and / or the community. Boys with initiative, compassion and leadership skills are invited to apply.

Look for the details on the website www.sydneymboyshigh.com/scholarships. Do not assume that you are not worthy or eligible. Applications close on November 25.

HIGH SAILING

The start of the sailing season for Sydney Boys High School involved sending out six boats from Woollahra Sailing Club for fleet racing; three from last season and three moved from Double Bay Sailing Club last term. The crews were Dallas Yan and Jarrod Khaw, Ben Kernohan and Nicholas Palmer, Kai Huang and Daniel Liang, Alex de Araujo and Tim Zhang, Ethan Tay and Jonah Beer, Kim Nichols and Jack Vorgias. We were expected to be met with light but sailable winds around 7 knots from the NW. However, the

wind shifted to the SW while we were rigging, and as soon as the starting horn sounded, the wind dropped to five knots, resulting in a shortened course. Ben Kernohan and Nick Palmer, with a combined weight of about 80kg, sped ahead of the fleet to a second-place finish. Soon after however, the wind dropped once again to three knots, causing the remaining members of the fleet to time out. Due to the lack of wind, the rest of the races were cancelled as well.

Welcome again to another season of High basketball, and what a start it was. 18 out of our 28 teams

notched up wins against Trinity Grammar, with 11 of them winning by 10 or more points. This is already a promising start for High, and something tells us things will only be going up from here. Everyone keep training HARD, SMART and TOGETHER!

In our firsts team Luke Schroeder was our most productive team player, making some big rebounds and dropping in 21 points. His efforts led the team to a 31-point win! In our seconds, C.J. Gunther was our most productive team player, scoring 17 points. Marvellous effort by the firsts and seconds this week, let's hope we can execute more wins throughout the next couple of weeks!

Congratulations to the 1st and 2nd grade teams in the all schools NSW competition, with both teams coming 3rd overall after an exhaustive holiday schedule. 1st grade played Cranbrook, Knox, and St Josephs for their first three games, winning all three, propelling themselves into the semi-finals. This is already an amazing effort, playing three games and winning them all, although unfortunately losing a close match in the semi-finals. Congratulations for already getting so far in the competition!

The NBL season has just started, and the Sydney Kings are raring to go, with a new head coach in the likes of Andrew Gaze, a legend of the league, as well as former High student Craig Moller. Moller is already proving his worth with his tireless efforts to prove he is up to playing more minutes on the Kings' official roster. Already he has caught the eye of coach Gaze, who was greatly impressed with Moller's efforts on the court. Let this be an example for all boys in High basketball to follow; never give up, and aspire to be the best you can, because you never know. Like Moller, you could end up playing professionally in the NBL.

Last week the Kings played the Cairns Taipans in a thriller right down to the last few minutes, as Jason Cadee scored 16 of his 23 points in the final ten

minutes, putting up one of his best performances in a Kings jersey. This propelled the Kings to a 92-78 victory. In the post-game interview, Jason said: "The fans going nuts made ALL the difference". Well done Jason.

Saturday will be the first official game of the GPS season where High is playing St Ignatius. Don't forget to come and support the firsts and seconds, showing our true high spirit with pride. We had a very good supporter turnout last week against Trinity, which produced a great atmosphere for our boys to play in. Let's bring the same crowd to Riverview this week so come along and support our teams and to also enjoy the competition. Thanks to Mr Hayman and the High Basketball Community for making this week possible. Please note the unusual the fixtures this week and make sure you are at your game early. Good luck to all teams, and remember, "Play Hard, Play Smart, Play Together". GO HIGH.

Cricket Report

For 1st and 2nd XI GPS points ladder please go to:
<http://aagps.nsw.edu.au/summer-sports/cricket/>

First of two trial matches and the boys got a good hit out. The 1st XI came up against a couple of state cricketers who batted superbly, but credit to our boys who fought hard throughout the innings. 2nd XI batted first and for a young team showed great maturity in valuing their wicket.

Ramana and Harjas Ahuja batting for the 2nd XI

It is great to see the Year 8 (U15s) continuing where they left off last season beating a very strong King's team. This will boost their confidence even more knowing they can beat any team. One of our Academy boys in year 7, Karan Vyas, showed what he has learnt from the senior boys by batting for the entire innings. Well done!!

Anish Joseph bowling for the 15As

This Saturday we have our final trial match against Scots. Good luck to all the boys and remember to play positive cricket and run hard between wickets.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coach if they are unable to attend training or their fixture.
