

From the Principal High Talent

Brendan Nham, Aaron Ruan and Gorden Zhuang in Year 11, attended an Award Ceremony at Parliament House, for the Premiers Volunteer Recognition Program. They were awarded certificates in recognition of their extended efforts in volunteering. Congratulations, boys! Good luck to our teams on tour: basketball to Victoria for the Nationals (opens and Year 9s), volleyball (in Melbourne for the Nationals – multiple teams from Years 7 to 11) and the teams we are hosting for the annual Five Highs cricket competition.

The Premier's Volunteer Recognition Program

The Premier's Volunteer Recognition Program for students is a wonderful opportunity to recognise and celebrate young people who have given their time and energy for the benefit of others. There are three student categories:

students up to Year 9 who have completed a minimum of 13 hours of volunteering in 3 months; students in Year 10 who have completed a minimum of 26 hours of volunteering in 6 months; students in Years 11 and 12 who have completed a minimum of 52 hours volunteering in 12 months. Students who complete their bronze, silver or gold Duke of Edinburgh's Awards before 30 September in any given year are also eligible for recognition under the program. I am sure there are more of you out there who could qualify for recognition next year!

Exams and qualifications for Year 11 courses

Examinations are complete for Year 10. Year 10 mathematics students are vying for the 168 places on offer in the mathematics extension 1 course in Year 11, 2018. Entry is competitive. There will be no more than seven

mathematics extension 1 and two 2-unit Preliminary classes in 2017.

Science students have to qualify to study two or three science courses in Year 11, 2017. Mr Kay makes the final decision in the

light of a student's record in Year 10 science. There will be restrictions on boys being allowed to enrol in all three sciences and in both physics and chemistry. Students wishing to do both physics and chemistry will require more proof of their overall academic capability, as evidence by their position on the academic rank order.

Interpreting Year 7 and 8 Reports Semester 2

Check your son's progress in future oriented earning skills – problem solving, evaluating, working with others, communicating ideas, creating and innovating. They are reported twice each year in their own text box on the school reports. Every Faculty has an opportunity to report at least twice on each of the five 'earning skills' during the six reporting periods during Years 7-9. You can understand more deeply about how your son is building his capacity in the discrete dispositions that we have targeted for development as a school. The idea is that you can track your son's growth over his three years in the Junior School. These PEWCC skills are very contextual. Hypothetically, your son might be really good at working with others in English where he is confident and comfortable but not so effective in mathematics where he is weaker, is reticent and defers to the strong mathematician in the work group. Consequently, skill growth might not be a simple progression from 1 in Year 7 to 3, 4, or 5 in Year 9 (depending on the scale in the rubric for each subject). Your son's progress might be uniform neither across the subjects, nor across the dispositions. I look forward to an informed dialogue between parents and teachers on the individual student's development of these important life skills. Find out more about PEWCC reporting on our website www.sbhs.nsw.edu.au/curriculum

Weights Room for 2018

High's weights room offers exceptional value for money.

The room has appropriate equipment for preparing the bodies of teenage boys and crucially, it is constantly supervised. When handling weights, technique is vitally important and boys need to learn the correct way to lift. Kurt Rich, our Head Strength and Conditioning Coach, is a well-credentialed and experienced trainer. His presence ensures that the boys are training safely and sensibly. So as well as getting gym facilities, clients have a supervisor and adviser to help them during their **unlimited visits**. The Weights Room operates much more effectively if all boys get their training in how to use the various pieces of equipment and in proper lifting technique, as soon as possible. Kurt Rich provides this service at the beginning of each year and can tailor individual programs for members after the introductory sessions. Having a fixed clientele makes his job more productive and leads to a better training experience for members and better strength outcomes for participants. Hence, we decided to close off memberships by the end of February each year. Boys who have not paid by that time can no longer attend the weights room.

Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2018, a **full year** Weights Room membership costs **just \$246**. Boys wishing to have full year membership must register and pay by Wednesday 28 February 2018. There will be no extensions of time nor any other window of opportunity later in the year if you forget to pay on time.

Dr K A Jaggar
Principal

Meet The Prefect Intern

Mid 2014, I sat nervously outside Dr. Jaggar's office, not sure of what to expect in my Year 9 placement interview for Sydney High. There were a few boys next to me - emotions were running high, jittery nerves struck and then suddenly amidst the tremendous tensions, "Jeremy, come on in!" And that was just a small snippet of what was to come.

