

## From the Principal High Talent

Congratulations to our Combined GPS tennis

representatives: Antonio Li (1), Samuel Yu (6), Hikaru Ikegami (7) and Andre Putilin (14). Well done to Joshua Lam (11F) on his Local Sporting Champion grant (\$700) from the federal government, presented

by Hon. Matt Thistlethwaite MP.

## Year 10 – Life Ready Stage 6 Course

There is a mandatory 25-hour *Life Ready Course* that has to be delivered to all students in stage 6 in state schools. Some of the topics for this year are: breaking down depression and building resilience; safe driving; mental fitness; safe partying; mindfulness; breaking the Man code Workshop; sexual harassment and assaults; and online learning materials. Outside presenters are delivery several of these learning experiences. They cannot be repeated for absent students next year. Alternative arrangements will be made involving free periods for Year 11 students who have not experienced this course. For these reasons, and to conserve important teaching time in Year 11 in 2019, it is **most important** that Year 10 students attend school Monday 16<sup>th</sup> through to Wednesday 18<sup>th</sup> of December.

## Change to Winter Sports

This week was the last one for summer sports. All students should have indicated their winter sport choices online. It helps our administration a lot if you do and you get a bonus Awards Scheme point. You should check on the student portal next week to see if you have been credited with full participation points for training, trial and competition fixtures for your summer sport.

## Year 7 Progress Reports

Parents should have been notified about our Year 7 Progress reports. These reports are aimed at giving parents an understanding about how their sons are transitioning into high school. The emphasis is on socialisation and how boys are coping with the work. Their ability to get organised and meet their commitments is being assessed also. They are dispositional, and socio-emotional in content, rather than academic reports. Faculties have varying styles of reports and methods of communication to parents. Ask your son about when he will receive his Interim Report and what form will it take.

## High's Monthly Giving Scheme

For new and existing parents – there is a really painless way to help the school reach its development objectives – the *Monthly Giving Scheme*. Our school's highest priority is to commence construction of the Governors Centre during Q2 2019. The Centre will greatly increase the school's capacity to hold lectures, drama productions, musical recitals, examinations and receptions. In a Joint Project with SGHS, we have raised the \$10.6 million necessary for completion of the first stage of the building. The funds were raised entirely by the two school communities. To fit out the building to achieve the architect's vision and the needs of the two schools, an extra \$1.5m will be needed quickly. It is much better and cheaper to do the full fit-out while the building is under construction than to try and retrofit it later. The *Monthly Giving Scheme* allows you to make a deduction each month from your nominated credit card account. Deductions occur around the 15<sup>th</sup> of each month. In June, the *Development Office* sends you a statement for taxation purposes including the total of your donations for the year. I urge you to **do as I do** and make a regular financial investment in public education. If you are interested, please contact [Peta.Woods@shsfoundation.org.au](mailto:Peta.Woods@shsfoundation.org.au). Philanthropy in a public cause is bidirectional - it benefits the donor as well as the recipient.

## Debating Report

This last week we were at home in the FED competition against MLC and away at Sydney Girls High for Eastside. Sydney Girls proved too strong for all but our Year 10 teams this week. I watched both the Year 9 Debate and the Year 11 Debate this week and thought that our boys did very well in both. In the FED competition we had a good competition against MLC.

Year 9, 10, 11 and 12 teams have been finalised. Trials for Year 7 and 8 continue this week.

This week we have an EASTSIDE debate at HOME against Grammar. See the message below from the supper coordinators and remember if you are debating, chairing or watching you need to contribute to supper or bring \$5.

The FED competition this week is AWAY at Trinity Grammar. Trinity Grammar is at Summer Hill. The best way to get there is to catch the 4.41pm train from Central to Ashfield (T2 line, platform 19, train to Leppington via Granville). Get off at Ashfield Station and go to the bus stop – Stand B. Catch the 406 bus at 5pm to Hurlstone Park and get off opposite Trinity (5 stops). Year 9 and the Senior A and B teams can make the same trip an hour later. Year 7 and 8 you MUST leave at 4.15pm and head to Central to catch the train.

