

From the Principal High Talent

Congratulations to Nicholas Arvanitellis (12T) for his selection into the ANU-AAMT National Mathematics Summer School. It is the oldest

and most prestigious program of its type in Australia. Well done also to Joshua Li (7S) who won a gold medal in the Australian Informatics Olympiad (intermedia division). He has been invited to attend the Informatics School of Excellence

for a workshop in December.

Restrictions Eased

As from Monday, 8 November, fully vaccinated extra-curricular providers, music tutors and restricted ensembles, chess, debating and coaches will be allowed on site. Some excursions may take place and assemblies outdoors are permitted. Activities must still be separated into cohorts and COVID-safe settings remain in place. Also, volunteers and providers will be allowed on site to support operations – e.g. High Store, Canteen. All adults on site must be fully vaccinated and mask-wearing rules indoors still apply. Measures announced for ventilation, cleaning and 'cohorting' remain in place.

Interpreting Year 7 Reports Semester 2

Next week, students in Year 7 will receive their reports from me after a brief chat about their progress. In Year 7, we

do not provide ranks to students. We have an *Academic Achievement List* for high-performing students and a *Student*

Monitoring Register for students performing below expected standards. We try to let students settle in and find their feet before making too many outcomes' comparisons. We ask that you check your son's progress in future-oriented earning skills – problem solving, evaluating, working with others, communicating ideas, creating and innovating. Some of these

are reported each year in their own text box on the school reports. Faculties have an opportunity to report at least twice on one or more of the five 'earning skills' during the six reporting periods during Years 7-9. These skills will be needed in jobs of the future. You can understand more deeply about how your son is building his capacity in the discrete dispositions that we have targeted for development as a school. The idea is that you can track your son's growth over his three years in the Junior School. These PEWCC skills are very contextual. Hypothetically, your son might be really good at 'working with others in English' where he is confident and comfortable, but not so effective in mathematics where he is weaker, is reticent or defers to the strongest mathematician in the work group. Consequently, skill growth might not be a simple progression from 1 in Year 7 to 3, 4 or 5 in Year 9 (depending on the scale in the rubric for each subject). Your son's progress might be uniform neither across the subjects, nor across the dispositions. We are reporting on growth in individual dispositions by comparing where a student was on the scale in Year 7 and then again in Year 9. A similar comparison may be made between measures reported in Year 8 and then again in Year 10. I look forward to an informed dialogue between parents and teachers on the individual student's development of these important life skills. Go to www.sydneyboyshigh.com/curriculum/PEWCC reporting, for a full list of skill descriptors. Our challenge is to develop effective assessment tasks at all levels, in order to describe more accurately where your son stands in his development of these important life skills

Some students choose not to put much effort into one of the languages they do not intend to pursue in Year 8. While this is regrettable, it is also understandable. The consequence can be that the overall achievement level, as measured by our points system, might decline. Students have their second opportunity to choose a subject when they decide on their language/s for next year. Will they do one language or two? What are the commitments if they take offline classes? Will their other activities be affected? Please discuss language choices for Year 8 with your sons.

Resumption of GPS Sport

It is our intention to resume inter-school GPS sport on Saturdays under community sport guidelines. Our first set of fixtures will be arranged for next weekend, Saturday 13 November. Thereafter, we can fit another two rounds in – 20 and 27 November - before the end of the term for independent schools. It appears that unless indoor pool restrictions ease, we will not be able to train or compete in water polo. Fitness swimming will continue in the hope that restrictions may ease further before the end of term.

team would meet up and spend at least 2 hours a week under the guidance of our coaches to learn about cyber security. We all started off with zero knowledge, however over time with a lot of trial and error and practice we learned how to compete and work effectively as a team. Personally, I had a lot of fun participating in this competition, as it strengthened our teamwork and comradery. It taught me the importance of communication and sharing workloads to maximise efficiency. I also enjoyed learning more about the inner workings of our computers and network security.

