

From the Principal High Talent

Congratulations to Andy Danis (12T) and Blair Zong (12E) who were named in the second grade combined GPS tennis team to play CAS and CHS. Congratulations to Joshua Li (7S) who competed in the VEX Robotics National Competition recently. His team 988A received

the Excellence and Teamwork Challenge Champion Awards. Joshua has qualified to compete in the World Championships to be held in May. Well done to the crews who competed at the Head of the River. The first VIII beat the

TAS crew to finish 8th in 6.26.28. The time was 8.97% away from the winner's time and the best row since 2018.

Wearing of Masks by Students on Public Transport

Transport NSW and NSW Police have responded to complaints by members of the public that some students are not wearing masks on public transport. You are expected to carry a mask and wear it on public transport at all times unless you have a medical exemption in writing.

Weights Room Memberships

Only one week remains for students to join the Weights Room. It is such a great program and

offers a real opportunity for boys to increase their strength, fitness and self-confidence. All the routines are carefully matched to both the age and experience of the

member. Our strength and fitness Coordinator, Kurt Rich, is highly qualified and attends nearly every session the Weights Room is open for student use. Costs for this service are held down to a minimum and reduced by boys taking out a full year's membership. For 2021, a **full year** Weights Room membership costs **just \$268**. Boys wishing to have full year membership must register and pay by **Friday 26 March 2021**. There will be no extensions of time nor any other window of opportunity later in the year if you forget to pay on time.

The Technology Levy

At High, the 2020 expenditure for technology and communication in teaching and learning was **\$839,347**. To support technology the Department of Education makes an annual grant of hardware. **All** of the current budget is paid for by parents. **We are not an eT4L school**. Our specifications for ICT **exceed DoE standards** and we support these higher standards ourselves. In 2020, parents contributed **\$357,228** by way of their contributions to the *Technology Levy*. The wages bill for our four ICT staff members and HT teacher relief was **\$465,000**. Our *Classroom Technology Project* specific expenditure for 2020 was **\$238,592**. Software for equipment (\$39,877), COVID-related hardware & software (\$39,957), AV maintenance and consumables (\$18,434), network maintenance and modernisation (\$15,782), enterprise equipment (\$13,202), and school telephone replacement contribution (\$8,559), were the other main expenses. We expect to spend **\$787,700** on technology and communication support for learning this year. The plan equates to **\$652 for each student**. Our **technology levy** is requested from parents to ensure that our school can supply cutting-edge technology and online tools for teaching and learning. It would be very beneficial for our learning improvement if as many parents as possible supported our technology in teaching and learning program by paying their levy. Your support is very much appreciated. **The wonderful support of our parents over the last 21 years contributing their technology levy (and voluntary school contributions) has enabled us to keep upgrading our services to staff and students to be at the leading edge of blended learning delivery.**

Change to Winter Sport

The Head of the River usually marks the end of summer sport for the AAGPS season. All boys should have indicated their winter sport choices online. It helps our administration a lot if you do and you get a bonus Awards Scheme point. You should check on the student portal next week to see if you have

been credited with full participation points for your training, trial and competition fixtures from your summer season sport. If not, check with your coach or MIC to find out when the data will be sent to Administration. Some sports have knockouts that require them to compete well into the winter season – eg basketball, cricket, sailing. We make allowances for those boys in representative fixtures, but they need to fulfil their training responsibilities in their winter sports. Make up sprints and weights sessions are convenient to make up the training sessions missed. We need to train hard all year round if we hope to be competitive at AAGPS level in any sport.

Early Bird Discounts Have Closed

Parents of students in Years 8-12 have had an opportunity to earn a substantial discount in return for paying all of the items listed in their letters. The scheme concluded at close of business on Sunday 14 March. Discounts no longer apply as from Monday 15 March. Thank you to so many parents who have supported the school fully in its efforts to provide high quality facilities and resources for everyone.

Notice to Year 10 Students and Parents

The **Life Ready** course is **mandatory** for all students in

PDHPE
Personal Development, Health
& Physical Education

Stage 6. At High, we cover the bulk of the course in the **last few days of Term 4 in Year 10**. The

workshops and guest presenters are only available once, and in this time period only. Any student who misses this course will have to work through **25 hours** of DoE materials in his own time, incurring significant extra cost. It is very important for all boys in Year 10 to be at school in the last days of the year. **Parents of Year 10 students are advised that they should not plan holidays beginning before the end of Term 4 for their families and thereby miss this mandatory experience.** I am giving advanced notice that **I will not be approving extended leave for travel to Year 10 students** during this time of the year unless the circumstances amount to an emergency.

