

From the Principal High Talent

Congratulations to Samuel Yu (11T), Andre Putilin (11S) and Hikaru Ikegami (10S), who have qualified via selection trials to attend the CHS state team trials in Bathurst, where the NSW team for the Pizzey Cup national schools tournament, will be chosen. Combined GPS basketball teams were announced this week. Sebastian Diaz (12M) and Oscar Dumas (12E) made GPS firsts with Noah Casaclang (11T) selected in 2nds. Congratulations, boys!

Tell Them From Me Survey

The online survey of student opinions about school life has opened. I encourage parents to talk to their sons about the importance of using an opportunity to express their views and

influence possible change. The survey gives students a voice in our development of policies and processes. It is very simple to access and easy to complete. This year

there are several questions designed specifically for our school. The survey closes on Monday 9 April.

The Record

Captains of summer sports teams have a responsibility to prepare a short report about the season their team had. A focus on the positives is appreciated and also highlighting any good individual performances. Reports should be submitted electronically to Ms May. One enduring feature about *The Record* is the pleasure gained by Old Boys returning after 30 or 50 years who relive moments of their teenage years through the photographs, names and summaries preserved in *The Record*. Co-curricular activities need to submit reports also. Supporters with good action photographs are asked to email them as attachments to Ms May who might be able to use any interesting ones in *The Record*.

Parents are asked to remind their sons to submit their reports if they captained a team or crew in summer sport.

Rowing Assembly 2018

My speech to the rowing assembly is reprinted below:

Special guest Mr Anthony Blower, CEO of Rowing NSW, parents, teachers, rowers and students, welcome to our 2018 rowing assembly. We are gathered at the traditional time – the Friday before the Head of the River - to honour the Head of the River crews as they prepare to put their bodies on the line for their crews, themselves and their school. There is a very strong tradition around celebrating rowing at High.

I would like as a starting point to express my profound appreciation for George Barris (SHS2001) for his work on behalf of rowing in his first season as MIC and Coaching Coordinator. He has brought advanced administrative and organisational skills to the roles and has lifted the program to a new level. A visit to the Outterside Centre will confirm how much has changed. Gareth Deacon (SHS2010) has returned to coach the first VIII and is getting some good performances out of the boys. Thank you Gareth. Steve Comninos (SHS-2014) is back in his second year as 2nd VIII coach. Thank you to Michael McCrea and Daniel Xu (SHS2016) for their work with the 1st IV. Wesley Zhang (SHS2016) is managing the 2nd IV. Terry Fong (SHS-2014) has moved up to coach the 1st Year 10 VIII. Working with him is Ashley Chan and the 2nd Year 10 VIII. Thank you for your work, Terry. Robert Yuan (2016) and Oliver Lethbridge (2016) are managing the Year 9 quads. Marguerite Pain is continuing to develop High rowing in her role as Year 8 quads coordinator. Daniel Tran (SHS-2014), Matt Whittaker (SHS 2017) and Kieran Shivakumaaran (SHS2017) are introducing our Year 7 boys to rowing. Thank you to the teachers involved in the program this year, veteran Mark Gainford and in her first season, Joanna Chan.

Thank you to the Rowing Committee for all that they do: Charlie and Anneliese Appleton, Michael and Violet Schanzer, Tracy Whittaker, Ron and Pit Trent, Zarir Karanjia, Fred Shao and Carmen Lam. In particular, all the volunteers and officials at the High Regatta do a wonderful job to make the event run smoothly. Thank you to the rowing family for

