

## From the Principal

### High Talent

Congratulations to our successful debating teams in the Friday Evening Debating competition (FED), Senior A and 7B. Senior A - Anson Chan (12T), Nicholas Arvanitellis (12T), Matthew Awad (12F) & Nicholas Francis (11R). 7B - Azam Mohamad (7M), Syed Ahmed (7E), Ayman Ahsan (7F) and Marley Masya (7F).

### Information for Parents about 'N' Awards

So far this year, many 'Warning Letters' have been issued, principally to students in Years 11 & 12. The P & C requested more information about the warning letter and 'N' determination process.

The HSC is an internationally accepted credential. To maintain its integrity, the NSW Education Standards Authority (NESA) has put in place strict guidelines regarding students' satisfactory completion of courses. If a student is not meeting the requirements, they are awarded a 'Non-completion Warning' (or N award). An email is sent to parents with a soft copy attached and a hard copy is posted home. The N award warning system is explained to students in detail.

The 'N' Award letter outlines any issues of concern or outstanding work and includes a date by which students should submit the missed work. NESA requires TWO warnings for

a student in order for an N determination to be made by the Principal at the end of a course.

A warning is a concern that the student is not meeting course outcomes and that he may be in danger of not meeting course requirements satisfactorily:

- A warning is typically given if a student does not submit, or is absent for, an assigned task, an assessment task, and/or, has not demonstrated sustained effort and due diligence in class.
- An N warning can be issued for a non-serious attempt in an assessment task (e.g. a frivolous, off-topic or inappropriate response).
- A student will be awarded zero if he does not submit a task or is absent for an assessment task.

As a general rule, extensions are not granted for tasks. Legitimate misadventure must be supported by a doctor's certificate, presented to a course Head Teacher on the first day a student returns to school. Submitting at task after it was due is required by NESA as evidence that a student has satisfied the requirements of a course. Submission of a task does not credit the student with marks above zero if the warning is for a missed assessment task.

Students may appeal if they believe the appropriate process has not been followed. They cannot, however, appeal on the basis of a disputed mark. The process for missed tasks or examinations is included in the examination rosters published for each assessment block. The appeal process is outlined in their assessment policy.

Translated Non-completion Warning letters are available in a range of languages at:

<https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents>, under 'W – Warning letters' for HSC, Preliminary and Year 10.

## Full School Uniform Policy

High is proud of the fact that its boys wear their school uniform. We expect boys to be in their appropriate uniforms at all times. In winter there can be extreme weather events but where adjustments need to be made in clothing, the High Store has responded to the requests from the SRC to supply approved supplementary items. Uniform items are approved by the school community through the P & C.

The **school beanie** and **school scarf** can be worn at all times as part of the official school uniform. Students feeling the cold **should not** improvise with random items of clothing of various colours and designs. It is permissible to wear **white skivvies**, underneath school shirts when it is really cold. Students are allowed to wear sports clothing on sports days (Wednesdays for Years 10-12 and Thursdays for Years 7-9) and can add the school tracksuit for warmth. When it is raining, umbrellas, disposable ponchos or the new **school wet weather jacket** are authorised. Non-uniform anoraks, jackets, caps, beanies, scarfs and wet weather gear are **not permitted** under any circumstances.

Teachers are reminded to ask students to remove items of clothing that are not school uniform and warn them about the need to comply with the school dress code. Explain the options they have available. Put students on detention if they re-offend. If the student still does not comply with school uniform, report recidivist students to the relevant DP, for persistent disobedience in their failure to wear approved school attire.

## DEBATING

An exciting end to the FED competition last week with a win for the fabulous 7B team against Tara on the topic - That politicians should not be allowed to post on social media (SBHS were negative). The Senior A team won against Monte and were affirmative on the topic: That we should not give foreign aid to non-democratic nations. It was a great end to the season and further, the Senior A team were praised by the Monte coordinator for their kindness to one of the Monte team members who, not having debated in person for a year, was nervous and stumbled in her speech. It is nice to think that we can win while still being respectful and kind. Well done boys and a huge "thank you" to Ms Jeanette Cook for coordinating the FED competition.

The Year 11 and 12 A team for the Premiers Debating Challenge had a win in their debate against Armidale High School on Monday in the Zone knock outs. Congratulations.

In other news, the GPS Debating coordinators met last week and it was decided that the GPS Debating season next term will be conducted in person, though there will be no suppers due to COVID restrictions. However, parents are welcome to watch their son debate in the competition. The draw is being finalised and will be published as soon as it is available.

