

## From the Principal High Talent

At the CHSSA Rowing championships last Friday, High was dominant at the regatta but pushed by Northern Beaches Secondary College. Our boys won seven gold medals backed up by nine silver and six bronze. It was a strong performance, highlighted by Jack Smiles (11R) three gold medals, with five other High competitors earning two golds each. Well done to all competitors and to George Barris and his coaches for their efforts. Congratulations to Yu Ming Lee (11M) who won the fencing NSW U17 cadet circuit competition last weekend. A strong showing by our Junior boys at the first AAGPS Swimming Carnival last week. Mathew Chen (7T) won the U13 50m freestyle and butterfly and was placed in the breaststroke and backstroke. Jaden Yi (10T) won the U16 50m freestyle. Congratulations to Brian Ahn (9M) who was selected in the Water Polo NSW Metro Academy Squad.

## Valé Fred Kaad (1920-2021)

Fred was a distinguished Old Boy who had a long career in public administration in Papua New Guinea, rising to District Commissioner. He served in PNG during the war at the battle of Wau and with Cole Force. He was discharged with the rank of Lieutenant. Despite having been rendered a paraplegic after a plane crash in New Guinea in his forties, his indomitable spirit drove him to continue to serve the community. He engaged in higher education and was appointed a lecturer at the Australian

School of Pacific Administration. He was awarded an OBE in 1980 for his services to PNG. At High, Fred was an outstanding athlete, winning the GPS (1937-39) and CHS 120 yards hurdles in 15.5 and the CHS long jump in 6.18m. He was instrumental in High's back to back GPS senior athletics premierships in 1937-38, competing in hurdles, relay, 440 yards and long jump. (Our only other victory since then in GPS came in 1962). He rowed in a second IV, was an important member of High's swimming team and represented High in the first XV (1938-39). Fred was a regular at our Anzac Day assemblies until his late 90s. He was unfailingly cheerful, always with a ready smile and a joke. He died last week aged 100. I will miss him and his fine example of stoic fortitude and commitment to serving others.

## Presentation Night 2021

Mr Corlett expressed his enduring regard for the school which shaped him. He explained how he made an important career shift at 25, despite having risen to partner in a law firm. He outlined his life in business, beginning in merchant banking, and his partnership in community engagement with his wife, Annie. He urged the Class of 2020 to follow their dreams and not to be afraid of change. He also stressed the rewards to be gained from mentoring young people and from service to the community. My address is reprinted below:

Special guest Mr Bruce Corlett AM, Mr Richard Skinner, Director of Educational Leadership, Ms Andrea Connell, Principal of SGHS, Professor Ron Trent (President SBHS School Council), Mr Paul Harapin (President of the Sydney High Old Boys Union), Ms Judite Santos (Chair of Sydney High School Foundation Ltd.), Mr Vince Delzio (CEO, Sir Roden & Lady Cutler Foundation), Life Governors Mr Geoff Andrews, Mr Dennis Briggs, Mr Phil Lambert and Dr George Lewkowitz, guest presenters, special

guests, Old Boys, staff, parents and prize winners – thank you all for joining us this evening. The biggest accomplishment for the school in 2020 was to see out the year without being closed due to a positive test by staff or students. We also completed construction of the long-awaited Governors Centre in which we now gather. It has been ten long years, during which patient donors were sown a visionary promise and can now reap a realised dream. I believe this self-funded project by two state schools is unprecedented in NSW. I want to thank Andy Watts for his great project management and Andrea Connell and Chris Graham-White from SGHS for their contributions to the project. I want to thank my current team of John Prorellis and Jamie Kay for all their hard work and to David Isaacs and James Rudd for their inspiring leadership in technical specification and infrastructure deployment. Thank you to our many wonderful donors across the two communities who maintained the faith, even though it was tested sorely.

I must commend the High staff who transitioned to the CANVAS learning management system so rapidly and effectively in the first half of 2020. Thanks to Brett Jackson, George Barris and the CANVAS Leads in each faculty for the work that they performed on behalf of staff and the boys. In what was a unique and extraordinary year, requiring a willingness to learn and move out of comfort zones, to be resilient in the face of additional restrictions and rules of behaviour, and to be supportive of students stripped of their rites of passage, our staff stepped up to the plate.

The HSC results for 2020 were better than 2018 but not as good as 2019. The ATAR average for 2020 was 92.47 calculated for 213 candidates. Melvin Chan earned a maximum ATAR. 33 candidates were ranked at 99 or above; 72 students earned ATARs between 95 and 98.95; 157 overall scored 90 or above. Forty-six students who enrolled after Year 7 by means of our local selection scheme, averaged 90.13 ATAR. The 167 who enrolled in Year 7 earned a mean ATAR of 93.11. The HSC results were weakened by 9.39% of students earning an ATAR below 80. State ranks were earned in Mathematics by Joseph Shao who placed second in Extension 1 and ninth in Extension 2. Lachlan Ho placed 3<sup>rd</sup> in engineering studies and 6<sup>th</sup> in Extension 2 mathematics. Toby Wu came 5<sup>th</sup> in music extension and Alan Wong 8<sup>th</sup> in physics.

