

From the Principal

Staff changes

We welcome Mr Algyris Giantsis into the LOTE faculty. Mr Giantsis is qualified to teach Latin and Classical Greek to the HSC. He replaces Mr Dane Drivas who has taken up a position at Cranbrook.

High Talent

Congratulations to our students Ben Kernohan (10S) and Etkin Tetkik (10E) who won the Australian National Robocup Open Rescue Competition. The boys will now represent Australia at the International competition in July next year. Very impressive, boys! Well done to Branko Stajic (11T), who won a medal in the UNSW Global – International Competitions and Assessments (ICAS) – English. At the Prime Minister's Prizes for Science ceremony, Associate Professor Jack Clegg (SHS-2000), The University of Queensland, was awarded the Malcolm McIntosh Prize for Physical Scientist of the Year, honouring his work making flexible crystals and new separation technologies. Ricky Pachon (SHS-2016) continues his great form, being crowned as Oceania Champion for a third year in a row. He was ranked No 1 in Australia by the Australian Brazilian Jiu-jitsu Federation (ABJJF), for 2017 & 2018. Congratulations, Ricky!

Summer Sport Co-payments: Term 4

The rolls for summer sports and activities have now been finalised. In many activities co-payments are levied for the season – in this case Term 4 2018 and term 1, 2019. Other sports have a policy of fixing co-payments on a term-by-term basis. In either case, invoices

have now been posted. For years 7-10 this means that the summer invoice will be included on individual *Clearance Forms*. These will need to be cleared prior to boys receiving their reports. The base co-payment for sport for a season is \$160 for 2018-19, as adjusted for on costs. Higher charges are levied by individual sports as a result of resolutions passed by the Associations or P & C Support Groups responsible for supporting particular sports. Year 11 boys have been invoiced for term 4 or their full summer sport, too. It would help the MICs for these sports greatly if families could pay for their sports in the next ten days.

Boom gate

We have installed an automatically opening boom gate at Gate 10 on Anzac Parade. The purpose of the gate is to allow people on site after the cleaners have locked the gates to leave via gate 10. As they approach the gate in a car, the boom will lift. It has a hang time of fifteen seconds before it descends, allowing a couple of cars to pass below it. It can sense whether a car is directly underneath it and will not descend. The gate has a key lock to enable a parking supervisor to leave the boom up when they leave the site to allow patrons to exit without having to wait for the boom. We feel its installation will also allow staff not to have to rush out at six in fear of being locked in. It will be most beneficial when we have school functions at night to allow people to exit from the site at will.

Buzzers for staff to activate the boom gate both ways are available at a cost to the school below \$50 each. If this gate proves to be a success, we will move to install more of them on the site. We hope that we can secure Cutler Drive against through traffic and enhance student safety by having more boom gates. Set up costs will be high initially.

Transition to the new payroll system

I am asking for the forbearance of **Managers in Charge** and coaches during the next month. The transition of the school to the new HR SAP system is taking place during the next three pay periods. For the week ending Thursday, November 1 (for work from 26/10 to 1/11) timesheets need to be submitted in advance by **Monday, October 29**. Coaches need not worry about signing off on work not yet done on this occasion. The data will be entered on the current system. MICs will have to keep track of these pre-payments. For the week ending Thursday, November 8, authorised time sheets will have to be handed in by 0900 on Friday, 9/11. On that day, all pays will have to be processed by 1300. This is not going to happen given our large number of employees.

Inevitably, there will be delays in coaches receiving their pays. There is absolutely nothing we can say or do to change things, so let us work stoically together, to get through the difficulties ahead. Rest assured that our SASS people are doing everything they can to get you paid expeditiously.

