

From the Principal Easing of Restrictions on Sport

As from 13 June, community sports facilities and gyms can re-open, while following Department of Health guidelines. Community sport competitions can resume as of July 1. The AAGPS has released a proposed program for Term 3, commencing with Trials on 25 July, followed by the GPS Athletics carnival on 1 August. Thereafter, the rugby and football competitions will continue until 19 September.

Sydney High School Old Boys Union-2020 Student Medical Mentoring Webinar

Next Monday, 8 June at 6pm, SHSOBU is hosting a webinar for senior school students. This webinar is a first in a series of three planned for this year, with the aim of raising the awareness of current students about the professions and the world of study and work, through the eyes of Old Boys who have shared similar experiences at school to our current students. Eric Wong (SHS-2000) and his colleagues, have been working for many years to bridge the gap between school-university and work by calling on the expertise and experience of many Old Boys to come back to the school to share what they have learned with current students. The SHSOBU's seminars and in-school chats, have become an important feature of our vocational education program at High. Four alumni from 1982-2011 will talk about different fields within the study and practice of medicine, explaining the varied nature of careers available. They will share their personal journeys. Details of how to register can be found in this week's High Notes. I urge students in Years 11 and 12 to take advantage of this unique vocational learning opportunity.

Caught Doing the Right Thing

I received this email from a Community Engagement Officer, Customer Support, Customer Service, Sydney Trains. I am sharing it (name withheld) to encourage students to continue to do the right thing and to congratulate those parents who have inculcated the values in their sons that supported this spontaneous positive behaviour.

"You may be aware that Sydney Trains recently introduced green dots on seats to notify passengers where to sit to ensure social distancing while on trains, this allows a safe number of passengers to board each carriage while adhering to social distancing. Today I was travelling on a service from Central station and a large number of your students also boarded this service, upon entering the carriage I heard a student say let's all sit here (6 seats without green dots) together to leave the green dot seats for other passengers."

As we know school students have been given priority on public transport and social distancing isn't necessary for them when travelling together so for your students to show such courteous and thoughtful behaviour to other customers should be commended. I must also mention I was not in uniform, so these students were unaware I work for Sydney Trains. Please pass on my thanks to your students for helping us during this difficult time."

Buses on Cleveland Street 3:15-3:45pm

Students and parents are reminded that the bus services heading towards Central on Cleveland street in the afternoon are NOT for use by students. Dedicated school bus services are supplied from Anzac Parade directly to Central every afternoon directly after school. Students are not permitted to use any other service while special services are being provided. After the last bus leaves from Anzac Parade at around 3:40, students may catch any available service.

Tell Them From Me Survey

The Learning Bar works with the Department of Education in NSW to provide the TTFM survey, platform, training and helpdesk support to members in government schools across NSW who are taking part in the survey. Sydney Boys High School has signed up again for the *Tell Them From Me* (TTFM) student survey. Next week, we are surveying Year 8 – 11 students. Year 12 students have their own exit survey later in the year. Due to COVID-19, Year 7 students have had little regular exposure to school life. We are gathering data for use in the formulation of a new **School Plan 2021-2024**. We ask for your participation in the TTFM survey. **Students will be completing the survey in class time next week.** Parents and students are reminded that this is a voluntary survey and that logging on by students implies parental consent to engage in the survey. Information given is confidential and will not be used in any way that identifies a person or the school. The data from the TTFM reports have been useful for the school executive as sources of student and community voice on matters affecting experiences at or with SBHS. It will help us considerably during our next external validation. Additional information for parents, including translated consent forms and parent FAQs, can also be found on the CESE website at: <http://surveys.cese.nsw.gov.au/information-for-parents>. The permission note for parents is on the Parent Portal. If you **DO NOT** want your son to be involved, please download and complete the form and send it to school with your son.

Students who participate will be rewarded with Student Award Scheme points. For students, the process is the same as for previous surveys

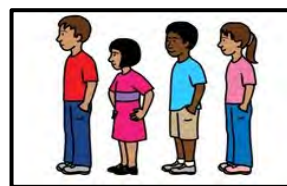

1. Log into the Student Portal
2. Click the "Student Survey 2020: Tell Them From Me" link in the Portal Services menu
3. Click the "Access the Survey" button to start the survey

ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

From the Canteen

Please support Your Canteen

High canteen makes substantial contributions to the school each year through the P&C. Please help us raise funds by supporting the canteen. Every dollar made goes back to the school.