### Booking interviews with your son's teachers

We use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows:

- By **6pm Friday 11 June**, all parents of boys in **Years 7 and 11** will be sent details of the scheduling system and a unique code to be entered via email (N.B. Parents of boys in Years 8 and 10 will receive their codes via email at the very start of Term 3).
- This scheduling email will be sent to the address currently held by the school. If you have not received this email by the morning of Tuesday 15 June or if your email address has changed from what had been previously advised to the school, you should notify the school at [office@sbhs.nsw.edu.au](mailto:office@sbhs.nsw.edu.au). Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview (if you hover over a teacher's name, the subject involved will be shown). At the same time, you can indicate your availability between 3:00 pm and 7:00 pm. You should provide this information **by 6pm on Thursday 17 June**.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to **download and print from 6pm on Friday 18 June**.
- Periods will be shortened on the days of the interviews. Boys from all years will be dismissed from class at 2:35pm each day. The light rail will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these services.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date or communication by telephone arranged.

Similar arrangements will be in place for **Years 8 and 10 interviews on Tuesday 20 July**.

## Oztag House Competition

Throughout weeks 5 and 6, the prefects ran an inter-house Oztag competition for years 8 and 9. These competitions allow friendships to form between the different year groups and encourage everyone to develop a closer bond with their peers which is in essence, the foundation of High Spirit. Everyone showed up with great enthusiasm to play and demonstrated commendable sportsmanship. Although there were some changes to the schedule due to wet weather, the flexibility of the students allowed the competition to run smoothly. The results for the competition are tabled below.

A close final match between Fairland and Rubie ended moments after an equalising try from Fairland. With a draw in the finals, an analysis of the results from the pool games determined Fairland as the overall winner of this competition earning themselves the prestige of the Fairland House Banner being displayed above the bear pit.

### **1<sup>st</sup> XV Report**

Following a disappointing loss against Grammar, the first XV had trained hard to overcome our errors from previous weeks. With the majority of the team back and in sync, we had an extremely dominant start – maintaining a strong possession of the ball and working constantly within their half. Unfortunately, we were unable to execute, with a few errors that forced us behind on points.

The second half once again started strong. However, a general lack of focus and commitment to the game plan meant that Kings were able to put another try on the board. The boys realised the winnability of the match, and will be working extremely hard to ensure this result is not repeated.

**Mihir Marathe**

### **16s Report**

The boys rocked up to Kings ready to play some footy. We started off superb with Andrew Yang scoring a brilliant try off some fantastic lead up work. Off the ensuing kickoff, Filip Spanovic used his giraffe-like frame to gallop up field before offloading to Saxon Gerstl to make it two tries within the space of a couple minutes.

From there, the boys switched off a little bit conceding two tries to even up the scores. It was a back and forth game with neither team gaining any ascendancy. Ultimately, it was Kings who would be victorious, scoring after the final siren to take the lead, 14-19.

The boys know that was a game we should have won and will be pumped to get back out there against Shore this week.

## SBHS FOOTBALL RECAP GPS ROUND 2 vs Kings

*Saturday 29 May*

The second round of the GPS competition saw us play against The Kings' School. Some very competitive fixtures saw a range of draws and close games. Well done to the 4<sup>th</sup> Grade, 8<sup>th</sup> Grade, 16B, 16D, 16E, 15B, 15F and 14D teams for winning back to back games. Some great individual performances included some fantastic saves from Timothy Wang (7T) in the 13Fs, Ivan Ly (9E) scoring 2 goals for the 15Fs and Aidan Lee (9R) scoring a fantastic game winning goal for the 15Bs.

A goal from Jack Smiles (11R) in 1<sup>st</sup> grade was not enough to get a result following a strong performance from the 1<sup>st</sup> XI. Both 1<sup>st</sup> and 2<sup>nd</sup> Grade will need to capitalise on their chances next week to get a result against SHORE.

## Cooler Classrooms Program

Update for parents and guardians

May 2021

### Investing in our schools

The Cooler Classrooms Program is a \$500 million, five-year investment by the NSW Government to improve learning environments in public schools across NSW.

We are committed to delivering a quality, sustainable and cost effective program to ensure our students enjoy the healthy and comfortable learning environments.

### Scope of works

At your school, the program will deliver:

- Air conditioning and fresh air ventilation in 38 classroom spaces
- Remove unflued Gas heaters in 36 Classroom spaces

### Progress summary

An air conditioning, heating and fresh air ventilation solution has been designed to meet the scope of works. Surelinc Services Pty Ltd has been awarded the installation contract.

### Installation works to begin

Installation works will begin May 31, 2021

Work will take place between 6am and 6pm Monday - Friday, and 7:30am and 3:00pm Saturdays.

It is estimated construction works may take up to 22 weeks. An installation plan has been developed to minimise disruption of construction works on school operations.

We will continue to work with the contractor, Surelinc Services Pty Ltd, to ensure any disruption to our neighbours is kept to a minimum.

If you have any questions about this project please contact us on the details below.