Rowing Assembly 2021

My speech to the assembly is reprinted below.

'Parents, teachers, rowers and students, welcome to our 2021 rowing assembly. We are gathered at the traditional time, the Friday before the Head of the River, to honour the Head of the River crews as they prepare to give their all for their mates, themselves and their school. There is a very strong tradition around celebrating rowing at High. The sport is extremely demanding and has a proud history at High, despite two generations without a win by the eight at the Head of the River. Sport is always about how well you journey, not where you arrive. It is about a process of improvement – from where you were, to where you are and to where you could be. It is 84 years since Pierre de Coubertin's heart was encased in a column at Olympia in Greece. He was a pioneering educator and revivor of the Olympic Games. He argued that sport is supposed to be enjoyed in a spirit of friendship, solidarity and fair play. Its exertions are its own reward.

I would like to congratulate George Barris (SHS-2001) for his work as MIC and Coaching Coordinator. The program is still suffering due to the lack of the second pontoon which supported a broader sculling participation. We are working hard to restore that facility in time for next season. George's advanced administrative, liaison and organisational skills have attracted rowers and coaches to our program. Thank you to Gareth Deacon (SHS-2010), now in his fourth season as coach of first VIII. Thank you to Tim Trent (SHS-2018) who has taken over as the 2nd VIII coach. Ashley Chan (SHS-2013) is coaching the IVs again. Thank you to Steve Comminos (SHS-2013) and Daniel Xu (SHS-2016) for their work with the Year 10 VIIIs. Our Year 9 quads are coached by Ryan Zhang (SHS-2018), Dimas Sanjoyo (SHS-2018) and Alvis Leung (SHS-2017). Our Year 8 quads are being coached by Gordon Su (SHS-2018), Lenny Han (SHS-2018), James Appleton (SHS-2019) and Jack Ralph (SHS-2018). Thank you all. Stalwart High rowing coach, Marguerite Pain, is coordinating our Year 7 introduction to rowing this year, with the help of Rongxuan Chong (SHS-2019), Jordan Whittaker and Alan Jessup (SHS-2020). I want to thank the staff who assist George to run the program – Mark Gainford, Joanna Chan and Ze Zheng. Thank you again to the Rowing Committee, headed up by Les Chang, for all that they do to support our boys in their sport.

Fifty years ago, the first VIII was stroked by School Captain David Blomberg, with Con Barris in the bow seat. The average weight of the crew was just over 72kgs. They worked together hard. The crew covered 1450 kms during the season. Despite not beating a crew at the Head of the River, the first VIII was described as being successful, 'from the fact that the crew was able to leave the river after the race, satisfied that they had done their best and had fulfilled their potential'. In any given

year, in whatever era at High, we can ask no more than that each member of every crew gives his best on the day. In sport, the team will be greater than the sum of its individual members. Crew members feel the atmospherics around them, inspiring them to strive harder for the common goal.

Notwithstanding our significant disadvantages in strength, endurance and physique, compared to our GPS rivals, we must compensate by developing great technique and committing ourselves to leaving all our energy out there on the racecourse. Our goals are realistically modest – we want to beat at least one other crew. A reasonable target for our boys in the 1st VIII is to be within 8% longer than the winner's time. As the 21-year average time for winners is 5.56.47 our 1st VIII boys have to row 6.24.98. I believe that is a realistic stretch target. Mega-rich American industrialist and philanthropist Andrew Carnegie said, "Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results."

Let's keep that vision of uncommon results in the forefront of our collective approach to the challenge of the Head of the River competition.

I want to congratulate all the boys who have been selected to compete for High. It is a highly regarded honour historically and with good reason. I hope you are proud of what you have accomplished so far and are looking forward to the big day. Even though the task is hard, tomorrow's events will be satisfying for those crews who collectively do the very best that they can, preferably with crew best times for the season. 'Control the controllables'. You have the power to be motivated no matter what. You have the power to give your utmost, no matter where on the racecourse you may be. You have it within you to never give up. Resolve to make some High history and be among the 41 crews since 1999 who rowed under the winner's time + 9.99%. Even better, aspire to be among the 28 crews between 5.1% and 7.5%. Whatever the outcome, be proud of your striving.

To show your respect for all the competing crews, who have worked with such integrity for this one event, on this one special day, I ask that as many of you in the audience as possible, make the effort to come to SIRC for the Head of the River on Saturday, to cheer for them on as they pass the 250m mark. Good luck to all competing crews!

