

## From the Principal High Talent

A mainstay of the High ethos is the development of character. Nowhere was this more apparent than in the honesty and integrity shown by Anthony Lin (9T) who found a large sum of money while participating in the 1.6k run and handed it in to his teacher, Mr Smith. Anthony is an inspiration to others in how to behave when faced with an ethical dilemma. Thank you for showing us the way, Anthony!

## The Lak Saviya Foundation Report

The Lak Saviya Foundation helps the needy in Sri Lanka to help themselves. Since the 2004 Tsunami flattened the KRMV school, SBHS has been directing the proceeds of its Year 10 mufti day towards helping the school recover. The Lak Saviya Foundation did great work in Sri Lanka last year, including:

- Providing 90 scholarships for school students and ten university students;
- Funding a teenage girl from an orphanage to train as a dental assistant;
- Funding the production of 320 new artificial limbs and repairing 651 others; and
- Assisting the Kahawa Ratanasara Maha Vidyalaya with funds raised from Sydney Boys High School Year 10 fund raising, to fund a Tamil Language teacher, an English Language teacher, and to pay internet charges. A consignment of sporting and computer equipment was delivered to the school.

I urge the Community Service Committee and Year 10 boys generally to support this worthy organisation when this year's fundraising program for Year 10 is planned.

## The Equality Committee

Last year a couple of Prefects drafted a Constitution for a Committee to be focussed on social justice issues. The Committee will be established this year and, by consensus, will be called the Equality Committee. The aim of the Equality Committee is to promote greater

sensitivity to societal issues of diversity and welfare, such that students become more informed and are hence encouraged to behave and conduct discourse in a positive, inclusive manner. Building respectful relationships is a key goal in our School Management Plan. The way we speak to each other is very important. It affects relationships and individual self-esteem considerably. Our community needs to know more about a range of societal issues, which this Committee will discuss.

Issues include (but are not restricted to):

- Race and religion
- Mental health
- Gender and gender identity
- Sexuality

The committee will organise and implement student-run initiatives designed to combat the ignorance and division around these issues in a positive and respectful, but assertive manner. We are seeking aspiring leaders for membership of the Committee. You can express your interest by composing a hard copy letter to the *Equality Prefect*, Kieran Shivakumaarun. The letter should address your knowledge of, experience with and commitment to, the aims of the *Equality Committee*. The Equality Team will meet at the same time as the SRC so that SRC members should **not** apply for these positions. You may be required to attend an interview with the Equality Prefect and a member of the teaching staff. The deadline for submitting applications is the end of school Wednesday 1<sup>st</sup> March. Application letters should be handed in to Ms Powell. I urge you to support this important student initiative.

## High Rowing Rally

25 February at the Outterside Centre

Please support this Old Boys Union event, which is sure to be entertaining and rewarding for the rowing program. 'Book now! Old Boys,

parents & the wider High community have a chance over dinner to meet this year's First VIII, its new coach Elliott Shackloth-Bertinetti & some outstanding former High rowers. Our MC is Sam McCool (1993), global event MC and corporate

comedian, with very special guests including Champions & luminaries: David Anderson (1948), bronze medalist at the 1952 Olympic Games, Drew Bowey (1976), John Croll and Luke Simpkins (1981), Jack Singleton (1990) and Dom Grimm (2005). We are raising funds to buy new 'Wavecutters' to help develop our young rowers. \$100 dinner & drinks. \$75 for 2015 & 2016 Old Boys.

If you are having trouble using the link, go to [www.shsobu.org.au](http://www.shsobu.org.au) and you will find the event link on the right-hand side.

## Weights Room

A reminder to all boys who might have weights training as a requirement in their regime for a GPS sport. As was the case for 2016 it is proposed that **no term memberships** will be offered in 2017 for the Weights Room. Boys who restart after absences of a term in the Weights Room have to be retrained by Kurt when he should be concentrating on adding value to the experience of existing members. **Students requiring memberships should pay \$240 by 28 February 2017.** No further membership opportunities will be offered after that date.

## Early Bird Discount Ends Tuesday 28 February

In order to help all areas of the school we offer a **substantial discount** to parents who pay their complete invoices before 28 February. Having substantial funds early in the year allows us to make sure that orders are made promptly and that the boys get the maximum benefit out of equipment and services deployed for them. Capital for the Building Fund can be invested to earn interest for longer. Our aim is to encourage at least 55% of parents to make this financial commitment to the school early in the year.

