

From the Principal High Talent

Congratulations to Anay Baruah (11R) who was selected in the CHS 1st XI cricket team to play

in the NSW All schools carnival. Aditya Nigul (12M) was chosen in the Combined GPS 1st XI side to play CAS XI at Barker College. Raunak Roy (10S), Chris Roussos (10M) and Xavier Nath (10E) were selected for the Combined U/16 GPS side to play the CAS U16 XI. Well done to all our representative cricketers. Congratulations to Jia Qi (Jackie) Wu (11F) who set a new coached SHSRC club record for target rifle shooting, achieving a 50.9 out of 50.10 at 600 metres. He shot all centres with nine out of ten V bulls. He was coached by Andrew Tam. I suspect his record will stand for some time. At the AAGPS Carnival 3, our 14 years medley relay team won. Congratulations to David Kim (9E), Jin Shim (8F), Jason Yu (8S) and Leo Zhuang 8M. In the individual events, Matthew (Jiazi) Chen (7T) won the 13 years 100m freestyle and 50m butterfly and was second in the 50m backstroke. Mark Yan (7F) won the 12 years 50m freestyle. Ross Zhou (10R) won the 15 years 50m freestyle and Jaden Yi (10T) was successful in the 16 years event. Well done to all our swimmers!

Backboard Replacement Appeal

Since the backboards and shot clocks in the UTS Gymnasium were replaced with state-of-the-art equipment in 2019 at a cost exceeding \$80k. Friends of basketball have been donating to the *Sydney Boys High Building Fund* to pay off the money that the School advanced to the Basketball Committee (\$23,195) for its share of the project. Thirteen donors have written off \$15,161 of this amount, leaving just \$8,034 to be repaid. It would be great if basketball Old Boys, parents and friends of the program could complete the fundraising this year. Make your donations to *Sydney Boys High School* (Building Fund).

2020 Budget Summary

The total income from DoE was \$11,640,710. Total income from school and community sources was \$3,670,842, including grants and contributions (\$3,597,205), sale of goods and services (\$61,808) and investment income (\$6,580). Income from all sources was \$15,311,552. Within those totals, donations to the SHS Building Fund and to the P & C were \$551,918. Total payments were \$14,658,030, predominantly salaries and wages for staff (\$11,379,974) and operating expenses (\$3,278,056). Key Learning Area expenditure was \$268,760. Utilities costs were \$80,666. Other operating expenses were (\$702,713). Property Maintenance costs were \$373,345. Furniture and equipment (\$251,452). Funds available were \$16,763,997. Overall, payments as a percentage of funds available were 87.43%, meaning we do not build up reserves beyond a carried forward operating balance. **At High the very strong reliability of our income flows from parents through donations and contributions has allowed this very high expenditure percentage to be maintained for 21 years. Maximum bang for your buck!**

Early Bird Discount

Reminder to parents that there are **just five school days left** to take advantage of the **early bird discount** by paying the school invoices in full. Early bird discounts must end on **Sunday 14 March**. This end date includes a two-week extension of time because of a glitch in the DoE system in the first

two weeks of school which made sending out invoices impossible. As well as receiving a substantial saving you will also be really helping out the school in a stressful financial environment. Having c. 55% of all our families pay all their invoices in full at an early date to receive the discount helps us to purchase the resources and services near the beginning of the year to maximise the benefit gained by all students throughout the year. It also helps us to make timely payment of invoices for textbooks, resources or capital works that we have organised to be ready for student use at the beginning of the school year. If any parents are experiencing financial difficulties, I urge them to contact me by email at jaggark@sbhs.nsw.edu.au

Funds Held for the Benefit of High Boys

The **Sydney High School Foundation** holds funds for the benefit of the school. The **SHS Advancement Fund** enables tax-deductible donations to be made for the purposes of school buildings, scholarships and student support by way of bursaries. **The Endowment Fund** is designed to hold monies from non-tax deductible sources – bequests, trusts, gifts and the like. Accounts for the Foundation show that as of January, 31, 2021 there were the following balances within the *Endowment Fund*: \$112,078 for the *Ethel Killip Memorial Fund*; \$128,714 for *Prizes*; \$108,774 for the *Phil Day Memorial Scholarship Fund*; \$64,948 for the *Student Support Fund* and \$9,084 for the *Mitchell Seow Memorial Prize*. In total, SHSF manages \$423,598 in funds for the school. Usually, half of the interest earned on these funds is donated to the School for uses as determined by the Fund Deeds. However, due to a sustained period of very low interest rates, interest has been retained 2014-21, in the interests of maintaining the real capital value of the funds. *The Seow Fund* is a specific prize commemorating the sudden death from unknown causes of a much-loved student who had just completed his HSC. *The Student Support Fund* supplements the DoE Student Equity Funds with direct financial help to students in necessitous circumstances. The *Phil Day Memorial Fund* finances an annual scholarship, worth \$1,500, in memory of an Old Boy and long serving teacher, Head Teacher and Swimming MIC. The *Prizes Fund* helps to pay for some of the >\$30,000 worth of prizes awarded each year to students. The *Ethel Killip Memorial Fund* pays for the replacement and upkeep of honour boards, memorabilia of Old Boys, photographs on walls and the school artworks collection. The *Ethel Killip Memorial Fund* purchased >\$35k (2014-19) of indigenous artworks for our Na Ngara collection in McDonald Wing. We are always seeking donations for any of these fund purposes. If you would like to help, contact 96629300 or manager@shsfoundation.org.au