their support of the fundraising for the purchase of the new VIII to give our boys a boost of confidence going into the regatta. Thirty years ago at the Head of the River, Con Barris was MIC and the captain of boats was Cameron Cheetham. In 1988 the High second VIII was the second most successful in High history at that regatta, rowing into fifth place. The first VIII was 6th. In The Record of 1988, C. Karihaloo from the second VIII wrote: "we were not defeated on the water, we were defeated in our minds". The strength of self-belief in a crew can drive them faster or slow them down as their conviction and energy levels fall. Cheetham wrote that he hoped future High boys, would not have "to watch High crews row their guts out and lose, simply because they don't know they can win". He outlined what it would take to win the Head of the River – determination and the will to win; great style and technique; and considerable size and strength. There were 15 Year 12 rowers in crews at the Head of the River that year. It would be heartening if we could get that number of committed Year 12 student in our crews. Cheetham made a plea to the audience: 'Don't let Sydney High become the easy-beats again!' That's what we all want. If only it were as easy as just wanting that to happen. Hard work and consistency are the keys to success.

These days, we suffer significant disadvantages in strength and size compared to our GPS competitors, therefore we must compensate by building on the other two components of victory. Our goals are more modest – we want to beat at least one other crew. I don't see that ambition as a compromise but as a step forward for the program. We have to learn how to win by winning. Affirmation of effort inspires more effort. Our self-belief will grow if we stick with our nearest competitor. Stay with them at whatever cost for the first 500. A reasonable target for our boys in the 1st VIII is to be within 6% longer than the winner's time. As the 19-year average time for winners is 5.55.96 our 1st VIII boys have to row 6.17.32. I believe that is doable...you have to believe it, too. Learn how to win in your context. Set appropriate goals and learn how to hurt yourself more to achieve them.

I want to congratulate all the boys who have been selected to compete for High it has always been seen as a great honour. I hope you are justifiably proud of your achievement so far and are looking forward to the big challenges ahead. On behalf of all competing crews who have worked so hard for this one event on this one special day, I ask that as many of you in the audience as possible, make the effort to come to SIRC for the Head of the River to cheer them on.

Meet The Prefect Intern **Head of the River** **March 17 2017.**

Sydney High is a place of opportunity, encouraging individuals to strive to the best of their ability; offering them so many different experiences that they cannot receive in other places. I came to High as a cricketer, a

small boy wider than I was tall, content that I was going to open the bowling for the 1st XI one day. Yet now I leave as a rower, a member of the 1st VIII, having zero regrets in my decision to switch sports, grateful for having played both great sports. Without the opportunities given me at Sydney High to interact with top class boys, people I've never met before, I would not be where I am now. The experiences I have gained as a High boy will be with me for life. I strongly encourage all boys to try new things at High. You don't get many opportunities like this, so take advantage of them, and enjoy your time at High while you can. When I leave High to begin the next phase of life, I will always look back at my time in this great school with utmost pride at being part of a great culture of learning and sportsmanship.

As rowing prefect, my goal is to make rowing a more fun and enjoyable experience for all boys while encouraging more juniors to get involved, so that they, like me, would one day have the opportunity to represent High at the GPS Head of the River. This year has been a great success in the start of a new phase of Sydney High rowing, with great optimism going forwards. Rowing has been such a big part of my life for the past six years, and it was a pleasure in 2018 to give something back to the school as the Captain of Boats.

Courage To Care Workshop

The Equality Committee and some of the prefects participated in a two hour workshop on how to stand up against bullying and discrimination. They met Mimi, a Holocaust survivor who shared her incredible story of how her family were helped and hidden by a series of brave people so that she, her parents and brother escaped the Nazis. Mimi's family eventually came to live in Sydney, where her brother attended SBHS.

The students discussed why it is important to be an up stander but also learned why the volunteers from Courage To Care think that it is important to work with bystanders, as witnessing bullying and being scared to do anything about it can be upsetting. This is why students can report discrimination, bullying and welfare issues via the student portal

DEBATING

Debating Report

This week I thought it would be interesting to share the figures for student debaters and coaches over the last years. As you can see our number of debaters has grown hugely which makes us the biggest and most inclusive debating program in NSW.

This is a marvellous reflection of our terrific program which written by the Coordinators and is taught by a combination of enthusiastic and experienced coaches – either old boys or University debaters.