Walking into these halls for the first time as a High boy, what people told me about the greatness of the school just hadn't hit me yet, nor did it for months to come. Integration into the extremely competitive nature of the school was beyond daunting and mentally taxing, not made easier by my false expectations of an easy ride. It wasn't until my senior years that I had finally attained a strong grasp on the academic, sporting and co-curricular aspects of the school.

The school's enriching culture of excellence often results in the detriment of a student's wellbeing, whether it be through the growing pressure from surrounding figures or the common cycle of disappointing results - just to name a few. This year, the welfare body and myself will work towards involving more students in enhancing the values of compassion and empathy within the school, and to strive for an environment where mental health issues are no longer self-fought battles.

My concluding advice is to help fellow students wherever they may be, try your best to make the lives of those around you better, and to grasp the opportunities to grow as scholar-sportsmen through your journey at High.

SBHS P&C Association Needs Your Help

Your SBHS P&C Association makes important contributions to the life of the school through the following activities:

Engaging with all parents at SBHS to ensure they understand how the school runs and being available should there be problems that are not easily resolved through the usual school mechanisms.

Organising forums and public discussions on important topics of relevance to the HSC.

Assisting to run fund raising and social events at SHS.

Ensuring that various school activities progress smoothly – such as providing community representatives on teacher recruitment panels and parent membership on various school committees.

Overseeing the parent support groups that are attached to the many co-curricular programs.

As parents at SBHS, we are very fortunate that our sons are being exposed to the most unique education possible in NSW, as SBHS is both a GPS school and an elite school within the NSW public education system. For SBHS to run its many varied programs requires an active P&C which can only come if we have dedicated parents involved.

Disappointingly at the last AGM a few weeks ago we could not find a parent volunteer to take on the role of P&C President. So now we are trying a new approach to recruiting members of the P&C Executive (President, Vice Presidents, Secretary, Treasurer and Committee Members). This will involve asking for volunteers to “shadow” current Executive members so that in 1-2 years we have willing parents to step into these roles. My particular job will be to work with 2-3 parents (hopefully from Years 7 or 8 or 9) with the goal being to have a P&C President ready to take on this important role by mid to late 2018. Other members of the P&C Executive will work with the new volunteers to ensure a smooth transition to the P&C Executive in the near future.

Can parents who would like to contribute to the P&C give me their names/mobile/email contact details and I contact you to discuss what is involved and how we might all work together to ensure there is a steady stream of volunteer parents taking on P&C roles.

I have a son Tim who is just starting Year 12. Since Year 7 my wife Pit and I have worked in various SBHS committees or school activities and it has been a great way to learn how the school works, what opportunities there are for boys, and how we can help our sons achieve their goals. Don't miss out on getting involved with the school and your son's education because time will pass very quickly.

Please contact me on ronald.trent@sydney.edu.au or 0417431677 if you are interested in contributing to the P&C or want to know more about the P&C. Early in 2018 we will get the volunteer parents together, meet with the Principal Dr Kim Jaggar, and move forward on this initiative.

Have a great Christmas break and a happy and safe 2018.

Last Day Term 4 for Students

School finishes for students at 12:40pm on Friday 15 December.

School finishes for staff on Tuesday 19 December.

School Year 2018

School resumes for staff on Monday 29 January 2018.

Years 7, 11 and 12 resume on Tuesday 30 January 2018. New enrolments in Year 9 2018 will also commence on this day.

Years 8, 9 and 10 will resume on Wednesday 31 January 2018.

From the Canteen

As we approach the end of year, we will be running down stock so favourites may not be available.

We would like to take this opportunity to thank Dr Jaggar, staff, prefects, SRC, students and parent community for their ongoing support. Our particular thanks to Christina Chow, former High parent & canteen committee president for efficiently managing canteen accounts over the last few years. Sadly, we bid adieu to her this year. High Canteen remains one of the few P&C run high school canteens and all profits from daily sales are returned in entirety to the school for need-based projects that directly benefit our boys.

Managed by full-time staff Tracey Trompp & Karen Barry, canteen relies heavily on the support of parent volunteers who help prepare the foods on the premises and also serve at canteen windows during recess and lunch. We are therefore able to sustain an extensive menu that includes a range of hot and cold foods which are nutritionally well balanced yet also reasonably priced. In 2017, we continued to implement the healthy canteen strategy, knocking back red foods and adding innovative wholesome options. We are grateful to the school community for embracing these initiatives.