National Literacy Learning Progression

Families of Year 11 Students

In 2021 Sydney Boys High School is implementing a schoolwide focus on literacy support.

A program is currently being created across school departments for those students who have been identified as potentially benefitting from a more structured approach to reading and writing.

This personalised approach to student learning is to be provided by the school at no extra cost to families through the use of COVID funding from the Department. It is being designed as an unobtrusive, supportive scaffold for students who require guidance to achieve at the expected standard within ACARA's Literacy Progressions.

Your child may be involved in this program across the year.

If you require any further information about this approach, please contact Dr Lynda Pinnington-Wilson through the school switchboard on 9662 9300

Ms Pride
HT English

ONLINE PAYMENT SYSTEM FOR PARENTS

All invoices are available for payment through our online parent portal @ <https://pay.sbhs.net.au>

Lost Student ID card charges are now invoiced and are also available for payment via the portal.

Please Note: Print Credit payments are not available online and will require payment at the register.

Paying online reduces queues at the registers and helps us to adhere to social distancing guidelines.

Your cooperation would be greatly appreciated.

SBHS P&C – Notice of General Meeting 6.30pm, Monday 8 March 2021 Online via Zoom Meeting

Special Presentation by Dr Jaggar on 2020 HSC Results

All parents and friends are invited to our next P&C meeting on **Monday 8 March at 6:30pm** where Dr Jaggar will present a detailed analysis of the school's 2020 HSC results. In this presentation, he will share his insightful interpretation of our results from last year, ATAR in general and our school's performance compared against other schools and our past performance for over a decade. Dr Jaggar's presentation will be of interest to all parents, and those with boys in Years 10 – 12 are particularly encouraged to attend.

The meeting will be online using Zoom and you will also have ample opportunity chance to ask any questions you may have.

To join our March P&C meeting next Monday 8 March, please register at the following link:

<https://au01web.zoom.us/meeting/register/u5lscOGqjgoHN1Wbpdo4kTqM1NCsMvxBHsh>

After registering, you will receive a confirmation email containing information about joining the meeting. Please also note that the agenda, last minutes and other documents are available on the parent portal under "P&C Association".

Crazy Sock Day - \$525.25

Due to the complications of COVID-19 extending into 2021, we were unable to continue the tradition of assisting at Central Station a morning collection for Bandage Bear Day. Instead, the CSC held Crazy Sock Day last Friday – a first and a huge success. We raised \$525.75 for the Sydney Children's Hospital Foundation! Although the wearing of funky socks had a low turnout, students generously donated a gold coin regardless.

Headspace Bake Sale

Next up will be the Headspace Bake Sale – held on the 19th of March. We will be fundraising for Headspace and students may purchase baked goods during lunch and recess, as well as wear mufti alongside a \$2 donation.

Jie Rui Lin, Year 12
Community Services Committee
(Mrs Ibbott)

Worlds Greatest Shave

A MASSIVE CONGRATULATIONS to all the boys and parents so far for supporting us and helping us reach the previous goal of \$12,160, we've SMASHED it!! Now with Dr Jaggar shaving, we charge forward!

World's Greatest Shave – Friday 5 March. Students can take a stand against blood cancer by hair spraying for \$2 or shaving their hair on the day (for free!). Let's GOOO!

Donate to the Sydney Boys High World's Greatest Shave fundraiser through this link:

<http://my.leukaemiafoundation.org.au/humansofsydneyboys2021>

Otherwise, cash can be placed into Ms Ibbott's letterbox and will be collected. Please put all cash donations in an envelope with your name and roll class.