Meet the Prefect-Intern

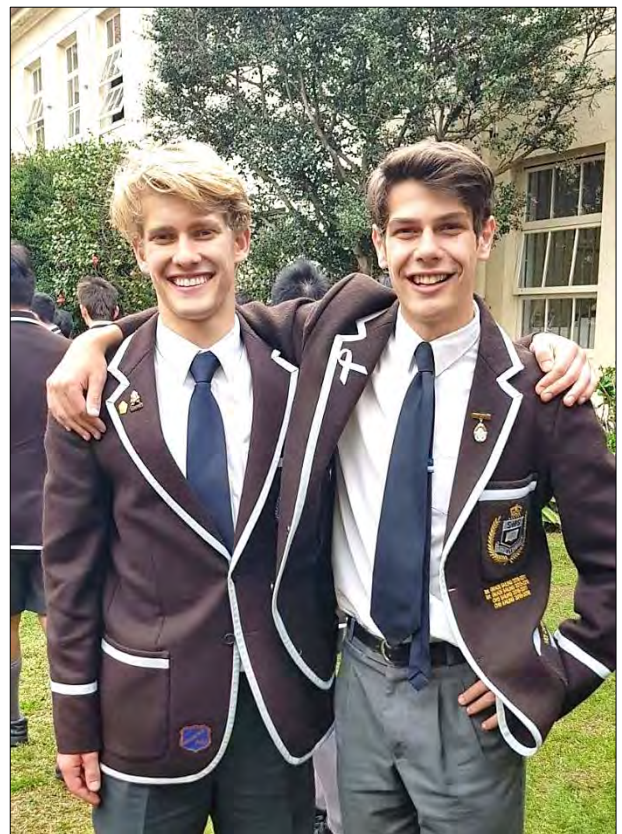

After this year's swimming carnival I found myself waiting for the bus next to an elderly woman. She was well into her nineties, and somehow I managed to get caught up in a conversation with her. As soon as I said that I went to Sydney Boys High, her eyes lit up.

Immediately she remembered the chocolate brown and sky blue blazers of her younger days, telling me of just how impressive and charming she had always thought the High boys were. From that afternoon, I realised that the rich history of our prestigious institution extends far

beyond the names engraved on the plaques in the Great Hall.

I am proud to be a High boy; to be a part of a diverse school community and to hopefully one day add to its culture. We are all fortunate to have the opportunities, resources and raw talent to carve out little legacies of our own. With the outgoing cohort of every year I see boys transition into men, and achieve incredible things along the way.

So I encourage you all to get involved in the High spirit. Trial for a debating team, join cadets, try to improve a few ranks in your yearlies, get lost in the bush during camp, build a robot. Talk to a student you don't know, nearly pass out rowing in a regatta, tackle a Joeys prop on the rugby field, challenge yourself only to get knocked down, and then get back up again. Use this school to discover who you are and what you're capable of.

It is an absolute honour to be representing you all as Vice-Captain. With a capable group of Prefects, and an excellent grade overall, I have no doubt that the year ahead will be an unforgettable one.

Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school
from being absent he is required
to provide a letter of explanation
signed by a parent or guardian.
If your son is going to be late for
school a note is also required.

Alternatively, you may contact the school by phone on
9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have
his note signed by either Mr Dowdell, Ms Powell or Mr
Prorellis **before 9:00 am** and handed in to the Main Office
immediately after. Each letter should be signed by a
parent or guardian with the **name, date and roll class** of
your son **printed clearly**. Your son needs to pick up a
leave pass from the Main Office before he leaves the
school.

Leave

If you require **extended leave** for your son **exceeding
four days**, please apply in writing on the departmental

application leave form which is available on the parent
portal or front office. Your son must then present this
application to Dr Jaggar for permission for extended
leave. Please note that leave applications need to be
submitted **four weeks prior** to your son's leave of
absence.

iEntrepreneur Incubator Program 2018

During the last 12 weeks, we attended the inaugural
ientrepreneur incubator program, run by Generation
Entrepreneur. The program was sponsored by the
Department Of Education and other private institutions
and was hosted at The Sydney School of
Entrepreneurship.

We were attracted to the opportunity to both learn and
grow beneath the tutelage of successful entrepreneurs
and mentors. The students were grouped into 9 teams of
2-5 to build their own start-ups within 3 months. With the
aid of such a variety of experienced entrepreneurs, it was
only within 3 months, before the nine teams were ready
to pitch their business ideas to judges, teachers, parents
and potential investors.

TEACHER TOOLS

A software for teachers to set digital homework, then
centralise and compile the data into information packets
for teachers to customise lessons.

Rob Stokes, the minister of education attended the
demonstration night of the pitches and the chief operating
officer of Sydney School of Entrepreneurship was
pleased with the abilities and vision of such young people.
They were both complementary to the business ideas
proposed by all the teams.

Our Sydney Boys team was supported by two buddies,
an old boy, Esmond Ye and Jess Kong. Y989 Generation
Entrepreneur's vision is to empower young people to
change the world, through higher thinking and solving
global problems.

Overall, this was a worthwhile experience, and
recommend future students participate. We also thank the
teachers that supported us and made this possible.