We are steadily expanding our menu and all your usual favourites will be available. If you have dietary requirements or special requests, speak to managers Karen or Tracey on 96629350. They are happy to accommodate.

Special Windows for Lunch Orders

Thank you to the all students who are placing lunch and recess orders daily either in person or online. There are

now 2 windows open to service this group.

Please do not forget to pick up your orders. Any uncollected items will be sold.

There is still plenty of capacity for pre-orders and we strongly encourage more families to opt

for this method. It will help reduce food waste and streamline operations.

Cashless Options

We also encourage students to use Student TAG to purchase items. This will minimise cash handling.

Parent Volunteers

We would like to thank all parent volunteers who have resumed duties in canteen.

Canteen managers/committee members will continue to call and remind you you via text or phone call to confirm the dates and availability.

We are now operating to full capacity and require 2-3 parents daily to help with food preparation, window service & shelf stocking.

Please notify canteen staff on 96629350 if you are unwell or unable to attend the rostered day. We rely heavily on our volunteers.

Heartfelt 
THANKS
TO OUR VOLUNTEERS!

New Guidelines

All volunteers on school grounds need to Sign in/Out.

This includes general visitors, volunteers & committee members. Additional safety measures have been put in place such as temperature checks, hand sanitising, wipe-downs and protective equipment. Let us collaborate to make the environment safe for everyone.

Canteen Committee

We are looking for new volunteers to join the committee. A lot of the work can be done remotely.

Working with Children Check

It is mandatory that all new volunteers complete a Working With Children's Check. It can be applied online through Kids Guardian and is free. If you have not provided your WWCC details to school office, please do so asap.

CHESS NEWS

We are pleased to announce that chess coaching will be resuming with our coach Vladimir Feldman on Monday morning 15 June at 8 am. Although we do not yet know if the chess competitions that would have been played in term two can go ahead, we would like to have all our boys back in coaching and building on their skills. I look forward to seeing all our players on Monday 15 June.

FROM THE JUNIOR LIBRARY THE LIBRARY DURING CORONA VIRUS TIMES

The Junior Library furniture (and normal teaching spaces) have been re-arranged dramatically to allow for Social Distancing. Our Library staff are very grateful to our Deputy and to our Deputy Principal/ Head Teacher Admin for being so proactive with cleaning supplies and screens for our vulnerable library staff and of course the boys. With the best social distance re-arranging we managed the Junior Library fits in 77 students. Boys have had to be asked not to move chairs closer to one another and they have also had to be asked to assist with wiping surfaces. Big thanks to the Library SASS staff and to all the boys for making this work smoothly. This will all soon be over we hope! This photo was taken on 1st June.

