

From the Principal Mandatory Life Ready Course

The Department of Education has a mandatory course that must be completed by all students in stage 6. In order to save the 25-hours of instruction from interrupting our Year 11 programs, we decided a couple of years ago to run it in the last week of Year 10. Ms Chan, HT Wellbeing, designed a 3-day experience for our students. This year, the program commences on December 14 with a "Mindfulness" session followed by a RYDA 'safe driving' course. On Tuesday 15th, students will attend a 2-hour 'Breaking the Man Code' workshop, a Commbank 'Smart Start' presentation on smart earning, enterprise and saving; and a Headspace presentation on 'How to Support a Friend'. On Wednesday, Brent Sanders will deliver a presentation on 'harassment, discrimination and sexual crime'.

The school incurs expenses in hiring professionals to deliver modules of the course, necessitating a charge of \$79 per student as a co-payment. We see the course as a valuable opportunity for teenagers to be exposed to the issues, privileges and responsibilities of adulthood. I am asking for the support of all Year 10 parents to deliver this compulsory part of the curriculum.

End of Year Reports

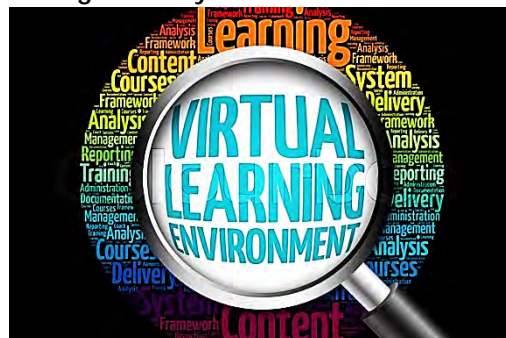

All boys in Years 11, 9 & 7 should have discussed their reports with me. Boys in Year 7 requiring 'Clearance Forms' who have not collected their reports will have time slots available to book in for interviews next week. For some days after that, I set aside a period to allow 'Stragglers' to book a time to discuss their report with me. Thereafter, they will join the other Years in having appointments only out of school time or in breaks. Please make sure that your son meets his obligations to the school and then books in for an appointment.

Student Leave Requests – Reminder

There is a Department of Education and school policy on **Student Leave of Absence – Extended Leave Travel** requests. This applies to leave that is **five school days or more** in duration. Parents are reminded that as a matter of policy leave may not be processed or approved unless **four weeks'** notice has been given. Also, cogent reasons for travelling during school term need to be supplied. The effect of this decision is that all leave requests that involve that last four weeks of term must be lodged with me for approval by the end of week 6, each term. If you are planning to travel during the school term you need to download, complete and submit the form for my approval by the closing date.

Leveraging our CANVAS Learning Management System

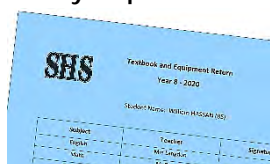

In the short space of one calendar year, the teaching staff at High acquired and employed a learning management system that allowed the school to maintain its full timetable right through the lockdown period. Since the students returned to school, staff are utilising CANVAS to enhance student engagement and to improve outcomes. The features of the system that staff have mastered and are using routinely are: Creating Announcements, Marking Assignments (speed grader), Uploading and Managing Files, Using the Inbox, Creating and Organising Modules and Creating and Modifying Assignments. Early adopters have employed many or all of the fourteen other features within this powerful system. Professional learning in 2021 will be directed towards raising the operating skills of the whole teaching staff in CANVAS.

What are the benefits for students? First, students have unprecedented access to learning

materials posted on the system. We plan to extend our services in asynchronous mode to students who are on extended leave. It should help them to know what the work was while they were missing school through illness, misadventure or extended leave for travel. They may suffer less disadvantage because of their absences. Second, feedback to students will be enhanced. Several features within CANVAS allow teachers to rapidly assess, quiz and comment on students' work. Peer assessment, discussion and collaboration are facilitated. Teachers can post annotated tasks or assignments for student reflection. Third, information flows to parents will be increased as we introduce parent access to CANVAS in 2021. We have restructured our reporting system by standardising teacher ratings of various outcomes levels and learning behaviours. There are strong administrative benefits for doing so but, as a consequence, the reports are less personal. Allowing parents to see teacher feedback sheets, annotations on assignments and comments on assessments will help to mitigate the loss of the teacher comments.

Dr K A Jaggar
Principal

Yearly Reports - Clearance Forms – Years 9 & 10

Clearance forms for report collection will be issued during the coming weeks. Please ensure outstanding payments and due book returns are

received **before** the clearance form is printed.

CHESS NEWS

We are so happy to announce that the NSW Junior Chess League will be running The Australian Schools' National Competition on December 5th and 6th this year and our school has been chosen to represent NSW. Last year our team (Peter Boylan, Justin Wayne-Lowe, Kerwin Ma, Jack Keating and Toby Huey) played in Canberra and was placed third in Australia.

This year, of course, the competition will follow Covid-Safe Guidelines and our team will be playing at James Ruse High School on 5th and 6th December. Particular thanks goes to Justin Wayne-Lowe who played for our school for six years and has now finished his HSC exams. He will play alongside our other team members, Kerwin Ma, Ryan Lee, Jack Keating, Toby Huey and Jason Pan.

