

From the Principal High Talent

Congratulations to Julian Markworth-Scott (12E) who was selected into the NSW All schools basketball team to compete at the national championships in August.

Oklahoma Co-Production

On Thursday evening last week, I attended a performance of *Oklahoma* at SGHS. This lively co-production was the latest in a string of collaborative musicals staged biennially by the two schools. The show was produced and directed by Elizabeth Surbey and SGHS did most of the heavy lifting in getting the show ready. Ms Eggleton devoted a number of her weekends to helping with sets and costumes. The male lead, (Curly the cowboy), was played by Kevin Fernando (10T) and his antagonist in the love triangle for Bianca Tzioumis (Laurey's) heart was (Jud Fry the farmhand) Gabriel Booth (10M). Andrew Smallbone (10T) as Will Parker won the contest for Ado Annie's (Sunny Sharma) heart over the opportunistic 'Persian' peddler Ali Hakim (Andre Monteiro 10R). Other cast members were William Chen, Michael Tran, Nithin Raghavan and Julian Waring. Timothy Hanna and Dean Nguyen were among the lighting crew. Members of the hard working orchestra were Daniel Morris, Ethan O'Young, Yilei Shao and Toby Wu. Congratulations to everyone involved!

Student Safety

Parents and students need to make sure that students who need to, always carry around with them their EpiPen's, inhalers AND their health care plans. In any emergency situation, every piece of information can help save lives. Please do not rely on the *epipens* held at the school office. They are intended as backup options but not as the first response to an anaphylactic episode.

Parents need to remind their sons about responsibility for their own safety while travelling or walking home or

while in transit to catch public transport. I have had communications from concerned members of the community who have witnessed near misses at the roundabout on Darley Road near the Randwick Gates entrance to Centennial Park. The school does not provide supervision when students make their way home from training at the McKay Playing Fields. Road safety is everyone's responsibility.

Interpreting Year 8 Reports

All boys should now have their reports. Parents need to know that a few marks up or down near cut-off scores for Distinctions or High Distinctions can make a big difference

in their sons' points' totals. When moving from Year 7 into Year 8 students get their first choice process – one language or two? As a consequence, some boys do ten subjects as in Year 7 and others, nine. To calculate the boys' scores, their best nine subject outcomes are counted. So, boys doing more subjects may have an advantage. Language choice can affect ranking outcomes. For example, some boys chose Chinese Advanced. Some chose Latin, others chose Latin and Classical Greek. These are demanding subjects. Getting Distinctions in these subjects is harder – fewer students do them, too. Boys not doing two languages have to have their PE results counted. Sometimes boys in Year 8 start to think about what electives they might do in Year 9 and what the compulsory subjects there are. These future choices might affect their motivation to succeed in some of the compulsory subjects that they are doing currently. Because of the semesterisation of history and geography, students who perform much better in one of these disciplines more than the other can produce big swings in points earned at the half yearly or yearly report. Quite a few boys who have done well in their Yearly Report take their foot off the accelerator and coast through semester one, with effects on their ranking. Often, they get back on track by the time of the Yearly Report again. In short, there are many reasons for big swings in rank. I think that +/-

35 positions mean something has altered. Usually, big positive or negative fluctuations are due to learning dispositions: boys listening in class, taking notes, doing homework, accessing past papers and revising before assessment periods.

Winter Sports Assembly

Our special guest, former wallaby, Mr Adam Freier, spoke fondly of his days playing sport at school at Waverley College as amongst the happiest in his life. He made lifelong friends in the High teams he played against at that time. He reiterated the personal, social and psychological benefits of participation in GPS sports. My speech to the winter sports assembly for rugby, football and cross-country is reprinted below:

Special guests Mr Adam Freier, Mr Mark Ticehurst, Chairman of the AAGPS, parents, staff, students, welcome to our first Winter Sports Assembly. We assemble annually before the first official match of the GPS competition – winter season - to introduce some of our winter teams and acknowledge the work of our staff, coaches and committees. Our second assembly next term will complete the process.