2021 NSW Premier's Reading Challenge

Start reading now!

www.premiersreadingchallenge.nsw.edu.au

Key dates for students in K-10:
Challenge opens Monday March 1
Challenge closes for student entries Friday August 20
Artwork by Dr Bronwyn Bancroft

The 2021 Premiers Reading Challenge becomes our Principals way of rewarding Wide Reading at High.

In a very recent discussion with the Librarian on awarding Participation Points for Wide Reading Dr Jaggar said that the Premier's Reading Challenge was to be Sydney Boys' High's official way of recognising good reading in the

Junior School and in Year 10. 3 Award Scheme Points will be given for entering and an extra 2 points will be given for boys who submit 20 4-part Tricky Trivia multiple choice questions - one per book.

As has always been the case our students are encouraged to keep participating in the Premier's Reading Challenge - this involves reading 20 books before September 2021. This Challenge will include Year 10 students for the first time. It is always a challenge to read 20 age appropriate books. The books ideas and volume challenge you the older you get.

It is important that entrants email me their "proof of book engagement" or I will not validate their entry into this Challenge. On receipt of an email from each entrant I will look up the books they borrowed from our Library resources - including eBook resources.

If students read books from their local library they need to attach their 2020-2021 borrowing record - these are usually available online - to their email to me asking for validation.

If parents have purchased books for their sons could they include a photo of the book cover and a comment that they observed their son reading this book. Only books read from September 2020 to September 2021 should be entered in this year's Premier's Reading Challenge.

Students fill in their own entry to the Premier's Reading Challenge by looking this up online.

The Librarian in the Junior Library and the Librarian in the Senior Library will validate student entries.

Veronica Crothers

Junior Library Teacher Librarian

Meet the Prefect Intern 2021 Ike Matsuoka

What have you learnt from doing swimming at High?

Coming into high school, I was convinced that swimming was an individual sport. I didn't need to communicate with anyone, I didn't have to rely on anyone, and I competed on my own. However, as the seasons passed, I started to

realise that I was wrong. I started to communicate with my teammates because it was integral to our success, I had to rely on others because it was impossible for me to race every event, and eventually, I wanted to develop the juniors into even better swimmers. High swimming has transformed me from a self-oriented individual into a team driven swimmer that always aims to improve and motivate others. I am truly thankful that I was able to make so many lifelong memories and friends through high swimming.

What do you love about rifle shooting?

Down at the range, every day is unique. Wind patterns are always different, the amount of sunlight can change throughout the day, rifle settings can be changed, and our mats can be placed onto the mound in a slightly different way. Shooting and coaching through these unpredictable conditions is my favourite thing because it adds a layer of complexity and excitement to an already challenging scenario. These unpredictable events create so many opportunities that help develop my decision-making and leadership skills. Off the range, there are always coaches and staff that facilitate each shooter's growth by providing useful advice, motivation and guidance for their next shoot. The coaches' high spirit creates a strong foundation to a comfortable environment that allows the boys to thrive. It always reminds me that high spirit is timeless: it always remains in the boys' hearts.

How has High changed you as a person?

When I was young, I used to give up really easily. I ran away from challenges and wasn't motivated to improve myself, but High has helped me overcome this issue. Thanks to High, I have made lifelong friends that always motivate me to work harder, my academic standards have been raised, and the multitude of school programs have guided me through trying times. I am much more confident and happier than when I started school, but I am still left with a single regret: I wished I took advantage of these opportunities in year 7. I encourage all students, to make the most of their high school life because in a couple of years, you will only be left with regrets of what could've been.

Ike Matsuoka

Swimming Prefect

Rifle Shooting Prefect

Meet the Prefect Intern 2021 Jerry Lin

What do you love about the Community Services Committee?

Two words — giving back.

I absolutely relish the act of 'giving back' — I can assure you that the sense of accomplishment is like no other. Community Services highlight the privileges we continuously take for granted, encouraging us to appreciate and nurture such entitlements.

High's Community Services Committee (CSC) reach out to communities and organisations in need of a helping hand; whether it be selling merchandise at Central Station on a Friday morning or organising school fundraisers for a charitable cause — we're down to support them as best we can.

We welcome you to participate by simply emailing Mrs Ibbott requesting to be added into the Canvas page and come visit us at our weekly Thursday lunch meetings in room 304!

What is your role as Year 8 Prefect?

Year 8 is an exciting time to try out new co-curricular activities, embrace academic opportunities and forge long-lasting friendships cohort-wide. As Year 8 Prefect, my goal is to encourage and support the development of an open mindset and establish a strong sense of

brotherhood — so immerse yourselves into High Spirit and maximise your co-curricular participation!

I will be guiding you for the next three terms, so feel free to message or talk to me in the corridor or playground if you see me! I am always excited to talk and give advice on absolutely anything; from subject selection to finding a balance between studying, co-curricular activities and sport.