We would like to acknowledge following helpers for last week:

Mon: Emi Matsuoka, Winnie Chan
Tues: Anne Chen, Mook Kooi Loo
Wed: Laura Xiao Ping Lu, Wei Wang
Thur: Judy Zhu
Fri: Ling Cui, Olexandra Putilina, Pamela Shi

Our special thanks to parents who volunteered to make 80 lunch packs daily during Five Highs Cricket Carnival, which Sydney hosted. If you have a few hours to spare each month, please call Karen or Tracey on 96629350. High Canteen is a very friendly and welcoming work environment.

We look forward to your support in 2018. Wishing everyone a safe and restful break.

German Language Excursion

Bratwurst, Kranksy oder Weisswurst?

That was the hard decision the boys had to make before our excursion to the German Concordia Club in Tempe. On Friday, November 17, 81 boys and three teachers set off for Tempe. Short of going on a trip to Germany, this was the closest we could come to an authentic experience of German culture. As we were such a large group, the restaurant had to be advised of the orders of the sausage (for those, who did not want a sausage, there was lasagne on offer!)

Upon our arrival at the restaurant we were allocated the tables on the terrace – an excellent idea, as the elderly customers inside could continue to enjoy their peace and quiet. The meal started with a large Brezel and a can of softdrink. Soon the food started to arrive and with the help of us – the teachers – was quickly distributed to the hungry hordes. The sausages, the sauerkraut and spätzle (homemade noodles) disappeared quickly and the noise level subsided noticeably.

The boys were very well behaved – on the public transport and in the restaurant – and a great day was had by everyone.

Year 8 Chinese Excursion

Noon was approaching on 27th of November, creeping towards us behind a thick veil of clouds. In the Junior Quad, a group of eager students gathered around roll calls. Time was scarce; the Chinese excursion was scheduled to be only three hours long. There were about seventy students from three classes attending this excursion.

The ride to Market City in Chinatown was short. When we arrived at the Eight Modern Chinese Restaurant, we were

greeted by flamboyant décor and fanciful design. We occupied seven tables, each table featuring a glass turntable. Our teachers stressed civility when eating and practising Chinese dining etiquette.

The food took quite a little while to be served, but few minded because of the lively chatter that proceeded. There were a few pieces of yum cha per person, which were accompanied by other traditional dishes. The quality of the service and food received mixed reactions. Our etiquette was surprisingly decent and we shared the food quite evenly. We stayed for over an hour.

After lunch, we toured the vibrant streets of Chinatown towards the Chinese Garden of Friendship. After an introduction, we were left to wander through the garden for 45 minutes with a worksheet. The Chinese Garden of

Friendship consisted of numerous pavilions, a teahouse, lakes teeming with fish, and even a small waterfall! However, the scenery was somewhat blemished by the

high-rises surrounding it. Even the horticulture was Chinese, featuring plants such as the black pine that are supposedly reminiscent of mountain scenery. Ubiquitous signs explained the plants, buildings, and aspects of Chinese culture, which was very informative and helpful (with the worksheet).

By far the most interesting part of the excursion was the tea. A few students went to the teahouse to sample some tea, each being \$4 per teapot. However, when the word spread that the teapot had unlimited refills, other students surged there like a swarm of locusts, each wanting to try the tea. In total, we only paid for five teapots, but they went for refills like a merry-go-round. In the haste to try

the different types of tea and to refill as many times as possible, more than one student scalded their tongues.

The excursion finished at 3pm. Most of the dismissed students headed home via Central Railway Station, but some who had sport went back to school. Overall, we thoroughly enjoyed the excursion and hope that the pictures taken make an excellent Facebook cover photo. A big thank you to Miss Fong, Mrs Zhang and Miss Tang for organising this excursion.

Year 9 to 11 Chinese Excursion

On December 4, the students from the Years 9, 10 and 11 Chinese classes all went on an excursion to Zilver restaurant for a Yum Cha lunch then onto the Event Cinema to see a screening of a Chinese movie titled "Explosion", which was directed by Chang Zheng. The group gathered in the 300s corridor at the end of lunch and together we went to board the school bus which dropped us off near the restaurant.