Our Football program at High has great enthusiasm, but it is not

yet as competitive as we would like it to be at open GPS level. Students need to be responsible for their own personal fitness levels, outside of the scheduled training program. To be successful at any sport requires a willingness to suffer - to make the sacrifices necessary – for the good of the team. We have reduced our open program to eight teams in the hope of driving more competition for

places and increasing skill levels. I would like to thank our new MIC Sam Higgins and new Football Coaching Coordinator, Dylan Deep-Jones, for taking on two big jobs and trying to take High Football to the next level. Thank you again to our returning 1st XI coach Jordon Hayhurst; and all the lower grade coaches.

Thank you to our dedicated Football Committee President, Winston Loke, to all 1st and 2nd XI parents for helping with the catering, and to our Football Staff for helping with Saturday supervision: Mr Kay, Ms Eggleton, Mrs Manolios, Ms Genias, Mrs Luu and Mr Ohlback.

I want to thank Matt Cotton for his work as Rugby MIC again this year. Thank you

to Geoff Stein, Steve Marcos and John James. Thank you to Terri Langi for his work in bringing first grade together to play as a team with such a short preparation time. We appreciate the help given to our boys by Bronson Harrison. Perennial supporter David Knox is back coaching second grade. Thanks David. Thank you to Luke Aldous, Scott Stein and Old Boy coaches – Steve Comminos, Dan Hamilton, Archie fox, Elliott Love and Angus Chitty. On Mr Cotton's behalf, I want to thank Angus Robertson, Andrew Borscz and Charlie Appleton of the Rugby Committee, and all parent helpers, in particular, Leslie Wait, Lydia Posumah, Greg Gerstl and Wendy Dar, who have contributed their time to assist in fund raising, barbecues and other activities that enrich the program for the boys. Eddie and Ling Dorahy did a great job with the rugby parking organisation.

Rebecca Dam, MIC cross-country, has managed a competitive sporting program for our boys for many years. Thank you, Rebecca. Thank you again to Head Coach, Dani Andres, for his long-term coordination of the coaching program. Thank you to our staff Mr Prorellis and Mr Scrivener and our Old

Boy coaches Ian Zhou (SHS 2015) and Daniel Ma (SHS-2018) for their assistance. Cross-country can take up to 100 students but they have to be prepared to do the scheduled training sessions to remain in the sport.

Why do we make such a fuss of our GPS teams in first and second grade? Principally, it is because they are the guardians of our tradition. We have 113 years of GPS history to savour and celebrate. During those years, many training experiences were survived, many great fixtures shared, many victories celebrated and defeats endured, and many friendships forged. In a recent gathering of Old Boys, whose graduating years ranged from 1959 to 1994, it was obvious to me that they had a natural bond and point of conversation – GPS sporting experiences - and how influential an all-round High education had been on their lives. Even though separated by a generation their shared High spirit filled the room. It was a collective camaraderie infused with shared values and experiences.

As well as a maintaining a punishing academic schedule, our boys have to train at least three times a week, travel to venues, compete, debrief and travel home again on Saturdays. This level of commitment is what makes the scholar-sportsmen whom we prize. In my judgement, the least we can do is to have a public introduction of them in front of their peers. It is a long-standing tradition that the members of first teams or crews have an item of apparel given to them by the school in recognition of them achieving selection in the premier team in their sport. It is a symbol of our appreciation for their dedication to the cause. The students we honour today will make their own histories, recall their own stories, share a range of emotions, and build relationships that may last their whole lives. I commend them to you.

Cadet Bivouac 25 – 26 May 2019

SHSCU participated in their first camp of 2019 from the 25th to 26th of May. Eager cadets met at Holsworthy Army Barracks, where they were escorted into an aero paddock and began their training. We formed Charlie Company with 23 ACU (Camden), totalling 112 cadets and NCOs. Initially, there was some confusion, but eventually lessons were carried out and the cadets were immersed with unusual but new and exciting experiences. Newer cadets (recruits) learnt and familiarized themselves with the basics of living in the field, including health and hygiene, setting up sleeping areas and how to prepare and consume ration packs. I was assigned to the experienced cadets and with the help of fellow sergeants we organized a navigation exercise, where cadets had an opportunity to utilize their knowledge on compasses and maps learnt back in the unit. Following training, 23 BN (battalion), consisting of Alpha, Bravo, Charlie and Delta were escorted into the Holsworthy Mess, where we were catered for and had an opportunity to observe the interior of an army base. To finish off the day, a night activity called lantern stalk took place, with the cadets going against the NCOs. Cadets challenged themselves and used their knowledge of movement and concealment by night.