Dr K A Jaggard
Principal

An Introduction to the Social Justice Society

Who are we?

The Social Justice Society is led by Ms Mellor and aims to explore different perspectives to come to a common understanding of equity and justice in our society. We want to reduce the extent of modern injustice and spread awareness about a variety of human rights issues.

What is our plan of action?

Communication to our student body and the extended community is necessary—through awareness programmes, fundraisers, and events, we strive to contribute to efforts to overcome inequality in the 21st century. Organisations that we closely follow include World Vision and Oxfam, taking part in their efforts to empower the vulnerable.

This Week's Focus: Myanmar Coup

Myanmar has been experiencing a severe state of political unrest, and elected leader Aung San Suu Kyi and her party members have been detained by the military, who have assumed control of the country and enacted martial law after claiming widespread election fraud. The country is home to several ethnic groups, including the Rohingya Muslims who have been victims of widespread genocide. Military commander-in-chief Min Aung Hlaing is now in control of the country, and has faced international condemnation and sanctions due to his oppressive military activity.

In recent developments, Myanmar forces have killed at least 22 anti-coup protesters who set fire to a Chinese-funded factory, and a further 50 protestors were killed on Sunday when the military opened fire on protestors. Children have been killed in efforts to reduce protestor activity, resulting in escalating violence in the country. Not only is the freedom of speech of citizens being restricted, but unrest creates issues of security within communities, making the situation more dangerous for those being oppressed, including refugees.

How To Help (Military Coup & Refugee Crisis):

CLEAN UP AUSTRALIA

Last Friday – the 12th of March – 31 boys participated in Clean Up Australia Day. It was a magnificent cooperative effort between the boys. We picked up rubbish starting from the school playground, to Moore Park West and through to Bat & Ball Field. To all the volunteers, well done!

The boys were gathered into groups to clean up a specified area. The photos below are a reflection of each group.

Thank You – Small Ensembles Concert

The Music Department would like to thank all parents, guardians, staff and guests for attending and supporting the boys at the Small Ensembles Concert held on Wednesday 10th March, 6.30pm (Great Hall).

We hope you enjoyed our first concert for 2021, performed by the Guitar Ensemble, Percussion Ensemble, Philharmonic Orchestra and Senior Strings.

Performance recordings of the concert will be published on the school's Facebook page and YouTube page soon.

Thank you again for your amazing support.

We hope to see everyone at our next major music performance event, which will be the Music Camp Concert held on Thursday 17th June, 6.30pm Great Hall (Term 2, Week 9).

Marching Band & Anzac Day

Marching Band rehearsals will continue this term on Tuesday's after school (3.30pm – 4.30pm) and Friday's before school (8.00am – 9.00am).

There will be no marching band rehearsals in Terms 2 and 3.

Marching Band rehearsals will resume again from Term 4 this year on Tuesday's after school (3.30pm – 4.30pm) and Friday's before school (8.00am – 9.00am).

The SBHS Marching Band will not be participating in this year's 2021 Anzac Day March due to NSW Government Covid restrictions. Hopefully, our Marching Band will be able to participate in the 2022 Anzac Day March.

Parent/Guardian/Student Communication

Parents and Guardians: Please download SZapp from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes.

Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au

Please note: Students will also be notified of any music related events during ensemble rehearsals.

Music Storage Room

To all students who carry music instruments only: Please place your instruments in the music storage room (located next to Room 101.) Please do NOT block the pathway and make sure the door is closed at ALL TIMES. Please ensure students have a clear name tag with their name/year on their instrument case. Students and parents are reminded that SBHS does not provide instrument insurance or cover. The Music Department will not take responsibility for loss or damage whether on or off the school property.

2021 Music Ensemble Schedule

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Intermediate Concert Band 7.45am – 8.45am Governors Centre	Senior Concert Band & Symphony Orchestra 7.45am – 8.45am Governors Centre	Junior Stage Band 7.45am – 8.45am Room 101	Intermediate Stage Band 7.45am – 8.45am Room 101	Senior Strings Ensemble 7.45am – 8.45am Room 101
Guitar Ensemble 7.45am – 8.45am Room 201		Senior Stage Band 7.45am – 8.45am Room 201	Philharmonic Orchestra 7.45am – 8.45am Room 201	Chamber Choir 8.00am – 9.00am Room 201
				Marching Band 8.00am – 9.00am MPW Term 1 & 4 only
Guitar Ensemble 3.20pm – 4.20pm Room 201	Marching Band 3.30pm – 4.30pm Great Hall Term 1 & 4 only	Percussion Ensemble 3.20pm – 4.20pm Governors Centre		Jazz Ensemble 3.30pm – 4.30pm Room 201