This year we continued our coaching under the excellent tuition provided by Vladimir Feldman and ex-player Peter Boylan and although the inter-schools competition was only up and running for about six weeks, we sustained our passion for chess and are hoping for the opportunity for competitive playing in 2021.

Rowena Barr
MIC Chess

We still have a lot of student clothing, sports bags and other items in our Lost Property office that are yet unclaimed. These items will be disposed of at the end of the year. The office is open Monday - Friday during 2nd Lunch.

Sydney High School Old Boys' Union 2020 University + Early Career Preparation Webinar 2:30pm Sunday 29th November 2020

The Sydney High School Old Boys Union holds regular mentoring, interview training and careers advice sessions for students at the school.

Due to the COVID restrictions, the OBU cannot provide these face-to-face in the School Hall as would normally do. As such, The Old Boys, led by Eric Wong (2000); a member of the Union Executive Committee and Foundation Board of Directors, will be organising a series of webinars.

Usually these are available to Years 11 & 12 students who are up to date on their annual Old Boys Union fees, or for a small fee to non-members. However, given the importance of this topic, we are making this session available free of charge to all students from Years 10 to 12, as well as interested parents of that combined cohort.

University + Early Career Preparation Webinar

The second in the series is the University + Early Career Preparation session, hosted by Arthur Chao (2016); a member of the Union Executive Committee and the School Council.

The aim of the session is to hear from four highly accomplished Old Boys nearing or already graduated from university with experiences across the various areas in the corporate world, ranging from law to banking to technology, explaining the varied nature of careers available, the opportunities in university and their personal journeys. The boys will also have time to ask questions of the speakers.

You will hear from the following Old Boys:

Arthur Chao (2016)

Natixis | ACM | ASIC | Grant Thornton | RSM | Bank of China | Westpac
Investment Banking | Funds Management | Accounting | Government
AFR Top 100 Future Leader (Banking Category Winner)
UNSW (Comm/Arts) | Fudan University

Arthur Chao is a young professional with a breadth of experiences across the banking/financial services industry, having won the Westpac Banking & Financial Services Award amongst the *Australian Financial Review Top 100 Future Leaders* this year. He graduated High in 2016 and is currently studying Commerce/Arts at UNSW and simultaneously working full time at Natixis in their Infrastructure team, whilst having worked at Westpac Private Banking, Bank of China Corporate Banking, RSM Restructuring, Grant Thornton Audit, Australian Securities & Investments Commission (ASIC) Market Supervision and at ACM (Hong Kong hedge fund) Equity Research. He has continued his sporting pursuits of sailing and fencing from High – notably represented Australia at the Oceania Junior Fencing Championships. Arthur also serves as the Secretary of the Haymarket Chamber of Commerce amongst his other community service commitments. He attended the 2019 Fudan University Summer School and his university cocurricular pursuits include Model United Nations and debating.

Dallas Yan (2017)

Microsoft | Google | Autumn Compass
Technology | Software Engineering | Quantitative Analysis
Dean's List Student
UNSW (Computer Science/Mathematics) (Honours)

Dallas Yan is a talented software engineer currently in his third year studying Computer Science and Advanced Mathematics at UNSW, majoring in security engineering and pure mathematics. He completed and then mentored a university computer science course whilst still at High. After graduating High in 2017, he went on to achieve numerous successes at university, such as Dean's List. His career in software engineering progressed from interning at Google in just his first year to working at Microsoft at their international US headquarters in Redmond. He currently works in quantitative analysis for algorithmic trading at Autumn Compass and continues his high school sporting pursuits of sailing and rifle shooting. He has a heavy interest in competitive programming and is a reigning divisional champion in the International Collegiate Programming Contest. Recently he has been spending most of his time watching Hololive.

Khushaal Vyas (2013)

Baker McKenzie | Welfare Rights Centre
Law | Community Service

Former President UNSW Law Society | Australian Student Leader of the Year | Australia Day Ambassador
UNSW (Law/Arts)

Khushaal Vyas is an Associate at Baker McKenzie having recently completed his studies in a Bachelor of Arts (Politics Major)/Law at the University of New South Wales. At university he was the President of the UNSW Law Society – the largest university law student representative group in the nation. During his time on the UNSW Law Society, he founded a volunteer and mentoring program to work with community centres, Indigenous organisations and schools in the Dubbo-Trangie region. For his community work, Khushaal has been awarded the *NSW Premier's Multicultural Youth Medal* and recognised as the Institute of Managers and Leaders *Australian Student Leader of the Year*. He has been appointed as an Australia Day Ambassador since 2017 and was invited to form part of the judging panel of the Australia Day Awards for 2021.

Robert Tan (2014)

Optiver | Jane Street
Trading

Former President UNSW Mathematics Society | Scholarship Student
UNSW (Actuarial/Science) (Honours) | Wharton University of Pennsylvania

Robert Tan is a trader at Optiver, a Dutch market-maker which provides liquidity to financial derivatives markets across the world. He achieved his dream of finding a stimulating job, where he could make use of mathematical reasoning and statistical modelling in his day-to-day decisions at work – not a day goes by without interesting problems to challenge him. Robert recently completed his bachelor's degrees in Actuarial Studies and Science at UNSW, graduating with first class honours in Pure Mathematics. Robert was heavily involved in student life: he was President of the Mathematics Society in 2017, a university tutor in the UNSW Risk and Actuarial School and was fortunate to spend a semester abroad at the renowned Wharton School of the University of Pennsylvania. Robert enjoys spending his free time playing his saxophone, gaming, and teaching himself more mathematics.

