

From the Principal End of Term 2

This term was a very busy and stressful one, but it demonstrated to me the professionalism and collaborative disposition of our staff at High. There were many changes in time and space and varying working conditions, with updates every other day from DoE. The resilience, interfaculty cooperation and enterprise exhibited by our teachers, SAS and ground staff, shone through the fog of restrictions on our usual school operations. My congratulations and thanks are extended to you all. Enjoy your break.

Interpreting Semester 1 Reports

Our School Executive made the decision to issue reports by the end of Term 2. The Department of Education has granted leeway of

time until August, but we wanted to get back into routine as quickly as possible. A to E grades do not have to be used for this reporting process. We have tried to do as

many common assessment tasks as possible in Years 10-12 since we have been back at school this term, but there was not time for this to happen for the Junior School (Years 7-9). We have included comments on **learning behaviours** moderated by an agreed rubric – consistently, usually, sometimes, rarely, never. We have kept the **subject profile assessments** – highly developed, well developed, competent, developing and experiencing difficulty. **Effort** is judged as excellent, very good, good, satisfactory, needs to improve, unsatisfactory. We have removed the written comments of the subject teachers and the Year Advisers. We plan to establish a more responsive and evidence-driven communication protocol in 2021. The Principal's

comment will not be possible this semester, given reports for all years were due on 30 June and will be available for parents to download from the parent or student portals by the evening of 3 July. As long as there are no further disruptions to our routines, I intend to resume my practice of reading and writing on all reports and having a chat with all students once the yearly reports are published.

Student Awards Scheme for 2020

Due to the disruption to school routines and available activities in the midst of the COVID-19 pandemic, our *Student Awards Scheme* has had to be modified. Our rationale is that the

equivalent of one term of school time was lost and therefore we are reducing all thresholds by 25%. For this year, the following qualification numbers apply. For bronze and silver awards 96 (v128); for gold awards 108 (v144); for platinum awards, plaques and trophies 120 (v160); and for McDonnell and Coates awards 150 (v200). Active and engaged students build up many points early as credits against future awards. For this year, to qualify to apply accumulated points, a student must earn a minimum of 60 points (for bronze, silver and gold), and 75 points for higher awards. So, Year 11 students aspiring to be elected as School Prefects, need to earn at least 75 points this year and to earn at least a platinum award.

Term 3 drop-off and pick-up arrangements

During Term 2, >100 extra vehicles have been moving in and out of our car park each morning and afternoon. In addition, construction vehicles need to transit the car park to access the Governors Centre site. The School will not be able to continue to supply the services of 4-5

traffic controllers each morning and afternoon in Term 3. We placed dividing barriers to direct traffic flow and painted guidelines on the asphalt to help parents judge where to stop and when to turn to make their exit. We have established routines for traffic flow that have cut down the peak entry and exit times from 30 minutes to fifteen by using the Junior Quad and gate 10 to move cars. Parents are staggering their arrival and pick up times to help ease the congestion. We have been sending SAS staff home at 1505 each afternoon to reduce the volume of traffic at 1515. The cost of these measures is unsustainable for an extended period of time. Students are back in routine. Training on Monday afternoon, sport on Wednesday and Thursday afternoon, and chess and debating on Friday, help to stagger the departure times in the afternoons. **Drop off availability in Moore Park near the light rail station** has assisted some parents.

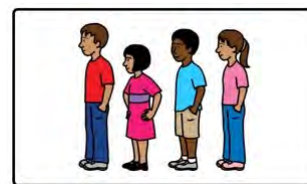

Students Bringing Credit To The School

I received the following email from a commuter this week. *"Just a short email regarding the 3 boys travelling on the train which I joined at Glenfield Station at approx. 4:15 pm this afternoon. They were an absolute credit to themselves and your school – in fact the 3 boys were old school to say the least, they each gave up their seats as soon as adults or other passengers entered the carriage, and were even embarrassed when I congratulated them for doing so, and to top it all off, they were pleasant, polite, well behaved and well-mannered to boot. It was just such a refreshing change, and a pleasure to travel with them that I thought the least I could do was to bring this to your attention."* I want to add my congratulations to those students and their families who believe in doing the right thing, particularly when no one is looking over their shoulder.

ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

The Community Services Committee has started up again after the break and it's great to be back. Meetings will be held in Room 303/304 weekly on Thursdays during the lunch break – simply turn up if you're interested!

We have two exciting charity events planned for Term 3, the Year 9 Boggabilla Bake Sale and the Year 8 Headspace Barbeque. Bourke Street Buddies will also resume for senior students with free periods – award scheme points apply.

The upcoming Boggabilla Bake Sale will be held in Week 2 on Monday, 27 July. We will have an assortment of three cupcake flavours – red velvet, chocolate and vanilla which are being supplied by Mondo Kitchen, Mascot. Soft drinks also will be available.

Be sure to check out our posters around the school in Week 1. Remember to wear mufti and remind your mates to support the Boggabilla Bake Sale!

DEBATING

DEBATING UPDATE

It's been an interesting term in Debating! From only having our teams coached via Zoom in the first few weeks to going to face to face coaching from Week 5, and even a Zoom competition with Newington.

Next term, the GPS competition will run, but not in the normal format. The calendar is below. There are a couple of schools who are not participating in Face to Face debates next term due to rules imposed by their schools. Those debates will run via Zoom.

Another change to the GPS Debating competition is that no parents are allowed on site at any school to view the debates, and there will be no suppers provided at any of the schools. This applies to High as well. Students will need to ensure that they bring enough food to last them for the entire evening.

I would like to thank the boys for the enthusiasm they bring to debating coaching every Friday afternoon and we look forward to a successful GPS Debating Competition next term.

From the Canteen

Welcome Back Parent Volunteers

We look forward to welcoming back all our parent volunteers on site in Term 3.

We are now operating to full capacity and require 3 parents daily to help with food preparation, window service & shelf stocking. Please notify canteen staff on 96629350 if you are unwell or unable to attend the rostered day.

High canteen relies heavily on volunteers. If you have a few hours to spare each month, please consider joining the roster. Full training will be provided.

Staff Changes in Term 3

Our beloved canteen manager Tracey Trompp will be retiring from full time duties this week. We would like to acknowledge her contribution to school over the past 15 years. She will still be around on Wednesday & Thursday working as casual. On behalf of all the families, I would like to wish Tracey good health, happiness and the very best for future endeavours.

Welcome Eirini Kallia, who will now job-share role of canteen manager with Karen Barry. Eirini has an extensive background in catering & hospitality and has worked as our canteen assistant for a number of years.

Orders Preferred

Thank you to the all students who have been placing lunch and recess orders daily either in person or online.

There is still plenty of capacity for pre-orders and we strongly encourage more families to opt for this method. It will help reduce food waste and streamline operations.

Collecting Lunch Orders

Please do not forget to pick up your orders. A number of students are failing to turn up. Any uncollected items will be sold. Refunds will not be provided unless there is a valid reason.

Cashless Options

We also encourage students to use Student TAG to purchase items. This will minimise cash handling.

Canteen Committee

Thank you to Year 7 parents Ning Gong and Cecilia Chan who have joined canteen committee as Vice President and Volunteer Coordinator. We are still looking for other members to replace outgoing Year 12 parents.

A lot of the work can be done remotely. No prior experience required.

Support Your Canteen

High canteen makes substantial contributions to the school each year through the P&C. Please help us raise funds by supporting the canteen. Every dollar made goes back to the school.

Wishing everyone a safe holiday.

Athletics Update – Week 4

Another solid week of training and many of the boys are starting to show great progress. A reminder that the Championship is on the 1st of August. Please be aware that students who make the team (including reserves) will need to have a High Athletics Singlet which can be purchased at the high store. Additionally, spikes will need

to be purchased for safe and best performances, further information about spikes will be distributed soon. Coaches will also speak to the new & young members of the squad about spikes.

Trial events will be run during sport time in week 10 as well as the school holidays.

Please be aware that the training schedule (week 10 below) including the holiday sessions & weeks 1 & 2 next term can be found on CANVAS. I have had to make some updates to the holiday sessions due to ES Marks cancelling some bookings. Saturday 11th of July will now be at MPW.

Dear Parents, Guardians and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.education.gov.au/privacy-policy\)](https://www.education.gov.au/privacy-policy).

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au).
If you have any questions about the NCCD, please contact the school.

Kind regards

Miss Joanna Chan
