

### From the Principal

#### Welcome Back to Term 4

We will all have our fingers crossed for our HSC students until November 12. Let's hope the pandemic doesn't disrupt their learning any more this year. We all wish them the best of luck for next Tuesday and beyond. Year 9 are also sitting for examinations all next week. It will be the first big block of tests for them this year. I trust they are all revising well and practising problems and engaging closely with content and concepts. Due to demand for furniture for HSC examinations, Year 9 will be allowed study days on Tuesday and Wednesday next week, during their examination block.

#### High Talent

Our HSC students nominated for possible inclusion in ENCORE were: He-Shyan Balnave (11T), Andrew Gu (11F), Kent Gu (12F), Yung Kim (12T), Yeongmeng Li (11S), Kalaish Stanley (11T), Julian Waring (11R), Toby Wu (12R) and Alex Zhou (12F). Congratulations on your great practical results, boys! Exemplary bodies of work in Visual Arts for the HSC were

nominated by teachers of the HSC this year. Prathik Subbanna (12S) has progressed to the nomination stage for ARTEXPRESS. Well done! In the NSW Senior Business Studies 2020 'Plan Your Own Enterprise' Competition (PYOE), Martin Lee (10E) achieved 3<sup>rd</sup> place in NSW Division 1. In the group entry, Saarthak Aggarwal (10F), Jo Kawahashi (10E), Terence Lim (10F) and James Walker (10M), won third prize in Division 2. Great work lads! Well done to the media team and James Walker (10M) for his leadership. In the closing weeks of Term 3 they delivered the Virtual Tour, the Open Day live stream and the Year 12 Farewell Assembly live stream. Both have had > 2,000 views. My thanks go to them and their teacher mentors, Ms Kim, Ms Stewart and Ms Chan.

#### Staff Changes

After an open merit selection process, Dr. Lynda Pinnington-Wilson was appointed as the new Deputy Principal, Senior School, replacing Mr Dowdell (SHS 1996-2021) who has unselfishly relinquished his position and separated from the Department of Education in order for us to be able to fill his position this term and be ready to start next year with the new Deputy in Place. His last day of service will be on May 5, 2021. Dr Pinnington-Wilson holds a B.Ed. (Edith Cowan), B.A Hons. (University of Wollongong), B.A. (Oxford), Master of Educational Leadership (U.W.S.) and Ed.D. (USyd). A former English Head Teacher (Ambarvale & Hurlstone) and Curriculum Consultant, Lynda served as Deputy Principal at Hurlstone (2009-12) and Tempe (2013-16, 2019). She was an Early Career Teacher Consultant, CEO Leadership Professional Practice and is currently PEO Rural and Remote Education Program. Lynda brings a high level of experience as a successful teacher, school leader, teacher-educator and state-wide program co-ordinator. She will commence duty on January 27, 2021. I look forward to welcoming her to the Senior Executive team.

## Year 12 References

The largest ever first batch of Year 12 references was processed during the holidays and around 50 uploaded into Co-op Scholarship applications. I want to thank the team who produced the references – Yasmin Ilic, Bob Dowdell and Jamie Kay on the data entry, collation and curation of over 200 references. This year the process was smoother than ever and the cooperation level from the students was very high. Importantly, over 600 individual reference sheets were completed by 70 + staff – a great effort and a really quick turn-around. Thank you to everyone who contributed and especially to those who made personal comments about the character of the students they were assessing. It added depth, uniqueness and personality to the content of the references. It made my job a lot easier as the writer. Thank you to Brooke Ashton for the proof reading and printing of the references one at a time – due to the variety of font sizes.

## Capital Works During The Holidays

Thanks to James Rudd, David Isaacs and John Prorellis, the telephone system for the school was renewed and integrated with the Governors Centre and SGHS. This

project was financed by DoE. Rooms 102-108 and 901 were fitted out with smart short-throw projectors and whiteboards and Vivi systems. David and James were at the centre of the management of those works. I would like to acknowledge the additional funds supplied by the SHSFBF to finance the work. Your contributions to our Building Fund have made this very significant upgrade in services for students possible.

## Outdoor Education is starting up again!

### Year 8 Camp

Information and permission notes were sent home this week for Year 8 camp. On Year 8 camp students will reinforce integration, socialisation and team building skills while providing opportunities to continue to develop leadership skills. They will also develop safe outdoor practices. Camp is held at Mangrove Mountain on the Central Coast near Gosford. Students will participate in a 1/2 day bush walk with 1 night out camping, canoeing, flying fox, high ropes, natural rock climbing and abseiling

**Dates: Monday 30 November – Wednesday 2 December**  
Please return the permission note, medical form and make payment by Friday 30 October 2020.

southern highlands and is run by The Outdoor Education Group.

2. Three-day expedition program non-Duke of Ed. This program is for those students who still enjoy camping and want to do a journey based program in the bush camping out, but don't want to do the Duke of Edinburgh program. It is also held at Wombaroo in the southern highlands and is run by The Outdoor Education Group.
3. Three-day centre based program which aims to reinforce group dynamics and living skills and further promote self esteem and confidence. On this program students will be sleeping in dorms and eating in the mess hall. They will be participating in activities on site such as a High Ropes course at tree Tops, Build-a-bridge team

### Year 9 Camp

Information and permission notes for year 9 camp were sent home this week. Year 9 camp is a bit different to previous camps in that students can choose the type of program they want to complete.

