Congratulations to all our athletes and

thank you to MIC Mr Rich, Ms Luu and Mr Higgins who accompanied our very large and successful team.

## Interpreting Year 7 Reports – Semester One

Year 7 boys received their reports this week. Parents need to know that with scores for grades – HD (6), D (5), Credit (3) PM (2) and P (1) – boys are expected to score **thirty** points or 10 credits equivalent, in order to reach the school standard. Proficiency levels for future-oriented earning skills, such as problem solving and evaluating, are also reported. Parents will be able to trace the growth of their son in the five reported skills as he progresses through the Junior School. These skills are reported in their own textbox and are distributed among the Faculties. For more information on PEWCC skills reporting, go to

[www.sydneyboyshigh.com/curriculum/pewcc-reporting](http://www.sydneyboyshigh.com/curriculum/pewcc-reporting) and click on *Information About school Reports* to peruse the skills continuum for each subject.

We understand that boys transitioning into Year 7 face many adjustment challenges. Positions in the grade will not be disclosed to Year 7 students for their first two reports. The top group of boys are acknowledged on the *Academic Achievement List*. Unless special circumstances preclude it, letters are sent to the parents of the boys in the *Academic Support Group* (those boys with scores less than 30). In Year 7 only, we send letters to parents at the score of 27 or less. Boys scoring 27 points or less may be offered a special workshop presented by an outside provider; they may join 'Diary Club' to learn how to organise themselves better to complete tasks and submit work punctually; they may just receive an encouraging chat from their Year Adviser; they may be referred to the Counsellor; or on very rare occasions, they may be referred to an outside agency with their parents' consent. Some or none of these interventions might be judged appropriate in your son's case. We want to help our underachievers using the most effective means possible. Parents are requested to talk over their son's report with him ahead of booking Parent-Teacher interview time slots.

## Winter Sport Co-Payments

Invoices for participation in winter sports have been mailed. As usual, we ask for your support by paying them promptly. All of our winter sports depend on a timely settling of invoiced co-payments to pay coaches. Parents are reminded that all programs have to meet their budgetary obligations and cannot do so without maximum support from everyone. Our sports are delivered at a fraction of their actual cost, being subsidised by allocations from the school's budget, parking revenues and ASF donations, along with the structural support and supervision provided by the school with assistance from the co-curricular support levy. Please attend to your son's winter sports co-payment now.

## Annual Tax Time Appeal

More and more Australians are thinking about philanthropy, about giving something back to society to help others. Donors often comment that giving something to a cause bigger than themselves is rewarding. Universities and schools are benefitting more than ever before from this growing social conscience. High is a state school trying to provide all the opportunities of an independent school. We succeed because of the goodwill and financial support of our staff, our parents and our alumni. This year at tax time, please make a donation to a SBHS project – preferably to the **Sydney High School Foundation Building Fund**. Our priority project this year again is **The Governors Centre**. This year our focus is on the **Grab A Seat campaign**. Buy a theatre seat in the new theatre to commemorate your son's time at High.

### *Help us fit-out the Governors Centre theatre.*

Be remembered and honoured at  
Sydney Boys High with an  
inscribed plaque displayed within  
the Governors Centre theatre.

Sydney Boys High needs your help. Join us to have your say on how we can work together for our school. We want our boys to have a school environment where they feel safe, stimulated and nurtured so they can achieve to their best of their ability. We as a parent community can support this.

During this evening, you will meet other parents in speed networking sessions and find out more about the problems the P&C are facing. In small groups, we will consider these issues and our own and develop projects to make our school better for our sons. Supper will be provided. Here's your chance to have your say and get involved. Expect further details in an email to all parents.

## PARENT TEACHER INTERVIEWS

Years 7 and 8 interviews will take place on  
**Monday 24 June 2019**  
3.00pm – 7.00pm

Years 10 and 11 interviews will take place on  
**Tuesday 30 July 2019**  
3.00pm – 7.00pm

### Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Monday 17 June all parents of boys in Years 7 and 8 will be sent by email details of the scheduling system and a unique code to be entered at <https://spring.edval.education>.
- This email will be sent to the address currently held by the school. If you have not received this email by Tuesday 18 June or if your email address has changed from what had been previously advised to the school, you should notify the school at [ptnight@sbhs.nsw.edu.au](mailto:ptnight@sbhs.nsw.edu.au) advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you would like an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm. You should provide this information **by 6pm on Thursday 20 June**.
- The overall schedule will be generated by the school and your individual schedule should be available for you to download and print from Friday 21 June.
- Periods will be shortened on the days of the interviews. Boys from all Years will be dismissed from class at 2:35pm each day. School Special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

Similar arrangements will be in place for **Years 10 and 11 interviews on Tuesday 30 July**.

Deputy Principal

### From the Canteen

As part of our commitment to serve nutritious and reasonably priced food options for our scholar sportsmen, High Canteen has been adding to our already extensive range of healthy hot and cold food items that include salad, sushi, soup, rice box, pasta, wraps, rolls and sandwiches. Healthy eating is a positive lifestyle choice that has long-term impacts. There is increasing evidence on the benefits of eating a wide variety of nutrient-rich foods from various food groups, with a big emphasis on whole grains, fresh fruit and vegetables. Check out our new winter menu. Cashless payment options are available through Student TAG.