Registration is necessary and can be made via the Old Boys Union website at www.shsobu.org.au

What is the Old Boys Union?

The Sydney High School Old Boys Union (SHSOBU) was founded in **1892** and is Australia's oldest alumni Union. Over the past 128 years, its aim has been to foster and continue the friendships formed by students while at School and then to contribute, through this fellowship, to the corporate spirit and well-being of the School. In a very real sense, the OBU is one of the most consistent and stable part of the School's community. The Old Boys Union is governed by an Executive Council whose members are elected annually.

Impressive Old Boys are available to assist the School, led by patrons such as Sir James Wolfensohn (1949), AO, KBE, formerly, President of the World Bank. Our alumni include community and business leaders across many fields including medicine, law, engineering, technology, arts, banking and government.

What membership offers

Membership provides a lifetime of professional, social, sporting and academic connections with Sydney Boys High School, its extraordinary network of distinguished and successful Old Boys, and the alumni of other GPS schools.

Each member also receives regular e-Bulletin magazines via e-mail.

We have an established mentorship network with many Old Boys in various professions prepared to share their wisdom and experience with younger Old Boys and current students who join the Student Life Membership scheme. Our High Achiever and OBU Mentoring programs held yearly, provide valuable guidance to Student Life Members about university courses and career options and interview practice. We also provide employment support and connections to Old Boys across many careers and leadership roles to support you as you move through your chosen career. More details, including on payment can be found [here](#).

Each student who becomes a Life Member of the OBU will be presented with his badge and certificate of Life Membership at the Year 12 farewell assembly.

DEBATING

PDC Debating Report

This year, the Year 7 Premier's Debating team had a wonderful season. We reached the finals after a hard-fought round robin competition in which we won against Newtown Arts High and Fort Street High, while also having losses against the Sydney Boys Year 8s. Having progressed into the finals, we fought valiantly but ended up losing to Castle Hill High in a close debate. Nevertheless, we as a team knew that we had done well this season, with or without a win in the finals.

This was a good learning experience for the whole team, that I am sure will continue debating next year and further enhance their skills.

Xavier Chalise (7S)

Ethics Olympiad

On Monday, 10 eager 'ethletes' participated in the Ethics Olympiad. Running for the whole day, we were exposed to ethical discussions with other schools via zoom. Comprising of 4 heats, we were split into teams of 5. One team was Taran, Chandra, Chanakya, Adit and Ayush; while another had Sumanth, Rachit, Sarvesh, Pranav and Afnan. They were labelled as the grey and green team respectively. After 2 long sessions of ethical training under Old Boy and philosopher Rob, we were ready for this competition. Versing schools such as James Ruse and Loreto Kirribilli, we tackled ethical issues related to air travel, mass quarantine and democracy. We contested, agreed, disagreed, evaluated and concluded. It included presenting our case, responding to the other team and answering questions posed by the judge. We thoroughly enjoyed our day, a new experience worth doing again. I would like to thank Rob for teaching us how to ethically discuss. And of course to Ms Luu for coordinating this event for the first time and being there for us. After finishing we were eagerly waiting for the results. My team, the grey team, were given an honourable mention. It was a unique experience and I would love to do it again.

Taran Shah (9T)

Meet the Prefect Intern 2021

What have you learnt from Rowing at High?

I'm a firm believer that at the end of the day, team sport – especially at a schoolboy level – is largely about how it can evolve with you and impose values of perseverance, respect, and teamwork. Which is what rowing does. By placing you at your limits - within the furthest extent of pain, struggle, and greed - it forces you to dedicate and sacrifice yourself for goals greater than anything you could've ever conceived. Putting away your own personal comforts, helps you understand the unrelenting sense of commitment and drive that is both necessary, and present within your crew. Because at the end of the day, we all go through the same hardship together. But we grit our teeth and pride ourselves on still getting the job done - because all the boys around us are doing the same. Which ultimately grows you not only as an athlete, but also as a person of great character.

What advice would you give to a Year 8?

Take a moment too step back and admire how far you've already come. Even though you've only been in high school for a year, I think it's important that you can confidently compare yourself to the person you were yesterday. With the incredible amount of opportunities at High, how many of them have you taken? Have you become a better debater? Musician? Athlete? Or have you been the one in your grade that always steps up and is willing to look out for others? If not, what can you do to be better tomorrow? Because at the end of the day, you won't forget the nights that you spent excessively studying, or the ones you spent procrastinating. Your time at High is limited, and every opportunity you take –

especially the ones that you don't want to – is what will be the most memorable.

Why did you want to become a prefect?