Sunday morning was moulded around two things; the live fire shoot and packing up. 23 BN marched into the shooting range, where we were introduced to ADF staff and instructors ready to help us. Each cadet received 20 bullets and we were guided through the steps of loading and firing a rifle. Everyone had the opportunity to fire an F88 Austeyr, the current weapon issued in the Defence Force.

In a nutshell, the bivouac was a chance for the new recruits to finish their courses and become cadets, but was also an opportunity for newer staff members and NCOs to gain some experience in their new roles. A big thanks to Camden Cadet Unit and the adults working behind the scenes to make this experience possible.

DEBATING

DEBATING

EASTSIDE FINALS – Friday 31 May 2019

Both Year 9 and Year 10 made it through to the Eastside Debating Competition Finals last Friday night, and both debated against Sydney Girls High for the title.

Year 10 had a very tough debate (negative team on "That only women politicians should be able to make decisions that affect women"). They had some very good arguments but in the end lost the debate narrowly to Sydney Girls. Well done to Marcus, Thomas, Roshan and Ashwin and to their coach, David Wu, for getting to the finals.

Year 9 had a fabulous win against Sydney Girls in their debate ("That we should ban celebrities (i.e. actors, sportspeople) from making political statement. Well done to the team – Archie, Tim, Josh and Jerald!

Debating coaching continues as normal this week. FED Grand Finals will be held at Monte Sant'Angelo Mercy College on **Friday, 14 June 2019** where Year 10 and Senior As will be competing.

Please note there is no debating coaching for Year 7s on Friday, 14 June as they are on an excursion where they will be dismissed from the city and not return from school.

PARENT TEACHER INTERVIEWS

Years 7 and 8 interviews will take place on

Monday 24 June 2019

3.00pm – 7.00pm

Years 10 and 11 interviews will take place on

Tuesday 30 July 2019

3.00pm – 7.00pm

Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Monday 17 June all parents of boys in Years 7 and 8 will be sent by email details of the scheduling system and a unique code to be entered at <https://spring.edval.education>.
- This email will be sent to the address currently held by the school. If you have not received this email by Tuesday 18 June or if your email address has changed from what had been previously advised to the school, you should notify the school at ptnight@sbhs.nsw.edu.au advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you would like an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm. You should provide this information **by 6pm on Thursday 20 June**.
- The overall schedule will be generated by the school and your individual schedule should be available for you to download and print from Friday 21 June.
- Periods will be shortened on the days of the interviews. Boys from all Years will be dismissed from class at 2:35pm each day. School Special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

Similar arrangements will be in place for **Years 10 and 11 interviews on Tuesday 30 July**.

BOGGABILLA CULTURAL EXCHANGE

Dear Parent/Guardian,

A group of students will be selected to go to Boggabilla Central School from Monday 1 – Thursday 4 July. Term 2 Week 10. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school.

The idea of the trip is as an exchange so we would be grateful if you could billet students when they visit us next year.

If you are interested in participating in this amazing exchange please see Mr Cotton in Science and grab a permission slip for the opportunity.

Matt Cotton
Science Teacher

Music Camp Notifications

Students attending Music Camp are responsible to check the daily notices, student emails and high notes regularly for any updates/changes/notifications.

Camp Concert on Thursday 27 June, 6.30pm in the Great Hall (all students must remain till the end of the concert).

Could parents and guardians please ENSURE students are AWARE of their medical condition(s) and dietary requirements?