1. Three-day expedition program with the Duke of Edinburgh's bronze practice expedition. This program will be held at Wombaroo in the

activity, canoeing and many more. This program is held at Morrisett and is run by Active Education

**Dates: 9 December – 11 December 2020**

Please return the permission note, medical form and make payment by Friday 23 October 2020

## Year 10 Camp

Information and permission notes for Year 10 camp were sent home this week.

The aim of Year 10 camps is to provide a challenging wilderness experience to further develop leadership skills, promote positive risk taking, environmental awareness and safe practices.

Students who complete all 4 camps (or 2 if they come in Year 9) are awarded an Outdoor Education Certificate for their portfolio and can include Outdoor Education in their Year 12 reference letters; something all universities hold in high esteem.

Below is a recount from last year's camp by the 2021 School Captain, Jivan Naganathan.

*The Year 10 Outdoor Education Camp proved to be extremely worthwhile and unique for all the boys that participated in it. We spent five days in the third last week of the school year at Bush Camp Biloela in Bangadilly National Park, with half the group tackling their Bronze and Silver level expeditions for the Duke of Edinburgh Award and with many more coming along just for an enjoyable experience. In the days leading up to the camp, we ensured that we carefully planned our journey, including navigation, food and supplies. This allowed us to take a much more hands-on and self-directed approach during our adventure. We led hikes and cooked meals during the day and played competitive capture-the-flag in the evening with the*

*local kangaroos watching from only a few metres away. With assistance from Mr Fuller, Mr The, Ms Ibbott and the Outdoor Education Group leaders we were able to learn about Australia's very own backyard and our own minds, while getting away*

*from the usual classroom, strengthening friendships and forming new ones. The experience as a whole was a great adventure for us all. It broke through expectations by taking us well out of our comfort zones and by pushing us to limits that we had never*

*been pushed to before, building valuable character for when we returned to school.*

**Jivan Naganathan IIR**

**Dates: Monday 30 November to Friday 4 December 2020**

\$100 deposit is to be paid by Monday 26 October to secure a place.

# SHOOTIN' HOOPS

## 268

---

SBHS versus Shore! It's only the Firsts and Seconds playing this week and our teams will be competing on Saturday in what will be the first games of the new season. These games promise to be exciting. Training also began this week for all teams; if you want to find out when your training sessions are, where they are and the overall arrangements, so that you are not in a pickle, check Mr Hayman's email, that was sent out on September the 10th. This email should contain three attachments. For the Junior As and Bs, future firsts every Monday. Please everyone remember to bring the correct uniform for training and for your game. And remember, keep practicing your techniques and reinforce your training. Keep that positive attitude and effort. Next week, we will be facing Newington College, and more news about the games will follow in the next Shootin' Hoops.

The future firsts program has just kicked off for this season. It includes all Junior A's and B's players, bettering their skills with Mr Hayman and Mr Higgins. At HIGH we should see this as a brilliant opportunity to expand our game and to improve our attacking ability in our basketball games. This is also an excellent opportunity for HIGH basketball players hoping to try out for Firsts and Seconds as both coaches are involved in choosing the teams. By doing your personal best during these training sessions you are more likely to be recognised and known for your basketball skills when you trial. Remember HIGH players, do not limit yourself to just your age group, it's very important to play against older competitors and to play with the best teammates that you can play with within the best competition you can play in. If you are dropping 25+ points a game, give graded teams a try to expand your game.

The NBA playoffs have recently concluded, with the Los Angeles Lakers taking on the Miami Heat. The Lakers were the favourites to win, but the Heat surprisingly were able to make it past the eastern conference finals and end up in the finals. The Lakers unsurprisingly won, but not without the Miami Heat putting up a good fight. The Heat took the Lakers to 6 games (4-2), with Jimmy Butler having two 40+ point triple double games. LeBron James won finals MVP with his incredible statline of 28 pts 10 rebounds and 9 assists. We all look forward to the next season and can't wait to see the new rookies in action!

Good Luck to all the High teams! Play Hard, play smart and play together! Remember there are no games this weekend, except for firsts and seconds. Good Luck HIGH!

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible

Brought to you Xavier Perry and Lucas Adamson.

### Holiday Rowing – Captain of Boats Report

With a late, albeit much awaited start to the season, all the rowers were eager to once again be back on the water – getting used to being back in training and re-adjusting to our new boats throughout the holiday training camp. Despite the early mornings, many of us still missed the peaceful chaos of the sheds - attempting to get everybody in the program on and off the water utilising only a single pontoon.

Intending to approach this season both harder and faster and to be more competitive earlier, many of the boys have consistently put in the long hours throughout winter to hopefully shake up the competition this year. But as we regroup and focus for the long season ahead, all the boys in the shed – from the junior quads, to the senior eights – understand that we still have a long way to go together, where hopefully, to each his own individual effort, our collective performance can prove this to be one of the most competitive seasons yet.