### From the Supper Coordinators:

The comments we received last Friday from the MLC girls was really amazing they thought it was awesome! Safe to say our boys were all thrilled with what was on offer as well. So once again thank you boys and parents we are certainly maintaining our reputation of providing fabulous suppers.

Please remember, SBHS Suppers are a **team effort** and ALL SBHS debaters, chair people, time keepers and supporters need to bring a plate of food to contribute to the supper. If the boys are unable to provide food, we request that they contribute \$5 to the supper. Don't forget to get your name marked off, as the supper list will be used by Ms Rigby to award points.

It is supper, so remember finger food is what we would like, ideas below (No soft drink or lollies accepted)

- Pizzas, Cocktail Frankfurts, Party Pies, Sausage rolls, Chicken nuggets (we can reheat any before the supper)
- Spring rolls, Dim Sum, Cheese triangles, Cheese & Bacon rolls
- Sushi
- Sandwiches
- Fruit
- Carrot sticks, celery, cucumber etc
- Cheese platter
- Dips
- Crackers, Turkish bread
- Brownies, cup-cakes, banana bread etc

This Friday we have Eastside at home against Grammar and we would appreciate parents that are able to assist in the supper collection, preparation and presentation prior to the debates. We do need 3 helpers for each shift.

- Junior Parents: 5:00pm (Years 7 - 9)
- Senior Parents (Years 10 - 12) we really need more assistance from you, especially help after the debates to pack away. Edwina is away this week so we are hoping other senior parents will step up and assist

Please, email Edwina [eihenno@gmail.com](mailto:eihenno@gmail.com) or message to 0411 198 850 if you can assist this week or any week this term, or come to the common room from 5:00pm on Friday. We look forward to seeing you then.

Regards,

Pamela and Edwina  
Supper Coordinators

### From the Canteen

Did you know that every dollar earned by the canteen goes back to student community via earmarked projects? This is because of the ongoing support of parent volunteers, who help prepare the bulk of fresh foods on site and serve at canteen windows during recess and lunch. This has been a long-standing tradition at High and one that we hope will continue in the future.

Please ring canteen managers on 02 9662 9350 if you have a few hours to spare each month. Canteen is a friendly & inclusive work environment and offers excellent insights into the High community. We are very flexible about hours and offer full training. No prior experience is required and language is no barrier.

### Working with Children's Check

All canteen volunteers need to complete a working with children's check. It is simple, secure and easy to complete. Forms are available at the canteen. Don't forget to lodge relevant documents with front office.

## HIGH SAILING

Last Saturday brought the last day of sailing for most of the boys. With a forecasted heavy rains throughout the day, it wasn't looking like a good day but luckily the weather held off. However, it was still overcast, with a medium south easterly breeze and choppy conditions, leading to some tough and technical sailing. High had a magnificent day during the three fleet races, with Ben Kernohan taking the win in the first two and myself taking the win in the last. These were promising signs as the first grade team heads into the business end of their season.

The second half of the day were practice teams races between Cranbrook, Ascham, Scots and ourselves in the lead up to the State Championships during the holidays. It was tough racing, always against the top team in the state and the nation for that matter. The boat speed we had in the morning seemed to have disappeared as the day wore on, a sign of our increasing tiredness. Although

we weren't too happy with the result, it was good to see some close races against Scots. Overall, with a very new team, it was great to see major improvements in the team since the previous regatta and many junior sailors taking their opportunities to sail in a unique fun and fast race format.

The First Grade Team's efforts cumulate to the end of season State Championships on the 26 - 28 April against the top teams in the state and country. Stop by to give the boys a big cheer as they give it their best shot.

# SHOOTIN' 249 HOOPS

---

Welcome to the last edition of Shootin' Hoops for the 2018-2019 season! This week we played against Joeys. Both firsts and seconds played dominant but fun matches to end the season off with a high. First of all, well done to the 15As for an undefeated 2019 season, dominating the GPS in their age group. Well done to Blake Mulholland for leading the team in scoring this week with 16. Also, well done to the 15s age group overall for winning every match, proving to be an extremely dominant age group with much potential in the future, and to the 16As who dominated Joeys, led by David Zhou who had 20.