The Annual Music Camp will take place from Tuesday 25 June – Thursday 27 June 2019 (Term 2, Week 9B) at The Tops Conference Centre: 51 Bendena Garden, Stanwell Tops, NSW 2508. There will be a 'Gold Coin' entry for the Camp Concert. There will be no music ensemble rehearsals running in Week 9 & 10 (due to music camp).

Parent/Guardian Music Contact List

Please send the following details to music@sbhs.nsw.edu.au if you would like to receive emails regarding the Music Performance Program only (i.e. Music Events e.g. Music Camp, Concerts, Workshops, Music Committee Meetings etc.). If you would like to be removed from the Parent/Guardian Music Contact List, please email music@sbhs.nsw.edu.au

- Email Subject Line: Music Contact List
- Student Name
- Student Year
- 1 x Parent/Guardian Name
- 1 x Contact Email Address

SBHS Fencing Report
NSWFA Roberta Nutt Competition
Senior Individual All Weapons on Saturday 01/06/19

Our senior Fencers competed at the NSWFA Roberta Nutt Competition on Saturday 01/06/19. Congratulations to the following students on their outstanding achievements:

Senior Sabre:

Yu Ming Lee (Year 9) won Silver in the Senior Boys Sabre.

Senior Epee:

Matthew Pellen (Year 11) won Silver and Dylan Huynh (Year 10) won equal Bronze.

Senior Foil:

Lachlan Ho (Year 11) won equal Bronze.

Please check the NSWFA website for full results and rankings once they have been updated

Excursion Information and Consent Form

Zone Athletics Carnival

Dear Parent/Guardian,

Your son has been selected to represent Sydney Boys High at this carnival. The **Eastern Suburbs Zone Athletics Carnival** will be held at ES Marks Athletics Field on Tuesday the 11th June all day (8.00am – 3.15pm).

He who places first or second in his event will be selected in the zone team to compete at the **Regional - Sydney East Area Carnival at Sylvania Waters Athletics Track on the 6th & 7th August**. *There will be a bus available for the Regional Athletics Carnival to and from the school.*

If successful at the Regional Carnival they will go to the **State Athletics Championships at Sydney Olympic Park Athletics Centre held over 3 days – 4th to 6th September**.

An information sheet will be provided closer to the date of Regionals & State

If your son cannot attend **any** of these **carnival's**, then they must let the MIC of Athletics know ASAP. By committing to the CHS pathways, your son is indicating his availability for the GPS Athletics season beginning 21st August and finishing on the 21st September.

Please complete the permission slip and return to the MIC Athletics by Wednesday 29th May. Boys can check their event(s) and event time(s) with me or see the list outside weights room office.

Additional information

Start	Tue 11/06/2019 8:00am, ES Marks Athletics Track & Field
Finish	Tue 11/06/2019 3:00pm, ES Marks Athletics Track & Field
Transport	Students will be making their own way to and from the venue
Dress Code	Full school athletics sports uniform
Coordinator	K Rich
Supervision	<i>all staff members have emergency care training</i>

Zone Athletics Carnival EXCURSION CONSENT FORM

STUDENT NAME: ROLL CLASS:

- ☐ I give permission for my son/ward to participate in the Zone Athletics Carnival excursion on 11/06/2019
- ☐ I consent to my son/ward receiving medical treatment in case of emergency
- ☐ I consent to my son/ward if successful attending the Regional and State carnivals
- ☐ I consent to my son/ward making his own way to the Zone, Regional and State Carnivals.
- ☐ My son has special needs for this excursion – *please provide full details and include and relevant medical details:*

.....
.....

NOTE: When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the activity, parents are responsible for: bringing this need to the attention of the school, ensuring that the information is updated if it changes, supplying the medication and any 'consumables' necessary for its administration in a timely way and for collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. The medication should be well within its expiry date. For some excursions the school will ask you to supply the medication in a different way to what has been already been agreed to by school. You may be asked to supply an additional adrenaline autoinjector, for example.

SHS Cross Country

Race Report: Shore Invitational

Last Saturday, the High cross country team raced at the Shore Invitational, held on a difficult and technical course at Long Reef Beach. The races started with a 200 metre stretch on the sand, and included a further 150 metres of soft sand at the end of each lap. There were significant sections of single track as well.