TOTALLY REFRESHED FICTION AREA

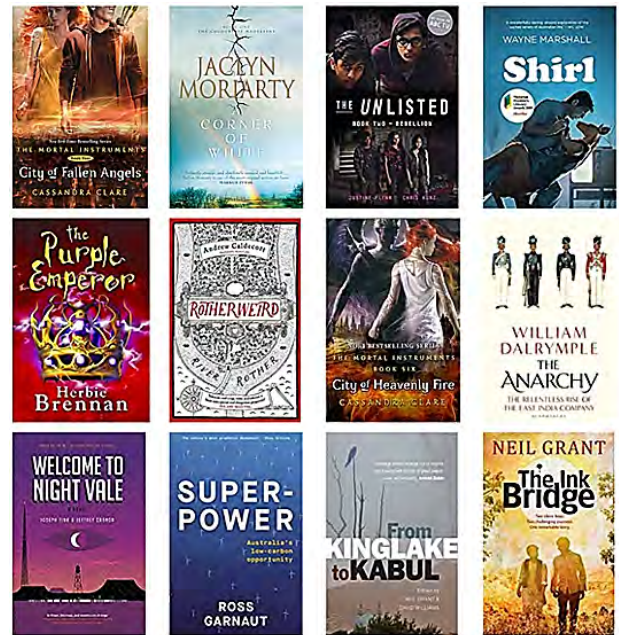

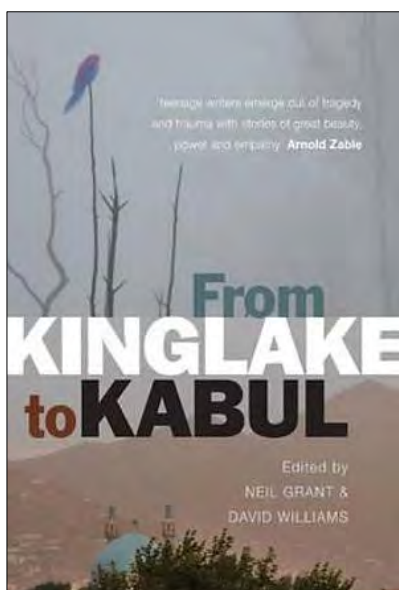

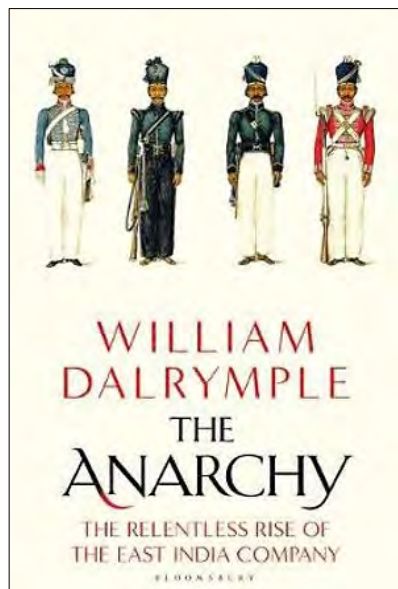

While there were no students present during the virus lockdown period and with some staff away, the Librarian took the wonderful opportunity to cull, clean and re-arrange the entire 4000 book Fiction area and wash all our cream chairs. All (dilapidated) books over 10 years old were discarded and thanks to the voluntary work of Mrs Rodakis many of the retained books received new covers and improved genre labels. Our Fiction area is new and refreshed and clean as a result and we are now seeing the new books purchased for this year going onto the new book display shelves. Boys and parents are reminded that Oliver Front Page (access via the Student Portal) displays all our new purchases and also displays books for Extending Junior Readers and Introduces Young Adult Fiction to the Year 9/10 cohort. We are taking this opportunity to display some the books we have processed lately. Enter "New Junior Library resources 2020*" into Oliver search for the full list of new resources.

NEW JUNIOR LIBRARY POLICIES

In order to allow the Junior Library to function better some new policies have come into force this week. These are:

ASIAN LITERATURE COLLECTION reflecting the variety of cultures in our school. (Please request any specific additions to our library. We love requests.)

Students are reminded that specific Oliver searches can be productive. One of the efforts of our library has been to develop a collection of resources with a variety of themes and the librarian reminds herself that she should make sure these are listed in "Reading Lists" which is a new project for the librarian now. One such list term worth searching is "Asian Literature Collection" which will have such resources as the new purchase by William Dalrymple – *The Anarchy. The relentless rise of the East India Company*. Another new purchase worth a glance is *From Kinglake to Kabul*. (Short stories genre)

Sydney High School Old Boys' Union

2020 Student Medical Mentoring Webinar

Monday 8 June 2020 at 6pm

The Sydney High School Old Boys Union holds regular mentoring, interview training and careers advice sessions for students at the school.

Due to the COVID restrictions, we cannot provide these face to face in the school hall as we normally would do. As such, The Old Boys, led by Eric Wong of the class of 2000 and a member of the Union Committee and Foundation Board of Directors, will be holding a series of webinars.

Usually these are available to Years 11 & 12 students who are up to date on their annual Old Boys Union fees, or for a small fee to non-members. However, we are making the first session available free of charge to all students from Years 7 to 12.

Medical Career Mentoring Webinar

The first in the series is the Medical career mentoring session.

The aim of the session is to hear from four Old Boys across various fields in medicine, explaining the varied nature of careers available and their personal journeys. The boys will also have time to ask questions of the Doctors.

You will hear from the following Old Boys:

Dr. Ying Hong Li (2000) BSc(Med) MBBS MBA FRANZCOG

Obstetrics, Gynaecology and Fertility Specialist

Dr Ying Hong Li provides a compassionate and personalised approach to fertility treatment. Ying invests time in understanding his patients and developing the most appropriate plan to address their specific fertility issues to maximise their chance of having a baby. Ying's unwavering focus is testament to his passion for women's health. A leader in obstetrics, gynaecology and fertility treatment, he can support patients from pre-conception right through to birth. He enjoys the long relationship he has with patients on their journey to become parents, providing care throughout the conception, pregnancy and birth

chapters. Ying believes in partnering with patients to explain and then develop an effective management plan. He understands fertility treatment can be overwhelming and collaboration with a Fertility Specialist is imperative. In addition to male and female factor infertility, Ying has a special interest in reproductive surgery, recurrent pregnancy loss and fertility preservation.

