

From the Principal High Talent

Congratulations to our first and second grade

volleyball teams! Both were GPS champions after a strong season of wins. Our Foil teams claimed Silver Medals in both the Intermediate and Senior divisions of the NSWFA School Age Program – Foil Team Competition. Our first XV had its first win in

a while this week - 12-10 over Shore 3rd XV. Well done to the boys for breaking the drought...and to coaches George Barris and Steve Comminos. Congratulations to the teams and their coaches John Tian (SHS-2017), Sean Morota Chu (SGS-2018) and Marcus Nguyen (SHS-2019). In this year's International Mathematics Modelling Competition, our team of Blair Zong (11E), Ryan Lee (11E), Arnab Bansal (11F) and Saksham Bhatia (11R), earned an Honourable Mention. Our Year 10 team of Martin Lee (10E), Duy Ngo (10E), Rayne Fangwu (10E) and Chen Zhang (10E), were National Finalists. Congratulations to our students and to Mr Wang, their Mentor.

Year 12 Farewell Assembly

Good afternoon Year 12, students, staff and parents via live stream. Welcome to our Farewell Assembly for the Class of 2020. We have had to improvise in this pandemic year in order to retain some of the customary end of Year 12 celebration activities and still maintain social distancing and time restrictions. The Sydney High School Old Boys Union Life Membership certificates were presented earlier today to 83 students, demonstrating the growing relevance of the Union to students' lives while here, at university and in employment searches.

One hundred and sixty-eight students completed six years at High. The cohort of 2020 will be a unique group of pandemic sufferers in this century as the 1920 cohort was in the last. I tried to capture some of the qualities of character and dispositions they showed in my *Principal's Message* printed in the Year 12 Farewell Booklet, along with some notable results by Year 12 students. This week our volleyball teams won GPS Championships in first and second grade.

I want to thank publicly the senior leadership group for their support. Alex, Angus and Alan faced a totally unique leadership challenge – how to inspire 213 students, not on site. I was proud of the way they rose to the occasion with online activities to preserve morale and build companionship. Our Prefects stepped up and upheld their oaths of office. Thank you to all of our departing student leaders – SRC, Community Service, PAWS, Equality, Social Justice – their volunteers and committees.

I want to recognise and thank the three scholar-sportsmen who competed in two seasons of GPS Saturday sport and earned 99.5 ATAR or higher in the Trial HSC. Well done to the five students who competed in three sports in their final year (2019-13, 2018-13). I want to thank the 38 Year 12 boys (2019-77, 2018-95) who showed such great pride in their school and represented High in at least two sports in their last year at school. Another 53 played one sport (2019-63, 2018-63). In this COVID-19 year, 42% of the cohort showed their commitment to our ethos right to the end (2019-73%, 2018-75%). Four students competed in three GPS sports for six years (2019-4). Thirty-eight students played two GPS sports for six years (2019-38) and sixty-nine (2019-69), one sport for six years. These statistics affirm that even in their most demanding and stressful year at school, our students valued participation in school sport. I honour them all for it.

Congratulations to the most committed Year 12 students who represented the school at the highest levels in multiple GPS sports in 2020. There were 34 boys from Year 12 (2019-29, 2018-24, 2017-17) who competed in GPS first or second grade in two seasons of sport this year. Our 'Triple Firsts' this year were Steven Meng and Titus Zhao. Our 'Double Firsts' competitors were Ethan Cusick, Felix Cao, Khobi Deep, Lawrence D'Mello, Kent Gu, Angus Henningham, Daniel Im, Alan Ji, Jarrod Khaw, Tom Liu, Kelvin Meng, Nicholas Palmer, Mitchel Sawyer, Jonathan Tran, Jordan Whittaker, Edward Yoon, Khalil Youssef and Alex Zhou. Our 'One-Two Club' comprised Charles Clay, Vincent Dorahy, Kazi Hasan, Alan Jessup, Ben Kernohan, Vincent Le, Aleksei Maksymow, Suvipra Vaidya and Joshua Zhao.

You all embody the ethos of our school as scholar-sportsmen, thank you.

I wish you all the best in your HSC preparations and in the examinations that follow and expect that you will be successful in gaining entry to your chosen tertiary options – it might be a very good year to be applying for a university course. It has been an honour and my profound pleasure to serve as your Principal.