How will the Prefects extend High's support back to the community?

To date, the Community Outreach team seized two volunteering opportunities. We have volunteered for Centennial Parklands — engaging in bush regeneration activities — and in April, we will volunteer at Randwick City Council's Youth Week.

With the Junior Library overhauling its shelves with new novels, the Community Outreach team sought after the annual cleanout of literature — claiming the majority that would otherwise be disposed of. We will donate the novels to less-privileged students and families lacking access to literature — potentially distributed to an Indigenous-Australian community, hospital or street library — stay tuned on our social media pages!

On the whole, all Prefects will gain an invaluable hands-on experience giving back to the community, disseminating High Spirit beyond school boundaries.

7S Camp Recount 2021

By Joshua Li, Zhenyu (Leo) Wang & Vedantik Bhattacharyya

Day 1(Joshua)

We were waving our goodbyes with excitement as we embarked on what will be an unforgettable adventure. The bus ride was somewhat a whirlwind of events. Parts of the bus were chilling out and playing their games or listening to music, but the other part was blasting music and singing along. The main one was 'Never Gonna Give You Up' by Rick Astley. Smiles and laughter was the big hit on the ride to Morisset.

Upon arrival, students were hyped on excitement, but we had to wait for the last 2 classes to come because they had to wait for another bus to pick them up. To keep us engaged, the instructors of the camp played a little telepathic game of objects. One instructor and three students would go out so that they couldn't hear anything, the rest of the crew would choose an object. Then, the outside instructor and the three students come back and start guessing the object. Somehow, the instructors got it right every single time which left us perplexed.

After lunch, our class and our instructor Emily headed down to abseiling. First, Emily explained to us the rules and safety information about how to do abseiling so we can have the maximum amount of fun. The first few students did it with absolute smoothness and ease that it made mine look like a small insignificant thing.

As soon as we heard we had Mudworld next, some of us panicked, some of us were overjoyed to be covered in mud. Upon arrival, we went through a tunnel which smelled like a sewer. I honestly loved the experience but nearly threw up. As I continued the course, my hygiene went down, and my excitement went up.

Fortunately, we had a nice hot shower after and ate a nice warm and scrumptious dinner of mac and cheese, pasta, tomato sauce, garlic bread and some other complementary items like juice, water and cordial.

We ended the day with a story of Billy and his basketball.

Billy was a student like us who came to Morisset, but he and his basketball have a very special connection. Billy would always bounce his basketball because it made him happy, but it annoyed the instructors so much that they nearly didn't include Billy in Commando. After a while, the instructor let Billy go in a group but at the end of the game, when the teachers did a head count, 1 was missing. It was Billy. So, they went to search for Billy through the night but there was no response. Billy was lost...

The sudden disappearance of Billy shutdown the camp. A few months later, the camp reopened, and the legend of Billy was never told. After a couple weeks the camp reopened, other students heard a basketball bouncing at midnight...

The horror story whirled through our minds as we ate supper which consisted of chocolate milk and chocolate cookies. That night we slept with the fear of waking up hearing a basketball...

Day 2 (Leo)

It was the second day of camp which started with us waking up at 6:15. Yay, sleep deprivation, what else could possibly be better? We started the day with breakfast, and we had toast, spaghetti, baked beans, scrambled eggs, apple juice and orange juice.

Now canoeing was interesting. You had three people and you needed to go straight, so how do you do that? By going around in a circle and also running into a billion trees. We are soooo good at canoeing. Something else I learnt is to never lean on any sides of the canoe especially if you are the heaviest out of the three, or your boat will capsize.

Later, we had lunch, which were wraps with any kind of meat you want, lettuce, cheese, tomato, and sauces. Now that was the boring bit, the exciting bit was when they gave us snow cones. I honestly don't like snow cones because cordials are a bit sweet for me, but from how long the lines were I think everybody begs to differ, especially because it was so hot and it was a good way to cool off.

Guess what time it is now? No, it's not shower time. It's time to wear the mud run shoes again. Three cheers for the shoes. Hip Hip Hooray! And we went on a bus to sailing and pioneering. So, we got there and learnt how to sail. We were allowed to swim while waiting for our turn. We had to wear a PFD (personal floatation device) in case we may have capsized. Well time to meditate on our back for a minute with your eyes closed and then open your eyes and see everything was cool! What do you mean you have to switch the side you are sitting on if your boat is turning? Oh well, I don't care, I just won't do that.

AAAAAAHHHHH! We are sinking, HELP! HELP! HELP!. ABANDON SHIP!! So our boat tipped bit by bit, we knew what was going to happen, and we capsized. Huh, capsizing is quite fun.