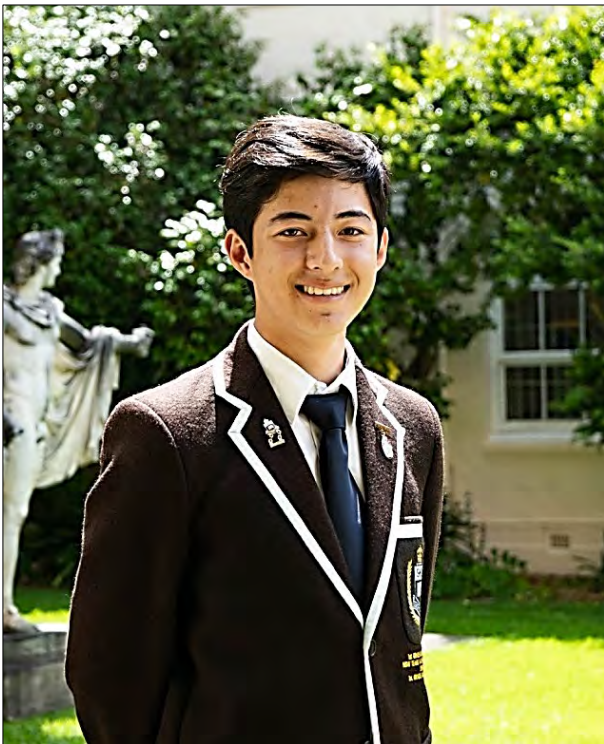

I've always wanted to help others and be a better role model towards the younger students. And due to the greater interconnectivity between teachers, old boys, and other students, I believe that becoming a prefect is an excellent medium for this. We are afforded both the responsibility and freedoms associated with being the leaders of the school, and can therefore organise events, initiatives, and help spread awareness of issues that affect our school's community. We take great pride in not only representing our school, but also the students within it, no matter who they are. What does High Spirit mean to you?

Adrian Wong

Rowing Prefect 2021

Year 8 Prefect 2021

Meet the Prefect Intern 2021

What do you love about Sailing?

When I chose sailing in Year 7, it was completely unknown to me how impactful and life changing the sport would prove to be. To me the best thing about sailing is how rewarding it is when you do it right. Most of junior sailing is just learning how to play the game. It's tough and the rigorous training program pushes you hard as all the other schools already have 6 years of training on us. But

one day, it just clicks. Saturdays turn from being a long slog at the back of the fleet to rapidly climbing in placements as you go from 40th to 35th to 20th and higher and higher. But then you reach the top and a whole new world opens up to you. The Teams Racing Championships is a completely different experience to the rest of sailing, incorporating a heavy foundation on teamwork with your personal skill. When I first joined the 1st grade team, I wasn't a team player, I was new and just wanted to prove my worth, but I soon realised that to win required a lot more than just individual effort. It taught me that sailing is more than just you - it's your friends and your peers. Sailing doesn't finish at 2 pm on Saturday and 3pm on Wednesday, it's with you for your whole time at High.

What advice would you give to a Year 9?

Year 9 is really the time when you can start to be yourself at High. After having two years to settle down and feel comfortable with the school system you have the opportunity to broaden your horizons. By putting yourself out there early, the senior years become easier as you start to run out of time to do things. Being the leaders of the junior school, you'll need to elevate yourselves to set an example for the year 8s and 9s to look up to. A wide array of opportunities start to open up to you such as Community Services, sports team captain, Peer Support, and a wide variety of other communities. I encourage each and every one of you to put yourselves out there this year, knowing that I'll be there to support you each step of the way.

What's your favourite thing about High?

High is really more than just a school, it's a community - and that's what I love about it. The relationships that you build over the years with teachers, students and staff are meaningful and rewarding. The experiences that I've had at high are some of the most memorable and enjoyable ones I've ever had. Going to head of the river really showed me the High community. The day had an electric energy, combined with the chanting and cheering as you watch High come into view felt so heartfelt and powerful. This moment has stuck with me and really made me want to be a part of High.

Arion Sclavenitis

Sailing Prefect 2021

Year 9 Prefect 202

Meet the Prefect Intern 2021

What does High Spirit mean to you?

High Spirit. The Spirit of High. To me, High Spirit entails the passionate cheers at GPS events. It is the competitiveness on Saturday fixtures. It is the support between peers during camp, at the library, in the classroom, and on the sports ground. But most importantly, High Spirit is mutual trust. This trust is something inexplicable by words, understood only through experiencing it. Trust amongst peers, teachers and coaches is what I believe to be the true essence of High Spirit. Over the course of my time at High, I've witnessed my awkward classmates enter the school in Year 7, sticking to their small group of friends, gradually and painstakingly opening themselves up to new relationships. It is through this continuous friction of individual personalities that our trust has developed to what it is today, cementing High as a volatile yet largely supportive community. Despite High Spirit being seemingly elusive, it is indeed the most fundamental characteristic which defines High, guiding students to strive for success in multiple aspects of life.

What's great about being Public Relations Prefect?

As the Public Relations Prefect I have an array of responsibilities and duties which encompass our school's relationship with students, parents, other schools and the public. It is my job along with our Prefect Publications Team to oversee our social media accounts such as our Instagram and Facebook pages. These are responsible for promoting our prefect body through initiatives like 'Meet the Prefect' and letting the people know what we as

Prefects of 2021 want to accomplish this year. All in all, my job as Public Relations Prefect is to maintain and build upon our school's exemplary outreach to the past, present and future community.

What have you learnt from playing sport at High?