DEBATING

Debating Report

On Monday we held the Debating Supporters Group AGM. We are saying goodbye to Victor who has acted as Secretary, Vivien who has been the Parking Coordinator and Wendy our Supper Coordinator, but unfortunately they could not attend the meeting. We are also saying goodbye to Pam who has been serving as President for the last two years. In addition to those who are listed above I would like to thank all the parents who have worked in key roles on the DSG: Edwina, Pam and Shauna who have been our supper coordinators and Victor who is our treasurer.

It was very pleasing to see that we had three new parents attend our meeting last night and I would like to thank Andrew who is our new secretary, Cecily who is our new dinner coordinator and Yan who will be the 2019 Parking Coordinator.

Without parent support we cannot run extra-curricular activities at High. You are the oil that makes the machine run and so we are always very thankful to parents who step up and take on key roles at school. Furthermore I think it is a great way to feel more connected to the school and gain a better understanding of how things work at High. This can only be of benefit to your son and the other students.

Manager In Charge of Debating

Sydney Boys High would like to remind all students participating in GPS sports that we have an onsite physiotherapist every Monday morning from 7am – 9am. The School has covered this cost so it is free for your child.

Our physiotherapist Mr Mark Beaven has quite extensive experience in physiotherapy and we are very lucky to have him here at Sydney Boys High School. Mark is from South Sydney Sports Medicine and is a physiotherapist with expertise in hand therapy, musculoskeletal physiotherapy, occupational health, orthopaedics and sports physiotherapy. Mark's experience includes being a club physiotherapist for South Sydney Rabbitohs Rugby League club for 15 years as well as spending 5 years as the physiotherapist for the Australian Kangaroos Rugby League team. He was also the touring physio with the Australian Fijian and Maori Rugby League teams, and has been three times to Europe with the A.I.S. U/18 Rugby League team.

If you would like an appointment to see the physio please see Mr Marcos.

SHOOTIN' HOOPS

Another season, another edition of Shootin' Hoops. A really strong start for teams all across the board. 14s and 15s picked up wins in half of their games, and in particular 14As managed to close that losing margin from last season down to almost single digits. Promising sights for the season ahead. And speaking of promising, 16s were just shy of a clean sweep in their games, proving they have what it takes to keep High's dominance in the higher grades going. Opens were able to win 7 out of their 10 matches. A dominant double-double performance by co-captain Tyler Harapin saw 2nds pull away in the last quarter to win their game by 13, encouraged by back to back threes by Kristian Lisica and last minute offensive boards and put backs by Vasco Santos-Dwyer. And 1sts could do no wrong, with all players putting in a solid performance to blitz Joeys by 28 points. Kwabena Brefo had 10 points and 10 rebounds, Varun Narayanan had 16 points, and Adam Gordon had 15 points and 26 rebounds, tying the school record for most rebounds in the school's history. Well done to all. Thanks to Mr Higgins and Mr Hayman for their crucial roles in coaching and developing the team again.

The NBA and NBL seasons are officially underway. Make sure to keep up with your favourite team. Will LeBron find his place with the Lakers? Or will the Warriors secure another ring for the third season in a row? Or will someone else surprise everyone and contest them for the championship? Who knows? Also, make sure to watch out for several Old Boys in the NBL: Christian Jurlina (Cairns Taipans), Craig Moller (Melbourne United) and Emmett Naar (Illawarra Hawks).

That's all for this week. Next up, the King's school. It won't be easy, but let's show them what we're really made of. Train hard, keep the team together, and only good things can come from it. And remember, as always: Play Hard, Play Smart, Play Together.

First XI Match Report

The First XI headed into the first trial match of the regular school term with weeks of pre-season behind us, eager to prove ourselves after an underwhelming display with the ball against St. Aloysius in the holidays. A quick relocation from St. Joseph's main ground at Hunter's Hill due to late, unforeseen circumstances, saw us play at High at the Main Oval of McKay. With overcast conditions above, we elected to bowl after winning the toss.

An uneven deck that is characteristic of a deteriorating McKay pitch saw Cameron Pereira (Year 11) take 2/14 and Nick Leong (Year 11) take 2-42 to leave St. Josephs reeling early at 3/39 at the drinks break (17 overs). This allowed for us to put pressure on St. Joseph's middle order, testing their temperament.

Unfortunately for us, Joey's First XI managed to turn the momentum in the game, with a defiant 4th wicket partnership, batting deep through the middle session of their batting innings.

