

From the Principal High Talent

The Faculty of Engineering and Information Sciences at the University of Wollongong has awarded major prizes in its 2016 NSW Design and Technology Competition to Daniel Cai (11M) and Jonathan Tran (11M). A great achievement, boys! Congratulations to Advait

Joshi (SHS2016) who won the open entry ASX Share Market Game, winning a prize of \$2000! Well done to Nathan Ho (9F) who won a gold

medal at the 2016 Oceania Kung Fu Wushu Championship. He also collected a bronze in the team event. Ike Matsuoka (7M) swam 2.26.63 in the 200m butterfly at Swimming NSW's Metropolitan Championships. He easily qualified for the 2017 Australian Age Swimming Championships to be contested in Brisbane next April. A wonderful achievement, Ike!

Valé Debra Gilmore

Last Thursday the South Chapel at the Eastern Suburbs Crematorium was filled to overflowing as scores of mourners celebrated Debra's life in music. Current and former music students at High played music specially selected by Debra for the occasion. She planned her own funeral with her usual attention to detail and characteristic flair. Colleague Suzanna Lim delivered a eulogy as did Muhamed Mehmedbasic (SHS2009). Riley Irwin (SHS2014) conducted the strings which included his mother, Rebecca. Ennes Mehmedbasic (SHS2012) played a moving solo "Gabriel's Oboe" by Morricone. Debra's life was encapsulated by speakers from her family and professional life in terms of family, music, food and fun. She was certainly a memorable character who touched the lives of a great many people.

Debra taught at High from 1994-2010 before going to the Board of Studies to develop curriculum and finally moving to the Arts Unit getting involved in event management and supervision. She was a highly successful and demanding music teacher who engendered a

fierce loyalty amongst her students and colleagues. She was a dynamic leader of many High music tours to countries such as Canada, Italy, France and USA last year. Her life was cut short by illness. She is sadly missed by her extended family, her lifelong friends, her colleagues in education and by so many students she nurtured.

Summer Sports Assembly

We were treated to an entertaining speech from special guest Dr Tim Musgrove, former School Captain, who addressed us about the importance of participation and High spirit while wearing his blazer from 1978. He recounted his family's long and devoted connection with the school and expressed his pride in the opportunities the school had given him. He stressed the great importance of acquiring team values and skills while at school and demonstrated how important they have become in his life as a surgeon. My speech to the assembly is reprinted below:

Special guest Dr Tim Musgrove (SHS1978), staff, parents, GPS representatives and students – good morning and welcome to our summer sports assembly. We are honoured to have Tim here with us representing three generations of Musgrove High boys. I want to thank the staff who give their time so generously to make enjoyable and character-building experiences for our boys. There are too many to name here but I will mention some. Mick Aldous has taken over as relieving HT Sport and has already made a difference – particularly in financial management. In cricket, MIC Geoff Tesoriero, coach Andrew Walters, Committee member Usha Arvind and COLA manager Keith Saunders, provide an environment in which the boys can flourish. In basketball, MIC and coach Ben Hayman, Nima Sedaghat (SHS 2004) as Treasurer and Madura Perera as Parking Coordinator, produce the framework for an impressive program. In sailing, Adam South and his family have worked well with new MIC, Matt Cotton to run a two-venue program. Jessica Millar has taken over water polo and has positive feedback from the boys. Kurt Rich has taken over as MIC of tennis and is working closely with David Deep to make sure our boys are fit and strong. Peter Loizou as swimming MIC is coming off the back of a very competitive swimming season. The High community has a lot to be proud about in respect of sports administration and the quality of the programs offered.

This morning, I would like to emphasise the value

of training for self-efficacy and developing routines to preserve self-belief. The body, the mind and the emotions are interconnected. Imagined experience affects the body in a physiologically measurable way. You know how this feels when

waiting to do a major examination. You also develop fears before going out to play tennis or bat at the crease or take on a bigger team in water polo or before the final at a swimming carnival. The quickest way to assure failure is to secretly believe it is

inevitable. Ironically, to make your body perform naturally, you need physical and mental training. You need to develop the dispositions that characterise successful sports people. Top performers have: tough mindedness, intense concentration, self-confidence, intrinsic motivation, positive attitude and a capacity for anxiety management.