We walked to the restaurant and when we arrived, we proceeded to take our seats in tables in a corner of the restaurant. Our dishes were served without delay, each plate or basket of food arriving with regular intervals in between. Our food included some well-known dishes such as fried rice, spring rolls, roast pork buns and prawn dumplings. We each got one serving of each dish, with a lucky few occasionally helping themselves to seconds. Our meal was a chance for some of us to not only experience Chinese cuisine but also an opportunity for some to show off their chopstick skills in front of their friends.

After the Yum Cha lunch, we assembled outside for a group photo in front of the restaurant. Following that, we all proceeded towards the George Street Event Cinemas to the scheduled screening of "Explosion". Some people took the opportunity to buy food and drinks (apparently the lunch may have not satisfied a selective few) and sneaking them into the cinema for snacks during the movie. As the cinema was relatively empty, the students decided to seat themselves towards the back and spent the next two hours immersed in the movie. The movie was about the conflicts the protagonist experiences while in search of the truth surrounding a mining incident which he was involved in that resulted in the deaths of several co-workers.

We would like to thank Ms Zhang, Miss Fong and Miss Tang for their efforts and hard work in organising this excursion for the students of Chinese classes this late in the school year. Without them we would not have had such an enjoyable experience.

HIGH SAILING

Sailing Christmas BBQ

This Saturday marked the annual High Sailing Christmas Party, a BBQ lunch and an excellent chance for parents and friends to enjoy sailing with the boys on our boats. We were greeted by high winds of around 40km/h, which we took advantage of with an intensive two hour training session focusing on constantly managing our boat speed and testing combinations ahead of the Sail Sydney State Championships later this month. The experience will be valuable heading into the competition, and will hopefully translate into High backing up our successful 2016 campaign which saw the school win first and third positions over three gruelling days of racing. Following training, numerous parents and friends boarded the boats alongside the High sailors and experienced the heavy winds for themselves, an especially exhilarating experience for the younger siblings!

With regular racing over until next term, I strongly encourage all sailors to look towards the National Pacer Championships in early January, as a fantastic opportunity to hone your skills against the best the country has to offer. I also hope everyone will continue to train at least once during the holidays, to ensure our stellar results in the first half of the season are maintained. I'm already looking forward to seeing everybody next year!

Tennis 1st Grade Report from 25 November

25th November, the First Grade team played at home against rivals Newington College. The team went into the match with a fighting mentality and the understanding of the importance of the fixture. The day started with High going down 3-0 down in the doubles. We were expecting at least one or two doubles, and we had match points in the third doubles and strong leads in the first doubles, but unfortunately we were unable to capitalise on our chances. Our poor performance in the doubles made our tasks in the singles tougher. Samuel, Cyrus and Andre won their singles easily, playing simple, smart tennis. However, we were unable to win any other matches. I lost, Hikaru lost in two sets, fighting hard in the second test, Antonio lost in two close sets against one of the strongest players in the GPS. We ended the fixture at 6 matches to 3, an outcome we didn't expect coming into the day. The GPS title just became a lot harder, but still possible if we win every match onwards.

Jonathan Kurniawan Year 8

Due to a dental condition he suffers from, Jonathan is unable to participate in Saturday sports at the moment but is a great assistant at tennis during sports time and also to basketball on the weekends. He has been a great asset to both sports. If your son is injured it is good for them to stay involved in extra-curricula activities. Encourage your son to speak to his coach, teacher or any MIC of a sport about how they can stay involved and take the opportunity to continue being part of a school sporting team effort. Even if it is not directly.

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

School Student Code of Conduct – Students travelling on buses must: -

- Tap your Opal card when joining and again when exiting the bus. This is particularly important as the data collected from the on bus fare collection system may be used for service planning purposes
- Use school bus specials when provided
- Vacate seats for adults when requested
- Follow the driver's instructions about safety on the bus
- Respect the needs and comfort of other passengers
- Behave appropriately at all times (e.g. no offensive language, no throwing things)
- Protect bus property (e.g. no vandalism)

Students are reminded to: -

- Only use the Opal card for its intended purpose i.e. for travel between home and school during school days (does not include travel to and from Saturday sporting activities)
- Maintain possession of your Opal card at all times

Authorised transport officers are deployed to inspect **Code of Conduct** compliance on school bus services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement.