Vivek Mahajan (Year 10) and Menuja Goonaratne (Year 10) finally got the breakthrough around the second drinks break, taking 2/23 and 3/12 respectively, and continuing in great form to clean up Joey's tail without a hassle. A wonderful effort lads to leave Joey's at 151 all out at lunch.

For us however, a batting top order collapse left us at 3-40 into our batting innings, a near identical situation to St. Josephs. Bilal Abbasi (Year 9) and Vivek Mahajan (Year 10), nevertheless, were stoic in their knocks this week, again playing an intentful but patient innings to swing back some much needed momentum for our team. Vivek's dismissal for 35 left us with 70 runs to win.

Juniors Bilal Abbasi and Josh Lau (Year 9) again dug deep, showing talent beyond their years to halve the required runs for victory.

Unfortunately, Josh's dismissal for 18 marked the end of our batting resistance, sparking another lower order collapse to leave us just 21 runs short of victory. We ended on 8/131 all out.

Arvin Niranjan & Cameron Pereira
First XI Co-Captains

Second XI Match Report

The Second XI relocation to Moore Park West as a result of some complications at St. Josephs ground saw us play our first match as a unit on the synthetic pitch at Moore Park West 1. Overcast conditions, and some dew leftover from showers for the couple of days prior saw us win the toss and elect to bowl against St. Josephs.

This decision to bowl first played dividends for our team in the field. Subtle Breezes coming from the direction of the school played a significant role in aiding our opening quicks to take 2 wickets (Aleksei (Year 10) and Adi Srivatsan (Year 10)), whilst restricting Joeys to a measly 22 runs in the first passage of play (17 overs).

Further tight and consistent line and length by quicks Rohan Vashisht (Year 11) and Yatin Paditham (Year 11) who took 3/24 meant that Joeys weren't able to garner any real momentum with the bat throughout their innings.

Our energy in the field was a further highlight of the improved culture within the Second XI, with constant chatter and lively conversation allowing for High's fielding innings to be played with positive intent.

As a result of this, Joey's could only manage a total of 109 all out. A wonderful effort considering the relatively small boundaries of MPW 1 and the even, hard characteristics of synthetic style pitches.

However, we learnt the hard way that a fielding innings is only half done. Going into the second innings with high hopes, the Second XI started extremely positively, with opener Adi Srivatsan managing a strong 46 runs in his debut innings for the Seconds.

A strong batting of 2/66 chasing 109 with 20 overs remaining, saw us with victory in our sights. However, momentum was dramatically halted, with a collapse of monumental proportions saw us lose 8/18 in the late middle session, allowing us to be bowled out for 84.

This match has been a tough match, but one in which as a team we will regroup, look at our weaknesses and re-evaluate for the last trial match before the regular season begins against St. Ignatius in Week 3 of Term 4.

CHS Alan Davidson Round 3

Knockout Tournament

Named after Australian Test Cricketer Alan Davidson (pictured), the CHS Alan Davidson Round 3 Knockout Tournament will see High's first XI play in a competition that they made to the semi-finals last year. A competition

between almost all public high schools, the Davidson Tournament is one of the most prestigious competitions for government schools. Current Australian cricketers Mitchell Starc made their school debuts playing for their school First XI at this tournament.

This Friday 26 October will see our current First XI try to go that extra bit further to win the tournament – which incidentally High hasn't won since current cricket MIC Mr. David Smith was the school First XI Captain!

To all students, the game will be played against Caringbah High at Moore Park West 1 – allowing for a quick and simple reason to support the team during your lunch and recess. I know that all members of the playing XI will appreciate any support from the cricket community this Friday.

CHS Alan Davidson Knockout Cricket Tournament 2017-18 Semi-Finalists, Sydney Boys High First XI

Back Row (L to R): Mr. Darius Visser (*1st XI Coach*), Abhijot Singh 2017-18 Cricket Prefect (vc) (Year 12), Hunar Verma (Year 11), Anish Joseph (Year 10), Harris Memon (Year 10), Arvin Niranjan (Year 11)

Front Row (L to R): Aditya Shiva © (Year 12), Vivek Mahajan (Year 10), Menuja Goonaratne (Year 10), Nick Leong (Year 11), Cameron Periera (vc) (Year 11), Bilal Abbasi (Year 9), Saarangan Arvind (Year 10).

GPS Teams of the Week:

15As

The 16As delivered a crushing win to St. Joseph's College, allowing for a confidence boost heading into the main season of the GPS.