Then we did pioneering but that was boring. The only thing we learnt from that experience is that the blue team will always lose. So, we went back to camp, lined up for dinner. Actually, it was more like a sheep farm, every sheep wanted to get in, but the teacher/shepherd only let them in one at a time. I was envious of the people with dietary requirements because they got to go in first and they were finished before some people even started! After we finally got in we ate dinner which was sausages, mashed potatoes, gravy, garlic bread and vegetables. Then we had a shower and then there were 179 kids lining up for ice cream. Where'd the other kid go? I am glad you asked, that kid was me. How is only one person going to serve 179 kids without taking an hour? So, I knew they had to get another person to help and I lined up where the second person would be so I got an ice cream without lining up.

We went back to our cabins for a little bit and then we had a game night, which is kind of like a game show where the teachers said something related to the challenge and every team had to put one person who was most fitting for it up to compete for points. My team came in third place.

These were the prizes:

1st place: going to breakfast early, surprisingly that was the best reward.

2nd place: you had to wear your clothes inside out for the first activity

3rd place: wear shoes on the opposite side of your corresponding foot. None of the teams did their reward except for the first.

Then we had supper which was chocolate milk and a cookie. Then we went to sleep at 10. Scratch that thought we probably went to sleep at 12.

Day 3 (Vedantik)

It was the third and final day of camp and we had the giant swing and archery as the two final activities of camp. Guess what time it is? It's time to wake up 15 minutes earlier than when you woke up yesterday. Ain't that just fun. We woke up to the same breakfast as the day before, hot food: toast, spaghetti, baked beans, scrambled eggs and cereals with orange juice as well. Guess what it was like a sheep pen again just like last night. After that we had to pack up which consisted of us trying our hardest to put sleeping bags in their bags, we failed. Was it a surprise? Not really. After that we had our second last

activity, I felt bad for those who had to do the mud run on the final day, or even any group doing any wet activities really!

We went to the giant swing where everybody who wasn't waiting in line had to pull a rope to pull up the person in the swing and the person in the swing would pull a blue ball to release themselves from the rope and swing. The swing was 12m (2m taller than abseiling) and was just harness and no seat. It was an exhilarating experience. The person in the giant swing was the victim of a huge and sometimes painful wedgie if the harness is in the wrong spot but in the end it was worth it.

After that we went to archery. We broke up into groups of 6 and each person shot 2 rounds of three arrows each. The blue team won with a clutch 50 point shot as their last shot. Honestly, it wasn't as exciting as some of the other activities as it didn't give any adrenaline to your body but at the same time it was fun cheering people on, especially the celebrity shooters like the teachers, and improving with every shot, or at least, most people did.

We then had lunch which was a hotdog and a can of soft drink and headed back home on a 90-minute bus trip and everybody just went on their phones."

Kerryn Ibbott

Coordinator Outdoor Education

ibbottk@sbhs.nsw.edu.au

Small Ensembles Concert – Wednesday 10 March, 6.30pm GREAT HALL

The Music Department is excited to announce our first concert for 2021 – “Small Ensembles Concert” on Wednesday 10 March, 6.30pm in the GREAT HALL (please note the venue change). The following ensembles will be performing:

- Guitar Ensemble
- Philharmonic Orchestra
- Percussion Ensemble
- Senior Strings

Please use this link to RSVP:

<https://forms.gle/jcqTGyyg97gACHSk6>

We hope to see you and support the boys at the “Small Ensembles Concert” on Wednesday 10 March, 6.30pm in the GREAT HALL. (Venue change from Governors Centre Auditorium to Great Hall)

Please note, due to Covid and DET requirements:

*All parents/guardians/guests attending will need to have their temperature checked prior to entering the Governors Centre Auditorium

*All parents/guardians/guests attending will require to scan the NSW Covid Safe Check-In prior to entering the Governors Centre Auditorium

*Masks are not mandatory, but parents/guardians/guests are encouraged to wear one

*Hand Sanitizers will be placed outside the Auditorium for parents/guardians/guests to use

Music Ensembles & Private Instrumental Lessons

Students should not be participating in private instrumental lessons and/or ensembles when they are unwell and/or showing symptoms (cough/shortness of breath/sore throat/fever/runny nose).

Parent/Guardian/Student Communication

Parents and Guardians: Please download SZapp from the Apple App Store or Google Play and subscribe to ‘MUSIC.’ Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au Please note: Students will also be notified of any music related events during ensemble rehearsals.