Our 2020 HSC nominations for possible inclusion in ENCORE were: He-Shyan Balnave (12T), Andrew Gu (12F), Kent Gu (SHS-2020), Yung Kim (SHS-2020), Yeongmeng Li (12S), Kalaish Stanley (12T), Julian Waring (12R), Toby Wu (SHS-2020) and Alex Zhou (SHS-2020). For ARTEXPRESS, Prathik Subbhana (SHS-2020). For SHAPE, Justin Lee Nonis (12R). Students invited by the Australian Maths Trust to attend the summer 'Informatics School of Excellence' were Ryan Ong (12M), Cyril Subramanian (12E), Blair Zong (12E), Brendan Alcorn (11M), Klimenty Tsoutsman (11S) and Andy Xia (11R). For the National Mathematics Summer School (NMSS), Nicholas Arvanitellis (11T) and Harry Wu (11R). Andrew Nguyen (SHS-2020) won the 2020 Games category of the Bright Awards. In the Australian National Geography Competition, equal first in NSW for Year 7 went to Andrew Pye (7R) and Leo Zhuang (7M), and for Year 8, Eric Scholten (8R)

and Daniel Nguyen (8M). Our senior chess team represented NSW again in the JCL Nationals.

In sport, volleyball was again highly successful. High teams won the first and second grade GPS competitions. Target Rifle Shooting won the All-Schools competition. Tennis delivered a second-grade premiership. High dominated CHS Rowing with eight gold medals. I have included a snapshot of High sporting achievements in your programs on the final page.

Tonight, we bid farewell to the Class of 2020 for the final time. Before I do, I want to pay tribute to the 25 years of service that our former Deputy Principal Bob Dowdell (2001-2020) dedicated to High. His major contribution was the development, management and upgrading of his Student Information System (Find a Student) underpinned by S Records and Information Organiser. He also constructed a system for assessment data that allowed comparisons to be made among students and between academic years. He constantly refined the Student Reports as elements were added and formats changed. He had many other apps and programs. The value of his proprietary systems to us was at least \$550k during his time at High. As the song says, 'you don't know what you got 'til it's gone'. Thank you from all of us, Bob.

In recent years, we have seen in play in international politics, the principle of Baron Acton (1834-1902) "Power tends to corrupt, and absolute power corrupts absolutely. Great men are almost always bad men." On both sides of the Pacific rim we have seen reckless, unprincipled, unethical and extreme behaviour, characteristic of Acton's principle in action. Demagoguery appeared to be the strategy of choice of the leaders of North Korea and the United States of America. As American democracy appears to be fracturing, states like China are emboldened by US self-absorption and schismatic partisan politics. Consequently, as Aristotle observed, 'horror vacui', China moved forward in Micronesia, Melanesia and Polynesia and arced up against Taiwan, filling the power gaps.

As a client state of a nuclear power on whom we must rely, Australian diplomacy 'craves wary walking' in dealing with Chinese expansionism. We need to assert ourselves in the Pacific and in trade, but not enough to get China really angry. Perhaps, in time, pandemic and climate issues might alter world focus from nationalism to internationalism, from arms for aggression to alms for the less fortunate nations and from jingoistic tirades to trade deals to benefit more people around the globe.

I want to extort the graduating class of 2020 to think of their moment in history – 100 years since a really serious global flu pandemic and now another. The world's climate may be irrevocably changed by the end of this century. To face our problems together we need civility – in utterances, in commerce, in relationships, in diplomacy. We need to act with integrity. Civil discourse is the key attribute of a civilised society. Bob Outterside used to say frequently 'you can disagree, without being disagreeable'. Without a convention of political, diplomatic and commercial civility, international democracy might well subside into strident factionalism. The

next quarter century is in your hands. Save us from ourselves, in international relations and climate change. In this Year of the Ox, pursue your opportunities boldly and eschew negativity. I was proud to serve you. May the red envelope be with you!

**Dr K A Jaggar**  
Principal

### LOST PROPERTY

Please label all items clearly with a first **and** last name to enable identification.

It is the responsibility of students to claim their lost property from the McDonald Wing Office during Lunch 2. **Parents are NOT permitted to collect lost property on their son's behalf.**

Items are cleared during the last week of each term and will not be available for collection after then.

**McDonald Wing Office Staff**

### ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

**Sharon Kearns**  
**SAM**

### Worlds Greatest Shave

### World's Greatest Shave – Friday 5 March.

Students can take a stand against blood cancer by hair spraying for \$2 or shaving their hair for \$5. Let's beat our goal of \$6,000!

Donate to the Sydney Boys High World's Greatest Shave fundraiser through this link:

<http://my.leukaemiafoundation.org.au/humansofsydneyboys2021>

Otherwise, cash can be put into Ms Ibbott's letterbox and will soon be collected. Please put all cash donations in an envelope with your name and roll class.

To sign up and have your own fundraising page, visit the link below and follow the steps provided:

<https://worldsgreatestshave.com/>

1. Click the green "Sign up" button
2. Choose the option to "Join a Team"
3. Team Name is: "Humans of Sydney Boys 2021"
4. Fill out your details and you've signed up with your personal page, and have automatically been added into the school fundraising team.
5. From your personal page, you can change your profile picture, fundraising message, the date of your shave (05/03/21) and your personal fundraising goal.