The bowling rewards were shared between Ronnie Rastogi (Year 9) and Harsh Shirodkar (Year 9) who took 2 wickets apiece, with Mithilesh Lekhi (Year 9) and Albert Giles (Year 9) also chipping in with one wicket each to seal a well-rounded team effort with the ball.

Our batting was also another team effort with the highlight of Harsh Shirodkar (Year 8) making a wonderful 31 in a top score for our team over the weekend. Harsh has consistently helped our team with the bat and ball and sometimes keeping, allowing us to be flexible with both our batting and bowling options. Ronnie Rastogi also made a wonderful 22 in a supporting role for Harsh, driving us to make a great total of 6-132 to defend.

The match was a great confidence boost and I hope our team continues to play well into the main season in two weeks time.

Ronnie Rastogi
15A's Captain

16As

The 16As have done extremely well in the opening one-dayer against St. Josephs with Hanujan Puvineethiren making an extremely notable 87 throughout our batting innings. He played with grace, taking the role of anchoring our team's batting innings in order for us to post such a strong total against the Joey's bowling attack.

Suriya Paditham also played a prolific role, taking two wickets in two runs in a bowling effort that was otherwise well-rounded our bowling attack. With wickets shared between all of our bowlers.

As 16A's captain I hope that this strong form continues into the season ahead. The promising signs that we have seen last week's game have indicated to me that we have the potential to play extremely well in the GPS competition – starting against Riverview.

Ilham Haque
16A's Captain

High Cricketer of the Week:

Hanujan Puvineethiren 87 – 16As

Hanujan played with confidence and intent his wonderful innings of 87, dropping just 13 short runs of his maiden ton for the school.

He anchored the batting innings for his team extremely well, playing through 5 partnerships to set up a wonderful total that would prove to be unchaseable for the St. Joseph's 16As.

Well Done and Congratulations! We hope your rich vein of batting continues into the GPS season!

Jamie Nguyen
Cricket Prefect

Well done boys on a fine beginning of the pre-season for most teams. Reading most of the match reports, they are either wins or narrow losses – with most of reports detailing of teamwork and High Spirit. That is wonderful to see.

It is also great to see juniors experiencing a culture of wins against some strong GPS, giving hope of a continued strong cricket program into the future.

This weekend's last trial match will see us play against Newington preparation for the main season in week three against St. Ignatius College (Riverview). This is your last chance to impress your coaches – especially if you are playing A's or B's cricket – selection changes can always happen.

Good Luck to the 1st XI playing against Alan Davidson on Friday!

- To all parents and players, don't forget to go through the points below:
- If the weather is inclement on a Saturday, you can find any changes to the fixtures on the SBHS website on the home page. No changes = game is definitely on.
- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- For training sessions (outside of school hours) and Saturdays, parents are to email through the specific details of absence (**Student number, name, sport, team, reason and date of absence** to absences.sport@sbhs.nsw.edu.au)
- Remember all cricket games are important to attend to each Saturday, otherwise you are letting your team down.
 - A **100% attendance record** equates to **5 extra Award Scheme** points for juniors.
- Please notify their coach if they are unable to attend training or their fixture.

Play Hard, Play with Sportsmanship & High Spirit and most importantly have fun with your cricket!

Good Luck!

High Tennis Update

Our first Saturday fixture was against Joeys. Our boys put in a strong effort across the board winning 76% of the matches. A big congratulations to our u15's who were our

most successful group winning every match as did the 1st and 2nd Grade. Unfortunately, there were no 6th or 8th grade players from St Josephs.

SAILING

Last Saturday was the first week for fleet racing this season. Despite the unfavourable weather conditions, namely extremely low winds, our boys were excited and ready for the first week of the competition. However due to a lack of experience in low wind conditions, many of the boys who were skippering had trouble gaining speed and were stuck near the line, while those who got an exceptional start were sailing off with clean air. It is important to remember that a well-positioned start can be optimal for retaining speed throughout the race, so as to not get covered by other boats. Not all results were disappointing however, as Jarrod Khaw placed consistently high in the fleet races, while Arion Sclavenitis

(pictured bottom left) placed third in one of his races. Overall, although last week's racing may have been quite disheartening for some, it served as a good learning experience for those without enough experience in low wind racing.

Teams racing has not yet started, but will start soon for those boys who have been informed about being chosen. Thank you to our coach, Manfred, our MIC, Mr Cotton, and our new coach, Max, as well as old boys Patrick Han and Dallas Yan.
