

From the Principal School Improvement Plan 2021-2024

Our school is conducting a **situational analysis** as a first stage in the preparation of our School Improvement Plan 2021-2024. Next year, the school will be **externally validated**. This involves outside practitioners assessing our programs and processes against the **School Excellence Framework**. We are gathering evidence from many sources. Community consultation is one of our process features. The instrument we have used before is the *Tell Them from Me* survey. We have commissioned another parent survey for 2020. It would be very beneficial to our evidence gathering if there were a high response rate from our community. In the centrally designed and analysed survey, we are allowed to add some bespoke questions tailored to our setting.

The survey is running from Monday 10 August until Friday 23 October. There is plainly no need to rush but we hope the wide window of opportunity will maximise the number of responses. To access the survey, go to...

Prefect Interns Elections Process

The Executive considered the list of potential candidates for the Prefect Internship. Students who have been nominated may be vetoed for a number of reasons. An important prerequisite for School Prefect is acceptable academic progress. That means estimated ATAR of 92 for students who started in Year 7 (calculated on 12 units) and 88 for those who joined the school later. Strong, ongoing participation in the Student Award Scheme is the next benchmark to be met. We expect School Prefects to be role models for participation. Each year they should earn at least 100 points (even if they are carrying over points). By the time the ballot nominations close all students nominated should have demonstrated to Mr Dowdell how

they will earn their 100 points this year towards an award. Boys who already have Platinum Awards, have until the closing date of the Award Scheme for the year to complete their 100 points' requirement. (For this year only, Student Award Scheme requirements were relaxed to be fair to all nominees. Summer and winter GPS sports participation is still a requirement.)

In addition, nominees can be vetoed for recent acts of misbehaviour at the discretion of the executive or because of attendance and punctuality or school uniform issues. Boys who have not maintained the academic standard but have been close to it (ie one ATAR point below 92 or 88, depending on year of enrolment), have their ATAR estimates re-calculated using best case scenarios for 10 units. If they reach the standard then, their nominations will be accepted. A further investigation of academic standings occurs at the beginning of term 4. Prefect Interns who have slipped in their academic standings, may be placed on probation and given until their first Year 12 report to meet the standard required. Ms Rigby is the Manager in Charge of School Prefects and is in charge of the nomination and voting process. The voting process has concluded, and the poll declared. The successful candidates were notified and asked to meet to elect their Executive as soon as practicable.

Prefect Interns 2020-2021

Congratulations to our 2020-21 leadership team. Jivan Naganathan – School Captain, Billy Nguyen -Vice Captain and Rhys Shariff – Senior Prefect. Prefect Interns elected: Matthew Awad, Arnav Bansal, Thomas Brcic, Dean Casarotto, Kevin Chen, William Cui, Marcus Dimitriadis, Sean Giang, Androsh Kandiah, Joshua Lau, William Lee, Yeongmeng Li, Jerry Lin, James Liu, Zachary Liu, Mihir Marathe, Auguste McNally, Ike Matsuoka, Justin Lee Nonis,

Jack Nguyen, Arion Sclavenitis, Kushal Sreedhar, Harry Wu, Adrian Wong, Aaron Xu, Julian Zheng-Lin and Blair Zong. I trust this body of fine young men will maintain High Spirit through participation and lead by example in demonstrating the ethos of the School to all. Ms Rigby MIC School Prefects, will allocate roles to each Intern as part of the internship process. We expect our leaders to lead by doing...by being the role models we expect our aspiring leaders to emulate. I wish them all well on their journey.

The Co-Curricular Supervision Levy

In order for us to run a **six-day school** with **after-hours activities for 15 sports, debating, music ensembles,**

cadets and chess, we need to provide a teacher/ MIC / manager for organisation of the activity and staff to provide supervision of students to meet our duty of care obligations.

The DoE does not fund the extra training sessions and competitions on Friday evenings and Saturdays. Some parents are asking: 'Why should I pay this co-curricular levy when I'm paying quite a lot in co-payments for a sport or activity for a season? The money raised from the levy is used to pay for the time that supervising teachers/MICs have to spend on the activity. Their duties include, but are not limited to: hiring and managing coaches; organising teams, fixtures and venues; buying and managing equipment; supervising coaches during training sessions; coordinating results recording / publishing; following up on attendance; awarding Student Award Scheme participation points in a text file; getting reports from sports captains; managing assemblies and dinners; as well as travelling and being there for competition fixtures on Friday nights or Saturdays. **All these non-teaching duties take time for which personnel must have some compensation, by way of time, money or a combination of both.**

In addition, the levy is **used** to pay for health and safety services and equipment. **Physiotherapy services** are provided at certain venues and at selected times at school in the winter season to assess injuries to students. Also, **an extra allowance is given to the Head Teacher Sport** to manage the overall sports program. The levy has to meet the cost of running **athletics and swimming programs** which are provided **free of charge** to all students. The levy **does not cover the running costs of sports** – coaches' fees, venue hire, equipment, consumables. All these items must be **funded through co-payments, parking receipts and school budget allocations.**

To clarify why the levy is necessary and should be supported by **all** parents, I want to share with you the direct costs to the school of management, supervision and duty of care of sport and co-curricular activities. Staff members are remunerated by way of allowances (time free from face-to-face), or the period equivalent in money or a combination of the two. Non-teachers are paid the equivalent of the period allowance that would have been offered to teachers. The employment on costs of >18% are also paid by the school. **The cost to the school for these services in 2020 will be \$394,389 for sport, \$155,155 for co-curricular and wellbeing and \$153,140 for academic and administrative support.** This amounts to **\$581** per student. Please support the school in its attempt to deliver a plethora of co-curricular activities by contributing to the **Co-Curricular Supervision** levy each year.

AAGPS Athletics 2020

AAGPS Athletics 2020 Season Wrap Up

At the start of Term 2 it was decided by the GPS that the athletics season would be moved forward ahead of the winter season. Physiologically speaking, it was the best thing for the students coming out of the learning at home period. Given the length of time until the 'predicted' Championships date, it allowed for a longer general preparation period (including a Year 7 FUNDamental Friday morning session) which proved vital.

Due to the restrictions our usually massive squad numbers had to be halved, we selected a squad of 120 students to train. As restrictions lifted and the general training phase transitioned into more specific training & more sessions. The week before holidays saw the beginning of 'trials' which lead into a holiday training block (which included more trials).

The Championships were held over the 2nd weekend of Term 3 and was run over 3 sessions. The Seniors on Saturday with the usual program, the Juniors were on Sunday & Intermediate in the evening with a condensed program.

It was a fantastic program to be part of, students were 'happy' to be back at school, excited to be involved in physical activity and surrounded by their friends. The Athletes who participated in the Championship showed great dedication to their training and adaptability to changing circumstances.

Stand Out Individual Performances –

Dylan Dutt placed 3rd in the 13s 90m Hurdles 3rd with a time of 14.71 (the winner broke the GPS record so it was a very competitive race). A great performance considering he only begun hurdles this season.

Caden Ma 3rd in 16s 110m Hurdles with a time of 15.87,

Justin Lee Nonis 3rd in 16s 200m with a time of 23.28

Max Russell 2nd in the 15s 1500m with a time of 4:31.32

Kane Shields 1st in the 16s 800m with a time of 1:56.43 & 2nd in the 1500m with a time of 4:13

Joshua Suto 1st in the 15 Long Jump with a GPS record breaking jump of 1.95m (This also broke a school record held since 1980 by J Isaacs), Joshua also won the 15s High Jump with 1.95m, again breaking the GPS record. During his high jump he managed to sneak in a 2nd in the 100m. Josh placed 5th in his 400m and gained positions for his 4x100m relay team, a super effort from Josh.

Team Results -

Jnr score 8th 212 – 2019 6th 216

Int score 6th 264 (4 points off 4th) – 2019 8th 220

Snr score 8th 161 – 2019 7th 223

WEIGHTS ROOM

Weights Room Half Year Membership \$150 (valid till February 2021)

The weights room is free to trial until the end of August. It is open Monday – Friday 7-9am and Monday to Thursday 3:15-5pm. Boys are highly encouraged to participate in this program. The half year membership has been offered to encourage those who are not currently members to join and start developing & learning asap. Half yearly memberships need to be paid before the end of August this year.

The weights room is always supervised as boys are guided through their training to learn a healthy life skill, improve their physical qualities, have fun and increase confidence.

1st 8 – 17L

1st XV Report

With our game moved to the King's School, the 1st XV arrived determined to win our first game of the season. We had a very strong start, getting an early turnover and accomplishing what we prepared in our training, scoring in the left corner. Unfortunately, we gave away a series of penalties which cost us our lead. At the end of the half, we were awarded our own penalty, converted for three points. The second half was a continuous contest to overcome the small point difference, which we just failed to achieve, as they scored in the last five minutes. Though the boys put in a great effort in this game, we look to continue to work on maintaining our excellent start and extending this throughout the game.
