

From the Principal High Talent

Recently, a national linguistics coding competition, code named Ozclo, was held online. Our team 'ozclo280' consisting of Ryan Ong (11M), Harry Wu (11R), Nathan Jones (11F) and Nicholas Arvanitellis (11T), came second nationally in the competition. The winner was SGHS on 82, followed by SBHS on 78. The next highest state score was from Victoria with 77. Congratulations, boys!

SZapp Funded by the P & C

In May of 2019, Daniel and Binh Johns presented a business case to the P & C to trial SZapp for mobile phones. SZapp offers parents the possibility of receiving targeted message content that is relevant for them. The P & C supported the idea and paid the setup costs and the first year's subscription. The fencing participants were contacted by Dat Huynh, using the app. Notification of the publication of High Notes was pushed out through the app. The Sports Council was briefed on the app, MIC's were presented with demonstrations and by Term 4 rowing, rifle shooting and tennis parents installed the app after subscribing to SBHS. This year parents in music and debating got involved. Currently, there are 1,039 subscribers from 1207 enrolments (minus siblings). Daniel & Binh surveyed users who rated access to event reminders, and links to the school calendar as 'important /very important'. Some advantages for staff in using the app and encouraging subscribers might include no cost sending of urgent messages v

the cost of SMS messaging; suitable forms being stored in the 'forms and documents' section of the app that parents can download and complete in hard copy ID required by the school; and permission slips for excursions or events that need to be retained by excursion organisers. This service could prove to be beneficial in terms of reducing costs to the school and to parents. I urge parents to subscribe so that the effectiveness of the app is increased. Staff members could make use of the app to speed up and target communications to parents.

Governors Centre Update

At our latest *Project Control Group* meeting the building works were reported to be proceeding as per schedule, with a completion date still by the end of November this year. The builders were instructed to include the landscaping works in the contract (+\$70k). There is a significant lag in the supply chain in this area, necessitating placing orders in June. It is anticipated that our portion of extra funding for the contract is now \$300,000. We have these funds available. In addition to what is funded in the contract, the full fit-out needs plug-ins of necessary equipment, foyer furnishings and equipment, white goods for the kiosk and servery and ancillary items. We will need to purchase examination desks and chairs also. Approximately \$120,000 extra is needed to finalise this wonderful project. Our final Governors Centre fit-out appeal closes on June 30. Grab a brick (\$1,000) or secure a seat (\$3,000) to claim your tax-deductible donation this financial year. If you would like to know more or how to donate, please contact Paul.Harapin@shsfoundation.org.au

The Sydney Boys High Student Research and Resources (Public Library) Fund

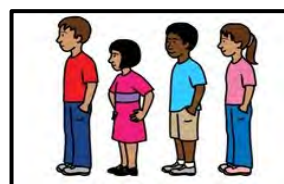

The Sydney Boys High School *Student Research and Resources Fund* is a fund to resource our two school libraries. Purchases of books, e-books, subscriptions to magazines, databases, audiobooks and streaming services such as *Clickview*, as well as library furniture and minor equipment, are paid for from the Fund. In addition, the wages of 0.8FTE of a **second Librarian** and **SAS staff employed to extend library hours and run Library archives**, are paid for from the Fund. As contributions to the Fund are tax deductible, it provides a very cost-effective way for parents and Old Boys to help fund an important and growing area of school life – online learning. There are 40 boys in our Online Learning elective in Year 10 accessing these facilities. As well, more than 200 boys can enjoy the library facilities simultaneously. The opening balance for the Fund in 2019 was \$32,180. Total receipts during the year were \$133,205. Expenditures included: wages for Library and

archive staff; physical and electronic resources; furniture; 'Clickview' and magazine subscriptions and maintenance. Total payments were \$139,196. Balance carried forward was \$26,189. I commend the *Student Research and Resources (Public Library) Fund* to all parents and ask for your financial support in the form of tax- deductible donations by the end of the financial year.

Dr K A Jaggar
Principal

ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

Help your Selective School Teen with their Career Choice

LIVE WEBINAR

Thursday June 18, 2020

6:30pm – 8:00pm

REGISTER HERE : <https://www.eventbrite.com.au/e/106728511852>

Do Selective High School teens make career decisions differently from other students?

How will the post COVID-19 landscape impact on your child's career choices?

Please join us at the next annual joint meeting of SBHS and SGHS P&C Associations on **Thursday 18th June 6:30pm** where we will be hosting a live Webinar and Q&A session to discuss some of these topics and more.

