

## From the Principal

### Welcome back to Term 4

I trust everyone had a relaxing school vacation, despite the weather. The HSC commenced this week and the assessing and reporting of other years will occupy us right through to the second week of December. I am pleased to announce that long-term temporary science teacher, Natalie McKenzie, has been appointed permanent at 0.8 FTE. This term HT English, Michael Cinquetti, is on leave. Ms Julie Eggleton will be relieving HT for the term. Mr Rhett Boland has accepted a permanent position in Industrial Arts, commencing in January, 2019.

### High Talent

Congratulations to Alex Yeung (10S) who represented NSW and won gold medals in the Under 18 boys' teams and Under 18 doubles events at the Australian Junior Table Tennis Championships held in Townsville. Wentao Ruan (SHS-2017) won the B Grade NSW Queens competition in target rifle shooting.

### Tell Them From Me Survey

The online survey of parental opinions about aspects of school life is about to close. This is your last chance to have your say before the survey closes on October 26. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website

at: <http://surveys.cese.nsw.gov.au/information-for-parents>. I urge all parents to participate. Parent voice is very important to us at High. To have your say about our school go to <https://sbhs.co/pil18>

### Foundation Day Assembly

My speech to the assembly is reprinted below:

Special guests: Geoff Glover (SHS-1968), former Principal Bob Outterside, Life Governor George Lewkovitz, Emeritus Professor

Geoffrey Kellerman (SHS-1942) Professor Ron Trent, President P & C and SBHS School Council; School Captains Ben Wilcox (2012), Hugh Bartley (2017), Vice Captain Vishal Karanamadakala (2016); Senior Prefect Dharmesh Sharma (2017) distinguished Old Boys from the Class of 1968, staff, parents, Prefect Interns and students, welcome to our Foundation Day Assembly for 2018.

It is our pleasure to host 1968 Old Boys to celebrate Founder's Day with us this morning: Geoff Barnard, Ross Feller, Ian Gilbert, Ken Ho, George Minucos, Gary Nairn AO, Boris Patkin, Richard Sleeman, Geoff Symonds, Dave Whyte, John brand and Norman Yee. Thank you so much for coming. We gather again today to celebrate the opening of the School on October 1, 1883. It is an annual rite of passage to remind ourselves, and our student leadership group, about what the school was established to achieve. Our foundation principle was to develop our students to qualify for entrance to university. In addition, our membership of the AAGPS since 1906 is celebrated. Our school nurtures scholar-sportsmen. It provides opportunity for excellence.

We honour the impressive student leadership traditions that have developed over 135 years since our establishment. The investiture ceremony for Prefect 'Interns' restates our belief in our core values, preserves our past traditions of service, revives the stories that bind us to our understanding of those traditions, and reaffirms our vision for the future. Modelling cultural values through leadership is, and has always been, an integral aspect cultural sustainability.

In January, 1968 Harold Holt went for his last swim at Portsea and John Gorton was sworn in as Prime Minister. In April, Billy Graham the evangelist toured Australia. In April, Sydney's water was fluoridated. In July one hundred students were arrested in during anti-Vietnam War protests. In October, mail deliveries were cut from two per day to one. At High, the first XI of 1968 were co-premiers in cricket with Scots. High has won the GPS first grade cricket only three times since then.

Campbell, Glover (1<sup>st</sup>) and Brand (2<sup>nd</sup>) were selected in the combined GPS sides. Geoffrey Glover took 12-44 in High's outright win against St Josephs a rare occurrence in our history. Ross Miller and Mick Wheeler were selected in the combined GPS first XV and John Brand in the 2<sup>nd</sup> XV.

Derek Luxford, in his 1968 School Captain's message, wrote that "Sydney High depends very much on people who have either left the school or never attended it". He called on students to show equal support for the school from within as the Old Boys and parents displayed from without. The reputation and traditions of the school depend for their maintenance and enhancement on the participation of current students. Students, he concluded, "have inherited from the past, and must use the present wisely to provide for a worthwhile future." The leadership group in our school are the custodians who must ensure that current students contribute fully to the accomplishments of the school in 2019.