Under 14

For the Under 14 team, running on the soft sands of Long Reef Beach was a new experience, with most runners in their maiden season of Cross Country. Combined with the numerous narrow pathways and limited opportunities to overtake, this race proved to be a challenge, requiring endurance and a well thought race plan. Nevertheless, the results were immensely promising, showing the large improvements some members have made since the start of the season -- testaments to their endurance and commitment to the sport. Examples include Brad Liu and Kai Tan, climbing up the GPS rankings. Mentions also go to Ashwin Barret, Declan Wong, and Danny Pan, finishing in the top 20 of the GPS. They were closely followed by Timothy Arescularante (21st) and Landrie Zuo (28th).

Landrie Zuo

Open

At this point in the season, the Opens team has turned its focus to maintaining its position in second place each week. With our top runner Eric Holmstrom sick, the race was a test of our depth: the ability of the rest of the team to run strongly to fill the gap. Many of us struggled to get a position at the front of the pack in order to avoid the bottleneck at the exit from the beach, but our best runners adapted to the situation at hand and caught up on the flats and downhill, where there was more space. Fifteen-year-old Kane Shields, always consistent, pushed

hard to finish sixth, Anthony Vlatko came home in a personal best of eighth place, and Rhys Shariff was close behind in twelfth after a tough battle with Grammar's fourth and fifth runners. The team achieved its goal, staying clear of third-placed St Josephs by a comfortable margin of twenty-eight points.

14As

After a disappointing loss to Kings C's, we were adamant to bounce back against a Joeys C side. Being renowned slow starters, we let in a soft try to start. However we bounced back with two tries before half time, courtesy of Anthony Wang and Nelson Cheng, to give us a 12 - 7 lead at half time. We came back onto the field, with the desire to string a few phases together. Within five minutes we scored via a backline move putting Nelson Cheng over in the corner for a double before Anthony Wang followed suit scoring again to make the score line read 22 - 7. With a couple minutes left Joeys scored resulting in a very gutsy and well deserved win 22 - 12.

Our men of the match were our wingers, Matthew Lam, Aditya Dharma, Mohammed Medlej and Joshua Seow. Who pressured Joeys in defence and looked threatening in attack.

It was very good game from the boys and will have a very well deserved break next week.

Gilbert Win was a standout tackling and rucking well. In the coming weeks, we need to practice our ruck-work, if we want to turn our good first half into a good two halves.
Vincent Dorahy

3rdXV

The mighty 3rd XV faced it's greatest challenge yet, found within the Joeys 10th XV. The boys were put to the ultimate test, in their ongoing quest to bring home the spaghetti cup, falling short by a couple tries. Despite Josh's mind-blowing finesse to score the only try to bring High tied in the first half, they were overcome by the brilliant footy of the opposition. Regardless of the losing score line, full credits to the boys, who were pushed to their limits on the weekend, a test of sheer resilience and sheerer will power. Special mention to Jordan Whittaker who went to town with the Joeys boys in defence, taking them back to Hunters Hill. Thank you to the parents and the boys for cheering their hearts out on the weekend. The lads will return, stronger than ever. Spaghetti cup in 5.

Richard Oh

2ndXV

In the 2nd round of the GPS competition, the 2nd XV came up against a better Joeys' side wanting to get us back for the loss they were handed to in the preseason. This faster and stronger Joeys' team put on the pressure, keeping us in our own half for most of the game. However, we showed great courage only allowing Joeys to score 14 points as our defence was tested all day. Even though we lost, the 2nd XV members showed lots of character and should be very proud of their efforts. Thank you to the

16As

Facing up against St Joseph's College for the second time this season, we were determined and ready for the clash. We had retained many players from the previous week's camp. But with winter coming, many players were made unavailable due to the flu and other illnesses. Again this game we played very well in the first half, but due to some unfortunate injuries and therefore a shortage in players, we kept a similar theme collapsing in the second half.