We seek your continued support as we embed Healthy Canteen guidelines set out by the NSW government. Remember all profits from canteen sales are returned to the school community for meaningful projects that will directly benefit our boys.

### Seeking volunteers

Our canteen managers Karen & Tracey rely heavily on the support of dedicated parent volunteers to keep operating costs low. In fact, we are one of very few high school canteens to be run by P&C. If you have a few hours to spare each month, please do consider joining our canteen roster by calling 96629350. It is a great way of making new friends and staying in touch with High family. Language is never a barrier and full training will be provided.

### New WWCC app

All volunteers need to complete a Working With Children's Check. Paperwork is available at canteen and school office. 100 points of ID is required to be sighted. This includes passport, driver's licence, medicare and or bank card. WWCC can be applied at <https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check>

The Office of the Children's Guardian and Service NSW has made it easier to access your **Working**

With Children Check (WWCC). Get yours now at [service.nsw.gov.au/wwcc-app](https://service.nsw.gov.au/wwcc-app).

### Canteen Committee

We are also looking for new members to join the committee. Meetings are currently held at school on the second Friday of each month. Would suit existing canteen volunteers.

## BOGGABILLA CULTURAL EXCHANGE

Dear Parent/Guardian,

A group of students will be selected to go to Boggabilla Central School from Monday 1 – Thursday 4 July. Term 2 Week 10. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school.

The idea of the trip is as an exchange so we would be grateful if you could billet students when they visit us next year.

If you are interested in participating in this amazing exchange please see Mr Cotton in Science and grab a permission slip for the opportunity.

## FROM THE JUNIOR LIBRARY

### READING LISTS FOR SELECTIVE SCHOOL BOYS (Oliver Front Page – Reading Lists)

Our Junior Library books are tagged for several purposes when we process them. This tagging is to ensure the resources can be searched for and found.

As part of this process I would like all boys, parents and staff to know about some special selective school boys reading lists this creates.

*“Extending Junior Readers”* is a list for very good junior readers in Years 7 & 8. It is created when processing new books and was only begun this year. It is intended to direct the juniors towards more challenging reading and to suggest to them that they need to be challenged by what they read. TAKE UP THE CHALLENGE JUNIORS IF YOU ARE A GOOD READER. It has **88 books** on it already and it will grow.

*“Introducing Young Adult Literature”* is a list to encourage Year 9 & 10 readers to step up to their (present or close future) reading age. These books will be longer and will have heroes who are 16, 17, 18 and older. The issues being explored by writers will be more mature issues. Sometimes students get stuck on the most popular junior series and think they are now so literate they need not progress. Then they find reading boring. Our age appropriate literature is a mirror of our current social problems. We need to take a virtual swim to figure out where our moral compass swings. There are **533 resources** on this list. DON'T DROP THE BALL YEARS 9 & 10!!! JUMP INTO YA FICTION.

*“SENIOR FICTION”, “MID FICTION”, AND “JUNIOR FICTION”* are long standing Junior Library lists and are still being collated. Some of our selective students read everything and we cater for intellects needing some exercising. Everyone should be aware of *“Prize Winning book”* in Reading Lists - there are 68 books at present on this list.

As you can see by the Senior Fiction List there are many books suitable for seniors in the Junior Library. All students (Senior or Junior) can search and find resources to suit them in both library collections and are encouraged to borrow from both Libraries. All rules are the same for both Libraries. The Librarians collaborate on all Library decisions.

**YEAR 11 STUDENTS** can be aware of the Oliver Reading List - *“Year 11 Read to Write list 2019 (Junior Library)”* which contains Junior Library books suitable for that course

**BOOKS BEING CURRENTLY PROCESSED THAT SENIORS AND JUNIORS WOULD FIND INTERESTING**

## 2<sup>nd</sup> Grade Water Polo Report

The Sydney High 2<sup>nd</sup> Grade Water Polo team had a strong season under the guidance of Conor McGrath, a Sydney High Old Boy. The team trained hard and played harder each week to secure wins against some of the toughest schools in the GPS. With the introduction of some new players, we were able to strengthen the team in all aspects of the field. We had a powerful defence led by Edison Dorahy, who was named MVP for his consistent performance throughout the year. Our team consisted of strong offensive players including Xenos He and Jie Zhou who produced multiple gobsmacking goals against strong sides, putting us ahead in many games.

As captain, I'm proud of the commitment and hard work displayed by all players on the team, and the results produced consequently. We'd like to thank Ms Millar for organising trainings and games each week as well as all parents and students for their support every Saturday morning rain, hail or shine. We'd also like to thank Conor McGrath for his support and guidance each and every week and his commitment to the team through thick and thin.

I would like to wish all Year 12 boys well in their future endeavours and I hope to see everyone else back next season.