Shore Regatta

Last Saturday's regatta at Hen and Chicken Bay was our crew's best race of the season. Not only was it the last regatta of our season, and coincidentally, it was also my birthday. With Jack Smiles as bow, Ashwin Barrett as two, Klimenty Tsoutsman as three, I, Nelson Cheng as stroke, and Aaron Lim as Coxswain, we make up the first Year Eight quad.

When we made our way up to the start, a feeling of anticipation and excitement filled the air. We were up against, Sydney Grammar, St Josephs, and Shore. "Three quarter, half, three quarter" I whispered to my crew members, getting us ready for the next four minutes of hard, intense rowing. WOOSH! Off we went. Our race start was the best we've done all season. One hundred metres went by and we were neck-a-neck with Grammar and St Josephs, with Shore leading ahead. Stroke after stroke, we pushed our way through the course with power, determination, and pride. Five hundred metres passed, we were halfway. At this point, we were ahead of Joeys by a quarter of a boat length, but Grammar had overtaken us by half a boat length. As our boat approached the last hundred metres of the one-kilometre course, we prepared for an all-out sprint to the finish line. "THEY'RE CATCHING UP!", Aaron shouted. We pushed harder than ever before. Unfortunately, we finished the race just three seconds off Joeys. It was still our best race all season.

Head of the River

Saturday 17 March 2018

Please come and watch all the action at Sydney International Regatta Centre from 10am. The Regatta lasts 2 hours and there are buses running from school. Tickets can be purchased at the front office.

Rowing Dinner

Saturday 24 March 2018, The Great Hall, 5.30pm

The Rowing Committee invites you to the traditional 'Boatshed' Dinner.

It is a very special opportunity to celebrate the efforts and achievements of all our boys as well as acknowledge staff, coaches and supporters. All crews will be introduced on the stage.

The evening is both a formal introduction of our representative crews for the season and a great opportunity to socialise and show support for the boys after their efforts in the GPS Head of the River. The cost of the dinner is \$40 for adults and students. Soft drink and mineral water will be provided.

SBHS SAILING

Boat Naming Ceremony

Our two new state of the art pacers were officially named last weekend in gratitude for the services of **Richard James** and **Marika South** who have both served the High Sailing program over a number of years.

These boats will allow our boys to enjoy the sport and develop their skills to compete at the top school level for a number of years.

Special thanks to all who contributed to the program via ASF donations and through contributing in many ways via the P and C.

Sailing P and C

The sailing program only works with an active and supportive parent consort. Thank you to all who have given time and effort to SBHS Sailing. There are 48 boys in the program and we would love to see some more involvement by parents. There are many ways you can contribute even if you are very busy or live a long distance away. For info please contact Matt Cotton at: cottonm@sbhs.nsw.edu.au or Presient Alan Khaw at: alan@khaw.net

SHOOTIN' HOOPS

231

Welcome to the last Shootin' Hoops for the season! It's been awesome to see the basketball culture at High growing over the past few months. First and Second grade had a crazy turnaround season; after both losing their first two games, they turned things around and won their last five, placing Firsts in 3rd and Seconds 2nd. And with the majority of Seconds players in year 10 and several Firsts players returning for another season, the future of First and Second grade will be nothing short of exceptional, mark my words.

And we have some new numbers added to the All-Time First Grade Records: Oscar Dumas notched the 6th highest productivity (40.5) behind several entries by Geoff Gerlach and Craig Moller, and Sebastian Diaz has 7th

and 20th for points (34 and 30 points respectively), among names like Emmett Naar and current second grade coach Sam Higgins. Well done boys!

The rest of Opens did a solid job of bagging wins in most of their games, and 16s still held their own against a much bigger Kings side. But the real stars are the 15s, who despite having tight score lines managed to pull through

with wins in 5 out of their 6 games. Additionally, 14s and 13s have continued to improve, with those losing margins slowly getting smaller and smaller throughout the season. Terrific work boys! Make sure to continue this level of effort through the offseason and we'll be good to go by term 4.