## Collection of Reports

All boys should have collected their reports. Regrettably, there are still many boys who have not fulfilled their commitments, completed their *Clearance Forms*, and booked an appointment time to see me, to discuss their progress at school. This is an important step in our feedback loop and I insist on speaking to boys **personally**. Boys can come and get their reports before or after school and at lunch or recess on most days. I am focussing on Year 10 (2016) boys first. It is important that I get to talk to them before they get too involved in Preliminary HSC work. Please get organised boys before I start chasing you.

## Meet the Prefect-Intern

Life as a High Boy has been a fulfilling one for me thus far. The prestige of being a "Sydney High Boy" carries so much weight when we step out into society. However, they do not know about the sleepless nights that we have put in trying to ace those exams, or about the early morning commitments that we make, or even the endless bus line wars. Nevertheless, we carry the High emblem with beaming smiles and a confident swagger, knowing that we have made it to one of the most prestigious school in all of Sydney. This doesn't stop us though, reaching new heights every day, managing to juggle GPS sports commitments, trekking from all corners of Sydney by train or bus, staying back after school for extra-curricular activities, all this whilst still keeping on track for that 99.95 ATAR. We do many things other students would never think of doing, and every time they ask how we do it, we know the answer is because we are High Boys.

So, a little bit about myself. Most of you know me through football and it has largely shaped me into who I am today. I received my first cap playing with the Firsts team in Year 9 and have not looked back. I still laugh with the boys about the times in Year 7 football where we would struggle to keep up with other schools in matches where the score would sometimes blow out to 12-0. Now we can confidently hold our own against the same opposition. These relationships and memories I have made with the boys are ones that I will cherish for the rest of my life and tell to my kids at the dinner table.

Beyond any shadow of doubt, I believe that this Prefect Body has something to offer to the school that has not been seen before. I look forward to working with the Prefect Body and am eager to be representing you boys.

## Debating

On Wednesday, we held our Debating Parent Information Evening. Here is a summary of the presentation.

### Why debating?

- ▶ Broadens critical/logical thinking capabilities of our students.
- ▶ Develops group collaboration skills.
- ▶ Develops public presentation skills and confidence that will help with:
  - ▶ assessed work in high school subjects, university tutorials, internal work presentations and workshops, professional presentations at conferences.
- ▶ Develops deeper bonds between High students that aren't as easily developed in the classroom and also with debaters in other schools that they end up studying with at university.

### Biggest Debating Program in NSW

We have had great success in this over the years. We enter two teams in each competition: 7 & 8s, 9 & 10s. The Year 11 and 12s are separate. - ▶ Ensure that you have signed up to the Gmail account and regularly check your emails.
- ▶ Read the High Notes and talk to your son about the debating program.

- ▶ You could volunteer to assist with suppers.
- ▶ You could volunteer to assist in parking.
- ▶ You could consider taking one of the positions in the DSG.
- ▶ Watch your son debate.
- ▶ Please pay your co-payments promptly.

#### Co-payments

Debating Years 7 – 9 \$155.00  
 Debating Year 10 \$170  
 Debating Year 11 – 12 \$185

#### Co-payments help the school in:

- ▶ the cost of coaching
- ▶ the entry into the four debating competitions
- ▶ subsidising as many debating opportunities as we can
- ▶ They offer remarkable value for money

#### DSG- SUPPERS

- ▶ While hosting HOME debates, we will be providing food for the debaters and other visitors. We will experience the same hospitality when we go to 'away' debates.
- ▶ For HOME debates all students, whether debating, chairing or spectating, are requested to bring a plate of food to contribute to supper.
- ▶ Parents work in two shifts to lay out the food for the debaters AFTER they debate (one lot for the juniors another for the seniors).
- ▶ We would like volunteers for this.