Fifty years on, I can reiterate confidently the sentiments of Murray Callaghan, Headmaster (1964-73). He wrote in The Record in 1968, 'I know of no school, of any type that offers to its students more opportunities than does Sydney High School! He listed: first-class teaching and resources, guidance in study, personal problems and future career, physical development in the gymnasium, mid-week and weekend sport, interest and social contact through interschool and intraschool activities and service and leadership opportunities through Cadets, Prefects and School Union Committees. He challenged his readers to ask themselves whether they were taking advantage of all that was offered to them. His challenge has been repeated often by Principals and School Captains since 1968.

High has held steadfast in the intervening years to its ethos of providing opportunity. We also want to facilitate those students who want to pursue excellence in one or more areas of school life. Our visitors from the 1968 graduating class will relate to the current ethos of the school. Fifty years ago, there was less organised competition in co-curricular activities such as chess, so many boys with common interests formed themselves into clubs to share them. We provide more structure, supervision and resources than were available 50 years ago, but what is common to the activities of 1968 and 2018 is the necessity of effective student leadership to get things going and hold them together. Committed participation is necessary.

Turning to those who will carry on the fine leadership traditions at High, I expect our Prefect Interns to be great role models and demonstrate high quality leadership. Each one of you must pledge to uphold and enhance the traditions of this fine school. You will have to maintain a high academic standard, in state terms, throughout your internship. You will need to participate in two GPS sports in your final year, starting with summer sport in term 4. You will need to earn 100 Student Award Scheme points and qualify for an Award in this current year and in 2019. You will need to demonstrate to all your peers by your dress, demeanour and self-regulation that you believe in the ethos of the school. Your behaviour, attendance and punctuality will need to be exemplary. We have set a stern test. Some of you may not pass it. You have all shown that you have the makings of a School Prefect. Your Internship will be successful if you can reach the standards required with dedicated effort. I congratulate all Prefect Interns who will be inducted here today. I trust you will uphold and enhance the Foundation principles of the school.

### Meet the Prefect-Intern

Every day I take a bus, train and then a bus again to get to school. It's a long way but I love it - the travel, meeting familiar faces and listening to interesting podcasts. And since enrolling in 2016, I have more students join me on my trip every year. Through the years, my love for Sydney Boys High School has grown. I make this journey every day because of the amazing opportunities at High, and I think it is important to be grateful for those.

I spend most of my time playing basketball, football and with friends. And obviously... studying. But honestly, it's the things away from the books that I value the most. Just recently, leading the chants at the recent GPS athletics carnival was one of the most exhilarating experiences of my life. Giving my first speech as part of the graduation assembly and eagerly watching as the first-grade debating team defeat their opponents with a snap of their fingers. It's those experiences that I live for.

It is an honour to be elected as the School Captain for 2019, and I would like to use this opportunity to help others feel as proud as I do to be a High boy. Over the next year, along with a highly talented and exceptionally capable team of prefects, I hope to build upon the foundation already set out for us. I look forward to an exciting year.

### Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian.

If your son is going to be late for school a note is also required. Alternatively, you may contact the school by phone on 9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date and roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

### FABULOUS NEW PAPER BASED BOOKS (I READ THIS HOLIDAY)

#### Colombiano By Rusty Young

I was not sure I was going to enjoy this book about child soldiers. I have read about child soldiers before and I am horrified at some of the atrocities they have committed even though they are abused and often kidnapped children.

However as a society we do need to look at

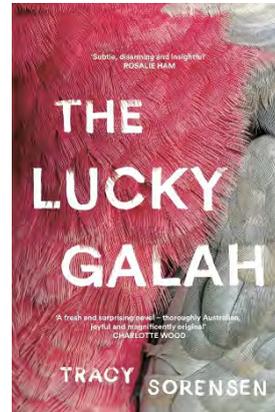

the circumstances of child soldiers and we do need to treat this issue justly. So I thought I would give this book a chance and I am glad that I did.

Luckily this particular child soldier and purported writer, who was 16 when he joined the Autodefensas in Columbia, has not been responsible for really beastly bloodthirsty behaviour but he has killed people. He did learn in this story to relinquish the opportunity to kill his fathers' murderers. So I found this rather interesting as this was his motive for joining this rightist leaning guerrilla army. The Autodefensas, also paramilitary - fought against the Communist guerrillas in Colombia.