The NBL playoffs are continuing. Make sure to keep up to date on the results. The season awards have been announced, and the MVP went to Bryce Cotton of the Perth Wildcats, and fellow teammate Damian Martin received DPOY. Unfortunately, Old Boy Crag Moller just missed out on Rookie of the Year to Sydney Kings' Isaac Humphries. Let's hope he can prove them wrong with his postseason performance.

That's all for this season! Make sure to purchase your tickets to the Annual Basketball Dinner. *Make sure to get involved some way in basketball over the offseason. Playing ball at lunch, Reps training, putting shots up after school; whatever it takes to move the program forward.* But until next time, you know how it goes: **Play Hard, Play Smart, Play Together.**

Thank-you to the Basketball Committee – From Mr Hayman

Go HIGH!
Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible
Brought to you by Adam Gordon and Alex Zhou

Cricket Report

This week against Kings in the one-dayer concluded the GPS season.

1st XI Report:

With the Year 12s playing in their last ever GPS game, everyone was eager to help them finish off on a positive and bring our GPS season to a strong finish. We won the toss and chose to bowl with overcast conditions and a damp pitch hoping to suit our team. Our opening spell started strongly but we were unable to hit the right lengths and the Kings batsmen were allowed to get settled. Despite a few wickets falling, we knew we needed to bowl better. And so, Anish, in his full 1st XI debut, put the ball on a dime in his first spell, troubling the batsmen constantly and beating the edge on numerous occasions. A great start to his 1st XI career and hopefully he carries this to the next season! Abhijot and Menuja also bowled tight in the middle overs before Hunar and Nick came back on to restrict the batsmen. Unfortunately, Kings were on a six or out mission and piled on some back-end runs. They managed to amass a large total in the final overs and changed the way we would have to bat in

our innings which began positively with Menuja and Saaranagan putting away a top opening attack with ease. However, a few lapses in concentration led to some soft dismissals and we were soon with our backs against the wall. We failed to build lasting partnerships and to put pressure back on Kings but instead only managed 100 runs. A disappointing end to the season but hopefully our boys can work over the winter break to improve next season!

This GPS season has had its hits and misses, with our sole victory against Newington being our sweetest taste of victory this season. We still have our CHS game against Dubbo High to go and will look to compete to our best ability and make it to Bathurst!

2nd XI Report:

The 2nd XI started the day with an intent to have fun and make the final game enjoyable for the departing Year 12s. Being put in to bat, we lost wickets in clumps and only managed to put up 101. Credit to Symeon who stuck at it, getting 22* and looking in good touch for his final innings at High. Our bowling innings proceeded with Soneeshun doing his usual magic and blitzing the opposition with some pace. Unfortunately, the batsmen stuck at it and chased the total down quite easily. Overall, the Year 12s had fun

on the picturesque JS White Oval and although we didn't win many games this season, our team has always enjoyed the matches.

Team of the Season: 15Cs

Congratulations to the 15Cs on being named the Team of the Season and the recipients of the prestigious David Smith Cup. As winners of 6 Saturday/ GPS games, the boys have been the standout performers in the cricket programme and have backed up in all aspects of the game. Credit also goes to their coach Peter Yu, who has helped them achieve this award. Hopefully you boys keep it up next season and share your winning secrets! Shoutout: 16Bs who were tied with the 15Cs leading up to this match but unfortunately suffered a loss this week to finish runners-up. A massive thank you goes to coach Phil Colgan who got the best out of the boys! Good job guys!