Music Storage Room

To all students who carry music instruments only: Please place your instruments in the music storage room (located next to Room 101.) Please do NOT block the pathway and make sure the door is closed at ALL TIMES. Please ensure students have a clear name tag with their name/year on their instrument case. Students and parents are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

2021 Music Ensemble Rehearsal Schedule

Please see the music ensemble schedule below. Please check the schedule carefully as there are a few changes to some of the ensembles this year.

2021 Music Ensemble Schedule

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Intermediate Concert Band 7.45am – 8.45am Governors Centre	Senior Concert Band & Symphony Orchestra 7.45am – 8.45am Governors Centre	Junior Stage Band 7.45am – 8.45am Room 101	Intermediate Stage Band 7.45am – 8.45am Room 101	Senior Strings Ensemble 7.45am – 8.45am Room 101
Guitar Ensemble 7.45am – 8.45am Room 201		Senior Stage Band 7.45am – 8.45am Room 201	Philharmonic Orchestra 7.45am – 8.45am Room 201	Chamber Choir 8.00am – 9.00am Room 201
				Marching Band 8.00am – 9.00am MPW Term 1 & 4 only
Guitar Ensemble 3.20pm – 4.20pm Room 201	Marching Band 3.30pm – 4.30pm Great Hall Term 1 & 4 only	Percussion Ensemble 3.20pm – 4.20pm Governors Centre		Jazz Ensemble 3.30pm – 4.30pm Room 201

Please note:

- * The above schedule is subject to change. The Music Department will inform students asap via the CANVAS Music Performance Page and the school's daily notices if there are any changes
- * Guitar Ensemble: Students who are unable to attend one of the rehearsals can join the alternate session
- * Marching Band: Rehearsals only run in Terms 1 and 4 only. Compulsory attendance is required for students in Concert Band, Stage Band and selected Percussion Studently (no piano students)
- * Students must schedule private instrumental lessons at a different time to music ensemble rehearsals
- * An attendance rate of 80% is required per semester to obtain Award Scheme Points
- * Music Pocket: Attendance of 5 full years is required. New students in Years 8-11 will need to speak with the Music Department

2021 Term 1 Music Events Calendar

Week	Date	Event	Music Students Involved
7A	Wednesday 10 th March	Small Ensemble Concert, 6.30pm, GREAT HALL	Guitar Ensemble Philharmonic Orchestra Senior Strings Percussion Ensemble
7A	Friday 12 th March	Rowing Assembly, 10.15am Great Hall	2 x Elective Piano Students TBC

Music Events are continually added and are subject to change

The Scots College Regatta

Scots regatta last Saturday was an extraordinary display of effort and commitment from all the rowers, and particularly the 2nd IV. Still recovering from a tough week of hard sessions, the boys in the 2nd IV were up against the odds. Despite this, we were excited to see what we could do in the two races. The first race began and we were head to head with Sydney Grammar - seeing them beside us made us push harder. Finishing the race ahead of Grammar with open water was a big realisation for us. That all that training and hard work has conditioned us to be ready just for this moment. The second race was an even harder battle, the Grammar crew were now placed

in the lane next to us and hungry for revenge. We stayed head to head for a majority of the race, with our final push in the last 300m letting us down when we all had nothing left to give - they had narrowly beaten us. 13 March is the last race and our last chance, and we are determined to get our revenge and give it our best at Head of the River.

Team of the Week – 4th XI

Our side was welcomed to the Doyle Grounds with overcast conditions followed by flurries of light rain, pushing our start back half an hour. After gathering 22 boys to take the covers off, the pitch revealed itself as a green, patchy deck, however upon winning the toss High opted to bat, backing the top order to set up a good score on a tricky surface. A slow but steady start from the top order set the tone for a sensible batting innings, front lined by Ilham Haque (12S) batting through 20 overs with 73*, his disciplined technique coming out on top against a seaming ball on a wet pitch. At the end of the innings, High finished at 4/107, a low score, but definitely competitive in these conditions. The boys set out to bowl with energy, keeping the energy high in an aggressive field. The pressure piled on the Kings openers as our opening bowlers kept toiling away eventually breaking the deadlock causing a collapse, highlighted by a stunning second attempt slip catch from Aaryan Chhabra (12E). The middle and lower order was then taken apart by Vikas Kalwakolu (12E) finishing on figures of 5/2 from 3 overs, twice getting 2 wickets in 2 balls. His blistering pace and accuracy assisting him in hitting the stumps all 5 times. Kings finished on 10/44 after 16.1 overs, High winning by 63 runs. 4ths are still undefeated since the start of the season and are due to play their final high school game on Saturday against Newington.