Each person in the team had a vital role to play to ensure the smooth running of our team. We enjoyed the thrill and satisfaction of scoring points during the competition rounds whenever we solved complex problems that required a variety of creative solutions. By the end of the competition, we managed to achieve a ranking of 10th in the First Round and 11th in the Second Round, each having a total of 132 teams. Despite having narrowly missing out on making it into the top 10 teams overall to proceed to the National Finals, we were all still extremely happy with our result and are already keen to improve for next year.

I would like to thank my teammates, LCPL Kenton Liu, CDT Jayden Chen and CDT Dat Nguyen for taking part in this experience with me. I would also like to pay special thanks to the coaches and supervisors that took many hours from their busy university and work schedule to help guide us through the competition: LT (AAC) Ronald Luo, Nathan Quan, and John Tian. This experience has been phenomenal, and I would definitely recommend anyone interested in computers or cyber security to give it a go.

CyberTaipan Report:

This year, the SHSCU entered its first ever team to compete in CyberTaipan, a national youth cyber defence competition to inspire high school students to further their education in cyber security and STEM subjects. Each team competes in scored online rounds where the objective is to fix security vulnerabilities, secure computer networks, defend against hackers and solve complex forensic challenges. Each round consists of a 6-hour time limit in which there are a set of 3 virtual machines to secure covering different Windows and Unix operating systems.

The CyberTaipan competition has provided the whole team with a brand-new experience for us all that was very rewarding and a lot of fun. From June to October, the

Music NOTES

UPDATE-Term 4 Music Performance Program

ALL music ensembles are cancelled for the rest of this term. We hope to recommence all music ensembles in 2022 (Term 1 Week 2).

Private Instrumental Lessons will be able to take place onsite again from Wednesday 1st December (before or after school only)

Please note re. Private Instrumental Lessons:

- Students/Parents/Guardians will need to speak with their instrumental tutor directly whether lessons will be online or onsite
- Students will need to bring their own instrument(s)/equipment/accessories (e.g. guitar picks/drum sticks/guitar leads etc.) - items will NOT be loaned and/or supplied by the Music Department

- Students should NOT be participating in private instrumental lessons onsite if feeling unwell and/or showing symptoms (cough/shortness of breath/sore throat/fever/runny nose]
- Parents/Guardians will not be allowed on school site

Parent/Guardian/Student Communication

Parents and Guardians: Please download **SZapp** from the Apple App Store or Google Play and subscribe to 'MUSIC.' Installation guide can be found in the school's High Notes.

Students will be notified of any music news and notifications via the Music Performance Program CANVAS page, school's daily notices and High Notes. Students are responsible to read and keep updated of any Music Performance Program related events/material on a regular basis.

Attention Music Ensemble Students: If you are in the Music Ensembles Program and have not yet received a Music Performance Program Canvas invitation, please email the Music Department: music@sbhs.nsw.edu.au

Please note: Students will also be notified of any music related events during ensemble rehearsal.

Canteen News

Please continue to observe the following Canteen Procedures as per the *SBHS Return to school protocols*.

A new bell will be temporarily added to mark each half of recess:

- Recess 1 & Lunch 1 – Years 8 and 10
- Recess 2 & Lunch 2 – Years 7 and 9

Please remember to line up at your designated window. Year 11 students are asked to use the canteen during study periods where possible, to decrease congestion during breaks.

It would greatly assist the Canteen if students could order their lunch online where possible. This will minimise the need for students to

order their lunch in person before school.

Students are not to remain in the canteen area, or amphitheatre.

The Canteen will be operating on a limited menu until the end of the year, however, please come and speak to the Canteen Managers if you have any specific dietary requirements. We aim to minimise wastage and therefore thank you for your understanding and support.

SBHS Canteen WhatsApp Group

We have begun using the **WhatsApp** group to keep our volunteers informed and to request for assistance when needed, and it has been wonderful to see our volunteers offering to help at the last minute to cover for other parents who, unfortunately, could not make it on the day. Thank you very much for your thoughtfulness and for being so flexible with your schedule.