This book outlines the story behind the drug industry in Colombia which the Americans tried hard to disrupt and destroy. Both Autodefensas and Communists used the drug trade to finance their effort to politically control Colombia. The way this corrupted the whole of Colombian society - not just the child soldiers - is what makes this book compelling reading.

While child soldiers do feature in this book the book is really about the South American drug trade. Rusty Young - the author - lived and worked in counter terrorism in Colombia. So the book is not unbiased but we can

speculate on the point of view of the young Autodefensas recruit a boy the age of many of our children still at school. This book is rather naïve in tone. This makes it suitable reading for our boys but I am not sure that the writer should have been aiming at a young adult audience.

#### The Lucky Galah By Tracy Sorensen

This Australian novel is about the personnel manning the outback satellite dish in Western Australia which relayed the moon landing in 1969. Several movies and TV series are currently focusing on the American Moon landing and their spy technology for example at Pine Gap.

Oddly - while supposedly narrated by a galah - this book tells the story of the unlikely scientists and technologists - "trackers" and their families- who had to deal with this remote locality. Normally I find animal narrators annoying but I quite liked this one. I like the fake non-judgemental way the galah discusses the characters around her. The galah appears to make no judgement of Linda and her affair with the rather smelly Dogger. The galah has no problems with slobby, drunken but child compliant Kevin and his infatuation with the Pauline Hanson derived Kimberly Lamb. The galah does not reveal until the end of the book that his much loved Lizzie is aboriginal. The galah leaves it an open issue whether Evan Johnson suicides after he suspects that Stella is not his daughter. The galah also implies that Australian society is also too lazy and uneducated to be judgemental.

This book is a laid back analysis of Australian social values in the 1960's. As I was a teenager in those years I felt that it was really a book about the 1950's. The author got a few things wrong about the 60's. It is a light- hearted satire notable only for the anger and longing of the frustrated trapped pet galah. There is nothing in this book about Vietnam or Feminism, the pill or the sexual revolution. In our current literature and film both the Americans and ourselves are re-evaluating our values and our technology - perhaps in the light of our mutual shock at the Brexit/Trump era?

**Term 4**

Welcome Back! Hope everyone is refreshed and ready for a busy term ahead.

## Holiday Rowing Report

Following a successful preseason, the 2019 Head of the River squad of 50 rowers, a record for several years, set their sights on maintaining if not improving strength and fitness levels for the upcoming term 4 regattas. With a number of weights sessions already under our belt, the squad undertook a gruelling Coogee stairs run. This was far more intensive than the previous one, with several hill sprints and laps around the beach pushing each member to their limit. Despite the imminent pain, the dedication shown by several rowers was indicative of the new standard of effort and perfection we would strive towards in the later weeks. This was accompanied by a number of water sessions in which the returning athletics members provided a stern challenge to the current top group, where the intensifying competition and distances each session culminated in our first camp. With a series of 6k ergs for both the A and B group, several personal records flew out the window, and with our newfound singles, we undertook the first time trial of many in the season in the dreaded single scull. The maximum effort 3.5km trial, accompanied by a 16km morning session on the Saturday before term has meant the squad would definitely be entering the regatta season on a high note.

# SHOOTIN' HOOPS

## 234

Hello all! Welcome to the first edition of z' Hoops for the season. We hope everyone had a lovely break, and that they are ready to get into another great season of basketball. We hope every team is successful this season and that they improve, for as long as we train and work hard we will get the outcome we want. But for now, let's look at some events that happened over the holidays.

Old boy Ben Carter held another wonderful junior camp during the first week of school holidays. His teaching of fundamental skills really helps all ages in their skill development and performance. We encourage all juniors to attend, because practice makes perfect! Thank you to Coach Carter and the Old Boys for giving up their time to push the High Basketball culture within the younger boys!

Jumping to the NBA headlines, the preseason is underway with predictions already being held about the 2018/19 season. Who will be the named coach of the year? Were moves such as LeBron's the right choice? Whilst the Lakers did beat the Warriors 119-105, we cannot be sure about the upcoming season. What we do know is that it will be an interesting season, with new teams possibly rising to the top. Furthermore, we had the opportunity to see old boy Craig Moller represent the Melbourne United against a preseason game with the Philadelphia 76's. Congrats to Craig for displaying ability and composure in such high level gameplay!

