

From the Principal High Talent

Congratulations to our team in the *International Mathematical Modelling Challenge*, named national finalists in the challenge to model a sustainable population for the earth. Rayne Fangwu, Martin Lee, Duy Ngo Chen Zhang (all from 9E) and team advisor Mr Andrew Wang, comprised the team. Well done to Kazi Hasan (11S) who was selected in the combined GPS U16 Football Team. Congratulations to our Sydney East Stan Jones Knockout tennis team for winning the regional final against Kirrawee High. Hikaru Igekami (11S), Khobi Deep (11R), Stepan Stytnyk (9E), Dean Casarotto (10T) and Antonio Li (11M) did not drop a set in the two-day tournament.

Sir Roden and Lady Cutler Foundation Golf Day

Last week, the SBHS golf team, comprising Mr Kay, Mr Gifford, Teo Reyes (10S) and Peter Boylan (12R) represented the school at the annual Golf day for the Foundation. The event is a major fundraiser for the Foundation. The team

members were fine representatives for the school as were the student volunteers, Jivan Naganathan (10R), Rhys Shariff (10S), Yishan Shen (11R) and Alex Zhou (11F). Thank you to everyone concerned. The reputation of the school was enhanced by our participation in these events.

For those new to the school, Sir Roden & Lady Cutler Foundation has an office on site and parks five of their vehicles here. Its motto is 'helping, when no one else can'. They have volunteer drivers to take incapacitated people to medical and hospital outpatient appointments. Last year nearly 11,000 trips were made in multiple suburbs of Sydney. SBHS has been assisting the Foundation since 2002, when Sir Roden passed away. It is the designated Year

11 project. Year 11 assist in a collection day and serve at various functions, such as the annual golf day. The Foundation funds a two-year \$3000 scholarship for a High student going into Year 11 with a strong background in community service.

Schoolzine App

An initiative by the P & C, driven by a Year 7 parent, Daniel Johnsun, has provided a communication app, *Schoolzine*, to enhance school communication flows. It has features which are claimed to facilitate school-home communication. Many people do not regularly check their email or have diversions in place to see and respond to a select array of messages. The app is more direct and easy to use. The P & C funded the first subscription. In this trial, interested school staff can make use of the app. So far, Mr Huynh has signed on to use the app for communication in fencing. Mr Isaacs has volunteered as a liaison person for the trial but is not managing it, merely providing information and advice as to how it may be used.

NATIONAL RECONCILIATION WEEK 2019 27 MAY - 3 JUNE

National Reconciliation Week

National Reconciliation Week (NRW) is celebrated across Australia each year between 27 May and 3 June. These dates commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum, and the High Court Mabo decision. Reconciliation Australia's Chief Executive Officer, Karen Mundine, as she announced the 2019 theme *Grounded in Truth: Walk Together with Courage*, said that trust and truth is the basis for all strong, equitable relationships. "Reconciliation is ultimately about relationships and like all effective relationships the one between Aboriginal and Torres Strait Islander people and other Australians must be grounded in truth," she said. "There can be no trust without an honest, open conversation about our history." It is only in quite recent history that the Australian community generally has turned itself towards a serious consideration of the devastating, life-long psychological effects suffered by victims of the Stolen Generation.

This year's theme is aimed at getting non-indigenous Australians to confront the truth of our past actions towards aboriginal people, and to move past recrimination towards a more integrated future. For several years, we have held a Sorry Day Assembly to mark the occasion. *Sorry Day* is held on May 26 each year, to recognise the first anniversary of the day the *Bringing Them Home* report was presented to Parliament in 1998. This year, the school libraries are mounting indigenous displays to mark the occasion. Our *Na Ngara* aboriginal art collection is our tribute to the oldest continuous culture in the world.

ISSBHS Annual Iftar Celebration

Last Friday (24 May) the Islamic Society at Sydney Boys (ISSBHS) held its annual Iftar celebration for the Muslim community in the Junior Library from 5pm to 6.30pm. It is a community event during Ramadan, and involves a feast to end the fast of the day. There was a variety of food including dates, pides, Halal Snack Packs, falafel, biryani and chocolate baklavas, all of which were feasted upon following the Maghrib (sunset) prayer. There was a mixed of Old Boys who had been a part of the community since its foundation in 2003 and retired maths teacher Mr. Hespe also returned to celebrate the evening. A number of non-muslim boys also came along to celebrate and support our community, as well as to experience our gathering and to have some great food. Non-Muslim students are invited to attend any future Iftar celebrations our community may be hosting. I want to thank the SGHS careers advisor Mr Wasim El-Haj for leading the prayer for the evening, as well as the scripture teachers, parents, Ms Mellor, Ms Luu, Mr Kay, and Dr Jaggar for attending the feast. A huge thank you to the Year 11 students, Harris Memon, Shayan Sana, Humzah Mohamed and Taha Inam for organising the event.