Dear Student & Parent/Guardian,

The High Tennis program relies on fundraising to function at the High level it currently does. One of the most direct and easiest ways to fundraise is by attending parking duties. I am asking for volunteers both student and parent to attend 1 or more of the following parking duties:

- Saturday 13 March 3:30-5:30pm

All parking duties have an experienced paid attendant to assist you.

If you &/or your son can help, please email me richk@sbhs.nsw.edu.au by Wednesday 10 March 3:15pm.

SHOOTIN' 279 HOOPS

Sydney Boys High vs Kings

An intense matchup last week... HIGH against Kings! A brilliant week saw fantastic results. Issac Taylor's 34 point performance (50.5 efficiency – 3rd best all time game) and Issac Ayoubi's incredible triple double of 20 points, 10 rebounds and 12 assists were part of the team's solid win against Kings 98-65. R.Mulholland dished out 16 assists last week, which is the most that any 2nd Grade player has ever dished in HIGH history! Well done to R.Lau with 20. The 2nds also won 71-50. The 14's and 15's also copped multiple dubs. All the teams played with the HIGH spirit and gave it their all.

.	TERM 1 2021	SCORE	BEST PERFORMERS

NBA News

The All-star teams have been selected! The Western Conference selected Luka Doncic, Stephen Curry, LeBron James, Nikola Jokic and Kawhi Leonard. The Eastern Conference selected Kyrie Irving, Bradley Beal, Kevin Durrant, Giannis Antetokounmpo and Joel Embiid. We all look forward to seeing these two teams of the best players in the world go head to head during the long awaited all-star weekend! The 2021 NBA All-Star Game will take place on Monday, March 8 (AEDT) at State Farm Arena in Atlanta.

NBL News

Melbourne United are in the lead, with the Perth Wildcats in 2nd place. The Sydney Kings have dropped to 7th this week. United's perfect start to the season was under serious threat at Bendigo Basketball Stadium on Sunday as Bryce Cotton (24 points, seven rebounds, six assists) led a late Wildcats charge to see the visitors down by two in the final minute.

Cotton has a history of breaking United hearts with his late-game heroics but a costly turnover denied his side a chance to draw level, Jack White securing a clutch offensive rebound on the next possession to deny Perth a shot at victory.

HIGH vs Newington

HIGH has their last game against Newington this week. It's important to play hard, play smart and play together even at the very end of the season. It is vital that all players work hard even during the offseason. Whether it's improving your jump shot with Marquis or hitting the weights room with Mr Rich, the little things push good players toward becoming excellent players. If every single HIGH basketball player works hard in the offseason we can all excel the HIGH program further and get more dubs. Make sure to thank your coaches for the hard work they put in to making this season happen. Thank you parents for your constant support. We are excited for this weekend's games. Good luck to all the teams this week and congratulations on an excellent season!

Go HIGH!
Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible
Brought to you Xavier Perry and Lucas Adamson.

Overall Placings

Junior division (12-14): 5th

Intermediate division (15-16): 6th

Senior division (17 & Over): 8th

Once again, the boys have exceeded expectations and improved their results. This week, we had a very well-rounded carnival that saw a great spread of ages that placed and for the first time in the season, we had placings in the age relay. This indicates that the boys are making the most out of each carnival by refining their fundamental principles: warming up, relaxing and recovering. With one week left, I think that the boys are finally prepared. I believe in all of you. Thank you to the prefect supporters who assisted in timing keeping.

Ike Matsuoka (12M)

Swimming Prefect/ Captain

1sts Report

Bouncing off a high from a win against Cranbrook the previous week, we were eager to prove that our win wasn't a fluke, and that we deserved to play as well as we did, with the results to show it. Knowing our opponent was Waverley, a great school to play against in the past, we headed into the Drummoyne Aquatic Centre, yet again, with everything to play for, and to prove our abilities, not just to Waverley, to ourselves as well.

With our main swimmer, Ike, missing from the game due to a Sydney Metro event at SOPAC, our starting spring-off wasn't the greatest, but Tom clutched it and we started the game with possession. However, with our minds not completely focused, we slipped up and possession was turned over a couple of times.

With a few chances at a fast breakaway towards the end of the quarter, I decided it was my time to have the opening goal, swimming the ball into the 5m mark, fronted my defender and had the opportunity to bounce the ball past an unsuspecting Waverley keeper. Only as I turned around, I heard Ike's distinct voice by my side, "Nice shot mate." Our main swimmer had arrived just before the end of the first quarter, pausing play with High up 1-0.

After an absence of a few weeks, our coach, Jake Rowlands, with quite impressed with the improvements we've made as a team in his time away from the coaching scene. Praising us on our efforts, he pointed out some areas we could all improve in as a team, keeping us humble for the next quarter.