**Jack Nguyen Year 12**  
**Community Services Committee**  
**(Mrs Ibbott)**

### Community Services Committee

The Community Services Committee is back up and running for 2021! We are scheduled to hold the following exciting events for Term 1.

### Crazy Sock Day – Friday 26 February.

Students may wear their craziest, funkiest and most courageous pair of socks to school that day. Please bring a gold coin donation in support of Westmead Children's Hospital.

### Clean Up Australia Day – Friday 12 March

Grab a permission note outside the science staffroom to participate in a clean-up around Sydney Boys High from 7-9am. Award scheme points apply

### Year 8 Headspace Bake Sale – Friday 19 March.

Part of the Prefects' Mental Health Week initiative, we'll be selling cupcakes, brownies, tarts and soft drinks. Remember it's a mufti day too! Be sure to keep an eye out for posters around the school!

Jie Rui Lin, Year 12

Community Services Committee  
(Mrs Ibbott)

The canteen is open every school day from 8:30am to 2:00pm for Breakfast, Lunch and Recess. We encourage students to place their lunch orders between 8:30am and 9:00am in person or online, to help reduce food wastage and decrease waiting times at Lunch and Recess. Please do not forget to pick up your orders. Any uncollected items will be sold, and unfortunately, refunds will not be provided unless there is a valid reason.

Please consider signing up to Flexischools where students can order online via the Flexischools App or website, or pay using their School ID card to minimise the handling of cash. Students also have the option of paying by EFTPOS.

In addition to offering healthy and reasonably priced food options, the P&C-run canteen also raises substantial funds each year. All operating profits are returned to the school and directed towards specific projects. Recently, \$40,000 was donated to the school for our boys' education. This is only possible due to the generosity of our parent volunteers, who are the backbone of High canteen.

Our school is very privileged to have a canteen that operates 5 days per week but this can only continue with everyone's support and commitment. We require three to four volunteers each day for the canteen to function smoothly, so if you have a few hours to spare on a regular or ad hoc basis, please join our team of volunteers. We are extremely flexible and will gratefully accept any time you can donate to the canteen and the students. Full training is provided. Please complete the [Canteen Volunteer Registration](#) form, or send an email to [canteen@sbhs.nsw.edu.au](mailto:canteen@sbhs.nsw.edu.au), or call us on 9662-9350.

We would like to thank the following parents for volunteering in the Canteen in the last few days of December 2020 and the first four weeks of 2021:

Annie Yu, Carmen Guo, Carol Han, Caroline Liu, Cecilia Chan, Cindy Jo, Danyan (Michelle) Wang, Dimi Barlas, Fan, Fiona Yang, Geetanjali Parulkar, Grace Guan, Haiqing Liu, Helen Choi, Helena He, Hemashini Vithuran, Janet Lam, Juliet Zhu, Kannas Pang, Katherine Cowan, Kim Xie, Lai Kwan Lee, Lindy Masya, Lisa Fackender, Marietta Buikema, Meilan Gao, Min Lin, Nelly Gong, Rosaline Perry, Roy Liao, Sandra Jouravlev, Sangeetha Raghu Cheriyl, Taslima Akther Chowdhury, Tom Denigan, Vani Bhalerao, Vivian Huang, Vivian Wong, Wee (Lynn) Teo, Wei Chen, Xi Chen, Yulin Cai

**Tania Kirkland**

**President Canteen Committee**

## Meet the Prefect Intern 2021 Aaron Xu

## What made you want to be a prefect?

In Year 7, I thought that being a prefect at Sydney High was simply a title to achieve, but as I have progressed through my time here I've come to realise that the role is worth so much more than just a blue tie. Seeing each prefect cohort come and go since 2016, I've always looked up to the boys as role models for my own journey here at High. The genuine care and strong sense of commitment that each prefect would exhibit as they represented High at various events, has inspired me to take on this role myself. The responsibility that comes with the prefect role brings an inimitable satisfaction in being able to represent our school and give back to the school community, particularly in initiatives we organise as a cohort and other miscellaneous duties along the way.

**Aaron Xu**

**Music Prefect 2021**

## What do you love about doing music at High?

Our music program offers a large range of ensembles that support a student's choice of instrument(s) and skill level, meaning that every student is afforded the opportunity to participate in a music group that is right for them. I am currently in the Senior Strings and Symphony Orchestra. While I have played in various ensembles outside of school, I find Sydney High's music performance program to be an inexplicably unique and rewarding experience, as you are in an environment where you're able to form strong friendships with boys across year groups. To me, it's this brotherly interdependence that is strengthened through our music program, combined with the fine tutelage of our exceptional music teachers, which allows us to create lifelong memories and friendships.

## What does High Spirit mean to you?

I think the term High Spirit encompasses the ubiquitous camaraderie we have formed as a school. Whether it be in the classroom, on the performance stage or on the sporting field, you'll find unconditional support every step of the way as we strive for our best. Without a doubt, High Spirit is exhibited in full form at each of the AAGPS Head of the River, Athletics and Swimming Carnivals, where we see a strong brotherhood as we support our boys with booming chants. It's these moments that define our culture here at High, not only bringing us closer together but uniting us as one.