3rd XV for staying back and lending players when needed.
Edison Dorahy

1stXV

This Saturday, the 1st XV took on Joeys at McKay 1. With a valiant effort, we were motivated to put forward our best efforts from the brown and blue. After conceding three easy tries, we went on to tie the game with Joeys in the

second half 5-5. Although the game ended with an unfavourable outcome, this game was by far the best performance we had put forward all season. We hope to

continue our momentum into the next week and hopefully come away with the win.

Jevon Somanader

Geoff 'the guru' reflects on a great job by the 14s whilst our wonderful team of parents man the canteen counter- note: Some parents were missing at photo time.

SAFER DRIVERS COURSE FOR LEARNER DRIVERS

THE SAFER DRIVERS COURSE INVOLVES TWO MODULES

MODULE ONE:

A three-hour facilitated group discussion on how to manage risks on the road.

This will involve a maximum of 12 participants and will be delivered by a facilitator.

MODULE TWO:

A two-hour, in-vehicle coaching session to develop low-risk driving strategies.

This will involve two participants and a coach.

**LEARNER DRIVERS WHO COMPLETE THE COURSE
WILL RECEIVE 20 HOURS OFF THEIR LOG BOOK.**

\$140

Next course date: Saturday 15th of June 2019

ALL PARTICIPANTS MUST:

Hold a valid NSW Learner Licence, be 16-24 years of age and have completed a minimum of 50 hours of actual on-road driving hours in their Learner Logbook (not including bonus hours).

Book online at www.saferdrivers.org.au

EASTERN SUBURBS

Safer Drivers Course

The Safer Drivers Course is an RMS approved course designed to give young people a relatable and supportive road safety program.

The course helps learners to:

- Recognise the links between driver behaviour and increased crash risk.
- Learn how to lower the risks they face by adopting time tested low-risk driving behaviours and minimising their on-road risk taking
- Have strategies to help them cope with typical lifestyle pressures (drugs, alcohol, late-night driving, fatigue, etc.) and be better prepared against these risk taking behaviours

Receive 20 hours of credit towards your logbook*

Courses cost \$140.00 and are available one Saturday per month - **BOOK NOW** - spots are limited!

For course dates, registration and more information please visit www.saferdrivers.org.au

Winter warmers

June 2019

Cinema under the stars: Paddington 2

Bring the family along to enjoy the feel-good, family-friendly adventures of Paddington 2 (G-rated). Relax as the sun sets and enjoy free hot drinks and popcorn. BYO mug, picnic and a blanket to keep the winter chills away. Film screening starts at 5.30pm and a limited number of bean bags will be available on the night.

Saturday 1 June
5pm – 8.30pm
Wulaba Park,
Corner of Amelia Street and O’Dea Avenue,
Waterloo

Musical grooves

Music lovers with a desire to learn how to conduct, compose or play an instrument, can take part in this after-school musical fiesta with percussion ensemble, JB Tutta. With inspirations as diverse as Brazilian samba and Tokyo subways, the band uses instruments from marimbas and vibraphones to Latin American percussion. The band welcomes children and their parents keen to make music or be part of the fun.

Friday 7 June 4pm – 5.30pm
Green Square Library – Amphitheatre,
355 Botany Road, Zetland

Community Lunch – Sunday Best

Locals are invited to dress up in their Sunday best, bring a favourite dish to share (entrée, main or dessert) and meet up with fellow residents for a community lunch like no other. The alcohol and pet-free event is hosted by the City in partnership with City West Housing.

Sunday 16 June
12pm – 2pm
Joynton Park,
21 Gadigal Avenue,
Zetland

Stencil art workshop

In this stencil workshop, budding artists aged 8 to 14 can learn to design their own artwork. Students will learn to use spray cans safely and accurately to create their own masterpiece to take home.

Wednesday 19 June
3pm – 7pm
The Tote building,
100 Joynton Avenue,
Zetland

Woodwork Workshops: Make your own apple crates

Locals can learn the basics of carpentry in this course designed for beginners aged 15 years and over. Using power tools and woodwork equipment, participants will learn to make a crafted timber apple crate.

Saturday 29 June & Sunday 30 June
11am – 4pm
Green Square Community Hall,
3 Joynton Avenue,
Zetland