The second grade boys also had a few who were going to play their last game for High, ever. Winning 69-52, the team had a great last game as a squad. Well done to the Year 12's such as, Jevon, who grabbed 17 boards in his last game, possibly beating the previous most rebounds in a second's game, and to Brendon, who had 14 points, including a deep three off a set to finish the game. Well done to Vasco, at starting point guard, who grabbed 6 boards and had 4 assists, and Will, who had 8 points including 2 knockdown threes. Thank you to the team veteran Carter, who had 7 point and 6 boards, and Tyler, who did not play in the final game, but had a monumental impact on the team all season. Well done to all year 12's the firsts and seconds and good luck in the future.

For many of the first graders, this was their last dance on a basketball court in GPS competition for High. They played in one of the most successful teams in High, in 2018-2019, only losing one game in the entire year, and winning against many dominant teams in the GPS, such as Shore, and at Nationals, against St Augustines and St James. To finish their last game at 90-57, was a cherry on top, well done to Noah Casacang with the top score of 16 points. Well done to Noah, Kobe, Julian, Varun and Alex for their place as key pieces to the team, and for supporting the High Basketball community for all the years they've been at High.

On another note, the 14<sup>th</sup> annual Sydney High Basketball dinner will be held on Friday 12 April, at 6:00 pm and finishes at 9:15pm. This will be held in the Great Hall, and we encourage all players to buy tickets soon to celebrate with your team, as there are a limited 230 spots. Each team will have two trophy winners for MVP and MIP, and it is compulsory for them to attend, so pay asap to the office. Check out posters around the school for further details.

Although the GPS season has come to an end, make sure to keep on grinding in the CHS season to come back strong next GPS season. Players under 15 years - please consider attending 15's CHS trainings on Monday mornings when the CHS season starts. CHS opens - Tuesday mornings.

Finally a big Thank you goes out to the parent committee of the Opens. Without them, there would be no scoring at home games, no post game function, no barbeques, and all in all, no High Spirit. We thank and congratulate them on the efficiency and spirit they contribute to Saturdays. Lastly, huge thank you to all the coaches and trainers at High, especially Mr Hayman, Mr Higgins, Ben Carter, Henry Brown and Bruce, for without their care and expertise, our players and program would not be as successful as it is. That's it from us, be sure to tune back in later this year for the next edition!

Go HIGH!  
 Play Hard, Play Smart and Play Together!  
 Thanks to everyone who make Shootin' Hoops possible  
 Brought to you by **Alex Zhou and Joshua Suto**

### 1<sup>st</sup> XI Report

With the possibility of a 2nd place finish, the 1st XI headed into the final round keen to give a good send off for Hunar, Arvin, Cameron and Nicolas as they played their final GPS match for Sydney Boys.

Joeys batted first and got off to a poor start with Cameron and Hunar leaving Joeys at 2-20 after 10 overs. However, a few mishaps in the field and some brutal batting from their middle order saw them reach 120 with 10 overs left. Anish and Vivek lead a good comeback to limit the damage and picked up wickets to see Joeys scrape their way to 199 after the 50 overs.

We got off to a quick start in the chase scoring at nearly 4rpo. However, Joeys began to tie things down with some accurate bowling and the wickets of Arvin for 26 and Saarangan for 30 saw us in trouble at 4-90 after 30 overs. Bilal then set about scoring quickly with a fluent knock of 21 before we lost 3 quick wickets to see ourselves at 7-110. Adi and Hunar provided us with some lower order runs and we were eventually bowled out for 146 losing by 53 runs.

A disappointing end to what was a season we could look fondly upon. Hopefully we have left a legacy and created a new culture that Sydney Boys can build on for years to come.

## 2<sup>nd</sup> XI Report

The 2nd XI started the day with an intent to have fun and make the final game enjoyable for the departing Year 12s. After a slightly delayed start, we got underway winning the toss and elected to have a bat. Looking to post big, Cody and Soneeshun started off watchfully, seeing out the first few overs before both were dismissed cheaply. Hanujan and I looked to consolidate by spending time at the crease and play with positive intent even when our backs were against the wall. Unfortunately, there was no momentum to our batting with Hanujan posting the only double digit score of 17. High all out for a disappointing low score of 56.