National Chinese Eisteddfod 2019

Native Speakers

The National Chinese Eisteddfod is one of the largest annual Chinese poetry recital competitions outside of China, gathering over 2600 contestants per year, each competing in a group or as an individual. Sydney Boys High has been known to be a formidable opponent in this competition, facing off against strong teams from Strathfield Girls High School, Sydney Girls High School and more. The competition was held on May 26 this year, where I had the honour to represent our school alongside boys from Years 7-11, with me being the sole Year 12 participant. This year our boys set out to replicate the successes of previous years, aiming to claim the top prizes in each age division.

Our teams this year faced very tough competitors across all age groups. We, as heritage students, are at a disadvantage compared to the native speakers, who have received their education in China or have attended a language schools from a young age. But what sets contestants apart from each other is their ability to convey the underlying sentiments and feelings which poets put into their poems, which our participants were able to improve upon under the guidance of Ms Zhang.

Year 7

Congratulations to all participating teams and individuals. All teams delivered wonderful poetry recitals which gained well deserved applause from the judges and audience, but the unfortunate reality is that not all participants can receive a prize. Well done to the Year 7 and Years 8-10 teams, who participated in the 10-12 and 13-15 age divisions respectively. For the Year 7 team, this year's Chinese Eisteddfod was their first chance to perform on stage, which may well be a nerve-wrecking experience. Their involvement with co-curricular activities and their taking on an unfamiliar art deserves commendation and is a sign of integration into the High community. The combined Year 8-10 team's performance received praise from the judges and teachers from opposing team. However due to unforeseen circumstances they were unable to finish in the top 3.

Years 8-10

Congratulations to all the boys who were successful in this year's competition. The senior team of which I was part, entered the 16-18 age division, and was able to once again assert our dominance, continuing with similar successes of previous senior teams. We were 2nd in our division. The 16-18 age group consisted of the oldest participants with great talent and years of experience, but we were not deterred as we too had the experience under our belts. The members of the team were Oscar Lam, Yuchi Zhang, Yifei Wu, Terry Zhai, William Wang, Matthew He, Xi Liu, Shuyuan Zheng, Richard Zhou and Jeff Ding.

In the individual competitions Yifei Wu (Year 10) achieved 1st in the 16-18 division, Neil Ni (Year 10) came 2nd in the 13-15 division and William Wibawa (Year 10) got a 4th place in the 13-15 division. These are great achievements as the individual competitions can often be a lot more competitive as there are great individual talents. Doing well in this competition requires great confidence, which I unfortunately do not have, being unable to conquer my stage fright both last year and this year.

Years 11-12

This is my final Eisteddfod at Sydney High, having participated five times since coming into this school, only missing out in Year 9. I've had the pleasure to recite poems from different ages of Chinese history, the most memorable one being 短歌行 a poem by Cao Cao, a great general during the Three Kingdoms period of China. Poetry recital is an art, which is not greatly appreciated in our school community about Chinese culture and literature as well as refining their speaking skills

I would like to thank all the boys who took the opportunity to represent our wonderful school in the prestigious competition. Thank you all for giving up our precious lunchtime for weekly rehearsals, and despite the fact that some of us had interruptions due to exams, we proved that were able to capitalise on our remaining time to deliver great performances at the competition. Finally, none of this would have happened without our co-ordinator and coach Ms Zhang. I thank her for her tireless efforts in organising rehearsals for each individual and team every week leading up to the competition. Ms Zhang is the reason why our school is able to continue to participate at the Chinese Eisteddfod every year.

Dear Parent/Guardian,

A group of students will be selected to go to Boggabilla Central School from Monday 1 – Thursday 4 July, Term 2 Week 10. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school.

The idea of the trip is as an exchange so we would be grateful if you could billet students when they visit us next year.

If you are interested in participating in this amazing exchange please see Mr Cotton in Science and grab a permission slip for the opportunity.