Please note:

- * The above schedule is subject to change. The Music Department will inform students asap via the CANVAS Music Performance Page and the school's daily notices if there are any changes
- * Guitar Ensemble: Students who are unable to attend one of the rehearsals can join the alternate session
- * Marching Band: Rehearsals only run in Terms 1 and 4 only. Compulsory attendance is required for students in Concert Band, Stage Band and selected Percussion Studently (no piano students)
- * Students must schedule private instrumental lessons at a different time to music ensemble rehearsals
- * An attendance rate of 80% is required per semester to obtain Award Scheme Points
- * Music Pocket: Attendance of 5 full years is required. New students in Years 8-11 will need to speak with the Music Department

2021 Term 1 Music Events Calendar

WEEK	DATE	EVENT	MUSIC STUDENTS INVOLVED
1B	Friday 23 April	Anzac Day Ceremony, 10.15am Great Hall	Trumpet Student TBC 2 x Elective Piano Students TBC

9A	Thursday 17 June	Music Camp Concert, 6.30pm Great Hall	All students in SBHS Music Ensembles Program
10B	Thursday 24 June	NAIDOC Assembly, 9.50am Great Hall	2 x Elective Piano Students TBC

Music Events are continually added and are subject to change

Head of the River Report

The 2021 edition of the rowing season's finale – the Head of the River Regatta – was a successful day out for High's rowers. As the culmination of months of early wakeups and countless timed pieces around the Outterside Centre, HOTR was highly anticipated by all crews involved. After departing the sheds before daybreak and arriving at the Sydney International Regatta Centre, we prepared our boats and headed out onto the flat waters for a warmup row, enjoying our last serene row as one crew. Then, nervous and ready to push our bodies further than we thought possible, we rowed down to the start line. All crews

performed excellently, achieving large personal best times and competitive racing. The First VIII, cheered on passionately by the 180-strong High crowd, rowed to an eight-second best time and beat The Armidale School to end a 16-year drought. Congratulations to all boys - what a fantastic way to end the season!

Thomas Brcic
1st VIII Stroke
George Barris
MIC Rowing

Thank you to the SBHS media team for the wonderful photos.

Water Polo 1sts Report

Bouncing off an extended high from two wins in a row against Cranbrook and Waverley, we bounded into this week willing to assert our dominance and secure our previous two results with a third win to sign the season off on. Having played Barker in previous seasons, we looked forward to having a fun match against them again, wrapping up our final game of the season, and as a farewell of sorts to the departing Year 12's.

It was brilliant to see everyone make it to the final game, with claims of trackwork and family circumstances not being made, all in the name of commitment until the final hurrah. We made the most of our allocated warm-up time to get our mindsets and our connection with our teammates sorted out through some quick passing and shooting drills.

The general team aura was definitely a little different this time around, knowing we had to play hard in what was, for many of us, quite possibly our last ever game of water polo. We've spent this long on our high school water polo career, we had to get our heads down and send it for the final leg of the journey.

It was difficult to accept that the Barker side had scored the opening goal on us, but we were determined to play harder, bouncing back with a response from Tom, levelling the playing field at 1-1.

The second quarter was much better in terms of possession, but scoring was something we have been working on throughout the season, and funnily enough, we couldn't seem to make it work. I reverted back to what I was familiar and good at, locking down on defence, starting Barker's goal drought throughout the second quarter.

With the ball ending up in our possession every play, Ike had the chance to swim it up the field on a fast breakaway, milking many Barker

ejections from their desperation to stop a quick goal. After many extra-man plays wasted by poor shooting or rushed plays with little communication, we redeemed ourselves with a quick breakaway from Ike, swimming up to the keeper, and faking him out with a goal in the top right corner to finish. High were up 3 - 1 at half time.

We started the second half strong with possession, thanks to Ike winning our sprint-offs, yet again. With Rhys scoring from the narrowest of angles on an extra-man play, we were up 4-1 on Barker. However, they picked up their intensity faster than we realised, they scored two goals on us, closing up the score line to 4-3 our way by the end of the third quarter.