If you would like to be added to the SBHS Canteen **WhatsApp** group, please send an email to:
canteen@sbhs.nsw.edu.au

Notice of Canteen Committee Annual General Meeting

The Canteen Committee will be holding its Annual General Meeting (AGM) on Wednesday, 10 November

2021, at 6:00pm, via Zoom. This is where P&C members can self-nominate and vote for volunteer positions on the SBHS Canteen committee. Vacancies exist for Committee President, Vice-President, Secretary, Treasurer, and Volunteer Coordinator.

Everyone is welcome to join the Committee. It is a great way to meet other parents, learn new skills and contribute to the running of the school canteen. Training and support are provided, and it is possible to job share positions. Our meetings are held via Zoom on the second Wednesday of every month for an hour, starting at 6:00pm. If you would like to attend the AGM, please click on this [link](#) to register for the meeting.

**WE LOVE
OUR VOLUNTEERS**

Volunteers

We would like to thank the following parents for volunteering in the Canteen since 25th October, when the Canteen re-opened:

25-Oct	Mook Kooi Loo, Yan Liu
26-Oct	Carol Han, Chulamanee Yongkiatpanich
27-Oct	Polly Lee, Rosaline Perry
28-Oct	Ming Xia, Sunny Song
29-Oct	Huaping Xu, Wing Yee Ma
1-Nov	Anita Kwok, Razni Nazar
2-Nov	Hemashini Vithuran, Kathy Cowan

Please consider joining our team of volunteers. We are extremely flexible and will gratefully accept any time you can donate to the Canteen and the students. If you have an hour, or more, to spare on a regular or ad hoc basis, please contact us by any of the following means:

- fill out the [Canteen Volunteer Registration](#) form
- send an email to canteen@sbhs.nsw.edu.au
- call us on 9662-9350

It is a great opportunity to meet other parents, share stories and learn from each other. No prior experience is required as we will provide full training.

Also, thank you very much to our SRC boys and new Prefects for helping out at the Canteen. We would not be able to cope without them and greatly appreciate their assistance.

2020 Prefects and Volunteers

COVID-19 Information for Volunteers

High Canteen is following the NSW Health advice to ensure everyone stays safe. Under the NSW Public Health Orders, from 18 October, anyone (including volunteers) working on a NSW school site must be fully vaccinated to help protect the health and safety of staff and students. When attending a school site, you will need to show evidence of vaccination (immunisation history statement, or a COVID-19 digital certificate, or a medical contraindication certificate from a medical practitioner in a form approved by the Chief Medical Officer) to our Canteen Managers.

While in indoor settings in school, masks or face coverings are required for all volunteers.

It is essential you do not attend the canteen if you:

- have tested positive to COVID-19
- are a close contact of someone who has tested positive for COVID-19
- have been tested for COVID-19 and are awaiting test results

Please follow NSW Health guidelines on what you need to do before returning on site. Please inform the volunteer co-ordinator, before your scheduled shift, if you are unable to attend.

FROM THE 2 LIBRARIES

THE TRADITIONAL LIBRARY CHESS TOURNAMENTS
WENT ONLINE DURING LOCKDOWN – WE HAD A
COVID WIN!

Two Year 7 players nearly trounce the big guys!

Chess Players Past and Present Tournament - Winner
Jack Keating (Yr 11) and runner up Nestor Chan (Yr 7)

Amateurs Chess Tournament -Winner, Kenton Liu (Yr 9)
with runner up Jamie Jin (Yr 7) and Organiser Sarvesh
Parbithan (Yr 10)

The 2 Libraries Blitz Chess Tournament went online this
year for the first time. We kept our time format – playing
during lesson break times on a 15-minute game format
and used chess.com. We emailed out the draw
spreadsheet to our 44 competitors and they emailed back
their results.

Mr Wiramihardja the Librarian in the MacDonald Library
very kindly volunteered to run the Chess Club players
past and present Tournament and Mrs Crothers ran the
Amateur Tournament. I would like to thank him for his
unfailing co-operation.