Athletes must train themselves relentlessly to acquire these traits. Adversity must be dealt with quickly. Come to terms with it and move on. High performers develop physical routines to calm themselves, to put the last point or play or goal or mistake behind them and to start afresh, still believing they can do it. They re-connect their bodies to the rhythms of their training. Unless you take charge of your brain, you run the big risk that it will run itself and take charge of you and quickly detract from your performance. You know what that looks like in famous sports 'chokes.' Our Australian cricket team recently lost their self-efficacy and their self-belief, with disastrous consequences. It happens to our cricketers, too.

Top performers conquer those emotional and mental distractions, fears and obstacles that impede the performances of others. They have strategies to combat poor concentration, ill temper, self-doubt, lack of motivation, nervousness, self-recrimination or lack of enthusiasm. Unless you take control of your heart, it will control you. Once your emotions are in control, catastrophic thinking quickly follows. More wickets are taken in the dressing room than out on the pitch. You have all seen the turning point moment when an athlete makes a big mistake and their self-confidence begins to erode. It is particularly painful in single contestant sports like tennis and golf.

The butterflies flew straight last Saturday when our boys surprised themselves and everyone else by winning the Raschke Cup after a patchy early season performance. They were all in formation when our tennis open boys overcame Scots 12-0 in a tight contest. However, High boys are susceptible to allowing themselves to be intimidated. No one doubts that size, skill, resources, privilege and an inflated sense of entitlement are real issues for us...but we have each other. When we believe in each other and the team we can cope with setbacks and recover. We can use our self-belief to face the next point, shot or quarter with resilience. If we believe we deserve to be in the competition and if we believe that when we do what the coach says, when we execute our game plan and

stick together we can prevail. Be steadfastly optimistic and positive. Do not contemplate defeat. Be mentally tough until the job is done, the time is up, stumps are pulled, or the last point is won. Win with grace. Accept defeat with dignity. Above all, enjoy what you do.

I wish all our teams well for the summer season. The GPS teams are being honoured today. They are the leaders of a journey that the rest of you share, too. All of you boys who compete on Friday nights or Saturdays deserve our praise. Without you, the school cannot produce high standard GPS teams. Keep up your good work! One day many of you will stand where these who come before you will stand today. Together, we can make the butterflies fly alongside us.

Dr K A Jaggar
Principal

Cash Register Closing

The cash register will be closing on Friday **16 December 2016** at **1.20pm** (end of lunch)

Please make outstanding payments for excursions, co-payments, fees, text books etc. before the register closes.

Thank you.
Sharon Kearns
SAM

Meet the Prefect-Intern

I walked into the Great Hall in 2012 thinking the new high school life would be easy. That I would excel academically, on the sporting ground and even at chess. Much has happened in the past 5 years. I've learnt that school at High is not easy at all. High allows you to excel at anything you wish and aids you every step of the way whether

it's getting the marks you want, scoring that 'clutch

header' or even just how the rook moves in chess. However, the abundance of opportunity offered and success which others achieve has some side effects on peers. As Welfare Prefect, I plan on giving back to the school by helping others with any difficulties or challenges they may be having in such a high-stress environment. Going through high school is like walking out to bat in cricket. There are eleven other people who are willing to hurl everything at you to make it as hard as possible. Sometimes, you don't get the best decisions or you go through patches of poor performance. But that's when you dig deep and put it all behind you. There is help everywhere. Standing just 20 yards away is your teammate and all the others sitting in the pavilion ready to clap your every success. All your friends, family, teachers are your teammates during this journey. Feel free to come to one of the prefects or seniors to talk about anything regardless of how small you feel these issues are.

Adam He
Welfare Prefect-Intern
Stand Tall, Stand for All

Year 9 Camp

7 December – 9 December 2016

Students are to meet at Driver Avenue, in the park opposite the Hordern Pavilion **BY 8.30am** at the latest. Please remember to pack **EVERYTHING** that's on the equipment list provided. If you have lost your equipment list a copy can be found at [R:\School Admin\Outdoor Education\Year 9 Camps](#).

Students doing the **centre-based program** are reminded to bring **shoes that can get wet**.

Students doing the **expedition based program** are reminded to **pack a lunch** for the first day.

Electronic Devices

All Sydney Boys High School camps are technology free camps. Students are not to bring any gaming, tablet or lap top devices. If any such devices are found on camp, they will be confiscated for the duration of the camp and returned once we get back to school. Mobile phones will be allowed, but **no chargers** as there are no power points in the dormitories. The same applies for any electrical appliances/power boards.

If you need to contact your son during camp, please ring the camp mobile, 0424175909.

Parking

Buses for camp depart from Driver Ave. next to the Hordern Pavilion, Fox Studios. Please be aware that parking in Driver Ave is metered and Rangers regularly

patrol the area. Parents are advised to park in the Entertainment Quarter car park, entering off Errol Flynn Blvd. Parking here is free for the first 2 hours.

Kerryn Ibbott
Coordinator Outdoor Education

Year 9 Students Senior Uniform

Purchase your senior uniform **NOW** to avoid long queues.

Senior Tie \$29.50
Senior Trousers \$75
Short Sleeve White Shirt 14-22 \$29, 24-28 \$31
Long Sleeve White Shirt 14-22 \$31, 24-28 \$33.

Melbourne High Rowing Exchange 2016

Crew 1

The Year 10 rowers recently went to Melbourne for a five-day trip to race in the *Head of the Yarra*. We met with students from Melbourne High School and formed new friendships that we would not have made without rowing being our common bond. We competed against them for the Parra Yarra cup which turned out to be a very close race. Melbourne High rose to the occasion beating us in the final race. Although we were all feeling very optimistic before the 8.6km *Head of the Yarra* race and disappointed that we did not win, everyone had a great time knowing that we put our all into the race. The trip was amazing and we look forward to having more great opportunities like this.

Amerthan Thevathasan (9M)

Crew 2

The Melbourne High exchange program was a most enjoyable experience for everyone involved. Exploring the city of Melbourne with our billet families was an amazing adventure and taking part in competitive races with a quality crew from Melbourne High was a great experience for our crew. The *Head of the Yarra* is truly a special event to be a part of and I will never forget it. The Melbourne High exchange was a great time to bond with other students from other states as well as being a part of a truly special race.

Ashley Ow (9T)

From the Canteen

As we approach the end of another busy but fulfilling academic year, P&C Canteen would like to thank staff, students and families for their ongoing support. High Canteen is privileged to have a dependable network of volunteers, who assist managers Karen & Tracey. This helps reduce operating costs and return all profits generated by daily sales towards meaningful school projects. A special thank you to Christina Chow for efficiently managing stocks and canteen accounts once again.

We are very grateful to our Year 12 parents, who have continued to work in the canteen although their boys officially completed school. We value their contribution over the last six years and commitment to High ethos.

Canteen would like to acknowledge the following helpers for the past two weeks.

MON: Binita Ghosh, Lillie Urbina
TUE: Penny Chan, Carrie Waring
WED: Emi Matsuoka, Mark Zhu, Stephanie Feng
THU: Joyce Yuen, Arti Shah
FRI: Edwina Henningham, Sam Guo, Lien Tran

MON: Susan Mitchell, Grace Cochrane, Thuy Lam
TUE: Anne Chen, Letty Chan, Mook Kooi Loo
WED: Ria Lam, Yasmin Khan
THU: Kim Ngan Do, Jian Ping Li
FRI: Kath Cook, Ru Zeng Rong, Baofeng Liu, Min Wei

We will be running down stocks in the lead up to summer break and some items may be unavailable. We appreciate your understanding.

A reminder that the annual P&C Thank You Night is on Monday 5 December at 6.30 pm in the Great Hall. We extend a warm welcome to all volunteers to join the extended High family as we celebrate 2016. We look forward to your support next year.

Usha Arvind
President Canteen Committee

HIGH WATER POLO

Under 16s Water Polo Game Report

The 16s played exceptionally well this week. With a full team present and applying skills we had worked on in training earlier in the week, our game resulted in a comfortable 13-1 win against a Scots team who generally are a very difficult team to play against. The improvement throughout the season so far has been incredible and has seen consistent progress from week to week. Well done to all who played!

Lincoln Hui (10M)

Cash Register Receipts

Cash register receipts for all items (except for General Contributions and Tax deductible receipts) **will no longer be sent to classrooms.** Receipts for payments made via telephone, the new online payment system or left with the office for processing will need to be **collected by the student** before the end of each term.

Receipts will be available for collection from the **McDonald Wing Office** during the following times:

Monday to Friday

Before school
Recess
Lunch

Uncollected receipts will be destroyed at the end of each term and copies will not be reissued.

Receipts will still be issued directly when paying in person at the register.

Sharon Kearns
SAM

P&C

High Family

High P&C has a new team!

Thank you to everyone who attended the P&C AGM two weeks ago.

For the first time in recent history, all positions were filled on the night.

Nine new faces join the twelve parents who continue in the P&C Executive and representative team, with a total of twenty-one parents very generously giving of their time and expertise to support High and our boys via the P&C. Thank you all!

Welcome to Hieu Bui (Ryan Yr 7) who has taken on the role of President.

Vice Presidents: Angela Lam and Carrie Waring; Treasurer: Chuhong Chen; Secretary: Kim Markworth;
Committee Members: Madura Perera, Nan Chen, Charlie Appleton, Usha Arvind, Letty Chan and Eleanor Tan.

2017 looks set to be a great year!

Improvements to sound and video in the Great Hall

At the P&C General Meeting that followed the AGM, the P&C voted unanimously to donate funds to the school to be used to improve sound quality in the Great Hall and to upgrade the video facilities. The P&C is very happy to be able to financially support this project, which will directly benefit all boys, families and others who use the Great Hall over years to come.

The school has undertaken to upgrade the stage lighting in the Great Hall and these improvements are planned to take place in December.

This Week's News

Please 'like' the P&C's Facebook page -

www.facebook.com/sbhspandc

and keep up to date with events and other information regularly posted regarding the High Family

Upcoming Diary Dates

Monday 5 December 2016

P&C Thank You Evening

All members of the High community who have contributed to our school in 2016 are invited to celebrate another successful year –
6.30pm in the Great Hall.

14F	LOSS	11-38	L. WITHRINGTON 3

A hard-fought and courageous loss in 1st grade, coming back from 19 points down to send the game into overtime, unfortunately coming up empty-handed in the end. On the other hand, congrats to seconds who took an easy 24-point game. Well done to Luke Schroeder in the firsts and Julian Markworth-Scott in the seconds for leading their teams in the game. Also, well done to Joshua Zhang

of the 15Cs for hitting a *half court buzzer beater* to end the game, bringing the whole gym onto the court.

Those interested in the High basketball tour to the USA which is scheduled to take place at the end of 2017 are to go to 901 at the start of lunch on Thursday for a quick meeting. This is a great opportunity to express interest in possibly a once in a lifetime chance to visit the United States with a school sports group!

The Australian All Schools Championships are on next week. Hats off to the Under 15s and Opens teams who have put in the effort to knock off every other team they have faced so far to reach this level. Don't forget to check out the top stats on the website <http://www.basketball.net.au/championships/asc/> as High always make a name for ourselves. Good luck to you all, and make High proud.

In other news, the American College basketball competition has started. Make sure to keep an eye on Old Boys Emmett Naar (St Mary's College), Christian Jurlina (Whitworth University), Geoff Gerlach (Concordia University) who are playing in this competition.

Speaking of Old Boys, Craig Moller and the Sydney Kings are topping the NBL ladder, with the Perth Wildcats breathing down their neck. The Kings take on the Illawara Hawks on 5 December. And who knows; maybe we'll see Craig Moller in action? Tune in!

Last Saturday marked the last game of Term 4. But don't slack off; strike while the iron is hot, and use this as a chance to improve your skills. Younger grades shouldn't be discouraged by losses. Nothing comes easy, so just keep going. Look at where former High boys are; they didn't get there without first overcoming obstacles. Use these student athletes as role models to keep you going. High basketball supports holiday training and old boys offer a Summer Holiday Basketball Camp, so stay tuned for more information on this! Thanks to Mr Hayman and everyone else in the High Basketball Community for making this week possible

Play Hard, Play Smart, Play Together. Go High!

SAILING

With the best breeze of this season, Sydney High sent out a team of six boats with skippers Dallas Yan, Ben Kernohan, Jarrod Khaw, Edward Heaney, Jack Vorgias, Nicolas Palmer and Jonah Beer (swapping). The crews were filled with new sailors to get them some experience before the end of the season. This included Jie Lin, Owen Lu, Ethan Urquhart, Justin Wayne-Lowe and Thomas

Smallbone. This meant that some mistakes would be made on the water by all boats, however Ben Kernohan and Dallas Yan still had some strong showings in the two fleet races. Dallas came sixth and fourth, while Ben came second then seventh. The newer skippers also performed well.

A short afternoon of teams racing concluded the day. The team consisted of Dallas Yan, Kai Huang, old boy Angelo Yan, Jarrod Khaw, Edward Heaney, Nicolas Palmer, and Jack Vorgias. Each skipper had their individual moments, but we couldn't put them together. In the first race, Dallas pushed to a first after starting last through a combination of boat speed and one on one tactics. However, a five-six from the rest of the team resulted in a 9-12 loss. The second race had Angelo in second with Dallas and Kai in four-five. However, the lack of a pass back play resulted in stagnant positioning as Dallas was not able to get overlap on the third place opposition. This resulted in a close 10-11 loss. A collectively bad start on the final race resulted in a lopsided 6-15 loss.

Dallas Yan (11E)

2016 ANNUAL SAILING CELEBRATION

Saturday 10th December
8am-11am Woollahra Sailing Club

SBHS Sailing invites all sailing boys, parents and families to the annual Christmas gathering and sail fest.

This great event is an opportunity for us all to get together and for the parents to get out on to the water and try sailing for themselves. 2020 Tokyo Olympic berths are still up for grabs.....

Please bring a contribution such as a platter of food/fruits/drinks etc....

We look forward to seeing you all there!!

Any questions please contact Matt Cotton on cottonm@sbhs.nsw.edu.au

'Bring Your Own Device' Program: Advice for 2017

Application of this Advice

The Sydney Boys High School Bring Your Own Device (BYOD) program applies across all year groups and all students are expected to bring a device of their own choosing and ownership to school each day. If you're looking at replacing your existing BYOD in 2017, then the following applies to you.

Selecting a technology device is not simple, and the school's **Device Specification** is particular. Our recommended devices are designed to simplify your choices and purchasing processes.

For 2017, Sydney Boys High School has partnered with JB Hi-Fi Education Solutions to make our recommended devices available to you. Compared to previous years, JB Hi-Fi Education brings the following benefits:

- **More competitive pricing** – the devices still have a 3-year warranty, but the price point is better.
- **Better availability** – you can pick up your device at any JB Hi-Fi store across Sydney. If you order in the new school year, the device will be delivered to school.
- **New payment options** – you can pay by **BPay** or take out **12 Month Interest-Free Finance** on all devices, as well as pay by credit card.

Available Recommended Devices

Microsoft Surface Pro 4

- 12.3" **Touch** Screen
- 6th Generation Intel Core Processor – Core m3 and Core i5 options available
- 4GB RAM, 64GB/128GB Solid State Disk
- Surface Pro 4 Type Cover
- 3 Year Warranty

The Microsoft Surface Pro is the best convertible multi-touch device available on the market and has been a very popular device for BYOD. The device has an excellent quality screen and is supplied with the Surface Pro 'Type Cover'.