Sport has played an enormous role in shaping my high school experience. I initially entered High for its renowned achievements in academics. However, upon arriving I realised High was much more. I involved myself with tennis and volleyball, and they provided a relief from daily obligations of school. It might sound cliché to say that sports has taught me how to stay resilient in the face of adversity but I can confirm its undeniable truth. The seemingly harsh fitness regimes in tennis stretched my comfort-zone. The interconnectedness in volleyball taught me how to operate within a team. I have also realised that by staying disciplined within my dedication to sports, the discipline also leached into my academics. I truly believe engaging in the sporting opportunities High offers has been an invaluable experience for both personal growth and enjoyment.

Music Notification 2020-2021 Transition

Please consider downloading SZapp as soon as possible as all future music news and notifications will be transitioned to **SZapp** at the start of 2021. Emails will no longer be sent to parents/guardians from 2021. Please download SZapp from the Apple App Store or Google Play and subscribe to "MUSIC". Installation guide is in High Notes.

Instruments - Music Storage Room

Please ensure students take their music instrument(s) home over the school holidays, during the Term 4 break. Students, parents and guardians are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

Term 4 Music Performance Program

Ensembles will continue rehearsing up until the end of Week 8 this term i.e. Friday 4th December (No ensemble rehearsals in Weeks 9 & 10).

Private Instrumental lessons will continue till the end of this term unless, an alternate date has been advised by the instrumental tutor.

Please note:

*Students should not be participating private instrumental lessons and/or ensembles when they are unwell and/or showing symptoms [cough/shortness of breath/sore throat/fever/runny nose]

*Parents and Guardians are not be allowed on school site

*Students are to bring their OWN musical instrument[s]/equipment/accessories (e.g. guitar picks/valve oil/mallets/drum sticks/guitar leads etc.) These will NOT be loaned and/or supplied by the Music Department

2021 Term 1 Music Performance Program

In 2021, all music ensembles and private instrumental lessons will recommence from Term 1 Week 2 i.e. from Tuesday 2nd February (please note: Monday 1st February – school swimming carnival). Please see the 2021 Music Ensemble Schedule (TBC) below.

2021 Music Ensemble Schedule (TBC)

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Intermediate Concert Band 7.45am – 8.45am Room 201	Senior Concert Band & Symphony Orchestra 7.45am – 8.45am Room 201	Junior Stage Band 7.45am – 8.45am Room 101	Intermediate Stage Band 7.45am – 8.45am Room 101	Senior Strings Ensemble 7.45am – 8.45am Room 101
Guitar Ensemble 7.45am – 8.45am Room 202		Senior Stage Band 7.45am – 8.45am Room 201		Chamber Choir 7.45am – 8.45am Room 201
		Philharmonic Orchestra 7.45am – 8.45am Room 204		Marching Band 8.00am – 9.00am MPW Term 1 & 4 only
Guitar Ensemble 3.20pm – 4.20pm Room 202	Marching Band 3.30pm – 4.30pm Room 204 / Great Hall Term 1 & 4 only	Percussion Ensemble 3.20pm – 4.20pm Room 201		Jazz Ensemble 3.30pm – 4.30pm

Please note:

*The above schedule is subject to change. The Music Department will inform students asap via the CANVAS Music Performance Page and the school's daily notices if there are any changes

*Guitar Ensemble: Students who are unable to attend one of the rehearsals can join the alternate session

*Marching Band: Rehearsals only run in Terms 1 and 4 only. Compulsory attendance is required for students in Concert Band, Stage Band and selected Percussion Studently (no piano students)

*Students must schedule private instrumental lessons at a different time to music ensemble rehearsals

*An attendance rate of 80% is required per semester to obtain Award Scheme Points

*Music Pocket: Attendance of 5 full years is required. New students in Years 8-11 will need to speak with the Music Department

Music Performance Program – CANVAS

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au

2021 Term 1 Music Events Calendar

Week	Date	Event	Music Students Involved

MEMO TO PARENTS

SUBJECT: SYDNEY BOYS HIGH SWIMMING CARNIVAL 2021

The School Swimming Carnival will be held at the Des Renford Aquatic Centre (Heffron Park Pool) Robey Street, Maroubra on **Monday 1 February 2021**.

The carnival will commence at 8:45 am and finish by 2:45 pm (approximately).

ALL students will make their own way to and from the Swimming Pool.

Public transport is available from Central Station and City to Maroubra Junction and Eastgardens. Students will then make the short walk to Heffron Park (Des Renford Aquatic Centre). The pool is located between Bunnerong Road and Anzac Parade, with the entry located on Robey Street. Planning their trip can be done through the transport NSW website.

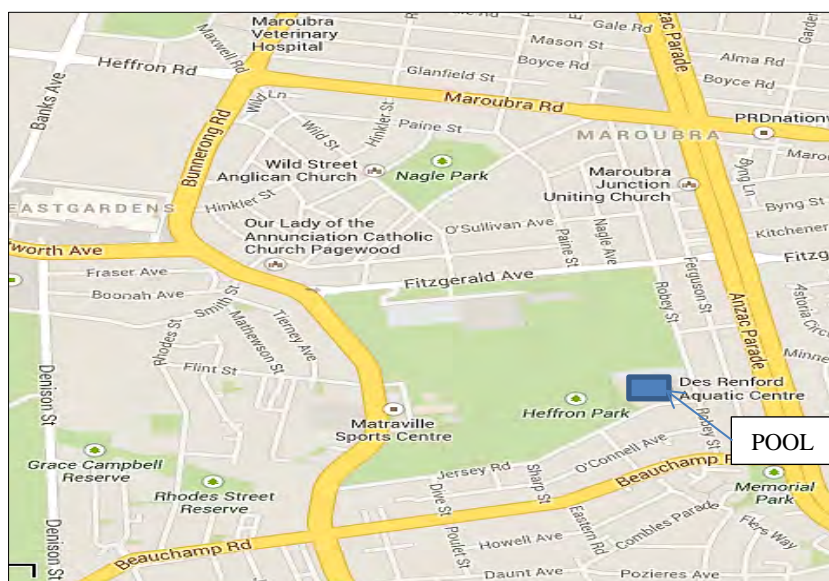

https://tp.transportnsw.info/nsw/XSLT_TRIP_REQUEST2?language=en

The roll will be marked electronically upon entry to the pool, so please bring your student ID card.

School uniform is **NOT** required. Students should wear their House colours (PE uniform), a hat and sunblock should be used as shady areas are limited. Food will be on sale from the canteen at the pool. **The Carnival will be held "rain, hail or shine!"**.

Important NOTE: Due to a DoE Staff development date change, this will be the 1st day back to school for Years 8, 9 and 10 and 2nd day back for Years 7, 11 and 12. **Please bring your 2020 or 2021 school ID card with you, so you can scan your attendance.**

P Loizou
Swimming Co-ordinator

ORDER OF EVENTS - NOTE: The age group you compete in is the age you turn this year

Event:

1	12years	200m	Freestyle
2	13 years	200m	Freestyle
3	14 years	200m	Freestyle
4	15 years	200m	Freestyle
5	16 years	200m	Freestyle
6	17+ years	200m	Freestyle
7	12 years	100m	Freestyle
8	13 years	100m	Freestyle
9	14 years	100m	Freestyle
10	15 years	100m	Freestyle
11	16 years	100m	Freestyle
12	17+ years	100m	Freestyle
13	12 years	50m	Breastroke
14	13 years	50m	Breastroke
15	14 years	50m	Breastroke
16	15 years	50m	Breastroke
17	16 years	100m	Breastroke
18	17+ years	100m	Breastroke
19	12 years	50m	Butterfly
20	13 years	50m	Butterfly
21	14 years	50m	Butterfly
22	15 years	50m	Butterfly
23	16 years	100m	Butterfly
24	17+	100m	Butterfly
25	12 years	50m	Freestyle
26	13 years	50m	Freestyle
27	14 years	50m	Freestyle
28	15 years	50m	Freestyle
29	16 years	50m	Freestyle
30	17+ years	50m	Freestyle
31	12 years	50m	Backstroke
32	13 years	50m	Backstroke
33	14 years	50m	Backstroke
34	15 years	50m	Backstroke
35	16 years	100m	Backstroke
36	17+ years	100m	Backstroke

**The 4 x 100m GPS Medley Relay takes place at 2pm
Carnival ends at 2;30pm, but these events take place from 2;30pm
The Year 7 swim test will be held from 2;30pm to 3;00pm**

37	16 years	800m*	Freestyle
38	17+ years	800m*	Freestyle
39	15 years	400m	Freestyle
40	16 years	400m	Freestyle
41	17+ years	400m	Freestyle
42	16 years	200m	Individual Medley
43	17+ years	400m	Individual Medley

* 800m and 400m swimmers will be timed in the SAME event time permitting

NOTE: 1. All places will be decided by times.

All records can be viewed on the school website and student portal.

Year 10 Rowing Report

Producing results from working and training hard is what motivates rowers to push even harder. After the disappointing ending of the 2019-2020 Year 10 Eight season, due to coronavirus, we were eager for the next season to come: our first senior season. By pushing

physical boundaries and enduring through pressure, our Year 10 cohort bonded and learnt how to operate as a unit, more specifically an eight. Transitioning to the senior program seemed daunting from the moment we made the brave decision to sacrifice so much of time for rowing. Our recent performances at the Sydney Grammar and St Joseph's regattas evoked reflection of how acceptable our Year 10 eight attitudes were. Perhaps we were having too much fun. I am looking forward as we endure through this season as a squad through training hard and I wish all the best for our Year 12 crewmates.

Nelson Cheng (10T)

Holiday Training Program

It is important the boys maintain their fitness and rowing skill during the holiday period. All crews will have training sessions through the holidays which will enable them to be in great condition to start Term 1 racing as well as possible.

SHOOTIN' 274 HOOPS

We LOVE Basketball at SBHS!! Everyone is working hard and enthusiastically. Look at our gymnasium! We are so fortunate to have this environment. This can be seen with the amount of basketballs on the flat at every opportunity we can shoot a basket. There is going to be a FREE basketball tournament for all participants in our gym on Saturday 12 December. Basketballers see email for details!! It was a challenging week with 13 wins and 14 losses across the programme. Congratulations to the First Grade and Second Grade teams, both winning, with the Firsts winning by 10 points and the Seconds winning by 3. In the Firsts' game, the top scorers were I. Ayoubi, again, shooting 25 points, and A. Kim with 21; in the Seconds' game, the top scorers were D. Vasiliev, shooting 15, and J. Suto, scoring 8, well done to all HIGH teams and let's keep working hard as we enter our last game of the year!

High VS The Scots College Term 4, 2020 (last Saturday)

In NBA news, it was fantastic to see Lamelo Ball of the Illawarra Hawks get chosen by the Charlotte Hornets as the third draft pick - an excellent result. Australian Josh Green (who attended The Kings School, Parramatta, only a few years ago, when SBHS were the best!) was the 18th draft pick and he will be joining the Dallas Mavericks in the upcoming season. He will make over \$5 million dollars minimum in the next two and a half years.... Also picked were RJ Hampton of the NZ NBL Breakers (at 24th by the Bucks, then traded to the Denver Nuggets) and Justinian Jessup, a Hawks "Next Star" (at 51st, by the Golden State Warriors).

And the start of next season is not far off! The NBA has announced that the season will begin on the 22nd of December - a great Christmas present for fans! Each team will have 72 games, and we cannot wait to watch some amazing basketball.

In other NBA news, the connection between The Sydney Kings (Mr Hayman used to train with the Sydney Kings!)

and the Houston Rockets is growing - the Rockets have just announced that they have signed up Jae'Sean Tate, who averaged 16.4 points per game in the season for the Kings. With the first half of the GPS season coming to a close, over the summer holidays we are luckily able to watch the NBA start up again with its early starting date. During this year's short off season we have seen some major moves, such as Chris Paul to the Phoenix Suns, Gordon Hayward to the Charlotte Hornets, Marc Gasol to the LA Lakers and rumors that James Harden will request a trade from the Houston Rockets. Good luck in our last week of games for this year. The USA tour meeting went well on Monday night with over 40 SBHS families showing interest in their son attending. SBHS Basketball is on FIRE!!!! Thank you to all the parents, coaches and organisers who have made basketball at HIGH possible. Make sure to play a team game and never give up! As the banner in our amazing gym says: **Play Hard, Play Smart and Play Together**. This week we play against St Joseph's College. Good luck everyone!

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible
Brought to you Xavier Perry and Lucas Adamson.

1st XI Report

We were welcomed by the Scots College for our second round game. The boys have put in hard work during the week and are looking to get their first win for the season. Captain Bilal Abbasi (Year 11) lost the toss and High were sent into bowl. With a clear sky and spongy wicket, our opening bowlers Albert and Adi built early pressure on the batsmen with 2 quick wickets taken by Albert. Avi and Bilal also bowled well restricting them under 50 in the first session. Scott's college managed to build momentum and ended up on 250 after 50 overs. Our opening batsmen came out looking confident and were rotating the strike, but with some impressive bowling we saw the fall of our first 5 wickets. Our lower order managed to consolidate and respond with opening batsmen Adi scoring 85 and Avi scoring 45 to bring high closer to the target. High was unsuccessful in chasing down the runs being all out for 180. Next week we look to continue searching for our first win at our own McKay Oval against St Joseph's College.

Bilal Abbasi

1st XI Captain

2nd XI Report

The lost toss by Raghav Malhotra was devastating for the team. The pitch was clearly going to cause issues for the batsman, with three different types of grasses and fluctuations of soft and hard parts of the pitch. This was a bowler's paradise and a batsman's nightmare. The openers went into bat, the ball was clearly moving all over the place, and true to predictions, were dismissed dismally. Wickets fell quickly, and Sydney Boys were all out for 28. With little hope of a win, the bowlers attempted to squeeze a wicket, but morale was low, and the batsmen stood their ground. With too many extras, Scots eased to a victory and Sydney Boys experienced their first loss in the past 4 games. Although not evident in the scorebook, the pitch and conditions were a major player of our demise, along with the interruptions in training due to Year 10 examinations. But this is something that our team needs to prepare for in the future. When the conditions are unfavourable, it's important to adapt and believe in one's ability. We will play hard next week and bring glory back to Sydney Boys 2nd XI next week against St Joseph's College.

Raghav Malhotra

2nd XI Captain

Teams of the Week – 16As

The second game of the season was underway on a rather odd-looking pitch and very short boundaries. We lost the toss and were sent in to field on a tiny ground. The Scots batsman got off to a rocketing start posting a huge 0/118 at drinks. A mammoth score already, which we knew would be a pain to defend. A few breakthroughs by Taran couldn't stop Scots from scoring runs. They ended up on 250 of 32 overs, a normally impossible task, however we knew it was possible on this ground. Our best half of the game was yet to come. The openers walked out knowing they would have to keep the runs flowing, which they did perfectly. However, Pranav was the standout, hitting constant boundaries and keeping the pressure on the bowlers. A few wickets fell but Pranav stood his ground continuously scoring runs. A fantastic century by Pranav lifted our hopes, but he didn't stop there. A century stand between Pranav and Taran helped us win the game with a whole 5 overs left. Pranav ended up on an unbeaten 152 and Taran unbeaten on 34. A massive total for Pranav, with his first century for High, who played a key role in chasing down this incredible total. Our first win of this season. Well done to the 16As and especially Pranav!

Sumanth Bodidi (9M)

16As Captain

16Bs

Unusually, we played Kings for the second time in four weeks, and although rain spoiled our encounter last time, we approached this match with a determination to win. SBHS won the toss and elected to bat, and despite an early wicket, Krish and Adit steadied, and from there, we gradually built up a strong, above-par total. Healthy contributions by Dihindu, Zayan, Ren and Chanakya allowed us to post a total of 217/6 off 32 overs. It was the ideal innings – we all batted around Krish, who scored an entertaining and well-constructed half century (53 off 70). Already with the advantage, we received a scare when one of their batsmen hit 40 off 17, but our total was always too far out of reach for the opposition. We strangled them, before bowling King's out for 124, still with 5 overs to spare. The 16B's continue to be undefeated, and we would like to thank Mr Smith and our coach Jamie for this experience.

Adit Mahidadia (9F)

16Bs Captain

Play Hard, Play with Sportsmanship & High Spirit and most importantly have fun with your cricket!

Best of luck for your match this Saturday!

High Tennis Week 6 Summary

Firstly, I am sorry for my error, the Year 7s (U14) still have their morning tennis session on Wednesday 25 November. From next week there are a few changes to the training schedule. Notable changes – no morning tennis sessions and on Thursdays the 16s will train at Moore park courts (not Eastcourts). A reminder of this Sunday 29 November parking duty 11:40am-2:40pm, thank you to the parents who have volunteered.

15s Water Polo Report

Our very first game in the season was a match against St Augustine's at Drummoyne pool, which we won 7 - 3. Last Saturday, we played against St Augustine's at Drummoyne pool again. We didn't have our normal centre-forward player, Fynn. Despite that, the game started off really strong, with three goals being scored in the first half of the match by Nathan, Kiran, and Thomas. By half time, our team was leading 3 - 2, and we were looking forward to sustaining our 100% win rate. Little did we know, however, that the situation was going to flip.

It wasn't long before our opponents scored a goal... and then another, and before we knew it, we were down 3-4. The third quarter continued, with our team swimming up several times, only to miss the goal every time. During the break between the 3rd and the 4th quarters, someone managed to throw our ball into the bay that lay right behind the pool. The fourth quarter continued with intense action and no break; our team would swim up to the goal as we were so eagerly wanting that one goal that would ensure we wouldn't lose, only to have our player miss the shot and the other team to swim up for their chance to solidify their victory. Despite nobody having scored a goal that quarter, it was likely the most intense quarter in the whole game. Despite our best efforts, our team fell short of maintaining our 100% win rate with a final score of 3 - 4. However, there were many things our team learned from that game, and we all knew how we could all improve for the future. A loss will certainly not deter our team from trying our hardest!

Eric Scholten (8R)

14s Water Polo Report

The 14A's water polo team were off to a great start leading by a few points, one being a great play from Brendan Woo. Despite the opposing team catching up, we didn't back down and stood our ground.

The opponent decided to stick to defence instead of pushing for points, so we altered our strategy to make sure they didn't get any sneaky goals in. We succeeded in the use of this strategy and it proved to be effective against them. It was a tough game but we tried our best to slip in some goals while staying on a player, ensuring that the opposing team had the least amount of time with the ball as possible, keeping the lead by half time.

During the third quarter, all plays were connected and everything was running smoothly. A few more goals were scored by our centre-forward, Jason Yu and our left-wing, Steven Yin. Defence and attack were on point and few mistakes were made during this quarter pushing us even further ahead from our opponents.

Going into the final quarter, we decided to concentrate more on defence rather than attack to keep our lead until the very end. In the end, we won 6:4, a close match. This victory was only possible due to the strategic plays that were made by our team members. A good game and a tough game it was.

Bring Your Own Device 2021

PRODUCT OPTIONS

Our **recommended** devices are designed to simplify your choices and purchasing processes. A range of devices in a range of form-factors are available. All meet the school's Device Specification. All have no moving parts to ensure reliability and all are backed by a multi-year warranty where the school will act as warranty agent on your behalf. Sydney Boys High School has partnered with JB Hi-Fi Education to make our recommended devices available:

Lenovo ThinkPad Yoga L13 **\$1297**

- Multi-touch with full keyboard
- 1920 x 1080 pixel screen
- 8GB RAM + 256GB Storage
- 360 degree rotating hinge
- Windows 10
- 3 Year warranty, school-supported

Microsoft Surface Laptop 3 **\$1760**

- Multi-touch with full keyboard
- 2256 x 1504 pixel screen
- 8GB RAM + 256GB Storage
- Conventional laptop form-factor
- Windows 10
- 3 Year warranty, school-supported

Microsoft Surface Pro 7 **\$2016**

- Multi-touch with keyboard cover
- 2736 x 1824 pixel screen
- 8GB RAM + 256GB Storage
- Detachable keyboard cover
- Windows 10
- 3 Year warranty, school-supported

Apple MacBook Air 13" **\$1554**

- Conventional laptop
- 2560 x 1600 pixel retina screen
- 8GB RAM + 256GB Storage
- macOS 10.15 'Catalina'
- 3 Year warranty, school-supported

HOW TO BUY

- Visit the JB purchasing portal at <https://sbhs.co/bbuy>
- Log in with code **SBHS2021**
- Purchase using a credit card, BPAY or on interest-free terms
- Pick up from your local JB Hi-Fi store