Individual Team of the Season:

For the purposes of this 15 man Team, 7 batsmen, 3 all-rounders, 1 wicketkeeper and 4 bowlers will be selected. The team is based on the top individual performances from the year and appearances in the High Notes from all games, as written next to the players:

Season Report from Year 7 Cricketers:

Within a short period of just 5 weeks, it was the beginning and the end of this year's season for the 13As. We had a great start playing Shore in the first round, coming away with a win with a total of 180 runs. However, the next few rounds proved to be tougher and, although we worked hard as a team and played some good cricket, we lost the next four of our matches.

In the batting, we had some impressive individual performances from Varenja Taneja and Aayush Madan who scored runs in the 40s. Chris Roussos totalling 140 runs for the team which included a couple of 50s.

Our bowlers also pulled through with Ishan Tariq 3/23 off 5 overs, Taran Shah 1/15 off 6 overs and Zayn Hakim 2/11 off 3 overs.

I believe that this season, the 13As cricket team displayed a positive attitude and sportsmanship at every game, and represented our school with pride. We had a fun season getting to know each other and starting our school cricket journey, and we look forward to more cricket success throughout our years at High.

Chris Roussos
13As Captain

The Sydney High Cricket season has seen several ups and downs this year, with highlights being: hosting the annual 5 Highs Competition and 2 individuals (Cameron, Hunar) making the Team of the Tournament; playing deep into the Alan Davidson Shield and seeing improvements in all age groups, especially the U16s. We look forward to next year and even more achievements!

This coming Saturday, we have our annual Cricket Dinner in the Great Hall. For all boys coming, remember to wear school uniform and show your appreciation to your coaches. Good work this season boys and we'll see you in Term 4.

High Rugby

The season is nearly upon us and for any boys who have not yet chosen or finalised a winter sport we still have a few spots in the winter sport which epitomises the spirit and values of Sydney Boys High in what promises to be a great year ahead!

See the following link of our Year 7s playing the game
<https://youtu.be/YfcOrfsb61s>

New Parent and Student Intro

Misgiving 1 "...I am too small to play rugby"

Rugby is a game for all shapes and sizes and what we lack in size you can guarantee we more than make up for in tactics, elusiveness, speed, technique and spirit.

Misgiving 2 "...we might get hurt playing rugby".....

Rugby is a contact sport but major injuries are very rare. We have fewer injuries in rugby than in soccer/football and basketball. The last thing we want is injuries so we play only at a level that minimises risk of any injury and train the boys fully.

Truth..... School rugby instils lifelong character dispositions and employable skills. To name just a few. Problem solving within a team environment, creative thinking, courage, integrity (we only fall down when we are tackled), respect (we treat our referees and fellow players with respect).

Please take time to consider a letter written to High by a parent and member of the rugby committee who has a student playing and benefiting from the game.

"We want Year 7 boys that have never played Rugby to consider playing. The coaches expect no prior knowledge and yet bring together the new players in the team so well. It is a joy to watch that very first game.

Rugby at High has a very special home ground of which we can be proud: McKay Oval at Centennial Park with Fairland Pavilion for our afternoon teas. The amazing High spirit shown at the final game against Grammar last year was a wonderful example of what it means to be part of High Rugby.

To say you went to Sydney Boys High is one thing. To say you played Rugby for Sydney Boys is another. "

Year 7 Try Rugby Day

All Year 7 made it down for our annual try rugby day and enjoyed the activities and the BBQ lunch. Some great potential was shown and the boys really got stuck in. The final of the house Sevens was won in a tight final by McKay after the longest semi-final sudden death play of we have seen. See some of the action below

Athletics Update

Just giving a heads up in regards to High Athletics. Our school carnival Athletics Carnival is fast approaching (Monday 26 March at ES Marks). The school is offering free running training all year. During the winter season, starting Monday 12 March.

All sessions will be working on running technique but will differ in the style of training. Sprints is mainly for acceleration, speed and agility. Hurdles is for anyone interested in the activity. We run hurdles at the school carnival so I strongly advise year 7's to learn before the school carnival. The middle distance session will be aimed to improve speed endurance and fitness.