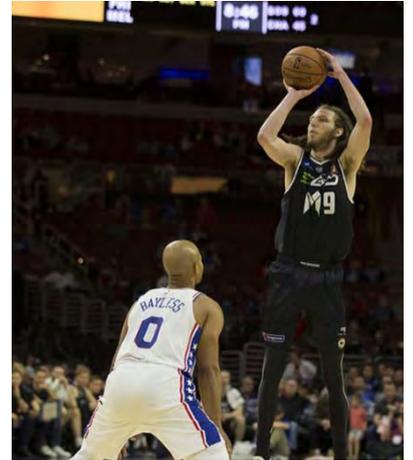

Congratulations to the CHS Opens team, who have received one of eight spots in the Championship Division for the Nationals competition in Melbourne at the end of the year! They will be competing against schools from all over Australia to be the number one High School

team in the nation. Best of luck to all the boys.

1st grade and 2nd grade recently participated in the Sydney Schools Shoot-out. After a hard two days of training and preparation, the teams were raring to go.

1sts were able to secure wins in their pool matches on the first day, beating the likes of Newington, Central Coast and Endeavour. One more pool game win the following day against Cranbrook saw the boys playing a finals game against Grammar. The team was easily able to take control in the second half, breezing past Grammar comfortably and through to the finals, where they unfortunately lost to Riverview. Still, the team knows what they need to do to improve, and will ensure to put their best efforts in, on and off the court. 2nds were able to ease into their comfort zones on the first day, playing matches against Chatswood firsts and St. Augustine's, which gave the relatively newly formed team a chance to test their sets under pressure. Team chemistry ultimately showed against Grammar in the third match of the day, where the 2nds came away with a one point win. The next day, 2nds lost their first game in a pool game against Cranbrook, and unfortunately got knocked out in the semi-final against Riverview. **Coaches Mr Hayman and Mr Higgins played a crucial part in the victories and development of teams over the two days, so a huge thank you to them.**

Anyway, that's all for this week. Make sure everyone continues to put in effort during their training sessions, so High can continue to improve collectively. This week we are up against Joeys. We encourage all teams, especially juniors, to practice when possible to develop their skills, so we can go charging into this GPS season. Remember: Play Hard, Play Smart, Play Together. See you next week!

**Go HIGH!**

**Play Hard, Play Smart and Play Together!**

**Thanks to everyone who makes Shootin' Hoops possible  
Brought to you by Adam Gordon, Alex Zhou and Joshua Suto**

## Cricket Results/News Update – 2018 Term 4 Week 1

Monday 8<sup>th</sup> / Tuesday 9<sup>th</sup> October 2018

Team	Score	Result	Highlights
1 <sup>st</sup> XI	SBHS 10 – 155 vs. ST. ALOYSIUS 2 – 170	LOSS	Arvin Niranjan 39
1 <sup>st</sup> XI	SBHS vs. OTAGO INTERNATIONAL SCHOOL	W/O	
1 <sup>st</sup> XI	SBHS vs. UNSW GREEN SHIELD	W/O	
	W/O = Washed Out N/A = Not available due to two-day match		

### Trial Matches in the Term 3/4 Holidays

We hope that all High cricketers have had a relaxing break for the start of the 2018/19 season and are refreshed for a new exciting season filled with potential for big tonnes and match-saving five-fors.

Our senior 1<sup>st</sup> XI cricketers recently enjoyed the opportunity to take a break from the books and play some trial matches in the holidays. In a shortened match of 35 overs due to wet weather, St. Aloysius was able to comfortably post a total of 170 for the loss of just two wickets. Unfortunately, our batting effort wasn't up to scratch as we fell just short of the required total with 155. However, the boys will come back from the result, regrouping and identifying weaknesses as a team and coming back stronger for the main season ahead.