## Meet the Prefect Intern 2021 Dean Casarotto

### What is your favourite thing about High?

When I came in Year 9 (2018), I was overwhelmed by the opportunities in all facets of school life. I chose Tennis, having been okay at it, and soon found the training and commitment too challenging. With the support of fellow peers such as Blair, Julian, Ronald, Zac and Andy I was able to persist and dramatically improve. Now looking back, I am only grateful for the supportive community High offers and the challenging activities provided to develop skills that will stick for many years. The coaching of David Deep taught us all to detest mediocrity and pursue excellence in the face of competition, pain and despondency.

### What is a leader and what's it like to be one?

Leaders are those who take ownership of themselves, the people around them and everything that affects the success of a goal or mission. At High, blue ties do not indicate whether one has the ability to lead; the fact that you are breathing is an indication. It could be doing the right thing when no one else is, committing yourself to an extracurricular activity, or even just getting out of bed. They all require a decision and that decision is yours to make.

Leading is rewarding, but challenging because of the baggage that comes with it. Committing to a team requires a systematic delegation so that everyone can lead. This may involve minding your ego, believing in the

mission and leveraging assets in order to maximise the efficiency, simplicity and therefore chances of success in a mission. It is hard, but anyone can step up and become a leader.

#### How to move forward?

The only two disciplines that work are hard-work and dedication. Want to move forward? You're going to have to drive, and driving takes effort. It's simple, but not easy. That being said, from my experience failing the selective test and being last accepted into Sydney Tech I can attribute the two disciplines to where I am now and where I aim to be heading in the future. I was told that I'd only move at the speed of my obedience, and so the sooner I'd obey the sooner the car would start. It started with a few small habits in regards to sleep, study and family that I was able to realise results over the past few years.

**Dean Casarotto**

**Torrington Prefect 2021**

**Student Achievement Prefect 2021**

#### Meet the Prefect Intern 2021 Auguste McNally

##### What is your job as Canteen Prefect?

If you've ever been around the canteen during Lunch or Recess, it's likely that you've seen, or even been served by, some of us blue-tied prefects in the canteen.

My main role is to ensure that we have those three prefects there in the canteen during our breaks. This involves a few key aspects. Firstly, I organise the schedule for when each prefect has their canteen duties. This involves creating up new schedules and editing

existing ones based on the requirements of all the prefects. Secondly, I remind the prefects about when they have canteen duties, which is usually just a simple message in the morning. Thirdly, I find replacements for when the prefects have different one-off events which prevent them from completing their duty for that day.

I additionally act as the bridge between the canteen and the prefects. As prefects have requirements which involve the canteen, I can help set up the necessary communications they need.

##### What have you learnt from debating?

Debating over the years has taught me a lot.

Firstly, it has helped me to develop a personal voice and perspective on the world. This comes from the need to be knowledgeable about the world, so I am able to argue and understand the multitude of topics we come across. As a result of understanding world issues, and their potential solutions, I have fostered my own personal perspective, as well as being able to see the perspectives of other people.

Secondly, debating has helped me to understand how to argue and think on my feet. This results from the need to construct arguments going into a debate, in order to prove how our side is ultimately more beneficial for the world. It also comes from the need to rebut the opposition, to think of clever ways to prove the opposition wrong or show how harmful outcomes can originate from their own arguments.

Thirdly, debating has taught me how to be self-reflective on how to improve myself. This comes from the advice of our wonderful coaches, who pass on their experience to us. They have helped us to analyse and understand how we have gone wrong, which I have applied to other factors in life.

### **What are your favourite things about High?**

High has provided me with many great experiences. These experiences are contextualised by my move from Randwick Boys in Year 9, into Sydney Boys.

I have found a group of students who I am extremely similar to, sharing a passion and love for learning. The wonderful friends that I made, have enhanced my experience and transition into High. It has been a time where I have felt like I have been at home, surrounded by an understanding family. It is this unique experience which has made me love my time at Sydney Boys.

Further, I have loved being a part of the debating program at High. I have made a plethora of memories with friends, with the highlight being our victory of the Year 10 FED competition. Fridays have always been the day I looked forward to the most, as it is when I got to debate.

**Auguste McNally**  
Canteen Prefect 2021

### **Year 7 Camp 2021**

When I first found out I was going to be year advisor for the year 7s in 2021 one of my first thoughts was the year 7 camp. Mud World, Commando night and all the fun

activities I have heard each year group speak of over the years came to mind. It is now week 4 of Term 1 and the year 7 camp is now a fond memory. I hope all the boys had a great time, they were able to bond and got to know some of the teachers better.

A big thank you to all the staff who made this camp possible. Thank you to Ms Ibbott (Science) who organises all camps and does an amazing job (other schools are jealous of our camps). The office staff for putting the first aid kits and medical packs together. Of course, no camp would work if it was not for the teachers on the ground, leading the boys through the mud, checking their harnesses are done up, and encouraging the students to get involved, those teachers and their groups as per below.