With the Waverley side picking up the pace after a low scoring first quarter, the second quarter was very messy, largely due to the Drummoyne Aquatic Centre only having one referee available, so a lot of fouls went uncalled. Turnovers, on the other hand, were constantly called along with jump-balls. With so many transitions, it was hard for either team to settle into a rhythm, so both sides ended with a goal drought throughout the second quarter.

Jake's inspirational advice during the half-time break hyped us up to score some more goals in the next quarter, with sharp shooter Tom taking many opportunities that have come his way, only to send the ball over the roof. On the next fast break away, Rhys took matters into his own hands, duping out the Waverley keeper to ping it into the top corner, celebrating his goal with air-kisses to his adoring fans.

We were up 2-0 and with one more quarter to go, we couldn't leave it to chance, and knew we had to secure our victory with at least a couple more goals. We spent most of the game with possession in Waverley's half, but never managed to capitalise, largely due to our shooting work. However, once we had set up our mushroom offence and had boys driving in and out to make space, Edward had a chance from five metres out, sending it to the back of the net. High up 3-0. With another fast breakaway, I kept calm and faked out the keeper, drawing him out and lobbed it over the top. Finishing the game with a score line of 4-0, we had our usual three cheers for Waverley, with the Waverley boys mirroring our sportsmanship.

It was a great day out at Drummoyne again, and we're appreciative of having a 100% win rate at this pool. I'd like to thank the boys for their continued support and commitment to the sport. With one game left to go this Saturday, I hope we can finish off our last season with a strong final showing against Barker.

Jack Nguyen (12S)

Water Polo Prefect

High Shooting

Jackie Wu (11F) beat the coached club record on the weekend, achieving a 50.9 out of 50.10. He was coached by Andrew Tam. I just recently received a copy of the attached photo. The only way this record will be beaten is for one of our shooters to shoot a "probable" which requires every single shot to be in the centre of the centre which is the V ring. Hopefully this bodes well for a productive and successful GPS season this year.

Daniel Comben

HIGH SAILING

Fleet Racing

Fleets racing on Saturday was pretty slow-going, roll tacks, leeward-side lean and batten 'popping' were essential if any skipper wished to move more than a few boat lengths.

The wind was a south to south-easterly, ranging from 0-5 knots, gusting about 6-7 at the best of times. Due to this, the upwind mark was closer to the line, but still took a fair bit of time to reach, followed by a stretch of downwind to the second mark, right on the lee.

However, it was a great opportunity for new skippers to strengthen their skills. The most significant improvements were from Kai Asari (9S) and Nathaniel Thie (9S).

Neil Ghosh (9F)

Team Racing

Afternoon teams racing was similarly affected by the same low winds. The first-grade team ran a rotating 4-boat team after a solid performance in the morning's fleet racing. Unfortunately, the first's team couldn't find a win as the wind continued to drop, the afternoon still provided an opportunity to practice our low wind sailing. The rotating roster highlighted growing pains in our communication as we work closer with Samuel Ezra which joined the team as the start of the year.

The second-grade team had a strong showing winning over half of their races. Both Zhitian Mai and Liam Tran had confident 1st place finishes that consolidating their team's wins. Second-grade continued focus and commitment to speed training in low winds has paid off, leading them to victory over Scots 2 and Ascham 2.

Dylan Huynh (12M)

Saturday afternoon, following fleet racing we raced against the four Scots teams in low wind.

Consistent and diligent training with the assistance of our coaches allowed us to maintain our competitiveness as a 1st grade team. Younger boys are expressing more interest in the teams racing program, with enough to hopefully have two teams at the States Championship. Big thanks to Eric Wu (12F) for coming down on the wet Saturday to take professional photos for our sailing team! Arion Sclavenitis (12R)

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

Code of Conduct

Students travelling on Trains, Buses and Trams must: -

- Tap your Opal card when joining and again when exiting the transport. This is particularly important as the data collected from the fare collection system may be used for service planning purposes
- Use school bus specials when provided
- Vacate seats for adults when requested
- Follow all instructions about safety
- Respect the needs and comfort of other passengers
- Always behave appropriately (e.g. no offensive language, no throwing things, no video recording)
- Protect transport property (e.g. no vandalism)

Students are reminded to: -

- Only use the Opal card for its intended purpose i.e. for travel between home and school during school days (does not include travel to and from Saturday sporting activities)
- Always maintain possession of your Opal card

Transport Inspectors

Authorised transport officers are deployed to inspect **Code of Conduct** compliance on school bus and tram services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement fine.