Some highlights of the match included another Arvin Niranjan (1<sup>st</sup> XI co-captain) gutsy knock of 39, setting up the tone for the rest of the team to follow. It has been great to see the rich vein of form that Arvin enjoyed last year continue to help the team put a competitive total on the board into this season.

Cameron Pereira (1<sup>st</sup> XI co-captain) also bowled extremely well in his first bowl in the pre-season conceding at a rate 1.14 runs an over, putting pressure on St. Aloysius' opening batsman. A wonderful effort!

Josh Lau also played a great second-fiddle role in his partnership with Arvin, chipping in with a notable 22 runs in supporting and consolidating the batting effort against St. Aloysius. Josh is only a junior in year 9, showing great promise for both the season ahead as the 1<sup>st</sup> XI wicketkeeper-batsman and hopefully many seasons into the future.

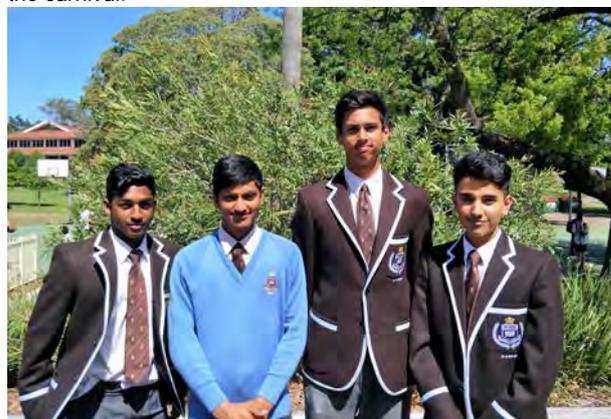

Unfortunately, heavy showers persisted, preventing more trials for the team, with both the matches against New Zealand based Otago International School and the UNSW Green Shield team cancelled due to wet weather.

### Sydney East CHS Cricket Trials

Congratulations to Hunar Verma (Year 11), Arvin Niranjan (Year 11), Vivek Mahajan (Year 10) and Menuja Goonaratne (Year 10) who have all been selected into the regional CHS team on 14<sup>th</sup> September to represent the Sydney East Region at the CHS State Cricket Carnival. The trials held at Kingsgrove were extremely tough with candidates from Endeavour Sports and Kirrawee High also trialling for coveted spots in the team.

The boys have worked hard over the past couple of seasons and their selection is a testament to their work ethic and dedication to training for a long period of time.

We know you will do both the school and the region proud at the carnival.

(From Left to Right) Arvin Niranjan (Year 11), Menuja Goonaratne (Year 10), Hunar Verma (Year 11) and Vivek Mahajan (Year 10) have been selected into the CHS Sydney East Cricket Team.

### Shoutout of the Week: Hunar Verma (1<sup>st</sup> XI)

Another massive congratulations to Hunar Verma who played in the Australian Nationals U17 Cricket Championships from the 2<sup>nd</sup> to 11<sup>th</sup> of October during the term 3/4 holidays. The championships are reserved for cricketers marked by Cricket Australia as having future potential in the game, and only the best young cricketers in Australia are selected and invited to play in the championships.

Travelling up to Mackay and Brisbane, Queensland, Hunar represented NSW and did the High Cricket Community proud, taking 1/14 against Queensland with a highlight of 3/35 against Victoria country!

Let's hope some of that form carries over when he opens the bowling for the school's 1<sup>st</sup> XI when the GPS season starts!

*(Pictured) Hunar Verma bowls against Queensland in the Australian U17 National Cricket Championships*

This weekend's first trial matches will see us play against St. Josephs College (Joeys) in preparation for the main season in week three against St. Ignatius College (Riverview).

To all parents and players, don't forget to go through the points below:

- If the weather is inclement on a Saturday, you can find any changes to the fixtures on the SBHS website on the home page. No changes = game is definitely on.
- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- For training sessions (outside of school hours) and Saturdays, parents are to email through the specific details of absence (**Student number, name, sport, team, reason and date of absence** to [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au))
- Remember all cricket games are important to attend to each Saturday, otherwise you are letting your team down.
- A **100% attendance record** equates to **5 extra Award Scheme** points for juniors.
- Please notify their coach if they are unable to attend training or their fixture.