We have a great line of up speakers including:

- **Dr Jae Yup Jared Jung**. Associate Professor Jung whose primary research focus is on the decision-making of highly gifted students on topics such as careers, university entrance and friendships. Dr Jung is the author of the book *"The Career Decisions of Gifted Students and Other High Ability Groups"*.
- **Chris Lewis**. Head of Partnership at UNSW. A specialist in marketing/recruitment program management. Recently completed research with UNSW graduate employers and regularly sits on application panels for UNSW admissions.
- A recent ex-Sydney Boys High and ex-Sydney Girls High student will also share with us their experiences and perspectives since leaving high school.

The webinar will conclude with a live interactive Q&A session with the speakers. Parents can ask questions before and during the webinar using **Slido.com**. Use the link <https://app.sli.do/event/sgtyp6rb> or scan this QR code. Before adding your question in Slido, please check to see if your question has already been asked and up-vote it. Be sure to also up-vote any other questions you want answered as well.

Please register as soon as you possible in Eventbrite as there are limited spots available.

<https://www.eventbrite.com.au/e/106728511852>

After registration, further details on how to join the online webinar will be sent to your registered email. If you would like more information about this webinar, please email sbhs.pandc@gmail.com

Kind Regards,

SBHS P&C Committee

FROM THE JUNIOR LIBRARY SOME BOOK REVIEWS OF OUR NEW BOOKS

The very best thing about this Historical Fiction /Romance is that the dirty tricks played by the scientists on one another really did happen and the two american paleontologists this story is based on made an incredible number of dinosaur discoveries. This book is an eminently readable introduction to the genre of Historical Fiction for Year 9 boys.

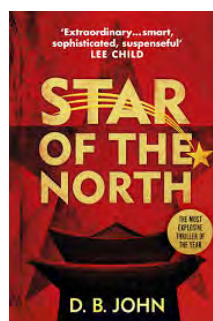

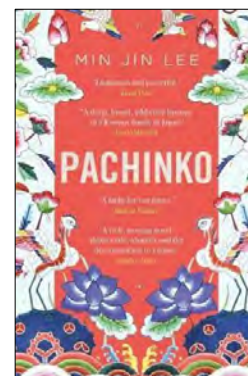

One area of history I did not study at school is the post Roman history of the Ottomans and the Middle East in general. I suspect that the lack of this particular Historical focus has driven an interest in some recent Historical Fiction such as Sharon Penman's series on the Crusades and

Richard the Lionheart. This Non-Fiction work by Richard Fidler recounts the history of Constantinople and discusses this Turkish city as a stubborn remnant of the Roman Empire. History is always fascinating and the story of this city is better than fiction – not just for adults!

A wonderful thing about reading widely is our exposure to the culture and literature of other countries. Our Junior library deliberately develops an "Asian Literature Collection". *Pachinko* by Min Jin Lee informs us of the sometimes unhappy historical link between Korea and Japan. This is rivetting reading for Australians who live right on the edge of Asia. Who thinks literature is a frivolous waste of time?

Have you been giving some thought to the unrest in Hong Kong lately? This book is about living under Kim Jong Un's father in Korea. This book is very different to *Pachinko*. However, it is a thriller and another aspect of Historical Fiction. It is a reminder that political differences can turn our life into a very dangerous experience. So another significant learning experience from reading our library's fiction.

Our library users are reminded to use the search term "Translated from *" In Oliver word search to find books written from the point of view of other cultures.

Happy explorative reading!
Reading is for learning not just for relaxing.

Mrs Crothers

GPS Athletics Week 1 Update

The 1st week of training has been completed, the focus for these first two weeks is logistics (attendance, punctuality etc), developing positive attitudes to training and development, general conditioning and having some fun. Training sessions will become more specific to event(s) and intensity will increase in the weeks to come. A reminder to email myself richk@sbhs.nsw.edu & Absences.Sport@sbhs.nsw.edu.au by 9am on Friday if your son cannot attend a session.

The training schedule for the rest of the term can be located on CANVAS (next week's schedule is below), please note that in the past I have been able to provide a

full season training schedule but due to current circumstances, planning a couple of weeks ahead of schedule has been the limit. If there are any changes I will update asap. Please be aware that the GPS Championship is scheduled to be on Saturday the 1st of August (there may also be events Saturday the 25th of July). Given the Championship is early term 3, there will be holiday training sessions 9:30am-11:30am on Tuesday, Thursday & Saturday for both weeks.

This morning, Year 7 athletes participated in a very **FUNDamental** session. They were provided with in depth instructions on running technique, how to start, high jump and hurdles. They had a crack at all these activities as well, see the photos below.