Knowing that defending was going to be hard but still keeping possitive, we set out to take early wickets in order to have any chance of winning. Joeys to their credit saw off the new ball and slowly edged closer to the total eventually chasing it down with only two wickets down, giving them their first win of the season.

A disappointing end to the season but hopefully our boys can work over the winter break to improve next season! This GPS season has had its ups and downs, with 2 wins against Scots and Grammar being the sweetest taste of victories. That being said, this season marking the first time a Second XI High cricket team has won a game let alone 2 in over 10 years.

2nd XI Captain

## Team of the Week: 14Bs

On a dreary day, our team arrived at Joey's for our last match of the season, and with our coach Adam back from a holiday, we were eager to finish on a win.

The pitch was very green, and conditions were overcast, so we were surprised when the opposing team elected to bat first after winning the toss. Their openers rode out the variable bounce well and reached 0/56 before I took two wickets in three balls, and this greatly halted their momentum.

After this, they struggled to score runs, as Samin and Ramin took two wickets apiece. Affan also took two ridiculous and amazing wickets, by flighting the ball many metres above the ground (tempting the batsmen to slog), before the ball dipped spectacularly past the batsmen's wayward swing and hit the stumps. Heavy rain then set in, but Dihindu cleaned up the stumps as we took the last wicket. They collapsed from 0/53 to 10/88.

After the rain cleared, we set out to bat, but both our openers were out for ducks, however for each dismissal the bounce was awkward and hard to play, with a short ball bouncing under Ramin's knee but above Krish's shoulder. Wickets kept falling, but partnerships along the way helped us edge closer to this small total, with Affan scoring 18 in a partnership with Zayan worth 25. After both of them were dismissed, Tri and I put on another

partnership worth 27, and at 5/68 needing twenty runs with four wickets remaining, we were looking for a good win. However, as three wickets fell quickly, we need around eighteen runs with only one wicket remaining. Joey's felt like the match was theirs, until Chanakya, hero of the field in our previous match, smashed 18 of 14 balls including two fours and a slog sweep for six, to secure the victory.

I would like to thank our coach Adam for coaching us this season, and I congratulate him on his efforts to make us a better team this season. It was nice to finish on a win at the end of this great season, and I hope we all return next season for an even better one.

**Adit Mahidadia**  
**Captain 14Bs**

### **MIC Report**

Congratulations to absolutely all the cricketers who have played hard and fair and had a go in the process! I hope that you have grown this season and become better, both

as a person and as a cricketer and your enjoyment and appreciation of the sport has grown as a result!

I surely have enjoyed watching a vastly improved 1<sup>st</sup> and 2<sup>nd</sup> XI play their matches competitively; posting highly improved scores that has reflected the positive change that our culture has gone through.

To the Year 7, 8's and 9's. Wins have come through almost every week and I am very proud of your efforts this season! I hope that you all will come back and play another season of cricket in Term 4 – and bring some extra friends with you!

Many thanks to coaches Adam He, Abhijot Singh, Vicknesh Ravikumar, Sabesh Muruganathan and Shokan Johnpillai amongst the numerous number of old boys who have come back and coaches and given back to some of the younger ones who are learning just as they did through the program.

Have a safe and happy off-season and I wish you all the best in your winter sports before resuming cricket at the end of the year!

## High Tennis

### 1<sup>st</sup> Grade Report

Last Saturday, the first grade tennis team played at home against St Josephs for the final round of the GPS season. The night before, the weather forecast predicted 6mm of rain on the day. Luckily, the team was gifted with a nice sunny day, perfect for tennis. The No.2 doubles overwhelmed their opponents, while the No.1 and No.3 both struggled in the first set, before overcoming their pre-game nerves and ultimately, winning their respective matches. In the singles, all matches were won in straight sets. Samuel, Hikaru, Andre and Khobi all won comfortably whereas Antonio and Stepan both had persistent opponents, but fortunately were able to overcome them in the crucial points of the game. The night marked the conclusion of High's 2019 tennis season with the end of season dinner after the fixture against St Josephs, with our first grade team finishing second on the premiership standings. Congratulations to Head Coach David Deep, MIC Kurt Rich and the players for such an amazing season.