Ms Mellor (English) – Group E  
Mr Davis Frank (Social Science) – Group F  
Mr James (Maths) Year Advisor E, F & M – Group M  
Ms Millar (Maths) – Group R  
Ms Faulkner (Industrial Arts) – Group S

### Combined Ensemble Rehearsal – Sunday 28 February

There will be a mandatory combined rehearsal for the Philharmonic Orchestra (Strings Only), Percussion Ensemble & Senior Strings on Sunday 28 February, 10.30am – 1.00pm in the Great Hall. This will be the only rehearsal for all 3 ensembles to rehearse together before the “Small Ensembles Concert” (held on Wed 10 March, 6.30pm in the Governors Centre Auditorium – more information regarding the “Small Ensembles Concert” will be announced via SZapp (Music) and High notes next week).

Students must ensure to:

- Bring their instrument, music and a pencil
- Bring a water bottle
- Bring morning tea (there will be a half an hour break)
- Wear mufti (no need to wear school uniform to the Sunday rehearsal)

### Music Ensembles & Private Instrumental Lessons

All music ensembles and private instrumental lessons have commenced since Week 2 this term.

The first Marching Band rehearsal will commence this Friday 19 February, 8am on MPW. Students will not be required to bring their instrument to the first rehearsal, but will need to start bringing their instrument from Tuesday 23 February.

Please note: There are 2 Marching Band rehearsals each week in Terms 1 & 4 only. Mandatory attendance is required for students in Concert Band, Stage Band and selected Percussion students (no piano or guitar students).

**\*IMPORTANT:** Students should not be participating in private instrumental lessons and/or ensembles when they are unwell and/or showing symptoms (cough/shortness of breath/sore throat/fever/runny nose).

### Communication

As of this year, parents and guardians will be notified of any music news and notifications via SZapp and the school's weekly High Notes (Please note: Group emails will no longer be sent to parents/guardians from this year). Please download SZapp from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes. Students will be notified of any music news and notifications via the Music

Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: [music@sbhs.nsw.edu.au](mailto:music@sbhs.nsw.edu.au). Please note: Students will also be notified of any music related events during ensemble rehearsals.

### Music Storage Room

To all students who carry music instruments only: Please place your instruments in the music storage room (located next to Room 101). Please do NOT block the pathway and make sure the door is closed at ALL TIMES. Please ensure students have a clear name tag with their name/year on their instrument case. Students and parents are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

### 2021 Music Ensemble Rehearsal Schedule

Please see the music ensemble schedule below. Please check the schedule carefully as there are a few changes to some of the ensembles this year.

Please note:

\*The above schedule is subject to change. The Music Department will inform students asap via the CANVAS Music Performance Page and the school's daily notices if there are any changes

\*Guitar Ensemble: Students who are unable to attend one of the rehearsals can join the alternate session

\*Marching Band: Rehearsals only run in Terms 1 and 4 only. Compulsory attendance is required for students in Concert Band, Stage Band and selected Percussion Studently (no piano students)

\*Students must schedule private instrumental lessons at a different time to music ensemble rehearsals

\*An attendance rate of 80% is required per semester to obtain Award Scheme Points

\*Music Pocket: Attendance of 5 full years is required. New students in Years 8-11 will need to speak with the Music Department

### 1<sup>st</sup> XI Report v Shore Grammar

This week we were once again at home at our own McKay Oval our 5th round game against The Shore School who are on top of the table after their win last week. The boys are pushing their winning momentum coming into this game hopefully looking for another win. With excessive rain in the morning the game was delayed and managed to only play a restricted overs game of 25 overs. Captain Bilal Abbasi (Year 11) won the toss and elected to bat first. Our opening batsmen Adi Nigul (Year 12) and Cody Robinson (Year 11) came out looking to put runs on the board early but with some great bowling Shore managed to get 2 quick wickets. Anay (Year 11) and Xavier (Year 10) managed to steady the innings with an impressive 40 run partnership during the back end of the innings. High posted a reasonable total of 128 in 25 overs. Our opening bowlers Albert and Adi built early pressure to steady the innings, with a quick wicket taken by Albert (Year 11) to build momentum for the team. With some good hard hitting from Shore, High saw themselves struggling to come back into the game. With some few quick wickets in the back end of the innings, High brought themselves back into the game. Death bowling by Xavier and Albert saw Shore only needing 4 runs to win off the last ball. With an amazing outside off Yorker by Albert, High had won their 2nd round game this year, winning by 3 runs. An amazing effort from all the boys who played extremely well and a well-deserved win for High. Next week we look to continue our great performances in a trial game against Riverview at their home ground.

**Bilal Abbasi 1<sup>st</sup> XI Captain**

### 2<sup>nd</sup> XI Report V Shore

The match was played at Shore's School Grounds, Northbridge Oval. Our 5th round game was against Shore. Play was shortened to 30 overs a side due to rain. Shore won the toss and elected to bowl. Sydney Boys scored 10/99 after the 30 overs. Bowling and fielding

needed to be tight for our side to win this match. Shore's batsman got some early runs, but Jerald Joseph (Year 11) dismissed the opener lbw. The very next ball, Tahmid Choudhury (Year 11) dismissed the other opener C Brockhoff for 2 by lbw. But runs were flowing and some brilliant batting by Shore allowed them to get our runs in 25 overs, 3/100. With not enough runs on the board, the bowlers were unable to defend it against good batting from Shore. There are positives and negatives that can be taken out of this match, but Sydney Boys will see this loss positively and look forward to next week's trial to bring another win to our team.