Dr. Owen Mattern (1999) BSc(hons), MBBS, PhD

Shoulder and Elbow Orthopaedic Surgeon

Owen graduated from medicine at Newcastle University in 2004 and moved to Melbourne in 2006. He completed the Victorian Orthopaedic training in 2016, being accepted as a Fellow into the Royal Australian College of Surgeons and the Australian Orthopaedic Association. After working as a Visiting Orthopaedic Surgeon at Box Hill and Sandringham Hospitals he completed further specialist training in 2017 and 2018. Owen completed clinical fellowships with world experts at the Sydney Shoulder Research Institute, under the guidance of Mr Ben Cass, Mr Allan Young and Mr Jeff Hughes, and the Upper Limb Unit at the Centre for Excellence for Orthopaedic Surgery at Wrightington Hospital in the United Kingdom, working with Mr Mike Walton, Prof Len Funk, Prof Adam Watts and Mr Steve Bale. These fellowships gave Owen experience in the management of complex upper limb conditions. Having returned to Melbourne, Owen currently operates publicly at Sandringham District Hospital, Box Hill Hospital and more.

Dr Chris Ryan (1982) MBBS FANZCA

Anaesthetist

Chris received his HSC from SBHS in 1982, subsequently studying medicine at Sydney University - graduating with an MBBS in 1988. He was an intern at Concord Repatriation Hospital before gaining his medical registration in 1989. Initially thinking he would like to pursue specialist training in surgery, Chris changed track in 1992 and was accepted into the Australian and New Zealand College of Anaesthetists training programme. Chris was awarded Fellowship of the college in 1996 and during his training had rotations at Concord Hospital, Auburn Hospital, Nepean Hospital, The Kids Hospital and Westmead Hospital. Once qualified, Chris initially worked as a staff specialist at Westmead Hospital, before switching to private practice in 1998 and has remained in private practice since then. He currently has appointments to Sydney Adventist Hospital (where he was head of section), North Shore Private Hospital and several smaller Day Surgery Hospitals.

Nikhil Autar (2011)

Current Medical Student

Nikhil is a medical student, studying Medicine, Surgery, and Med Research at Western Sydney University and currently about to embark on a PhD. He is also the founder of a medical device start-up that won Australian Student Startup of the Year and is about to launch its first product! He was diagnosed with acute myeloid leukaemia in year 12, but was fortunate enough to still accomplish his dream of studying medicine. Back at High, he was always academic, and was heavily involved in debating and rugby, but his true love was basketball (you could always find him on the court!).

Registration is necessary and can be made via the Old Boys Union website at www.shsobu.org.au

We look forward to hosting your sons on our first webinar for 2020.

What is the Old Boys Union?

The Sydney High School Old Boys Union (SHSOBU) was founded in **1892** and is Australia's oldest alumni Union. Over the past 128 years, its aim has been to foster and continue the friendships formed by students while at School and then to contribute, through this fellowship, to the corporate spirit and well-being of the School.

In a very real sense, the OBU is one of the most consistent and stable part of the School's community. The Old Boys Union is governed by an Executive Council whose members are elected annually.

Impressive Old Boys are available to assist the School, led by patrons such as Sir James Wolfensohn (1949), AO, KBE, formerly, president of the World Bank. Our alumni include community and business leaders across many fields including the medicine, law, engineering, technology, arts and banking, and Government

What membership offers

Membership provides a lifetime of professional, social, sporting and academic connections with Sydney Boys High School, its extraordinary network of distinguished and successful Old Boys, and the alumni of other GPS schools.

Each member also receives regular e-Bulletin magazines via e-mail. We have an established mentorship network with many Old Boys in various professions prepared to share their wisdom and experience with younger Old Boys and current students who join the Student Life Membership scheme. Our High Achiever and OBU Mentoring programs held yearly, provide valuable guidance to Student Life Members about university courses and career options and interview practice. We also provide employment support and connections to Old Boys across many careers and leadership roles to support you as you move through your chosen career.

One-off Payment or by Instalments

You can secure life membership for your son by paying a discounted \$450.00 (reduced from \$525) or by six annual contributions (currently \$75.00 each) paid from Year 7 to Year 12. More details can be found [here](#).

Each student who becomes a Life Member of the OBU will be presented with his badge and certificate of Life Membership at the Year 12 farewell assembly.