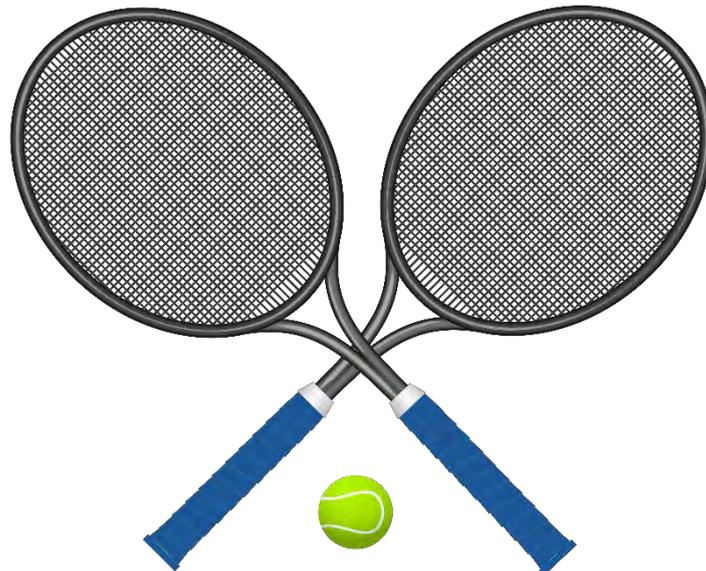

Play Hard, Play with Sportsmanship & High Spirit and most importantly have fun with your cricket!

Good Luck!

From 17 September 2018, demerit points for using mobile phones illegally while driving have increased from 4 to 5. During holiday periods, the offence will attract 10 demerit points.

Learner, P1 and P2 licence holders are not permitted to use a mobile phone at all while driving. This includes waiting at traffic lights or stuck in traffic.

Fines will remain \$337 (\$448 in school zone).

The tougher approach to mobile phone usage comes as road toll continues to rise. Between 2012-2017, 175 crashes involving mobile phone usage resulted in 9 deaths and 50 serious injuries.

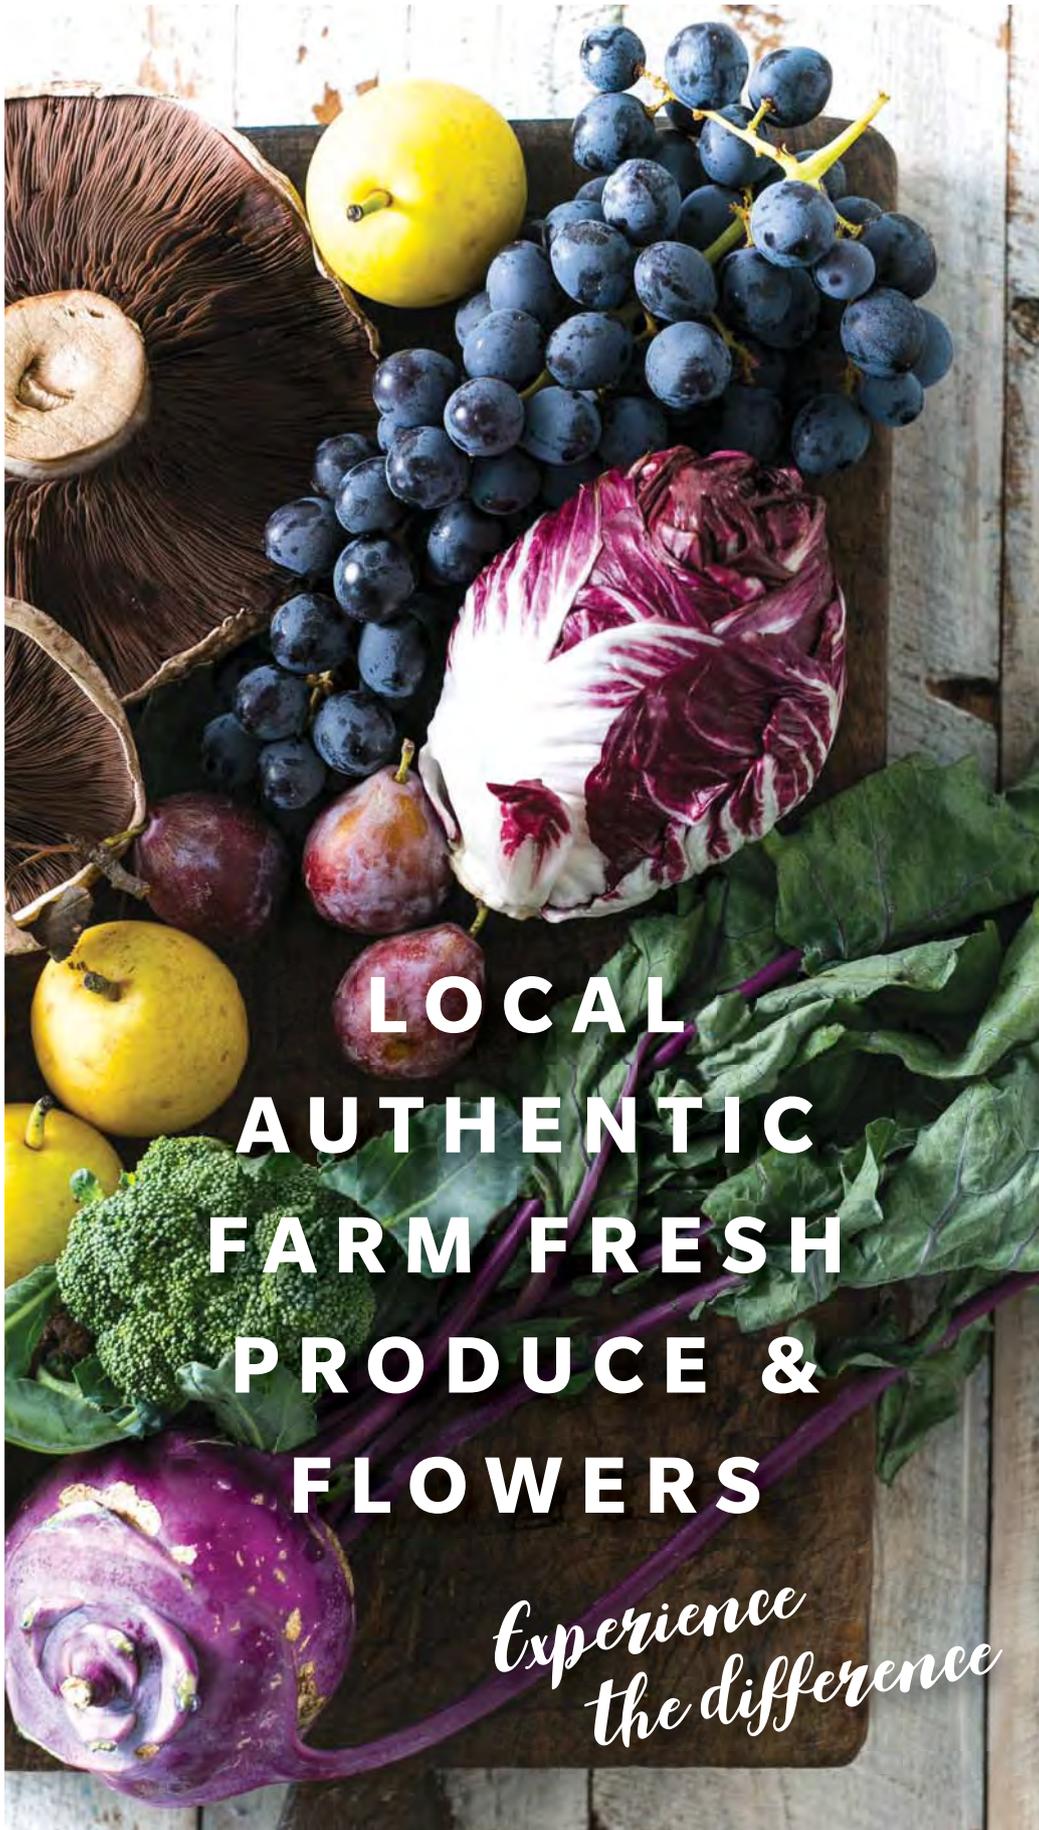

In the last financial year, 40,000 people were fined for illegal use of mobile phones.