## Basketball Report

In a tough week against Shore, highlights were a narrow loss by the Firsts (87-80) with I.Ayoubi clocking up 34 points, and A.Kim and I.Taylor scoring 18 and 15 respectively. D.Vasiliev and R.Mulholland scored 10 points each in the Seconds' game, and S.Lou in 14F stood out this week, scoring 27 in his team's 40-30 win, and P.Fang in the 8ths scored 13 points in his team's 26-23 win. This week, there were some very tight games, with margins of 1 or 2 points by the Shore School scoretables. In many games, the coaches praised the team effort, and we should remember how important this is – it is also a very important element of the HIGH spirit!

| High | Vs   | Shore | Term 1, 2021                       |

## Basketball News

In NBA news, the 76ers remain on top of the Eastern Conference, with the Milwaukee Bucks and Brooklyn Nets following. The Western Conference is very exciting – Utah Jazz are currently on a 7 game streak, and a win ratio of .815! The Lakers and the Clippers are not far behind though and it is shaping up to be a great season.

The NBL looks exciting, too, with Melbourne (6 wins 0 losses) just ahead of Illawarra (5 wins 2 losses). Sunday's game between Illawarra and Sydney was very close, with the Hawks just beating the Kings 85-82. Former SBHS students Emmett Naar and Craig Moller were in the games.

This week HIGH is challenging Riverview again, so good luck to all the teams, and let's keep the HIGH Spirit! Go HIGH!

### First Grade 2021

Director of Basketball, Mr Ben Hayman. Head Coach, Marquis Navarre.

Go HIGH!

Play Hard, Play Smart and Play Together!

Thanks to everyone who makes Shootin' Hoops possible

Brought to you Xavier Perry and Lucas Adamson.

## CHS Regatta 2021 – 12 February

2021 CHS was a highly successful competition for the SBHS rowers. The Boys bonded and competed well winning 7 golds, 5 of which were in the championship division. The competition in the Junior division was particularly fierce this year and the juniors fought valiantly pulling faster times than previous years. Sydney Boys retained the boys points tally trophy, the championship eight, championship pair, championship quad, championship double and with a particularly dominant effort from Thomas Bricic won the championship single scull with an all Sydney boys finish with Adrian Wong and Daniel Morris grabbing a silver and bronze.

**Congratulations Jack Smiles. CHS Senior Champion!**

## Extra Training

The erg room will be open every Wednesday morning for those wanting extra erg sessions or juniors who miss their scheduled erg session.

## Key Dates Coming Up

| Event                                   | Who                                   |
|---|---------------------------------------|
| Riverview Gold Cup – 20 February        | Selected crews                        |
| Scots Regatta – SIRC – 27 February      | Seniors Year 10 Vllls<br>Year 9 Quads |
| All Schools Regatta - H+C – 27 February | Year 8 Quads                          |

*CHS Opens Double*

*Mens Opens 8 Champions*

*Overall Mens point score champions – Adrian Wong and Thomas Brcic*

*Mens Senior CHS Champion – Jack Smiles*

## ***SBHS WEIGHTS ROOM***

Weightlifting is more than just lifting weights; it is an opportunity to focus on personal development. The school weights room is a special place in the school, it creates opportunities for ongoing physical & mental growth. You work at your own pace, set your goals and develop the qualities required to achieve them.

The school's weights room is open for trial until the 26<sup>th</sup> of March. The weights room is a great place for students to improve their movement competency, confidence and learn a great life skill. The weights room is always supervised, and programs are designed to progressively increase skill, strength & power.

The weights room is open 7-9am Monday – Friday and 3:15-5pm Monday – Thursday. We also open the weights room up during the school holidays. When new to the weights room we ask that students arrive no later than 7:15am to allow for a smoother introduction to the weights room. There is no formal booking process when trialling, students just need to arrive on time and introduce themselves to the coach.

Payments can be made at the office in person or on the phone. Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2021, a full year Weights Room membership costs just \$268. Boys wishing to have full year membership must register and pay by Friday 26 March 2021. For members who paid in 2020 but could not access the weights room during lockdown for six weeks, we have a discounted rate of \$200 for membership this year. Year 7 only! For those who have qualified for an early bird discount by paying their invoices in full, there is an additional special introductory weights room offer of a full year's membership for just \$155. Don't miss out!

**Kurt Rich**

**Head Strength & Conditioning Coach**

*Nelson Cheng (11T) at a recent Weightlifting Competition*

## HIGH RUGBY

**HIGH SPIRIT- PASSION – RESPECT -TEAMWORK – DISCIPLINE – INTEGRITY**

**Dear Parent/Guardian,**

On Thursday 25 February, Year 7 will be involved in a Try Rugby Day at Moore Park West Playing Fields. The aim of the day is to familiarise students the sport of rugby union. Rugby is one of the most prestigious sports at the school and worldwide. It instills in the boys the exact same values that we teach the boys through their time at SBHS and develops a wide range of core life skills that will benefit them for life. Strong evidence links rugby with connections that open many doors post school. Doors that directly impact success and fulfilment in the lives of our former students. The program for the day is based on fun non- contact activities arranged in 40 min sessions and is presented below.

| Time     | Activity  |
|----------|---|
| 8.30-9am | Coaches arrive to set up.                           |
| 8.50am   | Students Scan in                                    |
| 9.00am   | Roll call for all of Year 7 in the Great Hall       |
| 9.10am   | Welcome and rugby video– Matt Cotton/School Captain |
| 9.20am   | Walk to MPW with accompanying teachers/staff        |
| 9.30am   | Session 1   |
| 10.10am  | Water break and changeover (watermelon/fruit)       |
| 10.20am  | Session 2   |
| 11.00am  | Recess (drink/fruit/ and ice pole from P & C)       |
| 11.20am  | Session 3   |
| 12.00pm  | Closing remarks, prizes by P & C                    |
| 12.20pm  | Finish & walk back to respective sports/lunch       |

Recommendations:

- Students should wear their regular PE uniform for the day, **not school uniform**.
- As an outdoor venue a hat, waterproof jacket, sunscreen and water bottle are essential.
- Students to bring food but we will provide snacks, water and fruit.
- A positive attitude, an expectation and willingness to have FUN
- Parents are welcome to come down, enjoy the morning, meet some rugby parents and see what the game is all about. You may even end up joining in!

Yours sincerely,  
Matt Cotton MIC Rugby

## Rugby Message to Year 7 Parents

Rugby at Sydney Boys High School is one of the oldest GPS sports and has a long history of building friendships, capabilities and connections, and opening doors as part of a successful and fulfilling post school life. HIGH will be running a *Try Rugby* day on Thursday the 25th of February.

If your son is interested in playing rugby at HIGH please join in with new and returning rugby parents to the Rugby Committee zoom meeting on the 22nd of February at 6pm. We are a very friendly and welcoming group of parents.

Most boys start at HIGH having NEVER played rugby before, when they leave they say playing Rugby was their BEST Decision

We look forward to welcoming you at our next meeting, please also let us know by return email if you are joining. Any questions? Just reach out to our President, Greg Gerstl on 0414234004 or [greg.gerstl@gmail.com](mailto:greg.gerstl@gmail.com)

Join Zoom Meeting

## Swimming Report - 2021 GPS Competition, 12 February

| Age: | Event:                 | Placing:        | Name:        |
|------|------------------------|-----------------|--------------|
| 12   | 50m Freestyle          | 3 <sup>rd</sup> | Mark Yan     |
| 13   | 50m Freestyle          | 1 <sup>st</sup> | Jiazi Chen   |
| 13   | 50m Breaststroke       | 3 <sup>rd</sup> | Jiazi Chen   |
| 13   | 50m Backstroke         | 2 <sup>nd</sup> | Jiazi Chen   |
| 13   | 50m Butterfly          | 1 <sup>st</sup> | Jiazi Chen   |
| 14   | 50m Backstroke         | 3 <sup>rd</sup> | David Kim    |
| 15   | 50m Freestyle          | 3 <sup>rd</sup> | Ross Zhou    |
| 15   | 50m Breaststroke       | 3 <sup>rd</sup> | Brian Ahn    |
| 15   | 50m Butterfly          | 3 <sup>rd</sup> | Justin Yi    |
| 16   | 50m Freestyle          | 1 <sup>st</sup> | Jaden Yi     |
| 17   | 50m Breaststroke       | 3 <sup>rd</sup> | Adam Davies  |
| 17+  | 400m Individual Medley | 3 <sup>rd</sup> | Ike Matsuoka |

Overall placings –

Junior division (12-14): 7<sup>th</sup>

Intermediate division (15-16): 8<sup>th</sup>

Senior division (17 & Over): 6<sup>th</sup>

For some of the boys, this was their first of many GPS carnivals. To help the newer boys, the older and more experienced boys acted as great role models by displaying High spirit and comradery. This increased team morale and provided great opportunities for personal growth: The older kids developed their leadership skills, and the younger kids grew accustomed to the values of high spirit. On the competitive end, every boy was determined to collect as many points as they could. Captain (Ike Matsuoka) collected 13 out of 20 points to lift the senior team to 6<sup>th</sup>, which is only 5 points behind the 4<sup>th</sup> placed Shore school. To close out the night, the boys raced in the 4x50 freestyle relay. In Particular, our 15-year-olds were close to placing, but were just edged out by Saint Josephs in the last 5 meters. Overall, the boys showed great potential for the rest of the GPS season, and remain hungry for the elusive GPS trophy.

**Ike Matsuoka**

**Swimming Captain/Prefect**

### 13s Water Polo vs Trinity

On the 6th of February, the Sydney Boys High 13s Water Polo team went to Trinity Grammar School to play against them. After a quick briefing from the coach, and a brief warm-up, the game began.

For the first quarter of the game, as there were not enough 13s players on our team, we had to recruit a couple of Year 8 players to the game. This quarter was going rather well, scoring a goal minutes into the match, and although, it was only early in the match, quite a few team members were showing some signs of exhaustion. Thankfully, they still showed some fight and High spirits, as, in the second quarter, things were looking a little more favourable for our Team. They started scoring more points, the prime of the game you could say, because, in only 7 minutes, the 13s team managed to score around 5 or so points, and with the help of the Year 8 players and their goalie, we were able to defend all the shots Trinity had thrown at us, making our spirits as high as they could be, their first-ever water polo match, and they were winning by 6 points.

In the 3rd quarter, mostly the same happened, our fabulous goalie defended all goals shot at us, and we continued to score goals, but fewer goals were scored this time, because Trinity had gone on the defence, now, preventing us from scoring goals, whilst also focusing on half offence. But, the spirits and the determination of our team were enough to repel them away from scoring more goals.

Things began looking a lot interesting in the last quarter, as we no longer had our Year 8 goalie, and Trinity started to go hard on offence and began scoring goals. As a result, Sydney High had to swap offence to defence, the clock was ticking, with only a few minutes until the match

end, if they could only defend it until then, the match would be theirs. But then Trinity rapidly started scoring points, 1 point, 2 points, all the way to 5 points, until the sound of the end-of-game buzzer rang throughout the swimming pool. Sydney High cheered as loud as humanly possible, for it was their first ever water polo game, and they had won, 8 - 5.

**Matthew Chen (7T)**

### 13s Water Polo vs Knox Grammar

The following week the 13s Team wasn't looking so good. Their top player who scored 5 out of the 8 goals from the last match, was away at the GPS swimming carnival, being one of the better swimmers in Year 7. Then there was also a new player, who only arrived on Thursday for training, having not gotten into a certain summer sports team that we do not wish to specify. Also, our Year 8 goalie from the previous week was away, so, having no good goalie, the Year 7s rotated every quarter.

The game didn't start perfectly, with Knox Grammar scoring the only goal at the end of the first quarter. But it would only get worse from there for the Sydney High Team. Much, much, worse.

In the second quarter, they scored 4 times, while not letting a single goal in, much to the Sydney High Team's annoyance, but by then some people were getting sluggish in movement and strategy, by which I mean that some people were slacking off, looking at the roof without doing anything, not marking the opposing team to stop them scoring, etc.

In the third quarter, things were a bit better at first, then unchanged. By this I mean we scored a goal first in that quarter, but let in 2 goals, making the score even worse than when we started with at the start of the quarter.

In the next-to-last quarter, guess what happened? We let in even more goals and we didn't get a single goal. We could've, but as I stated above, some people weren't watching the ball and egg beating, so we missed one of our shots, though it wouldn't have mattered anyways, as we had let in another 2 goals.

As the final buzzer rang out, Sydney High's 13s Team went over to congratulate Knox Grammar on a game well played, even though losing 9 - 1. Truly a great show of sportsmanship. I am glad to play sportsmen with great sportsmanship in such a game, no matter what the circumstances. To me, it doesn't matter that we lost, it matters that we weren't sore losers.

**Jamond Tan (7T)**

### 15As Water Polo vs Knox Grammar

Last Saturday (13/2/21), we played Knox's 15A water polo team at their pool. The pool at Knox has always been, for me, a pool of good luck. Every game we've ever played there has resulted in a win for our team. After a disappointing loss against Trinity last week, we were ready to win this game.

To my surprise, the referee happened to be someone I knew, which isn't something you can say for many games. I also happened to know one of the players from the other team.

After we warmed up, we started playing. We scored the first goal, but it shortly met by a goal from the opposition. The game continued back and forth until the end of the first quarter, when we were up, but only by one point (3-2). However, our team started to lose our grip on the game. By half-time, we were down 4-5, and by the end of the third quarter, we were down 5-7. Maybe Knox's pool wasn't the pool of good luck it once was.

The fourth quarter started after a quick team talk. Our team wasn't going to be let down by the score. However, after a few shots, the score was evening out. With two minutes to go, we were down on the score, but only by one point. With some great teamwork, we were able to squeeze in one more goal. Our priority had shifted from scoring goals to defending. Sure enough, we were able to keep the score that way, and so we drew 8 all. In over two years of playing water polo, this was the first tie our team had ever encountered. At least it wasn't a loss!

I would like to thank the whole team for their efforts. Had any one of the goal scorers been away, we would have had a loss. Even the people who didn't score that day still helped in making sure the other team didn't score as much as they could. I would also like to thank the coaches for their efforts in training us.

**Eric Scholten (9R)**

### HIGH SAILING

### Sailing Report

Saturday afternoon was an optional training session as racing itself was cancelled. A small turnout of 13 sailors Fleet Racing and Teams Racing were not as competitive as previous weeks. Year 8s and below continued to develop their skills with Optimist and Pacer coach Patrick Han. Seniors and Year 9s participated in Fleet Racing in moderate wind conditions against Scots and Ascham.

Afternoon teams racing took place in heavy conditions against Scots 1sts, 2nds and 3rds, Cranbrook 1sts and 2nds and Ascham 1sts and 2nds. Unfortunately, more damage was incurred to our fleet so we will be working hard to get the boats back for this weekend. The team didn't competitively compete in the afternoon's races.