Getting off the bench and coming in for the last quarter, I started in my best position, centre back on defence, putting the clamps on Barker's centre forward, starting another goal drought for them. With our side setting up the mushroom offence, David had a ping in the bottom corner, only just making it past the posts and another goal was scored on Barker. 5-3.

Ike ran another play, drawing another penalty call from the referees, and we decided I should take it. With the past penalty shots running through the back of my mind, all either caught by the keeper or right on the cross bar, I knew this would be my last chance at penalty redemption. Feeling the ball was a little under-pumped, I simulated something different in my mind. Looking right, but skipping the ball into the top left corner. Bouncing past the startled keeper, I doubled the score line, putting High up 6-3.

Saturday was all we could ask for, with all the boys rocking up and supporting each other, the team chemistry was there, it all came together for the final game for many of us. Thank you boys.

Jack Nguyen (12S)
Water Polo Prefect

Stay up to date with SZapp

Download this App to be kept up to date with everything that is happening at **Sydney Boys High School**. It features School Calendar, School Newsletters, School Contacts, Documents, and Push Notification Alerts. Messages can be translated through the app into many different languages.

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

Code of Conduct

Students travelling on Trains, Buses and Trams must: -

- Tap your Opal card when joining and again when exiting the transport. This is particularly important as the data collected from the fare collection system may be used for service planning purposes
- Use school bus specials when provided
- Vacate seats for adults when requested
- Follow all instructions about safety
- Respect the needs and comfort of other passengers
- Always behave appropriately (e.g. no offensive language, no throwing things, no video recording)
- Protect transport property (e.g. no vandalism)

Students are reminded to: -

- Only use the Opal card for its intended purpose i.e. for travel between home and school during school days (does not include travel to and from Saturday sporting activities)
- Always maintain possession of your Opal card

Transport Inspectors

Authorised transport officers are deployed to inspect **Code of Conduct** compliance on school bus and tram services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement fine.

EASTER HOLIDAY WORKSHOP – BONDI

KIDS + TEENS – Beginners to professional

WEEK 1: 5-9 APRIL

WEEK 2: 12-16 APRIL

Want to learn industry-relevant skills from professional actors and filmmakers, have fun and connect with creatives? Join our Acting for Screen workshop these Easter holidays and learn specialised skills from industry professionals, such as working with cameras, lights and action!

ScreenCoach is a drama school with a focus on acting for the screen. All workshop leaders are highly trained and experienced in their craft, carefully selected and vetted.

TO BOOK VISIT: WWW.SCREENCOACH.COM

Invitation to Participate in Research

MALCOLM - Multifocal Contact Lenses for Myopia

Researchers at UNSW Sydney (The University of New South Wales) are seeking volunteer research participants to learn about the effect of two different contact lenses on the progression of nearsightedness in children.

Would the research study be a good fit for me?

The study might be a good fit for your child if your child:

- Is aged 6-12 years (inclusive)
- Is willing to wear soft contact lenses daily
- Has myopia (nearsightedness)
- Has otherwise normal vision, and good ocular and general health
- Has not previously used any myopia control treatments for more than 1 month or within the last month
- Does not have an eye turn, "lazy" eye, or a history of surgery or other treatments or medications which may affect eye growth or contact lens wear
- Has no plans to move for the duration of the study (1 year)
- Is competent enough in English to be able to fully understand the participant information and consent form or you can consent on their behalf

What would happen if I took part in the research study?

If you decide to take part, your child would:

- Be screened for eligibility. This involves discussing your child's ocular and medical history, and performing measurements of vision, spectacle prescription using eye drops, eye length, eye shape, eye pressure and other parameters. This screening visit will take approximately 1 hour.
- If eligible, you and your child would return to be fitted and supplied with two contact lenses, one for each eye. You and your child will also be taught how to insert and remove lenses and use contact lenses safely. This visit will take approximately 1 hour.
- Your child will be asked to wear the supplied lenses over the course of 1 year, inserting a new lens into each eye every day and disposing of the lenses at night
- You will then be asked to return after 1 week and 1, 3, 6 and 12 months, where your child's ocular and medical history and wear time with the lenses will be discussed and similar measurements as the baseline visit performed. Each of these visits will take approximately 1 hour.

Will I be paid to take part in the research study?

There are no additional costs associated with participation in this research study. You will be provided with a \$150 gift voucher at the end of the study for your child's participation. You will also be supplied with all the soft contact lenses to wear for the duration of the year at no cost.

Who do I contact if I want more information or want to take part in the study?

If you would like more information or are interested in being part of the study please contact:
