

## From the Principal

### Governors Centre Update

On our site inspection tour this week, we were shown through a building that is nearly watertight. The cladding around the theatre is complete and the foyer side will be finished in the next week or two. The glazing (as in fitted windows) is 90% complete with only the area around the SGHS side stairway left to do, with also an access ramp area left open to take plant and building fit-out equipment into the theatre. The operable wall frame has been fitted into the examination/classroom and all the ceiling wiring run through. The toilets and green room are taking shape and the air-conditioning plant has been installed on the mezzanine floor. The lift is partially installed. The Project Control Group this week instructed that two stages of the audio-visual equipment for the classroom / examination room and the theatre for the contractor to supply and install. We need to transfer \$425,000 from the SBHS Building Fund to complete the contract except for 'plug and play' items, white goods and occasional furniture for the foyer. Thank you to the many donors who contributed to our tax-deductible appeal before 30 June. Your years of support and patience will be rewarded before the end of this calendar year.

### High Spirit?

I was saddened to discover that many students who were quite capable football players have chosen either not to play for the school or have not played at the level commensurate with their ability. As in life, it is easy to be passionately committed when you are winning. The test of character comes when you are faced with a very difficult challenge - how resilient and passionate are

you then? High spirit is our institutional glue of shared tough experiences. We stick together knowing that our chances of success are slight in some sports, but nonetheless play as hard as we can because the challenge is very difficult, because sharing an experience with others builds individual character and because playing sport at our peak is beneficial for us biochemically. It also feels good when we make some progress. The talent we have in the senior cohort needs to be wrangled together to make us more competitive and to preserve the name and traditions of the school in the quest for excellence in a high standard environment which our GPS membership responsibilities dictate. I understand the desire to 'play with my mates', but competitive sport is not social sport. You owe it to yourself and to those courageous lads who could really use your help in first and second grade, to reconsider your decision.

### Curriculum Audit

I have now completed the curriculum audit that I set myself as a goal for 2020. Our Strategic Plan (2018-2020) focussed on dispositional teaching through embedded 'thinking routines' within every program written for classes in Years 7 to 9. We are moving towards having PEWCC skills' assessment included, too. My task was to read and summarise every program, identify where the 'thinking routines' were and provide a short commentary on each program. Every program was compliant in that they had the routines set into the program. Some programs described the implementation process fully. The summaries and my comments were returned to Head Teachers for their consideration. The point of the exercise was to engage every learner at a reflection point in a lesson, where there was no right or wrong answer but there was the need for self-exploration via a stimulus. As a school, we have made substantial progress 2018-2020 in incorporating dispositional teaching into our professional practice.

### Parents On Site

Many parents are driving on site to drop off or pick up students. The School is content to facilitate this practice because we all realise the extra time and effort involved for families due to

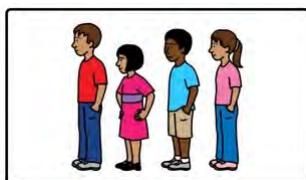

the pandemic. Notwithstanding that this is a voluntary gesture by the School, it does not confer visitation rights on parents, as these would be contrary to Department of Health COVID-19 regulations. Non-essential visits by outside adults are not permitted in schools during social distancing regulations and visitors' registration requirements. Parents coming on site need to remain in their vehicles at all times. My staff have spoken to multiple parents who have been wandering around in the car park or using toilets in the UTS Gymnasium and even the boys' toilets underneath the Great Hall. In the event of an incident, we would not know who you are or how to contact-trace you. If you really need to go to the toilet, come to the front office and follow the instructions for visitors. Once signed in we can assist you with access to a staff toilet. Your cooperation in keeping us all safe is requested again.

### Traffic Flow Assistance

After trialling the assistance of parking attendants for two weeks, we have been able to establish that our assistance is only required on Tuesday afternoons. Mornings are now working well, and traffic flow attendants will be withdrawn from next Monday. We closed gate 2 entry on Tuesday and the backlog of vehicle was cleared within 10 minutes after the 3:15 bell. Our intention is to adopt this method each Tuesday for another couple of weeks. By closing gate 2 entry after 3:10 and by diverting cars after 3:10 to the Junior Quad and Cutler Drive, we can free up congestion around the gate 2 exits. This worked well this week, speeding up the flow of exiting traffic. Be assured we are doing all we can to assist in the timely exit of all parents' cars from the site in the afternoons.

### ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

### Boggabilla Bake Sale – Year 9 Charity.

Congratulations to all the boys who helped sell cupcakes to raise money for the Boggabilla Central School. A profit of just under \$1,700 was raised which is a huge effort given the wet and rainy weather we had to deal with.

Thank you to all the boys who wore Mufti on the day and donated \$2.

A massive thank you to Niccla from Mondo Kitchen in Mascot for providing the yummy cupcakes at a great price.

Niccla has kindly offered a 10% discount for any student, parent or teacher from SBHS for their FIRST MONDO ORDER FOR PICK UP ONLY Please use the code: SYDNEY BOYS

### Welcome Back Parent Volunteers

We are now operating to full capacity and require 3 parents daily to help with food preparation, window service & shelf stocking. Our canteen managers Karen Barry & Eirini Kallia or volunteer coordinator Cecilia Chan will continue to ring/text parent volunteers about upcoming rostered days. ### Seeking New Volunteers

High canteen relies heavily on volunteers to keep operating costs low. If you have a few hours to spare each month, please consider joining the roster. Full training will be provided. Language is no barrier.

### Pre-orders Preferred

Thank you to the all students who have been placing lunch and recess orders daily either in person or online. There is still plenty of capacity for pre-orders and we strongly encourage more families to opt for this method. It will

help reduce food waste and streamline operations.

### Collecting Lunch Orders

Please do not forget to pick up your orders. A number of students are failing to turn up. Any uncollected items will be sold. Refund will not be provided unless there is a valid reason.

### Cashless Options

We also encourage students to use Student TAG to purchase items. This will minimise cash handling.

### Canteen Committee

Thank you to Year 7 parents Ning Gong and Cecilia Chan who have joined the Canteen Committee as Vice President and Volunteer Coordinator respectively. We are still seeking other members to replace outgoing Year 12 parents. Roles available include President, Secretary. A lot of the work can be done remotely. No prior experience required.

# Love your library

FROM THE JUNIOR LIBRARY

All boys in the **Junior School** who have read any 20 books since last September are eligible to enter the Premier's Reading Challenge.

Any boy whose entry has been validated by me and who has submitted 20 (four part) multiple choice questions – one per book read - **will be awarded 5 Award Scheme Points** for his reading effort.

I will validate entries where I have proof of engagement with the books read. This is most usually a library reading record since last September. EBooks do count. I can check books from our library or our eBook suppliers but I need emails from you with *local library reading* records or proof of purchase lists attached to an email for *boys or parents who have purchased books* for reading since last September. I also need emails with tricky trivia questions attached for the additional 2 Award Scheme points. My email is [Library@sbhs.nsw.edu.au](mailto:Library@sbhs.nsw.edu.au).

## Congratulations!

FANTASTIC READING FROM OUR GOOD READERS OVER THE COVID PERIOD – CONGRATULATIONS TO THOSE READERS. *Good Junior readers please enter the Premier's Reading Challenge.*

As part of checking the effectiveness of our libraries in engaging our students and enabling excellence I check on student reading at the end of every semester. You may remember as part of this process I used to contribute to your school reports. This semester I was blown away by the reading of the good reader contingent. I have sent star letters to every boy who read over 4 books this year from our various collections. **(I will also put in one Award Scheme Point for every 10 books read for Semester One)**

These are our **loan figures** for Semester 1. (textbooks and magazines not included)

2020 – eBooks (Wheelers Cloud) 1333

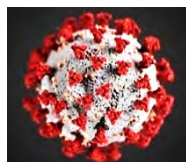

2020 – paper and e (Oliver) 2336

**Total 3669**

Since a new behaviour policy was announced in the Junior Library it is very pleasing to see the improved behaviour of some of our regular users. Our staff are also enjoying this improvement.

### LIBRARY HEALTH POLICY

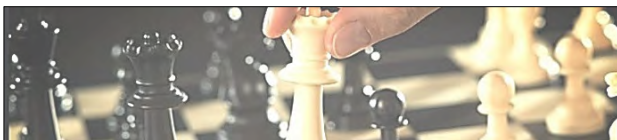

Well done to users adhering to the stricter health policy. You have made this library a much more pleasant and safe place for staff and students to work in!

The Junior Library has changed its assistance to students and is now providing all boys an anti-bacterial wipe to ensure they work in a safer space. The idea is that you take a wipe when you enter the library and you wipe your chair edges (where they are touched) and the section of table in front of you. So you can relax knowing your area should be clean and safe.

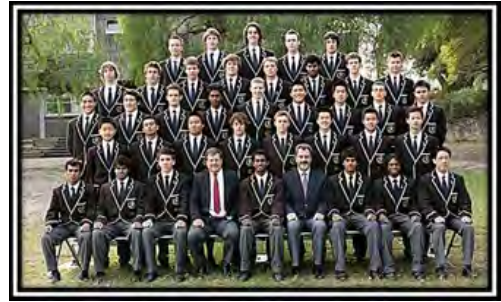

# NEW BOOKS

The Junior Library is catching up with its covering and processing and there are many lovely new books going out onto the display shelves right now. These are just some of them:

## APOLOGIES

Because of COVID there will be no library chess competition - (unless we can figure out a safe way to run it!) Your ideas are welcome!

### 1st XV

On the Saturday of our trial game, the 1st Grade team arrived ready to play against St Andrew's College. Having trained hard since the end of Term 2 and throughout the holidays, everyone was eager to give it their all. In the opening minutes of the game, we experienced a few unfortunate handling errors which cost us an early try. However, this quickly turned around, as we launched a series of strong phases, ending with Mitch Sawyer scoring in the left corner. Due to injuries on both sides, the game was eventually cut short, though it was sufficient to see every player's persistent efforts yielding the results we practised in training. For all the boys of High Rugby, keep working hard and prepare well for the season. Congratulations to the 16As for dominating their match. A massive shout out to the brand new 13's who played their first game ever!! Very proud!