Lenovo ThinkPad X260

- 12.5" Screen – HD and FHD options available
- 6th Generation Intel Core Processor – Core i3 and Core i5 options available
- 4GB or 8GB RAM, 128GB or 256MB Solid State Disk
- 3 Year On-site Warranty

The ThinkPad X260 is a thin and very light device that fits well in a school bag. Battery life is excellent. It is a very well-regarded traditional-type laptop. Looked after, the X260 should readily complete four years of high school service.

Lenovo ThinkPad 13

- 13.3" HD Screen
- 6th Generation Intel Core i3 Processor
- 4GB RAM, 128GB Solid State Disk
- 3 Year On-site Warranty

The ThinkPad 13 is a little larger and heavier – and cheaper – than the ThinkPad X260. Apart from that it should perform similarly to the Core i3 version of its X-series sibling while sharing some of the exterior features of the designed-for-education ThinkPad 11e.

Lenovo ThinkPad 11e (Windows)

- 11.6" HD Screen
- 4th Generation Intel Processor
- 4GB RAM, 128GB Solid State Disk
- 3 Year On-site Warranty

The ThinkPad 11e is Lenovo's speciality education product. It features rubber bumpers and a thicker screen surround to help it withstand the bumps inherent with bringing a device to school. It's heavier and a slower device than the other options, but is well positioned for our BYOD program.

Apple MacBook Air 13"

- 13.3" 1440x900 resolution screen
- 5th Generation Intel Core i5 Processor
- 4GB RAM, 128GB or 256GB Solid State Disk
- 3 Year On-site Warranty

The MacBook Air is the most comparable device to (though physically larger than) the Lenovo ThinkPad X250 in specification and price point. It's a good all-round choice if you prefer the Apple platform.

Why Purchase a Recommended Device?

All our recommended devices are configured to meet the device specification comfortably. All feature solid state disks and so have no moving parts. Warranties are a minimum of 3 years. Devices feature an on-site warranty which means the device can be fixed by a technician at school, ensuring its maximum availability

Additionally, Accidental Damage Protection insurance is available as an option for your peace of mind.

Recommended devices are available at a discount from their retail pricing through our device purchasing portal.

How to Purchase a Recommended Device

Visit the Sydney Boys High School BYOD Purchasing Portal at:

<https://sbhs.co/bp>

You need the following code to register for the Purchasing Portal:

SBHS2017

Note the code is CASE-SENSITIVE. Devices ordered through the Purchasing Portal will take **two to three weeks** for to become available. You can select your local JB Hi-Fi store to pick up your order, or order in Term 1 next year and the device will be delivered direct to school.

Other Device Options

If you're looking at other devices, take care to ensure your chosen device meets the Device Specification. Ensuring it meets the requirements for Wireless Network connectivity can be difficult when buying in store.

Find Out More

All information is now available on the Bring Your Own Device website – <http://www.sydneyboyshigh.com/byod>.

If you have questions which have not been addressed in any documentation, or you wish to make comment, please email the project team at:

Several convenient pick up and drop off locations for the School Holiday Program:-

Sydney, Erskineville, Redfern, and Ultimo

**Please note that bus pick up and drop off times may vary for each location*

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

School Student Code of Conduct – Students travelling on buses must: -

- Tap your Opal card when joining and again when exiting the bus. This is particularly important as the data collected from the on bus fare collection system may be used for service planning purposes
- Use school bus specials when provided
- Vacate seats for adults when requested
- Follow the driver's instructions about safety on the bus
- Respect the needs and comfort of other passengers
- Behave appropriately at all times (e.g. no offensive language, no throwing things)
- Protect bus property (e.g. no vandalism)

Students are reminded to: -

- Only use the Opal card for its intended purpose i.e. for travel between home and school during school days (does not include travel to and from Saturday sporting activities)
- Maintain possession of your Opal card at all times

Authorised transport officers are deployed to inspect **Code of Conduct** compliance on school bus services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement.