This Tournament would not have taken place without the
assistance of Kenton Liu from Year 9 who had the
knowledge of chess.com and who also conducted
discussions with chess.com who queried Kenton about
this event. (It was great to see that Chess.Com take their
oversight seriously) I asked for volunteers with some
knowledge of chess.com and Kenton stepped up so we
can all thank him for this tournament going ahead at all. I
am particularly grateful to Kenton whose confidence and
maturity helped me develop rules to run the tournament
and who along with Sarvesh Parthiban (Year 10) acted as
Tournament Judge/IT assistants.

Semi-finalists were Kenton Liu (9), Balhar Athwal (Yr 7), Ze Yi Jin and Edward Ly (Yr 10).

Special thanks also to all Year Advisers who put up notices in CANVAS at my request to advertise the Tournament. We would not have had 44 contestants without your help.

Finally, I must thank the 44 players many of whom had never played online before for having a go and entering into the spirit of fun.

This tournament could not have happened without you either. We all learned that all sorts of normality are possible online and when we are isolated.

Jamie Jin and Kenton Liu battle it out and Nestor Chan and Jack Keating in action.

It is great to see young boys like Jamie Jie and Nestor Chan show their abilities in this Blitz Chess Knockout.

Captain of Boats Report:

This week, rowers of all years were able to have their anticipated first session on the water after a lengthy time away. We quickly realised how much we had missed rowing and the mateship in and around the sheds. Senior A group awakened their competitive spirits by taking two eights out on Wednesday for a refreshing row. Rowers were welcomed by a newly renovated Outterside Centre as well as a new pontoon, which made getting boats on and off the water much easier and quicker. I would like to thank the High Foundation and financial supporters of our program who have made this possible. It is very fulfilling knowing that students are now able to appreciate what our program has to offer and its unique experiences which facilitate the growth and development of our boys into fine young men.

Season Schedule (COVID pending):

Please check out the season schedule on the following google sheets link.

Communication:

For parents – **Szapp** – rowing group

For students – The CANVAS rowing page

All communication will go through these channels so please ensure you are a part of these if you are rowing.

New Pontoon:

A huge thank you to the Sydney High Foundation for pursuing renovations at the Outterside Centre during this winter. It was made possible by the tireless work of Alex Feldman in his role as a member of the Sydney High Foundation. It now means that we can float three boats at once which will improve the safety and efficiency of the rowing program.

Sydney Boys High Tennis Trials Continue

It is good to have the boys back at school and especially nice to see them participating in sport & physical activity. Students need to attend their training sessions to give them the best opportunity to make their team. Except for the 15's (Y8's) all age groups have an abundance of boys trialling. Each age group will consist of 4 teams of 5 (20 total). As per previous years some spots will be reserved in the Development Squad for those who do not make a team initially. The Development Squad still trains 3 times a week, however, on Saturday they have a training session at Moore Park courts 12-2pm instead of a match. The development squad has allowed the program to develop keen boys where they can stay in the sport of their choice and potentially make a team during the season or next. A reminder that boys can move up and down positions throughout the season.

This upcoming Saturday 6 November we have organised some internal training for the students as per the schedule below:

<u>School Courts</u>	<u>Moore Park Courts</u>
7:30-8:30am	7:30-8:30am

Please see the training schedule below. If your son is unable to attend a training session, please email me richk@sbhs.nsw.edu.au & Absences.Sport@sbhs.nsw.edu.au by 5pm Thursday. If your son cannot attend his Saturday fixture, please email before the start of the match.

A reminder that when it is raining the morning Tennis training will be at the gymnasium gallery steps.

Unless necessary, students need to attend the speed & agility session assigned to their cohort. All sessions are on at MPW starting at 3:30pm.

HIGH SAILING

Sailing is back! And what a beautiful day Sydney put on for us, sunny afternoons for both the senior and junior training sessions this week with a steady breeze. Although the water was a bit nippy the boys managed to stay out of the water for the most part and have a great time. For some it took a while to get back into the swing of things, recalling their talent from one term and a COVID lockdown ago. It was great to see such a high interest in sailing this season with the program overfilled with eager students wanting to learn the ropes. We also had a solid turn out for Saturday's training with some of the senior first graders pairing up with some of the new sailors and

providing them with some of their experience and knowledge.