Principal's Farewell Message

The 2020 graduating class will be a special one in many ways. First, it is one hundred years since a graduating class at High has been affected so badly by a pandemic. High was closed in 1919 for the first few months having been requisitioned to serve as a hospital until April. The Spanish Flu kept up to 40% of the students and teachers away from school at the peak of the second wave in June and July 1920.

The COVID-19 experience of 2020 has been a long one. Returning students in late January were asked to self-isolate if they had been holidaying in China. The reasonably routine term one was followed by a term of disruption, with face-to-face lessons not recommencing until May. In the April-May lockdown, it appeared most students were able to adapt to on-line learning and coped well with the anxiety of uncertainty and learning to be at home while maintaining a full school timetable of lessons. You applied yourselves in a character-testing time with conscientious collaboration and cheerfulness.

Many of the co-curricular activities, school events, competitions, assemblies and meetings that make up the familiar fabric of students' final year at High, have either not happened or have been in a form mediated by social distancing or technology. Many knockout competitions were cancelled outright or postponed. All year-long activities were disrupted or delayed or cancelled. In many ways a High 'rite of passage' in your final year has been denied to you, for which I commiserate with you all. I have been impressed by the cheerful resilience that I have encountered among staff and students. You Year 12 lads have shown great resilience and initiative while trying to kindle the fire of school spirit in trying circumstances.

There were notable accomplishments by Year 12 students in this limited year. Kieran Guan (12R) represented Australia in short track speed ice skating. Kent Gu (12F) Weixuan Li (12E) and Oliver Yang (12T) were selected in the Sydney East regional volleyball team and Oliver went on to represent at CHS level. The combined GPS 'Merit' team for basketball included Kwabena Brefo (12M), Adam Gordon (12T) and Eoin Fitz-Gerald (12R). Eoin was selected in the U18 Metropolitan East team.

During this year to date and in the months ahead in this pandemic driven environment, you will be required to show your strength of character in order to reach your potential at the HSC and beyond. You have shown that you have the confidence to be confronted by the disruption of self-isolation and on-line learning. During these anxious and distracting months, you have needed the self-assuredness to know what is important to you and to act upon it. You need a faith in the logic of doing the right thing in our community-driven health crisis, even at the expense of your own personal comfort or convenience. I trust that the indomitable 'High' spirit needed for the challenges ahead carries you through Year 12 and beyond. So long. Stay safe and strong.

Jivan Naganathan places Second in Lawrence Campbell Competition

On the evening of Friday 18 September, Jivan Naganathan stayed at school to compete in the prestigious Lawrence Campbell Oratory Competition. This was held, for the first time, over Zoom and involved

twelve competing GPS schools. Jivan spoke clearly, eloquently and passionately about his family's heritage and linked it beautifully to poetry he had studied in Year 11. The judges left us anxiously waiting for the results, with the MC having to extend the judging time on three

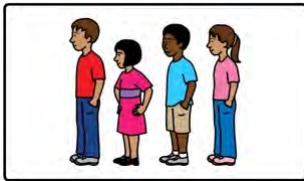

separate occasions. Eventually we were rewarded with the thrilling announcement that he had achieved second place in a tight competition.

Huge congratulations to Jivan, as well as his Public Speaking coach Carla Field. The two of them have been working tirelessly over the past few weeks to extend and refine his preparatory and spoken skills. If you see Jivan be sure to congratulate him on a fabulous achievement!

ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

From the Canteen

Managed by a sub-committee of the P&C, High Canteen's raison d'être is to offer healthy and reasonably priced food options for our scholar sportsmen. In so doing, it also raises substantial funds each year. All operating profits are returned to the school and directed towards specific projects.

This is how the funds were allocated in 2020:

- \$15,000 for purchase of school bus
- \$30,000 for purchase of maths textbooks
- \$2,500 for purchase of science textbooks
- \$2,500 for classroom interactive technology project

High Canteen is extremely grateful to the school community for their ongoing support. Thank you to all staff and students who choose to spend their money at the school canteen. We would like to acknowledge the parent volunteers, who are the backbone of our facility. Each day, we require 3-4 parents to help managers Karen & Eirini prepare fresh food, stock shelves and serve at windows during recess & lunch.

Year 12 Parents

Thank you for always turning up on your designated day, serving the boys with a smile and for all the suggestions over the past 6 years. Please don't forget to continue attending on your rostered days in October, November & December, although your boys finish school this week. We wish them well for HSC and life beyond.

Outgoing Year 12 Gifts to the Canteen

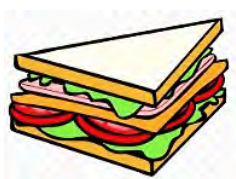

Karen & Eirini gratefully appreciate the beautiful gifts from the outgoing Year 12 cohort. The electronic scales are a valued addition to the canteen as is the pot plant but most importantly, they cherish the lovely words of acknowledgement in the greeting card and all the wonderful memories of serving you since Year 7 and watching you evolve. Don't forget to come back, say hello and buy some of our delicious hot or cold foods.

Urgent Reminder

A number of our canteen volunteers are yet to complete Working With Children's Check. It is a legal requirement that all volunteers in a school setting be registered with the school office. Please book an appointment with Stephanie Francis on 96629300 to complete the paperwork. A WWCC Declaration for Volunteers and Non-Child Related Contractors needs to be completed and copy of an original government issued photo IDs has to be sighted.

MOM Team Effort

1st XV

It was a surreal feeling to know that for most of us, this was our last High vs Grammar, and our first without the support of a crowd. Fuelled by a strong passion to fight for each other, we vowed that no matter the outcome, we would compete the most we had all season. The game started off poorly, falling behind early in the contest as they scored a few tries, though we ultimately won the second half, and had controlled the majority of the centre-field. However, despite our strong efforts, we could not catch up. Whilst the outcome was not the result we desired; it was a match we won't forget. With only one game left to play against Shore on Wednesday, our time in High Rugby is coming to a close. Regardless of the circumstances which interrupted much of our traditional season, to have been provided the opportunity to play in our final year, has been a blessing for all of High Rugby. On behalf of the 1st XV and all final year rugby players, we thank you, Sydney High, for the experiences we've collected over our years at High!

Joshua Zhang (12R)

14As and Bs

With two games this week, we had to plan our roster carefully. As the Bs game started, Grammar established

themselves as a formidable foe. They were able to create a significant score line of five tries within the first half. However, thanks to a great offensive effort by George Chen and Michael Chen, Christopher Santoso was able to score a great try. After some subs to keep the As boys playing in the Bs game refreshed we were able to score again! This was thanks to another great offensive effort by Michael Chen, George Chen and Andy Huang. Due to this I was able to just scrape in a lucky try off the ruck. In the second half we were able to hold off the Grammar offense with some great defensive plays by Leon Shen and Harry Xin. Unfortunately, Grammar was able to score one last try before the game ended. The final score was 10-34 Grammar's way. Man of the Match was George Chen.

In the As game, we were ready to go, albeit a little tired from backing up in the Bs game. Grammar's As were a very physically strong and fast team with a great ability to spread the ball wide to their fast wingers. This compounded our already deflated team as they set a score line of 54 to nil in the first half. However, in the second half we were able to give more of an offensive effort. This was due to a great defensive effort by Michael Chen again to get us the ball. After some great runs by Tian and a knock on by a failed grammar intercept we had a scrum in their 22. After discussing what we would do, I was able to slip in a try down the blindside of the scrum. During the last play, Grammar knocked it on, and we were able to get the ball back. Unfortunately, we lost it due to slowness in the ruck. However, Christian Dimitriades made a great intercept and scored a try right between the posts. This was also converted. A great way to wrap up the season! The final score was 12-64 Grammar's way. Man of the Match was Michael Chen. During the off-season we will continue to work on fitness, especially as some of our boys go back to rowing. All in all, a great season this year. I'm proud of the boys for all the effort they've put in this season. Another thanks goes to our coaches Elliot Love, Jia Jin Sheng and Mr. James for bearing with us this season and making the effort to come out every Saturday and coach us. Great work boys!

SBHS Football Recap – Round 7 vs Grammar Saturday 19 September

Last weekend was the final round of GPS fixtures for the Winter season. Some fantastic team performances with great team spirit on display as each team celebrated the end of the season.

The game of the round would be the 2nd Grade fixture. Despite trailing 4-1 at half-time, the boys dug in and gave everything they had. The goals included a sublime free kick from Joshua Suto, penalties from Naruj Sae-Lim and Sean Montalbo and a late equaliser from Dawon Kim.

Some other notable performances included a last minute equaliser from Eugene Han (15E), a hat trick from Patrick Hua (15F) and some brilliant keeping from Brian Ahn (14A).

Thank you to Hikun Nguyen (2nds) for the photographs.

SHOOTIN' HOOPS

267

Shootin' Hoops, is back again! At time of writing, the basketball trials are about to begin and as you read this, they will be finishing. We hope you did the best you could and good luck. Remember, the Flat and the Amphitheatre area is out of bounds this week. So, for more basketball, watch the NBA on the big projection screen, both LIVE and REPLAYED with Mr Hayman between now and the end of the season in Room 901 at lunch! To have it set up, ask Mr Hayman in the PDHPE office. Go with your friends to watch the NBA! Today (Friday 25). It is the grand finals of House Basketball: McKay versus Torrington. McKay managed a double over time victory by 1 point!! Perhaps the best House Basketball game ever. With a packed stadium of supporters, both sides had a great time. Thank-you to all involved! Especially Ms Curry, the referees, coaches and Mr Hayman.

In the holidays, there is going to be the Marquis Basketball Skills Camp. Marquis takes you through multiple 1 on 1 situations! Mr Hayman says, he is confident players will gain a deep understanding of the keys to master how to: use their footwork to create separation from defenders, shoot off the dribble and finish around the rim in a variety of ways. It will be held on October 1 and October 2 at 10:00 AM - 1:00 PM. It is located at Sydney Boys High School 556 Cleveland St, Moore Park, NSW 202. See Mr Hayman in the PDHPE office or Marquis before school in the gym for more details.

High's First Grade played Moriah in a 'friendly' on Tuesday morning in our gym. It wasn't close.. Sydney high shared the ball, played team defence and rebounded, like all great High teams have done in the culture created over the years. The result was a great victory for our school.

At HIGH we value teamwork (Hard, Smart, Together). No one man can win a basketball game. Together as one is a HIGH initiative that is critical to the success of our basketball athletes. During this week's trials coaches will be looking for selflessness, you can have all the talent in the world but if you don't pass the ball you are not supporting HIGH's key values. This means you are not just letting down HIGH, but yourself and your teammates. So during trials get out there and play some team basketball. This also stands during our games. The best example for this is the 2015-2016 Warriors. They beat Micheal Jordan's historic win record of 72 wins and 10 losses and bested it by just one more win. This Warriors team was notorious for rarely dribbling the ball and

prioritising good passing and selfless basketball. If we follow these NBA game plans we could see the same success the Warriors had in our own GPS games.

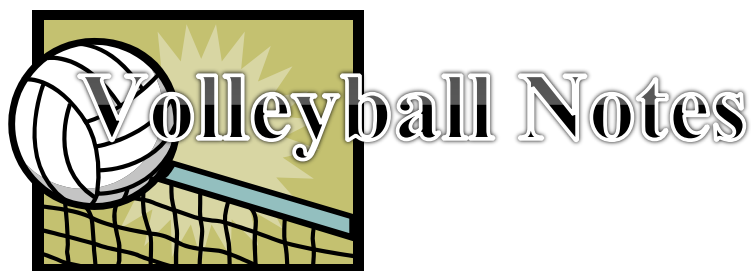

Together as one goes beyond just the team game it extends to your entire year and even the Entirety of HIGH basketball. The reputation of HIGH is upheld by every team. We need to work together as one to play with the same burning intensity so we win games and even championships. It's also important to get involved with HIGH basketball and help out when you can. One of the easiest things you can do is to encourage your teammates, whether it's on the court or in the playground, team chemistry can win games.

Good luck with trials all HIGH ballers! **Remember to check your emails** to see what the coaches are looking for when you trial! Enjoy your holidays and we will see you next term, beginning of season 2020 - 2021. And remember to **play hard, play smart and play together!**

Cross Country Report

Cross Country, like all winter sports, has seen many changes to its regular operation. The schools have been separated into two zones based on location: North and South. Instead of all the schools competing together at venues across Sydney, each school only competes against one other school in their zone each week and only across two venues: North Ryde Common and Upjohn Park. The competition comprises 4 rounds for Under 16s and Under 14s, and 5 rounds for Opens.

Last Saturday was the Finals for the Under 16s and Under 14s Cross Country teams, and the Semi-Finals for the Opens Team. However, the Under 14s team and the Opens team both had a bye when their opposing teams forfeited, which automatically gave them the win. The Under 14s team finished 7th overall and should be congratulated for their incredible dedication and effort throughout this season.

The Under 16s team fought for 3rd place against Riverview and won. While it may not be the result they were hoping for (with the goal of coming 1st), they should be proud of their results this season which have been among the best seen. Special mentions go to Kane Shields, who came 1st, and to Max Russell who finished 3rd. They both played an integral role in the success of the team which can be attributed to their constant dedication to the sport. Congratulations to all the runners who raced!