#### DSG- PARKING

- ▶ SBHS raises money for subcommittees by allocating parking days to each group and charging the public to park their cars on the school grounds during major sporting events at the stadium.
- ▶ Thousands of dollars a session can be raised for debating via a "parking" day.
- ▶ Ron Trent is our DSG Parent Parking Coordinator
- ▶ Please email your details to: [sbhsdebating@gmail.com](mailto:sbhsdebating@gmail.com)
- ▶ Like our Facebook Page: SBHS Debating
- ▶ Look at our SBHS Debating website <http://www.sydneyhigh.org.au/debating/>
- ▶ Debating Dinner

#### P&C News

##### Welcome Evening

The P&C organised the Welcome Evening on Tuesday 7 February to welcome the new High families. It was a magnificent collective effort put together by the High community: the Sailing Support Group, the Year 8 parents and the senior music students – just to name a few. The evening featured the official welcome by the Principal and the P&C President. About 200 new parents attended the event. The night was an enjoyable one for families to meet other new friends and have a chat with parent volunteers and MICs to find out about the wide variety of co-curricular activities that High has to offer. Of course, the endless supply of delicious gourmet prepared by the sailing families was a big plus. The event was a huge success thanks to the involvement of the many teachers, parents and students. Let's keep this High spirit strong and see you volunteering next year.

<http://aagps.nsw.edu.au/summer-sports/cricket/>

Well, there is always a first time for everything. Last Saturday was a first in my life time. All fixtures were cancelled due to the predicted extreme heat of 40-43 degree temperatures. We believe for the safety of all involved this was the best measure.

This means any team involved in a two-day game will now resort to a one-day game.

Thank you all for your understanding and hope we enjoyed our weekend off.

We will be sending information about the End of Season Dinner in the coming weeks. But, for now please place the date Friday 17 March into your calendar for the event.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coach if they are unable to attend training or their fixture.

## The High Regatta

The junior crews braved the heat on the weekend to raise the bar for the new rowers who will follow in their steps in 2018. Significant results across the board culminated in a **WIN** over Newington and Scots for the 2nds Yr 10 VIII, expertly guided in preparation by their coaches John Johnson & Lachlan Hine.

### Yr 8 Quads

3<sup>rd</sup> in the 2nds ahead of Grammar

### Yr 9 quads

3<sup>rd</sup> in the 2nds Quads ahead of Grammar

3<sup>rd</sup> in the 5th Quads ahead of Scots and Grammar

From Mike Schanzer and the Committee "thank you to all who braved the fierce heat in Bayview Park with endless good humour to help run yesterday's High Regatta barbecue and cake stall. It was a High Spirited effort from all volunteer parents, as we worked through some 'on the day adjustments' to get the job done and done well. Owen's (Yr 7) dad's van was a blessing for transporting the equipment. The new Year 7 boys did a wonderful job as salesmen and messengers - a small army of High Ambassadors. We far exceeded our expected sales on the BBQ and drinks with a record result. On behalf of the rowing committee a big thank you to each of you who helped with purchasing, transporting, cake baking, barbecuing, cash handling, packing and unpacking all the gear."

A special thank you for the High Regatta must go to John "Johnno" Johnson and all of the Newington Masters, now based out of the Outterside Centre. They all kindly volunteered their time and efforts during the regatta planning stages and were joined on the day by High Old Boy Ross Bowey in marshalling. Johnno's experience and professionalism is an invaluable asset to the program and he did a fantastic job with the NSW Rowing BRO's in coordinating the on water component of the regatta and in implementing the NSW rowing heat management plan for a well managed and successful day.

## State Championships

All of the Seniors competed over the weekend at the State championships. Our goal for the weekend was to attack the first 3min of the race to achieve peak boat speed and as part of our periodised training program to reach or push through our anaerobic threshold. The First VIII stroked by 2017 Champion Sculler Jack Ralph (Yr 11) executed this plan, achieved a very fast 500m time of 1:28 and were running in 3<sup>rd</sup> place at the 1000m mark before shutting down as per the plan. The First VIII have set the stage for further improvements in the lead up to the Head of the River in March.

In addition to the VIII we entered schoolboy and U19 double events with the same 3min goal. All crews again executed their plans reaching peak speeds at the 3min mark and placing between 4<sup>th</sup> and 5<sup>th</sup> in competition with 18yr old university and school crews. This is especially impressive as our crews are young for the division and still eligible to enter next year whereas their competitors are not.

A notable achievement in the regatta for our sister school was a repeat victory in the NSW State Championship School Girls Single won by Georgia Bradley of Sydney Girls High School.

A successful weekend all round and a great stepping stone for the remainder of the season.
